

DRIVING DIRECTIONS TO THE INTERCULTURAL CENTER (IC)

At the front kiosk take a left onto the main road (De La Salle Drive). Follow this road around campus, veering right at the first stop sign, then continuing straight through the roundabout. On your right you'll see a gravel lot with mobile classrooms/buildings on it. Turn right into the driveway heading slightly downhill, past the small post office building on the left and down at the end of the driveway near the dumpsters one of our employees will be there to meet you and bring the food through our back door.
