Summer in New Orleans

It is very hot  
90 degrees on the dot  
I ain't pay the bill  
Cause I ain't get my check still  
Now I gotta work overtime  
Damn I got too much stuff on my mind  
The humidity hits as you walk outside  
All the buzzing all the flies  
It's a different type of feel  
Unknown to others
