

DE LA SALLE HALL RENOVATION UPDATE

August 22, 2007

Dear De La Salle Hall Resident,

Welcome! You'll notice that we are in the midst of several ongoing renovations to your residence hall. Some of these improvements may temporarily impact your living situation and we are taking steps to minimize inconvenience.

We are installing new telephone lines in your building and your room phone may experience periodic outages between now and September 7. **This will not affect e-mail access or Internet service.** If you do not have a cell phone and need to make an urgent call, please speak with your RA or another Residence Life staff member.

In the spring of 2008, the College will be expanding the student-focused meeting and social space on the first floor De La Salle Hall. To accommodate these improvements, there will be some construction noise on the first floor of the building between 8 a.m. and 4 p.m. beginning in February.

We will provide regular updates on construction and other renovations. You can also find facility updates at www.stmarys-ca.edu/news-and-events/campus-renovations/index.html. Thank you in advance for your patience. Please contact Residence Life at 631-4326 if you have questions or concerns.

Once again, welcome to Saint Mary's!
