

Membership Purchasing for Affiliate Members

Joseph L. Alioto Recreation Center

Please allow 24-48 hours during business days for processing and membership activation. Membership access begins on the date of payment; early renewals are available and applied appropriately.

Please retain your receipt as proof of purchase to present at the front desk. Renewing members may use their receipt to access the facility while their membership is being processed.

Affiliate members who do not have an SMC ID card are required to use the Campus Recreation App through a smartphone to check into the facility, which involves removing the tracking component. No other options are available at this time.

- Members must be 18 years or older
- Please visit the website for current hours of operation, closures, and limited-hour days. Facility hours are established based on the College's academic schedule and may vary during academic breaks, holidays, summer sessions, and other campus closures.
- Members must follow all [policies and procedures](#) in place at the Joseph L. Alioto Recreation Center
- Memberships are not prorated, adjusted, or refunded for partial months, delayed activation processing, facility closures, holidays, limited operating hours, or unused time remaining on a membership term.
- Be prepared to present a government-issued ID and complete the required forms at your first visit. This includes signing the facility waiver, accessing the Campus Rec App, and taking a photo.
- Locks for lockers and towels are not provided.
- Room Reservations requested by affiliates are only permitted through our rental procedure which include insurance requirements and fees.
- Refunds, cancellations, or suspensions of paid memberships are subject to review and approval by Recreation Center management. Please see the front desk for contact information and additional details
