The New Math at  
Saint Mary's College!

$\$1 = \$2$

# HAVE I GOT A DEAL FOR YOU!

As a grateful Saint Mary's alum, I am offering to match the first \$50,000 in alumni gifts made to the College this spring.

**Why should I?** Because I didn't have my head on straight until the Christian Brothers and Saint Mary's College got a hold of me, and without that guidance, I simply would not be where I am today. I want to give back, and I want you to join me!

**Why should you?** Because you got a great education at Saint Mary's and, contrary to popular belief, your tuition did not cover the cost of your education. For many generations, alumni support has helped the College provide the small class sizes, the personal attention and the enhanced curriculum that made our Saint Mary's experience invaluable.

As students we were on the receiving end of this tradition, and as alumni it's our turn to be the givers. **It's pretty simple.**

Please take a couple of minutes right now to find a pen and a stamp, write that check, and slip it into the enclosed envelope. Brother Ron is counting on your support just as much as he is counting on mine.

And remember the new math: **\$1 = \$2**. With my match, your gift will make twice the impact.
