

PLACEMENT VERIFICATION SUPERVISED III

St. Mary's Multiple Subject Program is unique because it enables our candidates to be employed and meet the requirements of supervised teaching. Student Teaching III requires the candidate to be employed in a classroom five days a week for 14 weeks. The candidate is expected to teach six lessons and complete class assignments.

In the _____ Term the placement will be from _____ to _____.

In order to facilitate our placements we would appreciate it if you would print and sign your name verifying the candidate is employed at the school site. Thank you for assisting us in preparing competent teachers of the future. If you have any questions please telephone 925-631- 4482.
