

A PATH TO GRAD SCHOOL

Liberal Arts Undergraduate Degrees build a versatile foundation for wherever your graduate studies will lead you.

Liberal Arts to Graduate School at Saint Mary's

MA in Teaching

- Enhance your knowledge of student learning and deepen your understanding of contemporary issues in education.
- Optional Catholic Educator Emphasis for those teaching at Catholic schools.
- Fully Online. Complete in 7-11 months

MS in Computer Science

- Build technical depth and software engineering skills with an MS in Computer Science. Ideal for advancing careers in AI, data, and software development.
- Fully online, one year completion
- Add a Computer Science certificate or minor to your Liberal Arts BA for a head start.

MA in Communication

- Advance your career with an MA in Communication focused on media literacy, storytelling, and strategic leadership in the digital age.
- Flexible schedules for working professionals.
- Current Undergraduates can complete two bridge courses to save time and money in the MA program.

When viewing digitally the headings are links

MBA 4+1

- Complete a Liberal Arts bachelor's and a Business master's degree in five years with this SEBA pathway.
- To apply: hold a 3.0 GPA, be of Junior/Senior standing, complete a Business Minor or select bridge courses.
- Also available is the Business Competencies Certificate to get a head start.

MFA in Creative Writing

- Hone your craft in a low-residence program that combines deep mentorship, diverse voices, and intensive workshops.
- Small Cohort model with faculty-student mentorship to elevate your craft.
- Two year tracks in Fiction, Poetry and Non Fiction.

MFA in Dance

- Deepen your choreographic voice and artistic practice in an MFA Dance program that balances innovation, performance, and pedagogy.
- Performance residencies. Curriculum that merges theory and movement.
- Hybrid and low-residency formats available.
