

The Tip-Off Club is an exclusive group of dedicated and generous alumni and friends who supplement their annual gifts to Saint Mary's College with additional contributions to the men's basketball program. Donations to the Tip-Off Club are used at the coach's discretion to supplement strategic program initiatives including upgrading the locker room, completing the new team room, touring internationally, season scheduling and more.

Tip-Off Club donors get an insider's perspective on SMC basketball through exclusive access to coaches and players at special events and pre-game receptions at home and on the road.

Please help ensure the success of men's basketball at SMC and show your pride in our Gaels by joining the Tip-Off Club today.

"I've never been more proud of anything in my life than this team and coaching staff ... great coaches who are fathers to me and teammates who are brothers. So it's a family."
