

## Memorandum

**To:** Members of the Saint Mary's College of California Community  
**From:** Michael Beseda  
**Date:** October 23, 2008  
**Subject:** Fall 2008 IPEDS Enrollment Report

Each year U.S. institutions of higher education are asked to complete the Integrated Postsecondary Education Data System (IPEDS) Surveys. Completion of the surveys is one requirement for participation in federal programs such as student grants and loans. Survey topics covered either annually or biennially include Institutional Characteristics, Degree Completions, Enrollment, Financial Resources, Staff and Faculty Salaries and Benefits, and Graduation Rates. The IPEDS Enrollment survey is recognized nationally as the standard by which institutions of higher education report enrollment figures.

Using the following link you may access IPEDS enrollment results for Saint Mary's [http://www.stmarys-ca.edu/about/fact\\_book/section3.pdf?#page=2](http://www.stmarys-ca.edu/about/fact_book/section3.pdf?#page=2). Enrollment totals are presented both for all programs and for "continuing" programs (those that continue to admit students.) In addition, the tables provide IPEDS enrollment totals for 1999 through 2008.

The following observations arise from the IPEDS data:

- 1) Total head count enrollment increased by 31 students (or 0.8%) to 3840 for fall 2008.
- 2) Undergraduate headcount enrollment of 2514 is 10 students more than fall 2007's total of 2504.
- 3) Graduate Business enrollments increased by 35 students (11.7%) to 334 for fall 2008. This is the highest level since fall 1995.
- 4) Graduate Education head count enrollment increased by 49 students (7.4%) for fall 2008.
- 5) MA Leadership enrollment increased by 15 students (19.7%) for fall 2008. This represents the largest enrollment in the program's eight year history.
- 6) Graduate Kinesiology enrollments increased by 13 students.
- 7) Open Enrollment and MFA enrollments remained constant

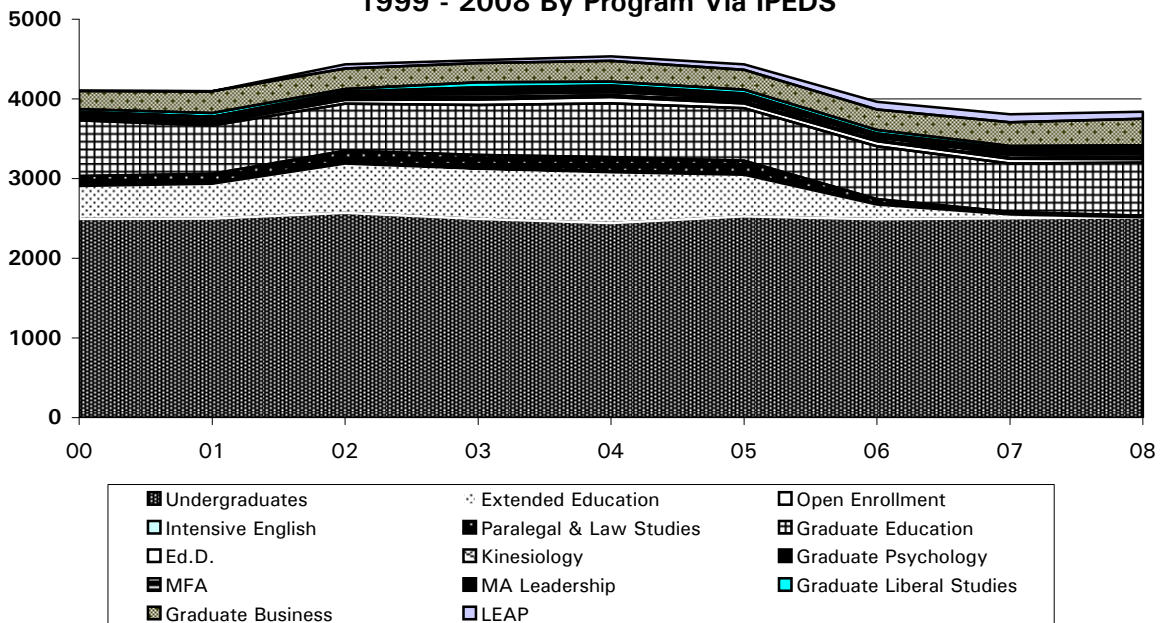

Please feel free to contact me if you would like to receive a printed version of this report or have any questions about these data.
