Undergraduate Student Code of Conduct

PREAMBLE
As a community that celebrates its Catholic, Lasallian, and Liberal Arts traditions and receives inspiration in the life of our Founder, Saint John Baptist de La Salle, Saint Mary’s College expresses these values in specific and intentional ways. The five Lasallian Core Principles of Faith in the Presence of God, Respect for All Persons, Inclusive Community, Quality Education, and Concern for the Poor and Social Justice give direction to and find expression among the College community. These five Lasallian Core Principles provide the framework through which our students conduct themselves and are consistent with College policies. The general principles governing community life at Saint Mary's College are guided and informed by the Mission Statement of the College. All members of the College community are expected to read and have a working knowledge of its principles. The Code of Conduct and student discipline process are intended to:

• create a responsible, civil and intellectual educational community;
• promote the respect of College and individual property;
• create an environment in which all members of the community are treated with dignity, care, and respect; and
• provide an environment that facilitates intellectual, personal and spiritual development.

By voluntarily choosing to affiliate with the College, students are presumed to have knowledge of and have accepted the responsibilities outlined in the Code of Conduct, other College policies and the student discipline process. Claiming not to know the Code of Conduct, other College policies and the student discipline process is not considered a legitimate excuse or defense for violations of the Code of Conduct or other College policies.

Violation of Law and College Discipline

The College’s student discipline process is applicable to conduct which occurs on College owned or controlled premises or at activities which the College sponsors or recognizes (including, but not limited to, off-campus sanctioned events, sporting activities, study abroad, and travel), off-campus conduct between or among the College’s students, or any activity of which the Dean of Students, or designee, has notice and in which a police report has been filed, a summons or indictment has been issued, or an arrest has occurred. Therefore, the student discipline process may be activated, at the discretion of the College, for alleged violations which ocorrs off-campus and when such actions by its students might adversely affect other students enrolled at the College or individuals visiting the College campus, the interests of the College community, the pursuit of College objectives and/or the surrounding community.

When a student is charged by federal, state, or local authorities with a violation of law, the College will not request or agree to special consideration for that individual because of his/her status as a student. If the alleged offense is also being processed under the Code, the College may advise off-campus authorities of the existence of the Code and of how such matters are administratively handled within the College community. The student discipline process is separate from, and will proceed without regard to, any criminal or civil proceedings. Consistent with the College’s obligations under applicable law, the College will attempt to cooperate with law enforcement and other agencies in their enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators (provided that the conditions do not conflict with campus policies or sanctions). Individual students and other members of the College community, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

ARTICLE IV: CODE OF CONDUCT PROCEDURES

The following procedures are designed to offer a fair process in determining, and when appropriate, sanctioning violations of the Code and other College policies, but should not be confused with standards or procedures that apply in civil, criminal, or external administrative legal settings. The student discipline process governing reports of conduct that is alleged to or may be violations of the Sexual Assault and Sexual Misconduct Policy and/or violations of the sexual harassment section of the Policy Prohibiting Discrimination, Harassment, including Sexual, and Retaliation can be found in this Handbook. (See sections on Sexual Assault and Sexual Misconduct Policy and the Policy Prohibiting Discrimination, Harassment, including Sexual, and Retaliation).

Please refer to www.stmarys-ca.edu/studenthandbook for the most current version of conduct procedures.

A. Reports of Conduct and Student Discipline Hearings

1. Any member of the College community, including but not limited to students, staff or faculty, may make a report of conduct involving a student or student organization that may be a violation(s) of the Code and/or other College policies. A report of such conduct can be made either orally or in writing and shall be directed to the Dean of Students, or designee. All reports of conduct must be made prior to the actual physical receipt by the respondent of the terminal degree from the College.

A report of conduct should include:
   a. The name of the student(s), or student organization, alleged to have violated the Code or other College policy;
   b. A clear factual statement describing the nature of the conduct (date, time, place, witnesses); and
   c. The name(s), address(es) and telephone number(s) of those filing the report.

2. The Dean of Students, or designee, will review all reports of conduct to determine which sections of the Code and/or other College policies were allegedly violated and refer the case to the appropriate hearing process.
B. Hearing Process

1. There are three hearing options to determine responsibility in student discipline matters for alleged violations of the Code and/or other College policy:
   a. A hearing between a Hearing Officer and the student(s) individually;
   b. A hearing before Peer Conduct Council; or,
   c. A hearing before a Disciplinary Hearing Board (DHB).

   The Dean of Students, or designee, will decide which option will be used.

2. Burden of Proof - The burden of proof shall be on the complainant, who must establish that the violation was committed by the charged student or group by a preponderance of the evidence. In other words, the complainant must prove that it was more likely than not that the student committed the alleged violation.

3. Students are expected to participate in the student discipline process when they are called to a hearing, Peer Conduct Council, or a DHB as a complainant, respondent or witness. Should a student fail to appear when proper notification has been given or should the student fail to provide a statement during the hearing, the hearing will proceed without benefit of that student’s input. Meetings with Hearing Officers, Peer Conduct Council, and DHB will be scheduled taking into consideration the student’s regular academic schedule only.

4. Students have the option of choosing an advisor to accompany them through the discipline process. The advisor is not an advocate for the student in the proceedings and may not address the hearing body or speak on behalf of the student. The advisor may speak with the student privately and in a manner that is not disruptive to the hearing or student discipline process. The respective student’s advisor may be present at any time at which the student they are advising is meeting with the hearing body or other member of the College staff regarding the disciplinary matter and at which the student wishes for them to be present. The advisor is obligated to maintain the confidentiality of the nature of the allegation(s), the content of the student discipline process, and the privacy of the complainant, respondent, and any witnesses known to the advisor. Students are strongly encouraged to choose an advisor to assist them in the discipline process; however, it is the student’s decision as to whether to seek an advisor and, if so, who that advisor will be.

5. Civil or criminal rules of evidence shall not apply, nor shall deviations from prescribed procedures necessarily invalidate a decision or proceeding unless it is demonstrated by the student alleging the deviation that there is significant prejudice to the final outcome of the discipline proceeding as it affects the student sanctioned or the College.

6. The results of lie detector tests will not be accepted in student discipline investigations or proceedings. Tape recordings are not made or permitted in any phase of the discipline process. Student discipline documents (including, but not limited to, contact reports, Public Safety reports and statements) may be reviewed on site at the College by the complainant and/or the respondent but may not be duplicated or photographed.

   Hearings

1. Any trained faculty or staff member may serve as a hearing officer. The Dean of Students or designee determines membership from applications submitted. The Dean of Students, or designee, will provide training and orientation sessions as needed.
2. Students charged with a violation of the Code or other College policy who are directed to meet with a hearing officer or panel will receive either oral or written notice generally twenty-four (24) hours prior to the meeting time.

The hearing officer will meet with the student(s) to:
   a. Discuss the report of alleged conduct,
   b. The hearing officer investigates the case thoroughly and asks questions of the complainant, and if deemed appropriate to the case, may ask questions of the respondent and witnesses identified by either the complainant and/or respondent.
   c. Determine an appropriate finding:
      i. It is more likely than not that the alleged conduct did not occur and the respondent is not responsible for a violation of the Code or College policy; or
      ii. It is more likely than not that the alleged conduct occurred and the respondent is responsible for a violation of the Code or College policy. If the respondent is found responsible, the hearing officer will impose appropriate sanctions.
   d. After a decision has been rendered, the respondent will receive a letter summarizing the outcome and sanctions as appropriate, generally within seven (7) business days; however, unavoidable delay in providing notice of outcome is not an available ground for appeal.

3. If a sanction has been imposed, it is the responsibility of the student to ensure that Community Life receives notice of completion of the sanction in writing. Failure to complete a sanction may result in the assessment of additional sanctions without another hearing.

Peer Conduct Council

1. The Peer Conduct Council pool consists of approximately fifteen (15) students. The Dean of Students, or designee, determines membership from applications submitted by students.

2. It is required that Peer Conduct Council members exhibit the highest ethical standards, disqualify themselves if they believe they cannot be impartial and/or fulfill their obligation to maintain the confidentiality of the process and dignity and privacy of the complainant, the respondent, and any witnesses before, during, and after the process consistent with applicable laws and College policy governing student privacy rights. In addition, the Dean of Students, or designee, is charged with deciding, at his/her sole discretion, whether a Peer Conduct Council member can be impartial or respectful of the confidentiality of the process and the privacy of the individual(s) involved. The decision of the Dean of Students, or designee, is final.

3. The Dean of Students, or designee, will provide the Peer Conduct Council members training and orientation sessions as needed.

4. Three (3) members of the Peer Conduct Council pool will generally be called to sit on a Peer Conduct Council panel based on availability and experience. Each panel will identify a chair, whose role is to facilitate the hearing and ensure compliance with the process and procedures outlined below.

5. Students charged with a violation of the Code or other College policies who are directed to meet with the Peer Conduct Council will receive oral or written notice generally twenty-four (24) hours prior to the meeting time.

6. Student discipline hearings shall be conducted by a Peer Conduct Council panel according to the following general guidelines:
   a. The Chair of the Peer Conduct Council panel will explain the procedures.
b. The Chair will read (if written) or explain (if oral) the alleged violation(s) of the Code or other College policy and the report of conduct.

c. The complainant (if available) and respondent will be asked to make a statement regarding the allegation(s) of the complaint.

d. Peer Conduct Council individually asks questions of the complainant (if applicable) and the respondent. As the Peer Conduct Council deems appropriate to the case, they may ask questions of witnesses identified by either the complainant and/or respondent.

e. After all questions have been asked, and if they choose, the complainant and the respondent may make a closing statement to the Peer Conduct Council.

f. Peer Conduct Council will then meet in private and, based on their investigation and interviews, will deliberate on the information provided and determine an appropriate finding:
   a. It is more likely than not that the alleged conduct did not occur and the respondent is not responsible for a violation of the Code or College policy; or
   b. It is more likely than not that the alleged conduct occurred and the respondent is responsible for a violation of the Code or College policy and imposes appropriate sanctions.

g. The chair will notify in writing to the Dean of Students, or designee, of the hearing’s outcome within twenty-four (24) hours of its completion. The Dean of Students, or designee, will communicate the finding of the Peer Conduct Council to the respondent in writing generally within seven (7) business days; however, unavoidable delay in providing notice of outcome is not an available ground for appeal.

7. If a sanction has been imposed, it is the responsibility of the student to ensure that Community Life receives notice of completion of the sanction in writing. Failure to complete a sanction may result in the assessment of additional sanctions without another hearing.

**Disciplinary Hearing Board**

1. The Disciplinary Hearing Board (DHB) consists of a pool of trained faculty and staff. The Dean of Students, or designee, determines membership from faculty nominated by the Chair of the Faculty Senate, and other staff of the College as recommended to the Dean of Students, or designee.

2. It is expected that DHB will exhibit the highest ethical standards, disqualify themselves if they believe they cannot be impartial and/or fulfill their obligation to maintain the confidentiality of the process and the dignity and privacy of the complainant, the respondent, and any witnesses before, during, and after the process consistent with applicable laws and College policy governing student privacy rights. In addition, the Dean of Students, or designee, will decide, at his/her sole discretion, whether a DHB member can be impartial and will remove anyone whom he/she determines is unable to be impartial or respectful of the confidentiality of the process and the privacy of the individual(s) involved. The decision of the Dean of Students, or designee, is final. The Dean of Students, or designee, will provide training and orientation sessions for the DHB pool as needed.

3. Three (3) members of the DHB pool will generally be called to sit on a DHB panel based on availability and experience.

4. Prior to a DHB proceeding, the investigation process will take place. A reasonable investigation is a vital part of a fair disciplinary procedure. Taking time to establish the facts behind disciplinary allegations can help to ensure a fair process for the respondent and complainant. Both the respondent and the complainant will have the opportunity to identify potential witnesses and to provide information to the Investigator. The Investigator shall have the discretion to interview any potential witnesses as needed, including witnesses the Investigator identifies through the course of his/her
investigation. The Investigator may determine that not all identified witnesses need be interviewed if the Investigator determines that he/she has sufficient information to complete his/her report or if the Investigator determines that information that would be provided by additional witnesses would merely be cumulative. The Investigation Report will include information and witness statements that the Investigator has determined to be relevant to the allegations, including information that may have been provided by the respondent, the complainant or otherwise developed through the investigation process. Both respondent and complainant will have the opportunity to review the report in advance of the hearing. This report is also shared with the DHB in advance of the hearing.

5. In addition to the three voting members identified above, each DHB proceeding will consist of a facilitator whose role is to facilitate the hearing and to guide compliance with the process and procedures outlined below.

6. Students charged with a violation of the Code or other College policies who are directed to meet with a DHB will receive oral or written notice generally twenty-four (24) hours prior to the meeting time.

7. Student discipline hearings shall be conducted by a Disciplinary Hearing Board according to the following general guidelines:
   a. The Facilitator of the DHB panel will explain the hearing procedures.
   b. The Facilitator will read the alleged violation(s) of the Code or other College policy and will read (if written) or explain (if oral) the report of conduct.
   c. The complainant (if available) and respondent will be invited separately to the DHB, regarding the allegation(s) of the complaint.
   d. The DHB panel may ask clarifying questions of the complainant (if appropriate) and respondent. As the DHB panel deems appropriate to the case, the panel may invite and ask clarifying questions of witnesses identified by either the complainant and/or respondent.
   e. After all questions have been asked by the DHB panel, and if the party chooses, the complainant and the respondent may each make a closing statement to the DHB panel. The purpose of the closing statement is to provide the DHB with information that the complainant or respondent would like the DHB to consider in making its decision regarding responsibility. Statements may be oral, written, or both.
   f. The DHB panel will then meet in private and, based on the investigation and interviews, will deliberate on the information provided and determine an appropriate finding:
      a. Using a preponderance of the evidence standard, it is more likely than not that the alleged conduct did occur but the respondent is not responsible for a violation of the Code or College policy; or
      b. Using a preponderance of the evidence standard, it is more likely than not that the alleged conduct did not occur and the respondent is not responsible for a violation of the Code or College policy; or
      c. Using a preponderance of the evidence standard, it is more likely than not that the alleged conduct occurred and the respondent is responsible for a violation of the Code or College policy and imposes appropriate sanctions.
   g. The DHB will notify the Dean of Students, or designee, in writing of the hearing’s outcome within twenty-four (24) hours of its completion. The Dean of Students, or designee, will communicate the finding of the DHB panel to the respondent and complainant in writing generally within seven (7) business days; however, unavoidable delay in providing notice of outcome is not an available ground for appeal.

8. If a sanction has been imposed, it is the responsibility of the student to ensure that Community Life receives notice of completion of the sanction in writing. Failure to complete a sanction may result in the assessment of additional sanctions without another hearing.
C. Confidentiality/Student Privacy

Reasonable and appropriate effort is taken by the Dean of Students, or designee, and all other involved staff to protect the privacy of all individuals who may be involved in a student discipline proceeding as well as the confidentiality of the details and content of the student discipline process, including, but not limited to, an investigation, a hearing, Peer Conduct Council, or DHB proceeding, and, except where permitted by College policy and consistent with applicable law, the sanctions imposed and on whom. However, the College cannot guarantee absolute confidentiality. Individuals involved in the student discipline process, either directly or as a witness, are expected to maintain the confidentiality of the process and be mindful of the privacy of others involved.

Sanctions

Sanctions are assessed in response to the specific conduct, the student discipline history of the respondent and in keeping with the policies and procedures described in this handbook so that the student’s educational growth and personal development may take place. The assessment of sanctions within the student discipline process is itself part of the College’s educational mission and process, even in the case of the sanction of Expulsion.

1. The following sanctions may be imposed upon any student found to have violated the Code (more than one of the sanctions listed below may be imposed for any single violation):
   a. **Warning**: A notice in writing to the student or student organization that the student is violating or has violated the Code or other College policy.
   b. **Loss of Privileges**: Denial of specified privileges for a designated period of time. Examples include, but are not limited to, guests, computer use, housing selection, dining, participation in athletics, student government, co-curricular activities, on-campus student employment, recreational and/or social activities.
   c. **Stay Away Directive**: A stay away directive, specific to a person and/or location, prohibits a student from having direct or indirect communication or contact with a specified person; including, but not limited to in person communication, electronic communication, mail, and/or third party communication.
   d. **Loss of Recognition**: The College may de-recognize student organizations for a specific time period or permanently. In the case of the former, the time period and conditions for reapplying for recognition and resumption of the associated privileges will be outlined.
   e. **Fines**: As appropriate to the violation, a fine may be imposed.
   f. **Restitution**: Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.
   g. **Parental Notification**: Parents/guardians of a student who is under the age of 21 and found responsible for an alcohol or other drug violation may be notified by the Dean of Students, or designee, in the form of a letter under certain circumstances. Please refer to the Parental Notification Policy for further explanation.
   h. **Programs/Projects/Activities**: Programs/Projects/Activities that help the student understand the inappropriateness of the conduct and designed to help the student become more aware of the Code and other College policies. Examples include, but are not limited to, reflection papers or assignments, online programs, letters of apology, service to the College or an off-campus resource, or other related educational assignments.
   i. **Health/Counseling Assessment**: Referral to the Health and/or Counseling and Psychological Services and completion of assessment and any recommended treatments.
   j. **Restricted Access**: Conditions imposed on a student that specifically dictate and limit his/her future presence on the campus and/or participation in College sponsored activities. The restrictions will be clearly defined and may include, but are not limited to, presence in certain buildings or locations on the campus or a no contact order forbidding the student from contact with another member of the community.
   k. **Residence Hall Relocation**: A student may be relocated to another College residence hall or
l. **Residence Hall Suspension**: The removal of the student from College housing (without refund) for a defined period of time after which the student is eligible to apply for readmission to College housing. During the period of Residence Hall Suspension, the student shall not enter any College residence hall except to conduct College related business with an office located within a residence hall.

m. **Stayed Residence Hall Suspension**: When the nature of the violation is serious enough that Residence Hall Suspension is warranted but there may be factors and/or conditions that support allowing the student to remain in College housing, without endangering the health or safety of the student or other student(s), the sanction of Residence Hall Suspension may be placed in stayed status for a defined period of time. If the student is found in violation of the Code or other College policy during the time of stayed status, removal from College housing (without refund) takes effect immediately without further review. The student is also subject to additional sanctions appropriate to the new violation.

n. **Residence Hall Expulsion**: The student is permanently removed from College housing (without refund) and may not enter any College residence hall except to conduct College related business with an office located within a residence hall.

o. **Probation**: A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional regulation(s) during the probationary period.

p. **College Suspension**: Separation of the student from the College (without refund) for a defined period of time, after which the student is eligible to apply for readmission. Readmission is not guaranteed. During the suspension period, the student is not permitted on campus and shall not participate in any off-campus College sponsored/affiliated activity.

q. **Stayed College Suspension**: When the nature of the violation is serious enough that College Suspension is warranted but there may be factors and/or conditions that support allowing the student to remain in the College, without endangering the health or safety of the student or other student(s), the sanction of College Suspension may be placed in stayed status for a defined period of time. If the student is found in violation of the Code or other College policy during the time of stayed status, removal from the College (without refund) takes effect immediately without further review. The student is also subject to additional sanctions appropriate to the new violation. A stayed College suspension is not available when a mandatory minimum sanction is required under College policies (see e.g., the Sexual Assault and Sexual Misconduct Policy.).

r. **College Expulsion**: Permanent separation (without refund) of the student from the College prior to the actual physical receipt of the College diploma. A student who is expelled will not be eligible to receive an academic degree from the College at any time. The student is not permitted on the campus and shall not participate in any off-campus College sponsored/affiliated activity. The College may rescind a College degree following the awarding of a College diploma, or may withhold the awarding of a degree pending the outcome of the student discipline process for a violation of the Code or other College policy, that does, or would have the potential to, result in the sanction of Expulsion. The sanction of Expulsion is noted on the student’s academic transcript. Expulsion is not considered to be punitive or a deterrent in the criminal or civil sense, but rather a determination by the College that the student has demonstrated by his/her conduct that he/she is unqualified to continue as a member of the College community.

s. **Withholding Degree**: The College may withhold awarding a degree otherwise earned until the completion of the process set forth in this Code, including the completion of all sanctions imposed, if any.

E. **Interim Suspension/ Stay Away Directive**

In certain circumstances, the Dean of Students, or designee, may impose an interim suspension of College privileges and/or a stay away directive.

1. Interim suspension and/or a stay away directive may be imposed:
   a. In instances where it is determined that a student poses a potential threat to another;
b. To ensure the safety and well-being of members of the College community or preservation of
   College property;
c. To ensure the student’s own physical or emotional safety and well-being; or
d. If the student poses a threat of disruptions or interference with the normal operations of the
   College.

2. Every attempt will be made by the Dean of Students, or designee, to meet as soon as possible with
   the student before implementing an interim suspension and/or a stay away directive. The
   decision will be communicated in writing to the student.

3. During the interim suspension, a student may be denied access to the residence halls and/or to
   the campus (including classes) and/or all other College activities or privileges for which the
   student might otherwise be eligible, as the Dean of Students may determine to be appropriate.

4. The stay away directive, specific to a person and/or location, prohibits a student from having
   direct or indirect communication or contact with a specified person; including, but not limited to
   in person communication, electronic communication, mail, and/or third party communication.

5. The interim suspension or stay away directive does not replace the regular student discipline
   process, which shall proceed on the normal schedule, if required.

6. The interim suspension and/or stay away directive shall remain in effect until the Dean of
   Students, or designee, determines that the reason for imposing the suspension or stay away
   directive no longer exists.

F. Appeals

1. The decision of the Disciplinary Hearing Board regarding responsibility may be appealed by the
   Respondent or Complainant within five (5) business days of the decision. The decision of a Peer
   Conduct Council or Administrative Hearing regarding responsibility may be appealed by the accused
   student within five (5) business days of the decision. The purpose of the appeal is not to rehear the
   underlying student discipline case. The sole purpose of an appeal is to determine if there is, in the
   first instance, sufficient information based on the written record before the appeal officer or Appeal
   Board to establish its jurisdiction to consider and decide the appeal and, if so, thereafter, to determine
   whether the information submitted by the student states sufficient grounds (see below) to grant the
   appeal and take any of the actions described below.

2. Only one appeal is permitted. Such appeals shall be submitted in writing, signed by the student and
   shall be delivered to the Dean of Students, or designee. The appeal may only be submitted by the
   student and shall consist of:
   a. A completed Appeal Request Form (available in the Office of the Dean of Students and the
      Office of Community Life or on the Community Life website), and
   b. A statement outlining and supporting the specific basis upon which the student is appealing.

3. An appeal must be based on one or more of the following grounds or it will not be accepted and
   considered:
   a. A process or procedural error was made that was significantly prejudicial to the outcome of
      the hearing as it affects the student appealing.
   b. New information that was not available or known to the student appealing at the time of the
      hearing has arisen which, when considered, may materially alter the outcome. NOTE:
      Information that the appealing student chose not to present at the time of the hearing is not
      considered new information.
c. The severity of the sanction imposed was not appropriate based on the section of the Code or other College policy which the student was found to have violated.

4. Any person who is a member of the Disciplinary Hearing Board may also serve on the Appeal Board or as an Appeal Officer, but may not be one of the three (3) original DHB panel members or facilitator. The Dean of Students, or designee, determines who will serve on the Appeal Board or as an Appeal Officer. An Appeal Board shall be composed of two members of the DHB pool and the Vice Provost of Student Life, or designee.

5. For Peer Conduct Council or Administrative Hearing Appeals, the Dean of Students or designee will serve as the appeal officer.

6. The Appeal Board or Appeal Officer will not meet with the student or re-hear the case. The Appeal Board or Appeal Officer will consider the merits of an appeal on the basis of the information provided in the Appeal Request form, the student’s written statement, character testimonies, the written record of the case, and the student’s entire discipline record.

7. For the sanction of College Expulsion, the Appeal Board is composed of the Dean of Students, or designee, as chair and two (2) members of the DHB pool. If a DHB panel delivered the sanction of College Expulsion, those DHB panel members who delivered the sanction are not eligible to serve on that Appeal Board.

8. During the consideration of a request for an appeal, sanctions assessed by the hearing officer, Peer Conduct Council or DHB shall not be in effect. However, the Dean of Students, or designee, may impose conditions or continue existing conditions governing the respondent’s continued relationship with the College during the appeal process.

9. Based on the information provided in the Appeal Request form, the student’s written statement, character testimonies, the written record of the case, and the student’s entire discipline record, the Appeal Board or Appeal Officer will:
   a. Reject the appeal if it finds the basis for appeal unsubstantiated; or
   b. Reject the appeal if it finds that any procedural errors were minor in nature and would not have altered the outcome of the hearing or the sanctions imposed; or
   c. Modify the sanction(s) if they are found to be inappropriate; or
   d. Return the case to the hearing officer, Peer Conduct Council or DHB for further consideration (which may, but does not, require a rehearing of the entire matter) if a procedural error or new information, as defined above, has arisen. In such cases, the same hearing officer, Peer Conduct Council or DHB who originally heard the case shall reconvene as soon as possible. If the hearing officer or a member of the original Peer Conduct Council or DHB is no longer available, the Dean of Students, or designee, will appoint another hearing officer, or in the case of the unavailability of one or more of the Peer Conduct Council or DHB members, he/she will select additional Peer Conduct Council members or DHB members from the Peer Conduct Council and DHB pools.
   e. Reverse the decision of the hearing officer, Peer Conduct Council or DHB or remand the case to a new hearing officer, Peer Conduct Council or DHB for further consideration where substantial procedural error is determined to have unfairly influenced the hearing.

10. If an appeal is not upheld, the matter shall be considered final and binding upon all involved.

11. The appeal decision will be communicated to the respondent in writing once a decision has been reached. The decision of the Appeal Board or Appeal Officer is final and no further appeals are permitted.
**ARTICLE V: INTERPRETATION AND REVISION**

1. Any question of interpretation or application of the Student Code shall be referred to the Dean of Students, or designee, for final determination.

2. The Student Code shall be reviewed every two (2) years under the direction of the Dean of Students.

**ARTICLE VI: RECORD RETENTION**

Discipline records are maintained by the Dean of Students, or designee, and are kept for four (4) years after the student earns a degree. Student discipline files involving sexual assault, sexual misconduct or sexual harassment are kept in the Office of the Dean of Students. For those students who are separated from the College, records will be maintained until four (4) years after their scheduled degree completion date. The College permanently maintains the records of those students who are expelled from the College in the Office of the Dean of Students. Students are responsible for updating directory information, including address, with the Office of the Registrar.
College & Student Life Policies

Alcohol and Other Drugs

Saint Mary’s College is an educational and social community within which students, faculty, staff, alumni, and their guests interact in a wide variety of activities. The Saint Mary’s College Alcohol and Other Drugs Policy is intended to allow the responsible and legal use of alcohol under certain conditions (noted below) for those 21 years of age and over, and to prohibit the use of illicit and illegal drugs. This Policy seeks to promote an atmosphere conducive to the pursuit of learning, and applies to all individuals associated with the College including students, faculty, staff, alumni, and guests. Additionally, private sponsors and their guests who use the College facilities are required to comply with this Policy.

Health Risks Associated with the Use of Alcohol and Other Drugs

Some of the health risks associated with alcohol and other drug use are specified below.

1. **Alcohol:** Contrary to popular belief, most college students do not drink alcohol excessively. Many have never consumed alcohol and others choose to drink moderately, or not at all. Individuals should consider the consequences and make responsible decisions when it comes to the use of alcohol.

   You do not have to be an alcoholic to have a drinking problem. One night of excessive drinking can result in alcohol poisoning. On the average, your body can only process one ounce of alcohol per hour (approximately one regular-sized drink). Drinking too much too quickly raises your blood alcohol content to the point where your body cannot effectively process the alcohol, leading to overdose and possibly coma or death.

   When you drink too much, your capacity to process information and make safe decisions is impaired. This places you at an increased risk for sexual assault and other violent behavior, exposure to sexually transmitted diseases, driving under the influence, and physical injury. Misusing alcohol can also have a negative impact on academic success, work performance, friendships and family relationships.

   Numerous health risks are associated with drinking. Alcohol intensifies the effects of over-the-counter medications or other drugs, which may cause physical damage to the body. Long-term excessive drinking can lead to a variety of health problems such as: decreased brain function; impaired sensation, perception, coordination, reflexes, and judgment; memory lapses or blackouts, organ damage, and addiction. Research indicates that adult children of alcoholics have as much as a four to six times greater risk of becoming an alcoholic or having a problem with other drugs.

2. **Marijuana:** Immediate effects of THC (marijuana’s active ingredient) vary greatly with the person, setting, dose, and expectation of the user. Marijuana can make it harder to function and succeed in an academic setting particularly when tasks require close attention and thoughtful decision-making. Using marijuana may impair your short-term memory, reading comprehension, and capacity to solve verbal and mathematical problems. Uncomfortable feelings such as paranoia and panic are often experienced with marijuana. Additionally, regular use may lead to a motivational syndrome consisting of listlessness, fatigue, inattention, withdrawal and apathy making it rather difficult to achieve your academic and personal goals.

   Coordination is greatly affected by marijuana use since it slows reflexes and impairs visual perception. Driving while under the influence (or being driven by someone else under the influence) can be as dangerous as driving under the influence of alcohol. Regular use can lead to a variety of health problems such as elevated blood pressure and decreased body temperature; irritation of the mouth, throat, and lungs, and aggravation of asthma, bronchitis, and emphysema; chronic lung disease and cancer. Additionally, marijuana can lead to a positive drug test for as long as three months after your last use.
3. **Tobacco**: The ingestion of nicotine through cigarette smoking is highly toxic, addictive, and can result in emphysema and cancer. Emphysema destroys the lung’s capacity to expand and contract which causes decreased oxygen intake leading to organ damage. Smoking has been linked to cancers of the lung, mouth, throat, pancreas, cervix, kidney, and bladder. Smoking cigarettes can also affect the health of non-smokers. Environmental tobacco smoke contains many of the toxic substances the smoker inhales. Chewing tobacco and snuff are not safe alternatives to cigarettes. They are highly addictive, contain more nicotine than cigarettes, and cause rapidly-spreading cancers of the mouth, head, and neck.

4. **Ecstasy (MDMA)**: Although Ecstasy (MDMA) has been publicized as a “feel good” designer drug, it is actually a hallucinogenic-amphetamine that can lead to a variety of physical problems such as cardiac difficulties, dangerously high body temperature, severe thirst and heat exhaustion, sensory distortion and heightened arousal. Even with limited use, it can permanently alter serotonin levels in your brain, which can increase the risk of chronic depression.

5. **Steroids**: Anabolic steroids are synthetic versions of the male hormone testosterone. Used medically to supplement normal hormonal levels after injury or disease, others use steroids to increase muscle mass, reduce body fat, and enhance endurance. Steroid use can lead to a variety of health problems such as: liver disease and cancer; testicular atrophy, breast reduction, failure of secondary sex characteristics, sexual dysfunction, sterility, impotence, or fetal damage; acne, growth problems, or bone fusion. Psychological problems include aggression, violence, and uncontrolled anger (“road rage”), rapid mood swings, and psychotic episodes.

6. **Cocaine**: Cocaine is a potent drug with effects that begin almost instantly. Cocaine use can lead to many health problems, such as damaged nasal tissues, kidney damage, or stroke; diseases of the lung, heart, and blood vessels; malnutrition, cardiac arrhythmia, convulsions, seizures, suppression of respiration, or sudden death. Psychological difficulties include intense anxiety and anger, restlessness, fear, paranoia, depression, and hallucinations. The effects of increased adrenaline fade fast resulting in a desire for more which increases the risk of repeated use and addiction.

7. **LSD**: LSD dramatically alters normal mental and emotional processes. Initial effects are mostly physical: dilated pupils, muscular weakness, rapid reflexes, decreased appetite, and increased blood pressure and body temperature. Subsequently, LSD scrambles your brain chemistry, significantly distorting thought and sensation which results in unusual or frightening hallucinations. LSD can trigger more serious problems for individuals with a history of emotional difficulties or psychological problems. Effects may recur days or weeks later without further use (flashbacks).

8. **Amphetamines**: Amphetamines speed up the brain and nervous system. Even limited use can lead to many physical and emotional effects including increased heart rate and blood pressure; heart, brain, and lung damage, chronic fatigue and malnutrition. Psychological effects include anxiety, depression, mood swings, hallucinations, paranoia and psychosis.

9. **Heroin**: In recent years the potency of heroin has increased making it easier to achieve similar effects without injection. This has led to more individuals experimenting by snorting and smoking heroin. Regardless of the type of use, tolerance increases quickly resulting in a rapid addiction process as well as heightened physical cravings. Heroin use can lead to many physical effects such as: drowsiness and loss of appetite, addiction with severe withdrawal symptoms, impaired mental functioning, slowing of reflexes and physical activity; infection, hepatitis, and HIV (from needle sharing), or death from overdose.
10. **Predatory Drugs:** These drugs are given to another person without their awareness of it, usually by slipping them into a drink. Rohypnol, better known as roofies, is a potent tranquilizer that is notorious for its use in sexual assaults. It is usually slipped into a drink, rendering the person helpless and immobile. Sedation occurs 20 to 30 minutes after administration and leaves the person feeling drowsy, dizzy, and disoriented. In addition to these sedative effects, impaired balance and/or speech, and memory loss are common.

Like rohypnol, GHB has also been associated with sexual assault. In its clear liquid form, it can easily be slipped into someone’s drink undetected. Effects of the drug can be felt in 15-20 minutes and also include dizziness, heavy drowsiness, and confusion. Some people use GHB to enhance the effects of alcohol or other drugs. This combination can be especially life-threatening. GHB use can lead to a variety of physical problems such as dizziness, nausea, breathing problems, memory loss, seizures, unconsciousness, and in some cases, death.

Originally used as an animal tranquilizer, ketamine is now used as a club drug due to its hallucinogenic effects. Many serious negative effects can result from use including vomiting, numbness, loss of muscle control, paranoia, and aggression. In larger doses, effects may include convulsions, decreased oxygen to the brain, coma and even death. Individuals who use ketamine are at increased risk for sexual and physical assault since their loss of muscle control and mental state make them unable to combat assault.

11. **Prescription Drugs:** The misuse or abuse of prescribed medication is illegal and is increasing in our society. This form of drug abuse can have dire consequences, especially when combined with other common recreational/prescribed drugs or alcohol. If you or someone you know has physical pain or emotional suffering, we urge you to see your doctor so that your condition can be accurately diagnosed and properly treated. To use medications outside their intended use can cause unintended damage to health or even death.

**Educational Programs and Resources for Assistance**
Saint Mary’s College strives to create a campus environment that minimizes risks associated with alcohol and other drug use. In order to promote the well-being of the College community, and in compliance with the Drug-Free Schools and Communities Act (34CFR Part 86, Subpart B, 1989), educational programs regarding alcohol and other drugs are provided. These programs address problems associated with alcohol and other drug misuse, coping with peer pressure, risk reduction, development of healthy lifestyles, stress management, and identifying and helping others with alcohol and other drug problems.

The College offers services to students regarding issues related to alcohol and other drug use. Those concerned about a person’s life and health relative to alcohol and other drug use are urged to seek available resources. Students are encouraged to seek assistance from the Counseling and Psychological Services and the Health and Wellness Center for evaluation and/or referral. Information obtained regarding a student during participation in such programs or services will be treated as confidential, in accordance with federal and state laws.

Legal Statutes

Students, faculty, staff, administration, alumni, and guests of Saint Mary’s College are responsible for the observance of applicable laws and local ordinances or codes with respect to alcoholic beverages and illegal drug use. In accordance with the Drug-Free Schools and Communities Act of 1989, the applicable laws are available online.

Alcohol Regulations - Prohibited Conduct

Whether one chooses to drink alcohol or use other drugs, members of the College community are exposed to the secondhand consequences of others’ excessive use. These can range from damaged property, physical and sexual assault, and unwanted sexual advances, as well as disrupted sleep and studying, interruptions in classes, and harassment. High-risk use of alcohol and use of other drugs impacts both the quality and safety of our environment and the student’s college experience.

Students and their guests are expected to abide by the Code, this Policy and state and local laws/ordinances relative to the possession, consumption and distribution of alcoholic beverages. Alleged violations of the following regulations will initiate the student discipline process:

1. Persons who are under 21 years of age may not possess or consume any alcoholic beverage or possess alcoholic beverage containers, full or empty, anywhere on campus, including in a residence hall room for the purpose of decoration. Underage students who are in locations where other underage persons are consuming or possessing alcohol will be considered to be in violation of this policy even if they do not have alcohol on their person.

2. Persons who are 21 years of age or older may possess and consume alcohol in their residence hall room but may not offer, give, provide or otherwise make alcohol available to anyone underage or to an obviously intoxicated person.

3. Alcohol may not be possessed or consumed in any public area of campus unless at a College sponsored activity at which alcohol is served in accordance with guidelines provided for in this Policy. A public area is defined as those areas of the campus that are readily accessible to students, faculty, staff and guests. Public areas include, but are not limited to, lounges, lobbies, stairwells, balconies, hallways, roofs, classrooms, parking lots, and outside areas.

4. The possession of kegs, “party-balls”, “beer bongs”, “beer pong tables”, or similar common-source or oversized containers or devices designed for mass consumption, are not permitted on campus unless at a College sponsored activity at which alcohol is served in accordance with guidelines provided for in this Policy. A common-source of alcohol is also defined as a quantity of alcohol more than can be responsibly consumed by an individual.
5. Violating this Policy, including but not limited to being in an intoxicated state by a student and/or their guest while on-campus or by a student attending or participating in off-campus College sponsored/affiliated events is prohibited.
6. Driving a motor vehicle after having consumed alcohol is prohibited.
7. Disorderly conduct, property destruction, violations of the rights of a roommate, intimidation or other infringements of the rights of others as a result of alcohol use is prohibited. Intoxication or alcohol abuse is not an excuse for unlawful behavior or violations of the Code or other College policies.
8. Alcohol is not permitted at athletic events or in/on College athletic facilities unless at a College sponsored activity at which alcohol is served in accordance with guidelines provided for in this Policy.
9. Students and/or their guests may not furnish or attempt to furnish false information regarding their age and/or identity in order to possess or consume alcohol.

**Illegal Drugs Regulations - Prohibited Conduct**

Students are expected to abide by the Code, this Policy and federal, state and local laws/ordinances relative to the illegal possession, use or distribution of controlled substances, illegal drugs and drug paraphernalia. Alleged violations of the following will initiate the student discipline process.

Although California state law permits the use of medical marijuana, i.e., use by persons possessing lawfully issued medical marijuana cards; federal laws prohibit marijuana use, possession, and/or cultivation at educational institutions and on the premises of other recipients of federal funds. In accordance with the Drug Free Schools and Community Act of 1989, the College does not allow the possession or use of marijuana on campus for any reason. The use, possession, or cultivation of marijuana for medical purposes is therefore not allowed in any College housing or any other College property; nor is it allowed at any College sponsored event or activity off campus.

Alleged violations of the following regulations will initiate the student discipline process:

1. The possession, use, sale, distribution or manufacture of any controlled substance, illegal drug and/or drug paraphernalia or the association with gatherings involving such possession, use or distribution is prohibited. Drug paraphernalia includes, but is not limited to, bongs, pipes, hookahs, water pipes, “whip- it’s,” and roach clips. Students who are in locations where any controlled substance and/or illegal drug is being used will be considered in violation of this Policy even if they do not have the substance and/or drug on their person.

2. Possession of large quantities and/or the actual or attempted sale, distribution, cultivation or manufacture of any controlled substance, illegal drug and/or drug paraphernalia is prohibited.

3. The illegal use of or misuse/abuse of prescription or other legal drugs is prohibited.

4. Driving a motor vehicle after having used any illegal drugs or controlled substances is prohibited.

5. All illegal drugs or controlled substances and paraphernalia will be impounded and are subject to forfeiture without reimbursement or return to the person from whom they were confiscated.

**College Responses for Illegal Drugs**

Alleged violations of the Prohibited Conduct will initiate the student discipline process. Sanctions will vary depending on the nature of the offense and these responses are meant to act as minimum sanctions. In addition to the minimum sanctions, a student may also be referred to Counseling and/or the Health and Wellness Center for an assessment. A student’s discipline record is cumulative during his/her enrollment and applies to incidents on and off campus.

1. **Category I**: Possession of drug paraphernalia or objects that could be used as drug paraphernalia; being in a location where controlled substances and/or illegal drugs are present.

**Guidelines for Events Where Alcohol Will Be Available**

All events at which students may be in attendance (sponsored by any campus constituency) and alcohol is served must be registered and/or approved through Student Involvement and Leadership (SIL). Please contact SIL at 925-631-4704 for information.

**For Student Sponsored Events**

For student-sponsored events, only student organizations chartered by the Associated Students and Responsible Hosts (see Responsible Host Policy) may sponsor events where alcohol is served. The sponsoring organization or Responsible Host must submit a request to serve alcohol to SIL a minimum of three (3) weeks prior to the proposed event date (late proposals will NOT be considered). For organization events the sponsoring organization must have the organization’s advisor present for the duration of the event to serve as the on-site event manager. This person may not consume any alcohol or other drugs prior to or at the event and is responsible for monitoring compliance with the Alcohol and Other Drugs Policy, obtaining the necessary one-day permit through the California Department of Alcohol Beverage Control, and possessing the permit at all times during the event.

For all student-sponsored events, alcohol must be served by trained bartenders and served and consumed in a specific area designated for persons 21 and older. Anyone who intentionally furnishes false information regarding his/her age shall be subject to disciplinary action. Only one (1) drink may be served at one time. Free alcoholic beverages are not allowed at student organization sponsored events. A minimum of $1.00 per drink must be charged and all drinks must be dispensed individually in cans or plastic containers by event bartenders.

Only beer or wine may be served at student-sponsored events. Distilled liquor in any form is not permitted. Food and non-alcoholic beverages must be available at the event and a reasonable portion of the budget must be designated for this purpose. Non-alcoholic beverages must be attractive, and displayed with equal prominence as the alcoholic beverages.

No individual under the age of 21, or anyone who is obviously intoxicated may be served, or permitted to consume, alcoholic beverages at any event. Identification must be checked by entry monitors prior to
being served alcohol and must consist of a valid driver’s license, passport, or official California identification card, and, for Saint Mary’s College students, a Saint Mary’s College student ID card. Students of legal age are required to wear wristbands during the event.

The amount of alcoholic beverages and food items available at an event is to be appropriate for the expected number of guests and duration of the event as determined by Student Involvement and Leadership. Oversized containers (including, but not limited to, kegs, party balls, or beer trucks) may be allowed at student-sponsored events only with the approval of the Assistant Dean of Student Life for Leadership, Involvement and Diversity.

Alcoholic beverages may not be served during or after the last hour of any student-sponsored event. The hours and timing of the event will be determined in consultation with Student Involvement and Leadership.

Student Involvement and Leadership has the right to alter or redefine, as a condition of approval, any of the above regulations as they relate to a specific department or organization. If, at any time, the well-being of the community members is deemed to be threatened, appropriate and prompt action will be taken by the College.

For Faculty/Staff/Administration Sponsored Events
College departments (academic or administrative) may sponsor events where alcohol will be served and where students will be present. The sponsoring department must submit an Alcohol Service Form to Student Involvement and Leadership (SIL) ten (10) business days prior to the event. This document lists the sponsor(s) of the event and requires acknowledgment of understanding and agreement to adhere to College policies and procedures as well as approval from the department chair, dean of the school or appropriate Vice President/Provost.

The sponsoring department must have a faculty of staff member present for the duration of the event to serve as the on-site event manager. This person may not consume any alcohol or other drugs prior to or at the event and is responsible for monitoring compliance with the Alcohol and Other Drugs Policy, obtaining the necessary one-day permit through the California Department of Alcohol Beverage Control (only if alcoholic beverages will be sold), and possessing the permit at all times during the event.

No individual under the age of 21, or anyone who is obviously intoxicated may be served, or permitted to consume, alcoholic beverages at any event. Identification must be checked by entry monitors prior to being served alcohol and must consist of a valid driver’s license, passport, or official California identification card, and, for Saint Mary’s College students, a Saint Mary’s College student ID card. Students of legal age are required to wear wristbands during the event.

If the event involves students under the age of 21, alcohol must be served by trained bartenders and served and consumed in a specific area designated for persons 21 and older. Anyone who intentionally furnishes false information regarding his/her age shall be subject to disciplinary action. Only one (1) drink may be served at one time.

Student Involvement and Leadership has the right to alter or redefine, as a condition of approval, any of the above regulations as they relate to a specific department or organization. If, at any time, the well-being of the community members is deemed to be threatened, appropriate and prompt action will be taken by the College.

Guidelines for Off-Campus Events
Saint Mary’s College recognizes the role and importance of off-campus events. Groups associated with the College who participate in and sponsor social, service, and educational events must adhere with the Policy
and understand their responsibility as a result of their association with the College. In addition, sponsoring groups must provide supervision of designated College official(s) for the duration of the event. Further, groups must adhere to the College’s policies for on-campus events, including submitting an alcohol request form, and additional stipulations depending on the nature of the event. Student Involvement and Leadership reserves the right to modify events in order to meet college policies and procedures.

The following guidelines regarding the availability of alcoholic beverages at off-campus events pertain to all members of the College community. These guidelines in no way relieve any public establishment of their obligation to observe and enforce the law.

1. The sponsoring group must abide by applicable laws and local ordinances or codes regarding alcohol. The group should take appropriate steps to prevent underage drinking and the consumption of alcohol by intoxicated persons.
2. The sponsoring group should promote responsible behavior and the general welfare of the sponsoring group, its individual members, and others participating in or associated with the event during that time.
3. At such events, the behavior of the group, individuals, and guests are governed by the regulations set forth in the Code and other College policies.
4. At no time should faculty and staff serve in the role of bartender, pour or purchase alcoholic beverages for students.

Publicity and Sponsorship for Student Sponsored Events Where Alcohol will be Served
The consumption of alcoholic beverages shall neither be the primary purpose of a student event (including, but not limited to, progressive drinking events) nor be used as an inducement to participate in an event. Promotion and advertising of an event may indicate that alcohol will be available for purchase and must indicate, “ID will be required.” Also, the promotion and advertising of an event shall not portray symbols of alcoholic beverage consumption (including, but not limited to, foaming mugs, cans, wine glasses and kegs), excessive consumption (including, but not limited to, drinking contests and competitions) or emphasize frequency or quantity of alcoholic beverage consumption.

The sponsorship of events by alcoholic beverage companies is limited to cash donations, donated materials for College alcohol educational programs, and donated products (other than those which directly promote or advertise alcoholic beverages) in support of fund-raising or other special events as approved by the Vice Provost for Student Life or the Assistant Dean of Student Life.

Amorous Relationships
Amorous relationships are those romantic or sexual relationships to which both parties appear to have freely consented. When such a relationship involves a power differential between two members of the College community, it is of concern to the College, and such relationships should be avoided due to:

- The potential conflict of interest that arises when an individual supervises, evaluates, coordinates, directs, advises, hires, terminates, instructs, promotes, or grants pay raises or other benefits to another person, or provides professional services (e.g., counseling) to another individual with whom that person has an amorous relationship.
- The potential for unintended consequences that results because these types of relationships may develop or exist solely as a result of the power differential, which may or may not involve sexual harassment as proscribed by the College’s policy prohibiting sexual harassment.

Policy
The College discourages amorous relationships where there is a power differential between the parties or where the potential exists for such a power differential in the foreseeable future. Three examples of relationships involving power differentials are (This list is not all-inclusive):
• That between faculty and student, including those involved in formal instruction, advising and tutoring.
• That between staff and student.
• That between employee and supervisor.
• That between the provider (e.g., staff) and recipient of educationally related College or College-related services (including those involved in counseling, student services such as registration and financial aid, and athletic coaching).

Of special concern to the College are amorous relationships initiated between a faculty or staff member and a student while the former is instructing, advising or mentoring the latter. Such circumstances pose extraordinary risks of compromising or appearing to compromise the College’s central mission and of breaching the faculty's commitment to the welfare of its students. Hence, the College expects faculty members and staff employees to refrain from initiating or participating in such a relationship.

**Procedures**

If an amorous relationship exists or develops between individuals having a power differential within the College, the person with greater power shall report the relationship to an appropriate supervisor or to the Director of Human Resources. The supervisor or the Director shall make suitable arrangements:

- To ensure the objective evaluation of that person's performance, and
- To protect affected individuals and the integrity of the College’s functioning as well as the confidentiality of all those involved.

**Other Considerations**

Employees engaged in conduct of the type described in this policy may also violate the College's policy prohibiting sexual harassment. In addition, all faculty members, supervisors, and other employees should understand that there are substantial risks even in consenting amorous relationships where a power differential exists. Even if the conflict of interest issues are resolved, charges of sexual harassment may develop. A faculty member's or supervisor's protection under applicable law, including legal representation provided by the College, may not apply because such relationships may be outside the scope of one’s employment. Furthermore, in administrative actions or lawsuits resulting from allegations of sexual harassment, consent may be very difficult to establish where a power differential exists. Even relationships in which there is no direct power differential may cause difficulties because faculty or staff employees engaged in such a relationship may, in the future, be placed in a position of responsibility for the student's or employee's instruction or evaluation.

**Sanctions**

The process for investigating an alleged violation of the of the College’s Amorous Relationship Policy and the sanctions for a violation of this Policy are the same as the process for investigating possible violations of the College's Non-Discrimination (Sexual Harassment) and Retaliation Policies and the sanctions for violation of these Policy, which may include administrative leave without pay, transfer, demotion and termination.

**Behavioral Intervention Team**

The Saint Mary's College Behavioral Intervention Team (BIT) assists in addressing situations where students are displaying behaviors that are threatening, or concerning in nature that potentially impede their own or others’ ability to function successfully or safety. The BIT is responsible for assessing reports of troubling behavior and initiating interventions that are in the best interest of the College and the individual. We are committed to providing an environment where individuals are free to work, learn and teach, unencumbered and uninhibited by threats of intimidation or harm.

It is the responsibility of all faculty, staff, and students to immediately report any situation that could reasonably result in harm. Any member of the campus community may become aware of troubling
behavior by a person or situation that is causing serious disruption or inability to conduct normal business. However, assessment of behavior that might constitute a threat should not be confused with management of a crisis.*

*A crisis may be defined where a person may pose an active or immediate risk of violence to self or others. In these cases, Public Safety should be contacted at (925) 631-4282.

The team is comprised of campus personnel who have decision-making ability in dealing with troubling situations. A collaborative process to assess threats will be used and depending on the situation, personnel with areas of specialization may be called upon to assist the BIT. The team broadens the scope of involvement and includes other faculty and staff members, when appropriate. The following individuals comprise the Saint Mary's College BIT: the Director of the Health and Wellness Center, the Director of Counseling and Psychological Services, the Chief and Director of Public Safety, the Assistant to the Vice Provost of Undergraduate Academics for Student Academic Rights, Responsibilities, and Institutional Compliance, and the Dean of Students, whom serves as the chairperson. In the absence of any of these individuals, a designee may be appointed by the Vice Provost of Student Life. The Chairperson keeps the Vice Provost of Student Life advised of the situations.

Information from faculty, staff and students is confidentially shared among the team members. The BIT reviews all information on the student's behavior and background, and the team will then determine courses of action/interventions and monitor the student on a case-by-case basis. Any violations of the Code of Student Conduct will be determined by the Dean of Students whom also serves as the Chief Conduct Officer of the College.

The role of the BIT is:
- to lead a collaborative effort to promote optimal health and safety of students and all members of the College community;
- to ensure a systematic response to students' behavior that may be disruptive in the residences, classroom, or other areas of the campus;
- to develop strategies that best utilize campus and community resources to assist students; and
- to support student success.

Actions that BIT may initiate:
- Refer and/or contact other officials/professionals
- Mandate Assessments
- Warning/Recommendation Letters
- Immediate Interim Suspension
- Involuntary Administrative Withdrawals
- Parental Notification

Bias Incident Response
We at Saint Mary’s College seek to create a safe living and learning environment where civility and respect are fostered and where people can express themselves without fear. The College respects the individual’s right to speak freely and openly while acknowledging the responsibility that comes with this freedom. We encourage all College community members to seek appropriate campus forums, at appropriate times and places, to engage in meaningful dialogue to better understand each other’s experiences and values. The ability to disagree or to offer an alternate belief articulated passionately, yet respectfully, will continue to be a cornerstone of meaningful dialogue. Bias incidents, however, which degrade the identity, needs, and beliefs of others are not acceptable and are inconsistent with the fundamental values of Saint Mary’s.

What is a bias incident?
Generally, a harmful act motivated by bias towards a category of people or an individual based on actual or perceived social identification is a bias incident. These social categories include, but are not limited to, the following:

- Age
- Disability
- Ethnicity
- Gender
- National origin
- Race
- Religion
- Sexual orientation
- Socioeconomic status

Bias incidents can include criminal and otherwise illegal conduct, but they may also include violations of College policy(s) regarding civility, professionalism, and/or harassment.

Why is it important to report bias incidents?
Uncivil, hateful, and/or harassing conduct towards others at Saint Mary’s is unacceptable. We strongly encourage members of our community to report all bias incidents, no matter how insignificant they may seem. In order to improve the overall campus climate, we need the involvement of every community
member. We need to know what happens and how often so that we can take steps to stop hateful and/or harassing behavior and to support those who are targeted.

- Bias incidents, such as name calling, may seem minor at first, but they can escalate. If unchecked, individuals may be emboldened to continue or exacerbate their actions.
- Bias incidents send a negative message not only to the individual(s) on the receiving end but also to all members of the targeted group and to the broader campus community.
- Even if the person engaged in the conduct is unknown or action available to address the incident is limited, reporting allows BIRT to better assess the campus climate and implement appropriate measures. Non-reporting can lead to an environment where bias and prejudice are widely accepted and tolerated.

**What is the difference between a bias incident and a hate crime?**

Some bias incidents may rise to the level of a hate crime. Under California law, a hate crime is a criminal act committed, in whole or in part, because of the actual or perceived characteristics of the victim(s). Hate crimes are motivated by the offender’s bias. They do not only involve offenses against persons, but also include offenses involving damage to property, such as breaking windows of religious institutions, spray painting walls with offensive words and/or symbols, and defacing or burning property. It is a violation of both California law and College policy to commit a hate crime.

The conduct underlying some bias incidents may violate College policy, even if the conduct does not rise to the level of a hate crime. For example, although some bias incidents may involve protected speech, they are still inconsistent with the College’s community values, and in those circumstances, the College may elect to respond through educational and/or disciplinary sanctions.

**What is the College’s Bias Incident Response Team (BIRT)?**

The Bias Incident Response Team (BIRT) was established to promote a safe, hate-free environment where all people can live, work, and learn. BIRT’s primary roles are to recommend preventative education as well as report and respond to bias incidents and hate crimes. The responsibilities of BIRT are to:

- Educate the Saint Mary's community about the protocol for reporting bias incidents and hate crimes and determine whether reports are bias-related.
- Support target(s) of bias incidents and hate crimes, including those who are directly involved as well as social identity groups that may be affected.
- Collect and share all bias incidents and hate crime reports with the Saint Mary's community, including BIRT's response to each report without revealing confidential and personal information.
- Monitor the campus climate around issues of diversity and civility.
- Recommend appropriate actions and educational programs that are both preventative and responsive to bias incidents and hate crimes.

**What should I do if I witness or am the target of a bias incident?**

The College encourages prompt reporting of all bias incidents. Bias incidents should never be written off as “pranks” or “harmless behavior.” This type of behavior should not be tolerated in the classroom, residence halls, offices, study areas, social spaces, or anywhere else on campus, online, or as part of any College activity. There are several reporting options:

- **Call Public Safety at 925-631-4282.**
  - Preserve all evidence and document the incident as thoroughly as possible (graffiti, voicemail, email, letter, etc.) by taking pictures, videotaping, and writing down everything you can remember and keeping the contact information of the target(s) and any other witness(es).
- **Report the incident online at www.stmarys-ca.edu/BIRT**, which can be done confidentially and anonymously.
• **Report the incident to any of the following administrators:**

  **What will happen once I report the incident?**

  The College will respond to reported bias incidents in a professional and appropriate manner, taking into consideration the impact on the target and on the Saint Mary’s community.

  When students are involved, BIRT will learn as much as possible about the incident, coordinate the College’s response, and provide support for those individuals involved. BIRT will coordinate with the Director of Student Engagement and Academic Success to address students’ academic needs that may arise as a result of the incident, contact the Director of Community Life to begin the disciplinary process if appropriate, notify the Provost’s Office for issues needing faculty intervention, and work with the Assistant Vice President of Human Resources if the incident involves staff behavior. All incidents reported to BIRT and actions taken as a result will be listed on the BIRT website without any personal identifying information.

  If a reported incident is one that the College has a duty to formally investigate consistent with specific College policies and/or applicable laws (e.g. discrimination, harassment, or sexual harassment policy), all
parties will be notified of this obligation and an investigator will be assigned in line with College protocol. In addition, depending upon the nature of the incident, the report may trigger external reporting requirements (e.g. law enforcement and Annual Clery Report).

Under certain circumstances, the College may have an obligation to act upon the information provided even if there is a request that the College take no action. For example, the College will need to investigate situations that may threaten the safety of anyone mentioned in the report, or that appear to violate the provision of Title IX. Alternatively, if the report is not completed fully or if it is submitted anonymously, the College may be limited in its ability to take action.

The College will respond in accordance with current College policies and procedures. If known, the person who filed the report will be advised of actions taken, unless doing so is prohibited by FERPA or other applicable law.

What happens if someone is found responsible for committing a bias incident?
For students who are found responsible for committing bias incidents, there may be an immediate local and/or educational response in addition to the College response (e.g. residence hall floor meeting, campus program, removal of graffiti, etc.). These students will be subject to the student discipline process as outlined in the Code of Conduct, and sanctions may be imposed. Sanctions are determined in response to the specific conduct and the student's discipline history. The assessment of sanctions, up to and including expulsion, is itself part of the College’s educational mission and process.

Cohabitation Policy
Saint Mary’s College of California, as a Catholic College, does not condone sexual relations by unmarried students and may take disciplinary action when the College has knowledge of such conduct. The College also prohibits the cohabitation by students who are dating partners, regardless of gender, in College-sponsored housing.

Community Assembly
Saint Mary’s College is a community dedicated to the intellectual enrichment and personal development of all its members through study, inquiry and continuing communication with one another. Every member of the community bears the responsibility of acting in an orderly and civil manner in communication with others. Rational discussion is the hallmark of such communication in this educational environment committed to the active pursuit of truth, understanding, and the dignity of all.

Formal and informal dialogue, participation in committees, and the proceedings of the student government and College committees are accepted avenues of communication. The College recognizes the right of members of the community to express their views individually and collectively in matters of institutional policy or on matters of interest to the community as a whole. The College will not officially recognize any student organization, club, or group organized to advocate or promote behavior which is illegal or in conflict with the official teachings of the Catholic Church. Registration and/or approval of the gathering must be obtained from Student Involvement and Leadership prior to publicizing and the actual
event. All public assemblies, therefore, are expected to assure the following factors in order to be considered both appropriate and permissible at the College:

1. It is orderly and peaceful.
2. Participants do not restrict the freedom of expression, of movement, or any other fundamental freedom of others.
3. Participants do not threaten or cause personal injury, damage or destruction of property.
4. It does not threaten, disrupt, or impair the regular or essential operations of the College, especially those of an academic or administrative nature, or of an extracurricular or social function.
5. The event or material distributed does not advocate behavior that is illegal or in conflict with the Catholic values and traditions of the College.

**Family Education Rights and Privacy Act of 1974: FERPA POLICY**

FERPA stands for the “Family Education Rights and Privacy Act of 1974.” You might also hear it referred to as the “Buckley Amendment.” This law protects the privacy of student education records. FERPA applies to all schools that received funds through an applicable program of the U.S. Department of Education, and thus most colleges and universities are covered by FERPA.

FERPA defines the phrase “education record” broadly as “those records, files, documents, and other materials which 1) contain information directly related to a student; and 2) are maintained by an educational institution.”

FERPA requires that education records be kept confidential. Records may be disclosed with the consent of the student, if the disclosure meets one of the statutory exemptions, or if the disclosure is directory information and the student has not placed a hold on the release of directory information.

FERPA gives students the following rights:

A. **The right to inspect and review the student’s education records:** Students may review education records directly concerning the student within forty-five (45) days of the day the College receives a request for access. Students interested in reviewing their education records must submit their requests to the Office of the Registrar, which is authorized to review each request and to approve proper requests. The Registrar will make arrangements for access and will notify students of the time and place where the records may be inspected. Though students have the right to review their records, the College does not provide copies of the records. In the event that a particular circumstance prevents a student from coming to the College to inspect and review his/her records, the College will work with the student to make an alternate arrangement consistent with FERPA. Education records maintained by the College but provided to the College by third parties, which may include but is not limited to high school transcripts, letters of recommendation and test scores, will not be re-disclosed by the College to the students. For inspection of such records, the student must seek inspection through the third party that generated the record.

There are certain records which students are not entitled to review, including, (i) financial records of parents; (ii) confidential letters and recommendations relating to admissions, employment and honors, for which a waiver of the right of access has been signed by the student, provided that upon request the student is given the names of those persons writing letters; (iii) a physician’s or psychologist’s records (a student may, however, provide the College with written authorization to have his or her own physician or other appropriate professional review the records); and (iv) records of personnel of the College which are “sole possession records” (e.g. memory aids or reference tools/notes used by the maker thereof and are not made accessible to or revealed to other persons). In addition, where a record contains information that concerns more than one student, a student requesting inspection will be informed about the information only insofar as it pertains to that student.
B. The right to request amendment of education records: Students may ask the College to amend a record that the student believes is inaccurate. The student should write the College official responsible for the record, clearly identify the part of the record he or she believes to be inaccurate, and specify why it is believed to be inaccurate. Students also have the right to insert in their records written explanations concerning the content of the records if a request to make a change has been denied (see below). Please note that FERPA does not give any student the right to contest a grade given in a course, but does give the student the right to seek to correct an improperly recorded grade. If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. A representative from the office of Academic Affairs has been designated as the hearing officer. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

C. The right to consent to disclosures of personally identifiable information: Personally identifiable information contained in the student’s education records may not be disclosed without the student's consent, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including public safety personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a discipline or grievance committee, or assisting another school official in performing his or her tasks. In addition, the College may, but is not required to, disclose personally identifiable information from an education record of a student without consent if the disclosure meets one or more of the following conditions:

1. The disclosure to officials of other universities in which a student seeks enrollment, provided that the student is given notice of the disclosure, is provided with a copy of the records disclosed (if so requested by the student), and is given the opportunity to review and challenge the records sought. College policy is to forward only Saint Mary’s College transcripts and only upon a student’s written request.
2. The disclosure is to an authorized representative of the Comptroller General of the United States or to certain federal, state and local educational authorities.
3. The disclosure is in connection with financial aid for which the student has applied or which the student has received.
4. The disclosure is to State and local officials or authorities under applicable state laws concerning the juvenile justice system.
5. The disclosure is to organizations conducting studies, provided that the study is conducted in a manner that does not permit personal identification of parents and students by individuals other than representatives of the organization and the information is destroyed when no longer needed for the purposes for which the study was conducted.
6. The disclosure is to accrediting organizations to carry out their accrediting functions.
7. The disclosure is to parents of a dependent student, as defined in section 152 of the Internal Revenue Code of 1954.
8. The disclosure is to comply with a judicial order or lawfully issued subpoena and the College has made a reasonable effort to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek protective action, unless the court or other issuing agency has ordered that the existence or the contents of the subpoena or the information furnished in response to the subpoena not be disclosed.
9. The disclosure is in connection with a health or safety emergency, if knowledge of the information is necessary to protect the health or safety of the student or other individuals.
10. The disclosure is information the educational agency or institution has designated as “directory information” (see below).

D. Disclosures pursuant to student consent. If the information request does not fit into one of the categories described above, you must obtain the student’s consent prior to disclosing the records. The consent must be in writing, signed by the student, and dated, and must specify the records to be released, the purpose of the disclosure, and the party or class of parties to whom the disclosure may be made.

The purpose of the consent form is to permit the student to have some control over the disclosure of personally identifiable information in his or her education records. The fact that a student signs a consent form, whether specific or "blanket," does not, however, bind the College to make the student’s records available to the third party or parties who have obtained the student’s consent to their review of his or her files. The student’s records are still the property of the College and, even if a consent has been signed, the College will exercise its discretion in each case by disclosing to the third party only such information, records, and files, if any, as the College deems appropriate in light of the reason that the third party is seeking access to the student’s records (e.g., background checks). The signed consent must be provided to the College by the third party at the time the request for access is made. The College will retain the provided copy of the consent. Records to which students are denied access because they are not “education records” usually will not be made available to an outside party.

FERPA imposes limitations on re-disclosure by the recipients of education records. A third party generally will not be permitted to make copies of records to which he or she is granted access, even if the consent signed by the student explicitly gives permission for such copies to be made. Additionally, if a student has provided a third party with authorization to conduct a background investigation for employment related purposes, the College may release unofficial copies of transcripts and/or general information about the following areas of student involvement: on-campus employment, resident housing, encounters with the campus Department of Public Safety and encounters with the Student Conduct Office, in conformance with the authorization.

E. The right to file a complaint with the U.S. Department of Education: A student may file a complaint concerning an educational institution’s alleged failure to comply with the requirements of FERPA. The name and address of the office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue S.W., Washington, DC 20202-4605.

Directory Information
Material classified as “directory” information can be released without student consent. Directory information, as defined by the College, includes the following: the student’s name, date/place of birth, photographs, periods of enrollment, degrees, awards and honors received, major fields, campus or home address, e-mail address, student class schedules, telephone numbers, height/weight of student athletes and the most recent previous educational institution attended by the student. A student may, however, have all of the information withheld upon written notice to the Office of the Registrar given within ten days after the beginning of each semester.

USA Patriot Act and FERPA
This Act permits designated federal officials to apply for a court order to obtain copies of student records relevant to an investigation of terrorism or other crimes, without notifying the student. All requests for such information should be referred to the Office of General Counsel.
**Film Policy**
Only films that have been rated G, PG, PG-13, NC-17 or R by the Motion Picture Association of America (MPAA) may be rented with College funds and shown in a College facility. Any film unrated or rated X by the MPAA may not be secured with College funds or shown in a College facility. Use of films is restricted to those films rented through the appropriate distributor holding the necessary rights for public performance. Screening of any other films (for example, privately owned tapes/DVDs or those rented from a video store or owned by the library) for public viewing is a violation of copyright law, even when such screening is free, and is therefore prohibited on campus.

**Good Neighbor Policy**
Students are expected to conduct themselves as mature and responsible members of the campus and surrounding residential community. As such, they are responsible for upholding all federal, state and city laws and ordinances, especially those relating to noise, traffic, parking, zoning and consumption of alcohol. In addition, as responsible members of society, students are expected to foster an atmosphere that nurtures positive educational pursuits, the development of understanding and tolerance of those with different cultural and political points of view and an environment that encourages responsible behavior in the community.

The College may be notified of potential Good Neighbor Violations via community member complaints submitted directly to the College or by any Police Department. Once reports are received, all Saint Mary's College of California students listed on the residential lease for the current academic year may be subject to the College discipline process. If found responsible, the sanctions are:

- **First Offense:** warning; activity - all involved parties will be asked to participate in a mediated discussion, facilitated by a College official. Failure to attend, or unwillingness to participate will result in the next level of sanctions being imposed without another hearing.
- **Second Offense:** college probation
- **Third Offense:** stayed college suspension
- **Fourth Offense:** college suspension
- **Fifth Offense:** college expulsion

**Good Samaritan Policy**
At Saint Mary's College, the welfare of our students is a priority. In incidents of crisis or medical emergency, Saint Mary's students are expected to care for themselves and for others throughout the community by getting help from appropriate College officials even when violations of the Student Code of Conduct may have occurred. Because the College understands that fear of disciplinary actions may deter requests for emergency assistance, the Good Samaritan Policy was created to alleviate such concerns and reduce hesitation by Saint Mary's students to seek help.

Saint Mary's College pursues a policy of limited immunity for students who seek help to others in need. While policy violations cannot be overlooked, Saint Mary's will provide educational options, rather than disciplinary processes, to those who offer their assistance to others in need.

In crisis situations involving alcohol, drugs, and/or sexual misconduct (see below), the College strongly considers the positive impact of taking responsible action when determining the appropriate response for alleged policy violations relating to the incident. **This means that no formal College disciplinary actions or sanctions will be assigned to the reporting student(s) for Category I, Alcohol offenses and/or Category I, Illegal Drug violations relating to the incident.** The incident will still be documented and educational and/or health interventions may be required as a condition of deferring disciplinary sanctions.
This policy does not protect repeated, flagrant, or serious violations of the Community and Student Life Policies (e.g. abusive conduct, sexual misconduct, distribution of alcohol or drugs, hazing, theft, Good Neighbor Policy violations, property damage, etc.) or violations that caused harm to another person requiring emergency response, nor does the policy preclude or prevent action by police or legal authorities.

Failure of students to take responsible action under this policy where action is clearly warranted and results in harm may, in egregious circumstances, constitute "abusive conduct" under the College and Student Life Policies and will void all protections under this provision.

1. Alcohol/Drugs
In a situation involving imminent danger to the health and safety of any individual(s), students are expected (1) to contact Public Safety at 925-631-4282 or other emergency officials to report the incident; (2) to remain with the individual(s) needing emergency treatment and cooperate with emergency personnel as long as it is safe to do so; and (3) to meet with appropriate College officials after the incident and cooperate with any College investigation. This policy does not provide amnesty for students who report their own medical emergency.

2. Sexual Assault & Sexual Misconduct
In a situation where a sexual assault and/or misconduct has been alleged to have been committed against any individual(s), students are encouraged (1) to contact Public Safety at 925-631-4282 or other emergency officials to report the incident; (2) to remain with the individual(s) needing support and cooperate with emergency personnel as long as it is safe to do so; and (3) to meet with appropriate College officials after the incident and cooperate with any College investigation.

HIV and AIDS
The purpose of the Policy on HIV/AIDS is to establish broad guidelines for responding to individuals infected with human immunodeficiency virus (HIV) within the Saint Mary's College community. The Policy is based, in part, on recommendations of the American Health Association, the Public Health Department and the Centers for Disease Control.

The primary responsibility of the College community with regard to HIV/AIDS is to maintain a healthy and safe educational environment for all members of the College community and to connect the infected individual with the available health related resources in the community. The main purposes of such a response are to prevent the spread of infection by promoting and supporting behaviors which reduce the spread of infection, and to provide support for HIV infected individuals.

HIV, the virus that causes AIDS (acquired immune deficiency syndrome), is transmitted by intimate sexual contact and by exposure to contaminated blood and body fluids. Current medical findings indicate that the individuals infected with HIV do not present a risk to others in an academic or work setting. Therefore, individuals with HIV will be permitted full access to College programs and activities, as long as they are physically and emotionally able to function as students and employees, and the College determines, based on an individualized assessment that the condition, with or without reasonable accommodation, presents no threat to themselves or other members of the College community. The College expects those testing positive for HIV to protect the welfare of others by acting responsibly in preventing the spread of the virus.

The College community will handle, with sensitivity, information relating to any student or employee with HIV/AIDS. Decisions regarding a student or employee with HIV/AIDS will be made on a case-by-case basis depending on the particular facts unique to each individual.
Please contact the Health and Wellness Center at 925-631-4254 for information about free and anonymous HIV testing.

**Intramural Field Noise Limitations from Specific Sources**

During approved nighttime hours of operation when lights are illuminating the Intramural Field, the following measures will be taken to reduce noise emanating from the field:

- Limits on portable sound playback devices during nighttime hours of operation
- Limits on whistle types: whistles should meet but not exceed NCAA standards
- Facility Use Agreements will be updated to state, “At the start of every collegiate sporting event (practice or competition) the Intramural Field Standard of Conduct must be observed. This conduct includes direction to refrain from the use of vulgar or inappropriate language, and a reminder that students are ambassadors for the values of Saint Mary’s College.”
- Signage regarding noise control
- Pre-event meetings including reminders regarding noise and neighborhood surroundings from officiating staff who will oversee those measures are being followed. No generation of sound louder than normally acceptable limits at a distance of 100 feet or more from the property line of the property from which the noise is being generated.

The responsibility for enforcement of limitations on noise is delegated to the Public Safety Department. Complaints about noise created by Saint Mary’s sanctioned activities may be reported to Saint Mary’s College of California Public Safety – 925-631-4282, 24 hours a day. Complaints will be logged and investigated. If verified, the source of the noise will be abated. Verified complaints of noise which exceed the limitations stated above will be managed by Saint Mary’s College Student Code of Conduct proceedings as outlined in the Student Handbook. Any other complaint of noise that is not from the Campus may be reported to the Town of Moraga Police Department - 925-284-5010.

**Missing Student Procedures**

If a member of the College Community has reason to believe that a student is missing, they should immediately notify the Department of Public Safety (925-631-4282), the Office of Residence Life (925-631-4236) or the Dean of Students (925-631-4238), whether or not the student resides on campus. All possible efforts will be made to locate the student to determine his or her state of health and well-being through the collaboration of Public Safety, Residence Life, Campus Housing and Student Life.

If the student is an on campus resident, the Public Safety Department will make a welfare entry into the student’s room. If the student is an off-campus resident, the Public Safety Department will informally enlist the aid of the neighboring police agency having jurisdiction.

Concurrently, College officials will endeavor to determine the student’s whereabouts through contact with friends, associates, and/or employers of the student. Whether or not the student has been attending classes, labs, recitals, and scheduled organizational or academic meetings, or appearing for scheduled work shifts, will be established. If located, verification of the student’s state of health and intention of returning to the campus is made. When and where appropriate, a referral will be made to the College Health providers.

If not located, notification of the family and local law enforcement within 24 hours of receiving the initial report is made to determine if they know of the whereabouts of the student. If the student is an off-campus resident, appropriate family members or associates are encouraged to make an official missing person report to the law enforcement agency with jurisdiction. If the missing student is under the age of 18 and is not an emancipated individual, the College officials will notify the student’s parent or legal guardian immediately after it is determined that the student has been missing for more than 24 hours.
The Public Safety Department will cooperate, aid, and assist the primary investigative agency in all ways prescribed by law.

All students have the option to identify confidentially an individual to be contacted by College officials in the event the student is determined to be missing for more than 24 hours. If a student has identified such an individual, College officials will notify that individual no later than 24 hours after the student is determined to be missing. Students who wish to identify a confidential contact can do so by completing the information on the “Student Emergency Information Card” provided by Campus Housing, which is available through Campus Housing Office and the Public Safety Department.

Non-Discrimination Disclosure
In compliance with applicable law and its own policy, Saint Mary's College of California is committed to recruiting and retaining a diverse student and employee population and does not discriminate in its admission of students, hiring of employees, or in the provision of its employment benefits to its employees and its educational programs, activities, benefits and services to its students, including but not limited to scholarship and loan programs, on the basis of race, color, religion, national origin, age, sex/gender, marital status, ancestry, sexual orientation, medical condition or disability.

Section 504 and ADA Coordinator
The student Section 504 and ADA coordinator, Jennifer Billeci (925-631-4164), is responsible for evaluating and working with qualified students regarding requests for reasonable accommodations. All questions regarding alleged violations of College policy should be directed to the Assistant Vice President of Human Resources, Title IX Coordinator and the College’s ADA coordinator at 925-631-4212.

Title IX Coordinator
It is the policy of the College to not discriminate on the basis of sex in its admissions policies, educational programs, activities or employment practices as required by Title IX of the 1972 Education Amendments. Inquiries regarding compliance with Title IX may be directed to Eduardo Salaz, Assistant Vice President of Human Resources and Title IX Coordinator, els3@stmarys-ca.edu or to the Director of the Office for Civil Rights, Department of Health, Education and Welfare, Washington, D.C.

Parental Notification Policy
The purpose of the Parental Notification Policy is to enhance campus safety, student health and wellness, and academic success. In accordance with the Higher Education Amendments of 1998, the College is permitted to disclose to the parents/guardians of a student who is under age 21 information regarding the student’s violation of any federal, state or local law or policy of the College governing the use or possession of alcohol or a controlled substance and the College has determined through the discipline process that the student was found responsible for a violation of such possession or use. Additional circumstances in which the College would notify parents/guardians cannot be completely enumerated. However, if a true health or safety emergency exists, in order to protect the student or others, the College may make notification to parents/guardians.

Among several interventions utilized by the College for violations involving alcohol or controlled substance, the Dean of Students, or designee, will notify the parents/guardians of students who are under age 21 by telephone and/or letter if any of the following circumstances are met:
1. The student has shown a pattern of conduct of violations that indicate a potential physical or emotional problem.
2. The student was found responsible for a violation of federal, state or local law or College policy related to alcohol or other drugs in accordance with the College’s standard responses for alcohol or drug offenses.
3. The student was required to be transported to a medical facility because of alcohol or other drug use.
4. The student has caused harm to him/herself or another while under the influence of alcohol or other drugs.
5. The student was arrested or taken into custody by police for being under the influence of alcohol or other drugs.
6. The student was arrested or taken into custody by police for possessing a large quantity of illegal drugs or for the actual or attempted sale of illegal drugs.
7. The student was responsible for vandalism or other destruction of property while under the influence of alcohol or other drugs.
8. The student was operating a vehicle while under the influence of alcohol or other drugs.
9. The information regarding the student is needed in connection with an emergency to protect the health or safety of the student or other individual.

**Pregnant and Parenting Students - Resources**

If a student becomes pregnant during their time at the College, the Health & Wellness Center, Counseling & Psychological Services, the Women's Resource Center, the Mission & Ministry Center and Student Disability Services are resources that are available to assist the student. Students may meet with the Director of Student Disability Services to examine the possibility of providing academic accommodations to assist with classes and student life.

**Nursing Mothers and Lactation Room**

In an effort to support parenting students, the College supports breastfeeding mothers by accommodating the mother who wishes to express breast milk during the day. The Women's Resource Center (WRC) has a private lactation room on the ground floor of Mitty Hall for mothers to use. The Lactation Room is furnished with a chair, clock and a small table and equipped with a hospital-grade breast pump. There is access to a full-size refrigerator for the storage of ice packs.

Students wishing to use the Lactation Room must go to the WRC to schedule times and for room access.

**Public Safety Policies**

Public Safety is responsible for safety and security programs, crime prevention, parking control, lost and found and escort services on campus property. Public Safety officers patrol the campus; respond to reports of crimes, fire alarms, medical emergencies and requests for assistance; and enforce campus traffic and parking regulations. While the Moraga Police Department is the official governmental law enforcement agency for the Saint Mary's campus, the Department of Public Safety, as a non-sworn security organization, provides the day-to-day, 24-hour security and safety presence on campus. The College requests that all crimes be reported to the Department of Public Safety at 925-631-4282. While the Department of Public Safety contacts the Moraga Police Department for further investigation and follow-up on criminal matters as appropriate, all victims of crimes retain the right to contact the Moraga Police Department directly for any criminal matter.

**Traffic and Parking**

Parking and vehicle use regulations are designed to provide for orderly parking as well as the safe flow of traffic on campus. Operators of motor vehicles (including, but not limited to, cars, trucks, motorcycles and scooters) and bicycles on campus are expected to safely operate their vehicle while maintaining a maximum speed of 15 mph and observing all College traffic rules and regulations. Recreational vehicles (RVs) are not permitted on campus without prior written approval from the Director of Public Safety. The rules and regulations include, but are not limited to: yielding to pedestrians, obeying traffic signs and
devices, complying with all California vehicular regulations (e.g. wearing safety belts, wearing helmets, driving under the influence), non-entry or storage in any building, and removal of vehicles from campus at the end of the academic year. **All vehicles entering campus are subject to search.**

All non-visitor motor vehicles on campus must be registered with the Department of Public Safety and must properly display the appropriate parking permit at all times. For information on obtaining a parking permit, please visit the Public Safety webpage at: [stmarys-ca.edu/public-safety](http://stmarys-ca.edu/public-safety). Daily visitor parking permits may be obtained at the Front Gate kiosk. Violation of these regulations may result in violation notices, vehicle immobilization, towing, loss of parking privileges and referral to the student discipline process. At its discretion, the College may remove and impound motor vehicles or bicycles blocking the entry or exit of any building on campus, found improperly parked or abandoned.

The fines parking and traffic violations are paid at the Business Office or may be appealed within fourteen (14) days from issuance. Appeals are handled on-line at: [stmarys-ca.edu/public-safety](http://stmarys-ca.edu/public-safety). Fines not paid or appealed within 14 days will be doubled and placed on the student’s term bill. Failure to pay fines also subjects a vehicle to being immobilized, typically with a tire boot. Vehicles that are immobilized are assessed a $50.00 immobilization fee in addition to any other fines for violation of parking regulations. The tire boot/immobilization device is not removed from the vehicle until the fee and all fines are paid in the Business Office. Vehicles that are towed from campus are done so at the owner's expense.

Contact the Department of Public Safety for more detailed information concerning campus parking and vehicle use regulations. Parking information can be found on the Public Safety website: [http://www.stmarys-ca.edu/public-safety](http://www.stmarys-ca.edu/public-safety)

**Impounding of Prohibited Materials or Equipment**

The College may impound materials specifically prohibited by the Code, College policy or law. The College may also impound equipment used in a dangerous manner or in violation of the Code or other College policy, including but not limited to kegs, drug paraphernalia, skateboards and instruments of potential
violence. Once equipment is impounded, the individual will lose all further privileges of use or possession of such equipment or similar equipment on College property permanently. Prohibited materials or equipment will be destroyed without remuneration.

**Residential Living & Housing Policies and Procedures**
Resident students and their guests are responsible for complying with the following policies and procedures, the Code, the Residence Hall and Dining Service License and other College policies. These policies are designed to be formative and educational. When an alleged violation occurs in the residence halls, staff or other students should report the alleged violation to their Resident Advisor (RA), Resident Director (RD), or to Public Safety.

**Balconies and Breezeways**
Furniture is not permitted on the balconies and breezeways with the exception of specifically constructed outdoor deck furniture approved in advance by the Campus Housing Office. No more than six (6) persons may be on a townhouse balcony outside the suite of a townhouse at any one time. Breezeways are to be kept clear of all obstructions and stairways must always be kept clear for emergency use. Balconies, breezeways and patios must not be used as storage areas. Alcohol is not allowed on balconies, breezeways or patios, which are considered public areas. Barbecues, cooking and/or other appliances (including, but not limited to, refrigerators) are not allowed on balconies, breezeways or patios.

**Checking Into Your Room**
The first day of occupancy is determined by the Campus Housing Office on an annual basis in accordance with the academic calendar. When you are checked into your room (normally by your RA), you are issued your key(s) and are required to complete a Room Condition Report (assuming responsibility for maintaining the physical condition of the room and its furnishings). Students are financially responsible for damage and/or poor conditions not documented on the Room Condition Report and for the loss of keys.

**Checking Out of Your Room**
You must check out of your room with the RA and you must turn in the key(s) that were assigned to you at check in. No mail-in keys are accepted. Any and all room damages noted on the Room Condition Report, found through a room inspection, and/or damages/cleaning charges in common areas, will be assessed to all of the residents of the room if individual responsibility cannot be determined. Students are responsible for removing all personal belongings, garbage, and any item not assigned to the room by the College, otherwise, a fine(s) will be added to your Student Account. Students are responsible for following all policies of the on-campus Commercial Mail Receiving Agency to avoid charges or fees.

**Cooking & Microwaves**
Cooking is not permitted in residence halls other than in those areas that are specifically designed or equipped for cooking by the College (i.e. townhouses and staff apartments). Kitchens in residence hall lounges are available for hall events and not intended for regular personal use. The heating of beverages, snacks, and popcorn in College approved microwaves is permitted. Students may use a personal microwave as long as it does not exceed 1,000 watts.

**Damage/Loss to Personal Property**
The College does not assume liability directly or indirectly for loss of or damage to personal property by fire, theft, water, or any other cause. Students/Residents are strongly encouraged to purchase personal property/renter’s insurance to cover loss or damage to personal property or facilities.
Fire Safety
All students are expected to observe the following regulations critical to the prevention of residence hall fires:
1. The use or possession of any dangerous chemical or explosive material, including but not limited to, fireworks, gunpowder, gasoline or propane is prohibited within the residence halls.
2. Tampering with fire alarms, smoke detectors or fire extinguishers is a violation of state law and is prohibited.
3. Propping open doors for any purpose other than emergency evacuation is prohibited.
4. Room doors, corridors, stairways, and building exits must be kept clear of obstructions at all times.
5. All students and guests must evacuate any building in which a fire alarm sounds in accordance with all local, state and federal law.
6. Students who continually activate a fire alarm because of cooking may result in disciplinary action and/or service fee.

Furniture
College owned and personal furniture must be positioned and used in a manner consistent with their intended purpose and design. Lost or damaged furniture is the responsibility of the residents of the room. Only specifically constructed outdoor deck furniture approved in advance by the Campus Housing Office can be used or placed on patios. Any personal furniture, trash or other belongings may be subject to removal at a cost to the resident. Students are not permitted to remove any College issued furniture from the room in which it is assigned and may not remove furniture from public areas and/or lounges. Students are not allowed to disassemble College furniture. Similarly, window screens, curtains, curtain rods or other items affixed to any part of the room may not be removed or added to the facility. There is no storage for room furnishings. Residents will be charged for missing or damaged furniture. Residents are not permitted to loft, bunk or adjust the height of the beds; the Facilities Services staff must perform these functions.

Garbage
Under no circumstances are students to place, or allow to be placed, trashcans or bags in the hallways outside student rooms or in stairways. Students are expected to empty their own trash on a regular basis and may be charged for cleanup of unreasonable messes. Recycling bins are provided for appropriate use.

Housing over Breaks and Holidays
The residence halls are closed over the Christmas Recess. Students must obtain prior permission from the Campus Housing Office to remain on campus during Christmas Recess. For those permitted to stay during the Christmas Recess, there is an additional charge. There is no food service during Thanksgiving Recess, Christmas Recess, Jan Term Recess, and Easter Recess.

The last day of occupancy for all students (except graduating seniors and those undergraduates receiving authorization from the Campus Housing Office) is twenty-four (24) hours following the student’s last final examination or 5:00 p.m. on Thursday of finals week, whichever comes first. For graduating seniors and students who have been authorized to extend their on-campus residency beyond the end of spring semester exams, the last day of occupancy is the day following Undergraduate Commencement at 12:00 p.m. (noon).

Housing Assignment
Incoming First Year Students: All incoming first year students accepted for the fall, January or spring term are required to live on campus. First year student room assignments are made by the Campus Housing Office.
Exemption Policy/Process for On Campus Residency Requirement

There may be specific circumstances that would prevent a student from living in on-campus housing. Exemption from the residence requirement will only be considered for the following circumstances:

1. In a case of a student who is married or in domestic partnership and/or is parent to dependent child(ren), as supported by documentation.

2. In a case of older students such as returning military or previously married or in domestic partnership where, by virtue of age and experience, are incompatible with the educational objectives and values sought to be provided in the residences.

3. In a case where it appears that a full-time undergraduate student will otherwise suffer significant physical hardship, as supported by documentation from a non-familial physician or treating professional (e.g. must live with an attendant or requires equipment that cannot be accommodated in a residence hall room).

All exemption requests must be received prior to July 1st for the academic year and December 1st for students entering at the beginning of the January or Spring term. Students failing to submit an exemption request form prior to the deadline will be assessed mandatory housing/dining fees. An application for exemption from the on-campus housing requirement does not guarantee nor imply that an exemption will be granted. Students should assume that their request has not been granted until they receive written notification of approval and should not make other living arrangements, enter into a rental or lease agreement with a third party realtor or lessee until such notification. Upon receipt of the student’s request for an exemption and all supporting documentation, the request will be reviewed by the appropriate campus committee and their decision will be communicated to the student within ten (10) business days of the July 1st/December 1st deadline.

Questions may be directed to the Dean of Students, at 925-631-4238.

On-Campus First Year Students continuing as Sophomores: First Year students who receive on-campus housing, remain in housing during their entire first year, remain eligible for housing and meet all necessary deadlines, are eligible for on-campus housing for their sophomore year through the room selection process. Room assignments are determined by space availability, the order of their placement in the room selection process, and the approval of the Campus Housing Office.

Sophomores and Juniors continuing, respectively, as Juniors and Seniors: Toward the beginning of the Spring semester, current sophomores and juniors who are continuing into their junior and senior years are eligible to participate in the room selection process. Students are offered on-campus housing as determined by space availability, the order of their placement in the room selection process, and the approval of the Campus Housing Office.

Transfer Students: Incoming transfer students are guaranteed housing provided they meet the July 1st deadline for payment of the housing deposit and submission of their Residence Hall and Dining Services License. After that date, they can request to be placed on a pending list to receive housing as space becomes available. Room assignments are determined by space availability and the approval of the Campus Housing Office.

Eligibility for Room Selection

Any student on Probation or higher, during the academic year, or part thereof, will have his/her discipline file reviewed by the Community Life for consideration to participate in the room selection process. Following the review of the probation status and gravity of the incidents(s) leading to disciplinary action, the Dean of Students will make a final determination of eligibility for participation in the room selection process. Affected students will be notified of ineligibility one (1) week prior to room selection. Students who lose room selection eligibility may be placed at the end of the pending list of eligible students per
written request submitted to the Campus Housing Office. Administrative room selection ineligibility is not subject to appeal.

**Hall Sports/Recreation**

Respect for the community involves respect for the building and its residents. Hall sports such as wrestling and dribbling or throwing balls/objects, skateboarding, roller-blading and bicycle riding are prohibited in all residence halls. Such activity is potentially damaging to fire and safety equipment, and could cause structural damage. Occurrences may result in a fine, charged to your student account for damages and/or student conduct action.

**Keys**

Residence hall room keys are issued to students upon check-in. All residence hall keys are the property of the College and are not transferable. Students are responsible for locking rooms and taking keys with them to re-enter. The Campus Housing Office will replace lost, stolen, or otherwise missing keys at a cost to the student of $50.00 per key. Students locked out of their room on weekdays between 8:30 a.m. - 4:30 p.m., can go to the Campus Housing Office (Ferroggiaro Hall #200) for assistance. Students locked out on weekdays between 4:30 p.m. - 8:30 p.m. or during the day on weekends, can contact Public Safety (925-631-4282) for assistance. Students locked out between 8:30 p.m. - 7:30 a.m. must contact the RA on duty for assistance. Students locked out from 7:30 a.m. to 8:30 a.m. can contact Public Safety (925-631-4282). Abuse of the lock-out privilege may result in disciplinary action and/or service fee assessment.

**Noise**

The primary purpose of noise and quiet hour regulations is to create residence hall environments that promote rather than detract from effective study. Residents are expected to adhere to quiet hours and noise level standards, and be considerate of others’ rights to sleep and study, regardless of the time of day. Quiet hours are in effect from 9:00 p.m. to 9:00 a.m. Sunday through Thursday, and from midnight to 9:00 a.m. Friday and Saturday. These hours may be lengthened to meet the needs of an individual floor. During quiet hours, noise from stereos, radios, TVs, voices or any other identifiable source should not be heard outside of or between any residence hall rooms. Twenty-four (24) hour quiet hours begin the Friday before the first final exam of each semester through the close of the residence halls. All other hours are courtesy hours (students should comply if a staff member or another student asks for quiet).

**Noxious Odors**

Any odor or aroma (including, but not limited to, cigarettes, cigars, pipe smoke, perfume, air freshener, dirty laundry) of such intensity that it becomes apparent and/or offensive to others is prohibited.

**Prohibited Items**

Any type of firearms, air pistols/rifles, “bb” guns, slingshots, bow and arrows, explosives, fireworks, candles, incense, flammable fluids or gases, dangerous chemical mixtures, propelled missiles, smoke bombs, sparklers, large knives, martial art or other weapons, and/or other flammable are prohibited in the residence halls and may result in fines and/or disciplinary action if found.

Other examples of items prohibited in College housing include, but are not limited to, the following:

- Open flames, candles, sun lamps, incense, hookahs or any device capable of producing an open or enclosed/contained flame or odor
- Large holiday/string lights
- Cinder blocks
- Stolen merchandise including, without limitation, items such as College owned furniture, street signs, etc.
- Motorcycles, motor bikes and any type of gas powered engines located in the housing units
- High-resistance electrical appliances (including but not limited to, hot plates, space heaters, heating coils, electric blankets, sunlamps, halogen lamps and toaster ovens)
• Water-filled furniture
• Exterior antennas and satellite dishes
• Outdoor clotheslines
• Metal tipped dartboard sets
• Dead plants or trees
• Pets and/or animals not approved through Student Disability Services
• Drum sets or any musical equipment connected to an amplifier
• Any attachments to interior/exterior walls and doors other than those provided by the College
• Extension cords without a UL approved circuit breaker

Reassignment
A student may be reassigned to another room if the College deems such reassignment is necessary or advisable in the interests of health, safety, and more prudent use of resources, or the efficient conduct of the residential system. Such reassignments are an administrative decision, not a discipline process sanction, and are not subject to appeal.

Right of Entry
The College will respect students’ right to be free from unreasonable searches and intrusions into student living area. However, College Officials may enter a student’s residence with or without notice under certain circumstances. The college reserves the right to enter and search a student’s room or apartment for reasons pertaining to health, safety, general welfare, necessary repairs or improvements and/or to insure compliance with College policies and guidelines. College officials also may enter a student room on the premise that an action violating college policies or state or local law did or is about to take place.

Room Changes
Residents sometimes consider changing rooms due to roommate conflicts. In most cases, these conflicts can be resolved through discussion, mediation and compromise. Students are required to talk to their RA and RD prior to requesting a recommendation for a room change.
• No room changes will be made during the first two weeks of each semester.
• Room changes may only be made by the Campus Housing Office and upon the recommendations of the Office of Residential Experience. Generally, all students involved in the room change must be in agreement before changes are made.
• Unauthorized room changes are not permitted.
• In cases of irreconcilable roommate/suitemate incompatibility, the student filing the request will be required to relocate.
• The Campus Housing Office may relocate and group students as needed.

Room Condition Reports
Students who live in on-campus rooms are responsible for noting the condition of their room on their Room Condition Report (RCR) form. If this form is not returned, the resident will be responsible for ALL damage to the assigned room, even if it occurred prior to move-in. By submitting this form, students certify that they will be held responsible for the room in the condition stated. Students will be held responsible for any damages or changes of their room between their check in time until their check out time.

Damages not noted (discovered after departure) may also be charged to their student account.

Room Decorations
Residents are expected to leave the room in the same condition as when they moved in. Residents will be charged for damages or unauthorized alterations to their living space. Additionally, students should not have or display candles, alcohol bottles, or any other prohibited item(s) as room decorations. Only UV
resistant, non-residue, non-surface damaging tape (such as Scotch blue Painter's Tape) is allowed for decorating purposes in the Residence Halls.

**Room Occupancy**
No more than two (2) guests per resident in dormitory style building (Central and Canyon areas) or more than fifteen (15) people in a townhouse style building (Becket, More and other townhouses), are permitted at any given time.

**Smoking**
Saint Mary’s College promotes and fosters the health, safety, and comfort of all members of the residence hall community. Smoking is not permitted in residence rooms, on the breezeways, or in public areas of the residence halls (hallways, lounges, etc.). Also, students who smoke are asked to be mindful of their location with regards to open doors and windows, and to insure that smoking materials are disposed of properly. Any room damages created by smoking within the room would be the responsibility of the residents of the room.

**Visitation and Overnight Guests**
Visitation by members of the opposite sex in individual student rooms is permitted during the hours of 9:00 a.m. to 2:00 a.m. only. In compliance with College policy, personal guests of students should restrict the length of their campus visits, except in emergency situations. Students are not permitted to bring non-sibling minors under the age of 18 into their residences. Only guests of the same sex are permitted to stay overnight in a resident's room, with the advance permission of the roommate/suitmates, and after having notified the residence hall staff. No overnight guest may stay in the halls more than three (3) nights in a seven (7) day period and no overnight guest will be permitted for more than twelve (12) days total in any given academic year. Overnight guests are not permitted during final examination days or during vacation periods and other days established by the College.

When the Front Gate is controlled by the lowered gate-arm or human attendant(s), all vehicles must stop and the occupants must provide identification. When entry is controlled (typically 10:00 p.m. - 5:00 a.m.), all guests not accompanied by a student or employee must be cleared for entry. Students or employees must contact the Front Gate (925-631-4282) and provide their name and Saint Mary’s identification number along with the name(s) of their approved guest(s). Resident students must keep in mind and are responsible for the Room Occupancy policy.

**Responsible Host Policy**
Saint Mary’s College students (non-student organizations) may host parties in community space that has been allocated by the Student Involvement and Leadership Office. ALL student hosted events taking place outside of a residential room must be registered and approved for space to be reserved, and for Responsible Host(s) to be designated.

A student, who will be identified as the Responsible Host during the party, is required to attend the *Gaels Party Safe- Responsible Hosting Training* in order to reserve space for a public social event being held on campus. This training must be completed at least 2 weeks prior to the party being held. All state and local laws and college policies apply to any party, gathering, or event at Saint Mary’s College.

The Responsible Host is responsible for planning and managing the party being held in specified reservable space on the Saint Mary’s College campus and must comply with all policies and procedures outlined in the Responsible Host Training.

Social Media Statement
The College Committee on Inclusive Excellence (CCIE) recognizes the power and ability of social media to build community, foster positive relationships, and promote free expression. However, these same new media platforms can be used to inflict harm on individuals or groups. In keeping with the inclusive vision of Saint Mary's College, and existing social media guidelines, we urge all community members to recognize that uncivil behavior, harassment and/or name calling on SMC webpages or social media platforms is unacceptable, will not be tolerated and can violate college code of conduct and legal guidelines. The College's core principle of respect for all persons must apply in all environments, including the virtual world of social media.
Solicitation, Distribution and Advertising Policies

Copyright/Use of College Name and Logo

The College's name, logos, seal and other marks, including but not limited to the image of the Chapel, are protected under state and federal law and the unauthorized use of these marks is prohibited. Furthermore, the De La Salle statue is protected by copyright. Posting Policy

Saint Mary’s College is a community dedicated to the intellectual enrichment and personal development of all of its members through study, inquiry and continuing communication with one another. In accordance with its Lasallian heritage and Core Principles, the College encourages a balanced approach in the expression of opinions. The posting, distributing, or disseminating of printed materials (i.e. fliers, posters, table tents, banners, handbills) that advertise, publicize, or otherwise provide notice of activities, events, or information are subject to this Posting Policy.

The Assistant Dean of Student Life, or designee, grants permission to on- and off-campus individuals and groups to post, distribute or disseminate printed materials on campus. The College maintains the authority and right to prohibit the distribution of any material, which in the estimation of the college might cause a security problem or interferes with any instructional or college event. The College also maintains the right to regulate the time, manner, and place of any distribution of written material which is likely to cause harm to college property, physical danger to any individual, or in any other way breaches the security of the college or disrupts the furtherance of education.

When posting, anywhere on campus, the following must be observed:

1. The posting, distributing, or disseminating of printed materials (i.e. fliers, posters, table tents, banners, handbills, etc.) that are used to advertise, market, promote and/or provide notice of activities, events or information are all subject to the Posting Policy.

4. Printed materials may not be placed on or against, attached to, or written on any structure or natural feature of the campus such as, but not limited to, sides of doors or buildings, windows, the surface of walkways or roads (floors), fountains, posts, waste receptacles, lawn, trees, or on vehicles parked on campus, doors or buildings, windows, surfaces or stanchions and wooden standards.

10. Only "safe-release" painters’ tape (blue tape) may be used to post fliers and posters. Other tapes will damage the surfaces of walls and buildings. Fliers posted on bulletin boards may be attached with staples, pushpins, or blue tape. Please note that blue tape can be purchased through the College’s warehouse and SIL does NOT provide it for college departments.
**Off-Campus Individuals**

1. The posting, distributing, or disseminating of printed materials that are used to advertise, market, promote and/or provide notice of activities or events are all subject to the College’s Posting Policy. Postings for employment, sales, discounts, etc. that are not attached to an event cannot be posted and should seek alternative modes such as buying an ad in the college’s newspaper (The Collegian) or the Career Center, for employment notices.

2. A maximum of 25 posters or fliers must be submitted to Student Involvement and Leadership for approval and posting. Off-campus individuals may not post their own materials on campus. Materials should measure a minimum of 8 1/2 “ × 11” and not exceed 11” x 17” in size.

8. Off-campus advertisers do not have access to residence halls.

**Posting Areas**

1. External Posting Spaces
   - There are 30 high-traffic areas located throughout central campus for posting fliers. These areas are painted in a beige color and are clearly marked as posting areas for approved materials which should measure a minimum of 8 1/2 “ × 11” and not exceed 11” x 17” in size.

Painting the SMC
The painting of the SMC by campus groups and individuals has been a longstanding tradition at Saint Mary’s College of California. For generations, students have commemorated special events, heritage months and holidays by trekking up the hill, with paint supplies in tow, to give the “SMC” their special mark. Students, staff and faculty participate in this tradition as a way to let their presence on campus be known while building community within their group.

In an effort to encourage the equitable access to the letters for all, Student Involvement and Leadership has created the following guidelines:

1. Submit a request to paint the SMC to Student Involvement and Leadership two weeks prior to your proposed date via email (sil@stmarys-ca.edu.) Be sure to include proposed dates and the reason for painting it.
2. Upon receiving written approval from SIL, your group may paint the “SMC.”
3. The “SMC” shall remain painted for a period of no more than two (2) weeks, after which Buildings and Grounds will repaint it to its original white color.
4. The SMC is to remain white during the following times:
   • Week of the Mass of the Holy Spirit
   • The beginning of Finals’ Week through the end of the Christmas break
   • During De La Salle week
   • The beginning of Finals’ Week through both graduation ceremonies
   • All summer

Solicitation and Commercial Activity
The College has an obligation to preserve the student’s right to personal privacy, safety, and security. Individuals or organizations wishing to engage in commercial activity on campus may do so only with the written approval of the Vice President for Finance. The College does not allow door-to-door solicitation of products or services in the residence halls. This policy applies to all College and off-campus organizations, groups and individuals.

Fundraising Policy
The following principles, policies and procedures govern all student fundraising activities at Saint Mary’s College of California. The purpose of this policy is to guide Saint Mary’s student organizations in planning
their fundraising activities for the benefit of the campus community. Fundraising is the responsibility of
the College’s President and the Vice President for Advancement in accordance with the priorities
established by the Board of Trustees.

1. Student clubs, classes and organizations may conduct on-campus fundraising after seeking the
approval of their advisor and Student Involvement and Leadership.
2. Student organizations are permitted to conduct infrequent collection of food, clothing or change for
charities; make requests for donated labor or donated products; and hold activities like bake sales
that by and large do not solicit significant cash gifts. These student fundraising activities are only
permitted on campus.
3. Off-campus door-to-door and telemarketing type fundraising activities by student clubs and
organizations are not permitted.
4. Student group solicitation of off-campus businesses for in-kind product and food donations is
permitted on a limited basis subject to the approval of the Assistant Dean of Student Life (in
consultation with the Advancement Office). An advance list of businesses to be solicited is required to
be submitted to the Assistant Dean as well.
5. Students may not raise funds from foundations or from corporations.
6. Student groups may solicit from individuals and businesses that have given money to the group in the
past five years or that have a previous relationship with the group.
7. The Vice President for Advancement will have final discretion in approving all fundraising activities.

Student Complaints Policy and Procedure
This protocol gives instructions for addressing student complaints which are not otherwise covered in
any subject-matter-specific grievance, complaint or appeal policy applicable to the student.

Students at Saint Mary’s College of California may report a concern or complaint regarding any area of
academic or student life without fear of coercion, harassment, intimidation, or reprisal from the College or
any of its employees. Students have the right to expect a timely response to a complaint. Every effort will
be made to resolve matters fairly and promptly. If additional follow-up and investigation is warranted,
Saint Mary’s will attempt to conduct the additional follow-up in a timely manner so as to not unduly delay
the resolution of the complaint.

Because no single process can serve the wide range of possible complaints, Saint Mary's College provides
specific processes for responding to certain kinds of student complaints. Where College policy provides a
specific complaint or grievance procedure, an aggrieved student must use that procedure. As a general
guide, students should refer to the Undergraduate or Graduate and Professional Student Handbooks.
Students are made aware of the Student Handbooks via email at the beginning of the Fall semester.

The following are some examples of established procedures for specific types of student complaints found
in the Student Handbooks:
- Bias Incident or Hate Crime
- Discipline process
- Discrimination or Harassment
- Grades and other Academic Complaints Procedures
- Student Disability Accommodations

Any student at Saint Mary’s who has a complaint that directly implicates the College's program of
education, should do the following:

1. Submit the complaint in writing to the Dean of Students. This correspondence must be
submitted in one of the following ways:
2. The correspondence should describe in detail the behavior, program, process, or other matter that is the subject of the complaint, and should explain how the matter implicates the College’s program of education.

3. For a response to take place, the complaint must contain the complaining student’s name, student ID#, Saint Mary’s email address, and current mailing address.

4. The Dean of Students will acknowledge the complaint within three business days of receipt of the written complaint. Acknowledgment may be made by electronic mail, postal service, fax or by personal delivery, at the discretion of the Dean of Students.

5. Within three weeks of acknowledgment of the complaint, the Dean of Students or designee, shall either meet with the complaining student, or respond to the substance of the complaint in writing. If further investigation is needed, the correspondence will indicate so and will also indicate when the investigation is anticipated to be completed. Upon completion of the initial review and any further investigation, if needed, Saint Mary’s will provide the student with a substantive response regarding the final disposition of the complaint.

6. Appeals regarding decisions on complaints should be addressed to the Vice Provost of Student Life. Any decision made on appeal by the Vice Provost of Student Life shall be final.

7. A copy of the complaint and a summary of the process and resolution of the complaint shall be kept in the Office of the Dean of Students for a period of eight years from the date of final resolution of the complaint.

Any reports, questions or concerns can be directed to the Dean of Students at 925-631-4238. **Please note that this procedure is not designed to address imminent emergencies.** If you have an emergency to report, please call Public Safety at 925-631-4282.

Any student may contact the Bureau for Private Postsecondary Education for review of a complaint. The bureau may be contacted at 2535 Capitol Oaks Drive, Suite 400, Sacramento, CA 95833, [http://www.bppe.ca.gov](http://www.bppe.ca.gov), 916-431-6924 (telephone), or 916-263-1897 (fax).

**Student Disability Services**

Student Disability Services is committed to reaching out and serving students with disabilities in an effort to create an equal opportunity for all students to enjoy and participate in Saint Mary’s educational programs and campus life. Reasonable and appropriate accommodations are extended to eligible students on an individualized, case-by-case basis.

Students with disabilities, and those with questions regarding eligibility criteria and/or available services, are encouraged to contact Student Disability Services at 925-631-4358 to set up a confidential appointment for detailed information.
Service and Assistance Animals Policy

This policy applies to service and assistance animals that may be used by individuals with disabilities at Saint Mary’s College. A service animal is an animal that either works, provides assistance, or performs tasks for the benefit of a person with a disability. An assistance animal provides emotional or other type of support that alleviates one or more identified symptoms or effects of a person's disability.

Service Animals

A "service animal" refers to a dog or miniature horse that is individually trained to do work or perform tasks for the benefit of a person with a disability. The work or tasks performed by a service animal must be directly related to the person's disability. The provision of emotional support, well-being, comfort, or companionship does not constitute work or tasks for the purpose of this definition. Service dogs are permitted to accompany people with disabilities in all areas of Saint Mary’s College's facilities with very few exceptions. Although students with service dogs are not required to register with Student Disability Services, the College encourages students to contact Student Disability Services in Filippi Academic Hall 190, 925-631-4358 to learn what other services may be available to them.

Assistance Animals

An "assistance animal" is an animal that provides emotional or other support that ameliorates one or more identified symptoms or effects of a person's disability. Unlike service animals, assistance animals are not required to be trained to perform work or tasks, and include species other than dogs and miniature horses.

Students who intend to bring an assistance animal to campus and/or to live in the residence hall must receive an accommodation through Student Disability Services to do so. Accommodation requests to bring an assistance animal to live in Campus Housing must be submitted to Student Disability Services 30 days prior to move in.

Guide and Hearing Trainees

California law allows animals that are being trained to be dog guides for the blind, hearing assistance dogs, or assistance animals for persons with physical impairments to access Saint Mary’s College facilities.

Responsibilities of People with Disabilities Using Service or Assistance Animals

Saint Mary’s College is not responsible for the care or supervision of service or assistance animals. People with disabilities are responsible for the cost, care, and supervision of service or assistance animals, including:

- compliance with any laws pertaining to animal licensing, vaccination, and owner identification;
- keeping the animal under control and taking effective action if it becomes out of control;
- feeding, walking, and providing ordinary care of the animal and the surrounding area; and
- appropriately disposing of the animal’s waste.

Animal waste disposal via College plumbing is prohibited. Campus Housing will provide guidance on where to appropriately dispose of animal waste.

Saint Mary’s College will not require any surcharges or fees for service or assistance animals. However, a person with a disability may be charged for damage caused by a service or assistance animal to the same extent that Saint Mary’s College would normally charge a person for the damage they cause.

People with disabilities and their service or assistance animals must comply with the same College rules regarding noise, safety, disruption, and cleanliness as people without disabilities.
Exceptions and Exclusions
Saint Mary's College may pose some restrictions on, and may even exclude a service or assistance animal in certain instances. Reasons an animal may be excluded from an area include but are not limited to:

- it is out of control and effective action is not taken to control it.
- it is not housebroken (or in the case of an assistance animal that deposits waste in a designated cage or litter box, the owner fails to clean such cage or box such that the cleanliness of the room is not maintained);
- it poses a direct threat to the health or safety of others that cannot be mitigated by reasonable modifications of policies, practices, or procedures, or the provision of auxiliary aids or services.

In the event that restriction or removal of a service or assistance animal is determined to be necessary, the person with a disability will still be given the opportunity to participate in the service, program, or activity without having the service or assistance animal present.

Guidelines for Members of the Saint Mary's College Community
To ensure equal access and nondiscrimination of people with disabilities, members of the Saint Mary's College community must abide by the following practices:

- Allow service and assistance animals to accompany people with disabilities on campus;
- Do not ask for details about a person's disabilities;
- Do not pet a service or assistance animal, as it distracts the animal from its work;
- Do not feed a service or assistance animal;
- Do not deliberately startle, tease, or taunt a service or assistance animal; and
- Do not separate or attempt to separate a person from his/her service or assistance animal.

If you have a disability that may be affected by the presence of animals, please contact Student Disability Services in Filippi Academic Hall 190, 925-631-4358. Saint Mary's College is committed to ensuring that the needs of all people with disabilities are met and will determine how to resolve any conflicts or problems as expeditiously as possible.

Student Services Policies
Identification Cards (IDs)
Incoming students are issued a photo ID card on the first day of the semester. Photos for the ID cards are taken at orientation. The ID card serves as picture identification and is valid for the estimated four years of attendance at Saint Mary's College and provides various privileges/discounts. The ID card is multifunctional in that it is used for access to the Joseph L. Alioto Recreation Center, the Health & Wellness Center, residence halls, the library, and all College events including SMC athletic events. The ID card also functions as your meal card allowing you to add more money should you choose. Because the card is issued for four years, students may also be checked to a current registration listing. Students who are not registered are not eligible to utilize the privileges/discounts of the ID card. The Business Office issues replacements for lost ID cards Monday - Friday, 9:00 a.m. to 3:00 p.m. for $10. If the ID is also used as a meal card, it will cost $25.00 to have a meal card reissued. Replacement cards will be available for pick up within three business days. Please care for your ID card as you would a government issued driver’s license or a credit card. Battered or torn cards will not work effectively.

Media Policy
Saint Mary’s College recognizes that student publications can be valuable tools in establishing and maintaining an atmosphere of free and responsible discussion and exploration, bringing student concerns to the attention of all members of the College community, and for formulating student opinion. Student publications bear a responsibility to the College as an institution of higher education in the Roman Catholic tradition and as a community of persons. Respect for truth, openness of inquiry, and good taste
are hallmarks of such responsibility. To maintain these principles, the following are applicable to student publications:

1. Student media (publications, radio, and television) are free of censorship and/or advance approval of copy, and their editors and managers shall be free to develop their editorial policies and news coverage. At the same time, this freedom entails the corollary responsibility to be governed by the canons of responsible journalism and the basic principles and traditions of the College in both print and electronic media. In addition, KSMC student radio falls within the jurisdiction of the Federal Communications Commission (FCC) and therefore, FCC broadcast standards apply to transmissions by KSMC radio.

2. Editors and managers of student media supported by recognized College bodies shall be protected from arbitrary suspension and removal because of student, faculty, administrative, or public disapproval of editorial policy or content that does not otherwise violate College policy or applicable laws or regulations. Only for proper and stated causes will editors and managers be subject to removal and then by orderly and prescribed procedures.

3. All student publications, radio and television should carry a statement that the opinions expressed are not those of the College or the Associated Students.

TECHNOLOGY USE POLICY

1.0 INTRODUCTION

Saint Mary's College of California ("Saint Mary's") is a non-profit public benefit corporation dedicated to offering a Catholic, Lasallian, Liberal Arts education. To support the College's mission, Saint Mary's has developed a campus-wide computing system to provide to its members an electronic link to College digital resources and to the Internet.

This Policy presents guidelines for acceptable use of Saint Mary's Information Technology resources. It serves as a reference for all persons using Saint Mary's Information Technology resources or having a Saint Mary's E-mail Account. The Saint Mary's community is encouraged to make innovative and effective use of the College's Information Technology resources within the requirements of this Policy, which provides standards for the quality and content of information while also requiring compliance with laws and with other Saint Mary's policies governing students, faculty, and staff.

This Policy is subject to amendment or revision as appropriate by approval of the Technology Planning and Policy Committee (TPPC).

2.0 DEFINITIONS

All defined terms shall appear in Title Case and Bold Font throughout this Policy.

Account: Special access to Saint Mary's Information Technology resources with unique User identification provided by Saint Mary's College. This includes, but is not limited to, having a Saint Mary's E-mail Account, having access to networks operated or maintained by Saint Mary's, and/or having access to the Internet through Saint Mary's Information Technology resources. Only Users, as defined in this Policy, may have an Account.

Information Technology resources: any computer and network hardware, including but not limited to wiring and cabling, and/or software owned or licensed by Saint Mary's, any Saint Mary's computing systems, or any service provided by Saint Mary's for access to the Internet. Also referred to as Saint Mary's Information Technology resources.
Electronic Information: any information or data (e.g. - E-mail, word processing files, data entered on online forms, web pages, etc.) placed on Saint Mary's Information Technology resources, whether through a Saint Mary's Information Technology resource or through an individual's own computer, or other personal electronic data storage device.

IT Services (ITS): The department at Saint Mary's primarily responsible for maintaining all Information Technology resources.

Policy: This Technology Use Policy.

Third Party User(s): Persons having access to Saint Mary’s Information Technology resources who do not fall within the definition of User(s) and who therefore do not have an Account (e.g.- members of the public using Information Technology resources in the library and other Campus visitors). Such persons are required to agree to, and abide by, the terms of this Policy when using Information Technology resources.

User(s): Current (currently registered or currently employed) Saint Mary’s students, faculty, Staff and other employees, including third party contractors, who have full time presence on campus and who need access for their official duties (e.g., Sodexo, Barnes and Noble etc.), Trustees, Regents and other members of official boards and committees as designated by the President, as well as Christian Brothers residing at or visiting Saint Mary's and needing access to Saint Mary's Information Technology resources.

3.0 USING INFORMATION TECHNOLOGY RESOURCES

3.1 General
The use of Information Technology resources shall be consistent with the mission of the College, College policy and must not violate Federal, State or local laws or regulations. If a User has questions regarding the acceptability or appropriateness of a particular behavior while using Saint Mary's Information Technology resources, he or she should contact the appropriate College official. For example, an issue regarding one student allegedly harassing another via an Information Technology resource should be addressed to the Dean of Students, rather than IT Services. Additionally, IT Services staff can help Users address technical and non-substantive legal issues. If Users have questions regarding copyright and trademark issues, fair use, or other legal matters; please refer to Saint Mary's General Counsel web pages or contact Saint Mary's College Office of General Counsel.

3.2 Access
Information Technology resources are available to Users on campus as well as remotely through the internet, twenty-four hours a day, seven days per week. Technical support is limited to academic business hours, and Saint Mary's may on occasion temporarily interrupt access of Users to conduct ordinary as well as extraordinary business and maintenance.

3.2.1 Faculty and Staff
Use of Information Technology resources is limited to that which is necessary as part of a User's duties and responsibilities in User's employment. Incidental or minimal personal use during a User's working hours where such use does not interfere with a User's performance, or does not violate any applicable Policy, rule, or law, may be permitted. Specific questions regarding personal use of Information Technology resources during a User's working hours should be directed to the User's supervisor, Dean, department head, or vice president, as appropriate. Monitoring and control of personal use of Information Technology resources during a User's workday is at the discretion of the person under whose direction the User works. A User's performance appraisal may take into account personal use and a supervisor may limit personal use as a condition of employment where appropriate.
Use of Information Technology resources on User’s own time is permitted to the extent that Information Technology resources are available. Users needing to use Information Technology resources for official Saint Mary’s business, whether administrative or academic, shall always have precedence over any User using Information Technology resources for personal matters. Therefore, Users engaged in personal activities may be asked to discontinue such use to free Information Technology resources for Users needing to access Information Technology resources for non-personal matters.

E-mail may be used for incidental personal purposes provided that, in addition to the foregoing constraints and conditions, such use does not: (1) directly or indirectly interfere with Saint Mary’s operation of Information Technology resources; (2) burden Saint Mary’s with noticeable incremental cost; or (3) interfere with the User’s employment or other obligations to Saint Mary’s.

3.2.1.1 Mobile Computing and Telecommunications Equipment
Mobile computing and telecommunications equipment belonging to the College, such as laptop computers, tablets or cell phones, may be issued to Faculty and Staff Users as needed for the requirements of the official academic or administrative tasks they perform. The equipment shall remain in the possession of the User until the end of the term specified in the Mobile Computing or Telecommunications lending agreements, which must be signed by the User. Saint Mary’s reserves the right to recall the equipment for inventory, upgrades, repair/replacement or for any other reason, and the User will return the equipment in a timely fashion if recalled. Efforts will be made to minimize the inconvenience of a recall to the User. This equipment shall not be repaired or altered in any way except by IT Services or Telephone Services personnel. The User shall notify the ITS Service Desk promptly when either of these tasks is needed. The User must report any damage or loss of the equipment to IT Services or Telephone Services immediately. Stolen equipment must also be immediately reported to Public Safety and an Incident Report filed. Damage or loss caused by neglect or carelessness may cause all or a part of the repair or replacement costs to be charged to the User. Saint Mary’s may consider a failure by the User to report loss or damage in a timely fashion as evidence of the User’s responsibility for such loss or damage.

Mobile computing and telecommunications equipment belonging to Saint Mary’s should be used primarily for college-related work. Excessive use for non-College related activities is not appropriate, and, in the case of mobile telephone equipment, the User may be charged for excessive personal calling if so deemed by the User’s supervisor. Mobile computing equipment must be used in compliance with all applicable copyright laws. This means that only properly licensed software may be installed on the equipment. The User will ensure that any licensed software installed on College-owned mobile computing equipment which is not covered by licenses owned by Saint Mary’s, or are open-sourced (free, without restriction), have licenses that permit the installation and use of the software on college-owned equipment. The User will also maintain records of the licenses and purchase information of any such software so that it can be produced if required during a copyright audit. Please refer any questions on this requirement to the IT Services Deputy CTO by calling the ITS Service Desk.

Failure by the User to abide this policy may result in the loss of all User privileges of mobile equipment owned by Saint Mary’s.

3.2.1.2 Guidelines for Protection of Sensitive and Legally Protected Data on Mobile Computing Equipment:

- Legally protected and sensitive data may not be stored on a laptop hard drive or portable digital media in unencrypted form
• Legally protected and sensitive data must be stored on College file servers, and laptop Users should download such data to their computers only on an as needed basis, and remove it from the computer when it is no longer needed.

• Portable media containing legally protected or sensitive data should be stored separately from the laptop, if possible.

• Legally protected and sensitive data must not be stored on personal computers not owned and maintained by the College.

• Users must report the loss or theft of a laptop, tablets, portable digital media or any other device containing legally protected and sensitive information immediately to the Information Security Officer (ISO), Public Safety and to their supervisors or department chairs.

• Laptops, tablets and other portable computing devices must have current and active anti-virus and anti-spyware programs running at all times.

(Adopted 09-07-06 TAC)

3.2.1.3 Management of Information Technology resources
All Saint Mary's owned computing equipment is managed by IT Services. Management includes the installation and maintenance of all application and operating system software. This may include the installation of various software clients that aid in managing Saint Mary's owned computing equipment. No employee is permitted to evade or compromise this management or the capability of management, including the changing of administrative passwords or rights, nor does the granting of administrative rights on any Saint Mary's owned computer to a faculty or staff member confer the right to remove or alter any method of remote or local management by IT Services.
(adopted 03-08-07 TAC)

3.2.1.4 Attachment and Use of personally-owned computing equipment on the Saint Mary’s Network by Faculty, Staff, Authorized Third-Party Users and Guests
All provisions of Section 6.0 (Residential and Wireless Networks – see below) also apply to the use of personally-owned computing equipment attached to any portion of the Saint Mary’s Network by Faculty and Staff members, by authorized Third-party Users, or by guests and visitors to the College. In all cases where licensing agreements prohibit it, Saint Mary’s cannot provide or install software licensed to the College on any non-Saint Mary’s owned computing equipment.
(adopted 03-08-07 TAC)

3.2.2 Students
Saint Mary’s recognizes that access to, and use of, Information Technology resources contributes to an individual’s personal and intellectual development. Therefore, student Users may use Information Technology resources for both academic and personal use. However, in an effort to allocate Information Technology resources fairly, Users engaged in personal activities that place an undue burden on Information Technology resources may be asked to discontinue such use.

3.3 Account
Generally, Users are issued an Account or Accounts at the beginning of his or her relationship with Saint Mary’s to gain access to appropriate Information Technology resources. However, if an individual qualifies for an Account but does not have an Account, one may obtained by contacting the ITS Service Desk.

3.3.1 Passwords
The issuance of a user's password or other means of access to College systems is intended to ensure the appropriate security of College data and information in the systems. It does not guarantee complete privacy for users' personal information or sanction improper use of College equipment, facilities or data.

Saint Mary's may, and from time to time, shall monitor any and all aspects of College systems, including but not limited to logon sessions, E-mail use, Internet use, Intranet use, and other uses of Saint Mary's Information Technology resources to determine if a user is acting in violation of Saint Mary's policies or rules.

In order to protect the security of the College's systems and data, users are required to use strong passwords, and to change them at appropriate intervals. Strong passwords are those which are at least eight characters long, containing both alphanumeric characters and non-alphanumeric characters (e.g. #, %, ^, &, etc.)

Password change is currently required of all Users every 180 days for all systems.

This password policy may be enforced by automated systems that will not allow users to log in without changing their passwords if they have not done so within the stated time intervals.

Approved by TAC Jan 15, 2009

3.4 Adding Computing Systems and Applications
The College seeks to provide necessary resources to meet needs. However, employees and departments seeking to add their own administrative or academic computing systems or applications to Saint Mary's Information Technology resources must obtain the approval of their supervisor (i.e., manager, department chair, or Dean), open a Service Request with IT Services and then meet with IT Services in order to determine whether Information Technology resources exist to meet the need, and that such hardware or applications are technically appropriate and secure, before any such added systems or applications are purchased and/or installed. Such requests may be classified a Project and referred to the TPPC for approval if that is appropriate or required by College policy. Depending upon the cost, scope and degree of wider use by the College community of the proposed additions, funding for such additions may have to be made available from sources outside of the IT Services operating budget, and it is the responsibility of the employee or department requesting such additions to identify the funding source during Project planning with IT Services.

3.4.1 Hardware and Software
IT Services requests that Users refrain from installing/attaching unauthorized (see 3.4 above) hardware and/or software to Information Technology resources. Upon the discovery of unauthorized hardware and/or software, it may be immediately removed from Saint Mary's Information Technology resources by IT Services. Saint Mary's is not responsible for any lost data due to such removal.

3.5 Archiving and Retention
Users' Electronic Information is copied in the normal course of business when Electronic Information is archived. Users of Information Technology resources should be aware that despite the sender and recipient having both discarded their copies of an electronic record, there may be retrievable back-up copies. Systems may be "backed-up" on a routine or occasional basis to protect system reliability and integrity, and to prevent potential loss of data. The back-up process results in the copying of data onto storage media that may be retained for periods of time and in locations unknown to the originator or recipient of Electronic Information. The practice and frequency of back-ups and the retention of back-up copies of Electronic Information vary from system to system.
Users should be aware that, during the performance of their duties, IT Services' staff and other personnel need from time to time to observe certain transactional addressing information to ensure proper functioning of Saint Mary's Information Technology resources, and on these and other occasions may see the contents of Electronic Information.

3.5.1 Back-up of College documents and data
In order for the College to properly protect College business documents and data that reside on the computing devices of employees of the College, employees must store or backup any such business documents and data files in their Saint Mary's Google Drive. This method should be used for the proper and secure retention of electronic business documents and data.

3.6 Maintenance
Any publically posted Electronic Information that contains incorrect or out-date information may be removed until corrected. IT Services will attempt to provide reasonable notice of the removal of Electronic Information, but reserves the right to act without notice if the situation warrants.

4.0 WEB PAGES AND BLOGS

4.1 Introduction and Universal Policy: Applicable to all Web and Blog Pages
Saint Mary's College recognizes the educational value of the exchange of Electronic Information. Saint Mary's web pages and blogs provide the College with the opportunity to share itself, its mission, and its culture over the Internet. Therefore, it supports students, faculty, staff, and other employees in the electronic publication of information and collaborations.

Information posted or made available on Users' personal web or blog pages must be the original work of Users and must not be the intellectual property or copyrighted work of other persons or entities, unless appropriate permission has been obtained by the User.

Web pages that represent official information about the College are clearly different from those pages that are solely intended for the educational and personal use of Users. The College is sensitive to the desire of Users to express their ideas on User Web or Blog pages. Therefore, the College has set forth the following guidelines.

4.2 Saint Mary's Official Web Pages

4.2.1 Purpose
Official College pages communicate with internal as well as broad external audiences, including prospective students, alumni, constituents and the general public. Therefore, the appropriate supervisor (e.g., manager, department chair, or Dean), in collaboration with the Office of College Communications, shall review and approve the content of all official web pages. (Note: the appropriate supervisor for registered student clubs and organizations is the Director of Student Activities and Leadership Programs.) As well as adhering to this Policy, these pages must conform to aesthetic standards (e.g. - font, symbols, and other user interface elements) as well as style guidelines. These standards can be obtained from the Office of College Communications.

4.2.2 Official Content
The official Saint Mary's web pages are official publications of the College. Official pages include content related to academic programs, administrative and student support offices, programs and services, official College programs and intercollegiate athletic teams and activities.
Original text, photographs and graphics appearing on the official pages of Saint Mary's web site are copyrighted by Saint Mary's and may not be reproduced or altered without written permission from Saint Mary's.

4.2.3 Responsibility
The Office of College Communications provides the overall management of the official web pages, operational practices and policies and for the presentation of a consistent image within the College's publication standards. IT Services is responsible for maintenance and administration of web servers, including contract arrangements for cloud provisioning of these services, if employed.

4.3 Departmental and Student Organization Web Pages
Official Departmental and Student Organization web pages provide individual groups within the College an opportunity to share specialized interests and information over Saint Mary's Information Technology resources generally as well as over the Internet. Departments and Student Organization pages that bear official ties to the College must therefore conform to the requirements found in the section (above) pertaining to official web pages. Included in Departmental pages are any pages developed by faculty and staff to support the mission and business of the College.

Each Department or Student Organization with web pages has the responsibility to maintain its own pages by at least an annual review. Each department and Student Organization is responsible for the editorial content of these pages. IT Services provides support to Departments and Student Organizations in the maintenance of their web pages.

4.3.1 Domain Names
All domain names used in support of official College departments, programs or activities must be registered by the College, with the College as the official owner of the name and with IT Services as the Administrative Contact. Such domain names should also be registered with the College's DNS servers as the authoritative DNS servers.

4.4 Personal Home Pages and Blogs
Personal home pages and blogs provide an individual with an opportunity to share personal interests and information to friends, family, and the world at large via the Internet. Personal pages and blogs concentrate primarily on personal information and non-professional interests of a User. Users are afforded extended creative license in structuring personal pages and blogs. However, Saint Mary's expects Users to maintain basic standards of decency, courtesy, civility, and maturity when creating personal pages and blogs using Saint Mary's Information Technology resources, or when posting personal web pages or Blogs. Any User not wishing to comply with this guideline has the option of using a personal Google account or finding an independent Internet service provider to host that User's personal home pages, at the User's own expense.

For system administration and general disclosure purposes, each personal web page should contain contact information for the person responsible for maintenance of the web page. Each page should also contain the date on which it was last updated. This information may be provided as text in the document or as a link. This encourages the page manager to keep it current, thus protecting the viewer from unknowingly reading outdated information.

Saint Mary's accepts no responsibility for the content of personal home pages or blogs. Saint Mary's College does not pre-approve, monitor, or exert editorial control over personal pages or blogs. Nonetheless, personal web sites and blogs must conform to all terms and conditions of this Policy.
Personal pages and blogs should not carry any Saint Mary's logo, the name, or any abbreviation of, Saint Mary's College of California in such a manner as to suggest that the page or blog is affiliated with Saint Mary's in any way. This does not include a factual statement regarding Saint Mary's being the User's place of employ or place of study.

THE PERSONAL HOME PAGES OR BLOGS OF SAINT MARY'S COLLEGE STUDENTS, STAFF AND FACULTY DO NOT IN ANY WAY CONSTITUTE OFFICIAL COLLEGE CONTENT. THE VIEWS AND OPINIONS EXPRESSED IN THE PERSONAL PAGES OR BLOGS ARE STRICTLY THOSE OF THE PAGE AUTHORS, AND COMMENTS ON THE CONTENTS OF THOSE PAGES OR BLOGS SHOULD BE DIRECTED TO THE PAGE OR BLOG AUTHORS.

If activities or content is discovered that may constitute a violation of this Policy or is suspected of violating any law, Saint Mary's shall investigate the situation according to the applicable procedure.

SMC Google Sites are provided for personal web space, and SMC Google Blogger is provided for personal blogs. Both are available to a User through their Saint Mary’s GaelMail account.

5.0 ELECTRONIC MAIL (E-MAIL)

5.1 General Information: Security and Privacy
The nature of E-mail makes it less private than Users may anticipate. For example, E-mail intended for one person sometimes may be widely distributed because of the ease with which recipients can forward it to others. A reply to an electronic mail message posted on an electronic bulletin board or "listserv" intended only for the originator of the message may be distributed to all subscribers to the listserv. Furthermore, even after a user deletes an E-mail record from a computer or an Account, it may persist on backup facilities. Saint Mary's cannot protect Users against such eventualities.

Saint Mary's is not the arbiter of the contents of E-mail. Saint Mary's is not technologically capable of protecting Users from receiving E-mail that the Users may find offensive. Members of the Saint Mary's community are strongly encouraged to use the same personal and professional courtesies and considerations in E-mail as they would in other forms of communication, in addition to abiding by the terms of this Policy.

There is no guarantee that E-mail messages sent through Information Technology resources are in fact sent by the purported sender, since it is relatively straightforward, although a violation of this Policy, for senders to disguise their identity. Furthermore, E-mail that is forwarded could be modified by persons other than the original sender.

College E-mail addresses are owned by Saint Mary's. Electronic mail sent to/from a College email address, whether or not created or stored on Saint Mary's Information Technology resources, may constitute a College record subject to disclosure under certain laws.

Electronic Information, including E-mail, is backed up to assure system integrity, availability and reliability, not to provide for future retrieval, although backing up may at times serve the latter purpose incidentally. Under some circumstances, Saint Mary's could be required to disclose to outside parties certain electronic records, including but not limited to E-mail, web pages, or other electronic data archived by Saint Mary's. Saint Mary's may itself access or disclose User Electronic Information to law-enforcement agencies or other entities, consistent with this Policy and all applicable laws, court orders and rules of evidence requiring such disclosure.

5.2 Representations
E-mail Users shall not give the impression that they are representing, giving opinions, or otherwise making statements on behalf of Saint Mary's or any unit of Saint Mary's unless explicitly authorized (explicitly or implicitly) to do so by authorized and appropriate College authorities. Where appropriate, an explicit disclaimer shall be included unless it is clear from the context that the author is not speaking on behalf of Saint Mary's. An appropriate disclaimer is: "These statements are my own, not those of Saint Mary's College of California, its board of Trustees, or its Regents."

5.3 Lists and Aliases
Saint Mary's maintains e-mail lists and aliases to enhance the facilitation of communication among the Saint Mary's community, as well as with parties outside of the College community. Certain lists are for critical communication and are accessible only by members of the President's Cabinet and certain other emergency managers. Other lists may be created, as necessary, by Users working with their appropriate academic or administrative supervisor and IT Services. Users who participate in e-mail lists are encouraged to exercise good judgment when posting to lists. Users posting to a list are also encouraged to be aware of the intended and expressed purpose of the list, as well as the other members of the list.

6.0 RESIDENTIAL AND WIRELESS NETWORKS

The Residential and Wireless Networks are shared, finite resources installed by the College to promote scholarship and learning for all students. Accidental or intentional disruption of the residential or wireless networks will deprive others of access to this Information Technology resource. Persons attaching computers to the College's residence hall or wireless networks must comply with all other portions of this Policy. Additionally, the residential and wireless networks have the following specific policies:

6.1 Responsibility
Users are responsible for all traffic originating from their machine, regardless of whether or not they generated it on purpose, even if they do not realize that they have violated any specific policies. In most cases, unintentional violations will result in a temporary loss of network access pending the resolution of the problem.

6.2 Identification
All machines connected to the wireless network must be authorized by IT Services before use. This is done by accessing the authentication web page upon opening a web browser and entering the User's Saint Mary's Network Account username and password. Wireless network access is not allowed without this authorization.

6.3 Network Addresses
Network addresses on the residential or wireless networks are assigned by network DHCP servers. All machines connected to the residential or wireless networks must be configured to use DHCP to obtain their IP network address and configuration settings. Static addresses are not allowed. Any machine found with an address not assigned by the residential or wireless networks' DHCP server will be disconnected.

Students and employees outside of authorized IT Services personnel may not register a domain name or alias with an outside provider that points to a machine on Saint Mary's Information Technology resources

6.4 Routers and Servers
No personal routers, servers or wireless access points are permitted to be attached to the SMC residential or wireless networks. Any devices that provide such services will be immediately disconnected from the campus network upon discovery.
Most computer operating systems do not provide routing functionality and are by default safe to attach to the network. Some operating systems, however, do have the ability to provide routing functionality. If a User uses one of these operating systems, the User must make sure that all routing functionality is disabled. These operating systems also frequently provide server functionality by default. Users must make sure that all server services are disabled before attaching such a machine to the residential or wireless networks. Routing and some network services, such as DHCP servers can disrupt the ability of others to use the residential or wireless networks. If routers or servers are found to be operating, they will be immediately disconnected. All types of servers are prohibited, including but not limited to, web servers, FTP servers, IRC/chat servers, streaming audio/video servers, web cameras, DHCP servers, mail servers, anonymous remailers, and proxy and file servers. This includes Windows and MacOS personal file sharing services.

6.5 Network Traffic
Use of any type of "packet sniffing" or other similar program or device by Users is strictly prohibited. Users may run a packet sniffer in non-promiscuous mode (you may sniff your own machine's packets only).

It may not be feasible to provide unlimited connectivity for systems that are not strictly serving the College's missions. Because of this possibility, IT Services may limit network usage of residential systems. This may be implemented through bandwidth caps, restriction or blocking of services, or other means.

6.6 Security
Users are responsible for the security and integrity of their own systems. If a system has been "hacked" or otherwise compromised, IT Services may disconnect it from the network to prevent it from interfering with the proper operation of the network. In such a case, the User is responsible for removing all malware, and the User must present evidence to IT Services that their equipment is clean before the system can be reconnected. Typical acceptable evidence would be a work order from an established repair facility attesting to the work performed by them to remove the malware, and final test results.

6.6.1 Virus Protection
The residential and wireless networks are shared community resources, which means that a computer "virus," "worm" or similar malware can compromise the functioning of the entire network and can infect other computers. Consequently, all computers attached to the residential or wireless networks are required to have an approved "virus protection" program installed, actively running and currently updated to include the most recent virus protection offered by the manufacturer. Additionally, Users' computers connected to the residential or wireless networks must have installed all the operating system "patches" provided by the operating system's software company to fix potential security risks in the operating system. Computers that use obsolete operating systems that are no longer supported by the manufacturer cannot comply with the above requirement and should not be connected to the Saint Mary's network.

6.7 Abuse
Systems found to be running programs that disrupt network services or attack (including Denial of Service attacks) machines on or outside the campus network will be disconnected immediately. Depending upon the situation, disciplinary action may be taken by the College.

6.8 Common Problems: Music files and Software Piracy (warez)
The distribution of copyright protected materials without permission is illegal and is in direct violation of this Policy. Distribution of copyright protected software is similarly prohibited unless the copyright
specifically allows redistribution, such as software covered under a "freeware" type license, such as the GNU general public license, or by express permission of the copyright holder.

7.0 COMPUTER LABORATORIES

The Computer Laboratories maintained by Saint Mary's are resources installed by the College to promote scholarship and learning for all students. Accidental or intentional disruption of Computer Laboratories will deprive others of access to these important Information Technology resources. Any Person using Computer Laboratories must comply with all other portions of this Policy.

Additionally, the following specific policies apply:

7.1 Lab Physical Security
Keys to computer labs are issued for use only by the person to whom they are issued. Keys to computer labs are not to be loaned to anyone. The physical security of computer labs is not to be compromised in any way, including, but not limited to, leaving labs unlocked when not in use, or propping doors open.

7.2 Lab Supervision
Unless otherwise posted, computer laboratories shall not be accessible unless an IT Services authorized lab supervisor (i.e., Student Lab Monitor or Instructor with lab access) is on duty in the laboratory. Users of the computer labs shall obey the instructions of lab supervisors and other College employees. Behavior that is disruptive to other users of the facility is prohibited. Such behavior might include, but is not limited to, eating, drinking, making excessive noise, using aggressive or abusive language, or playing games.

7.3 Lab Software and User Courtesy
Users are responsible for leaving computers and workspace in laboratories clean and ready for the next User. This requires each User to close all open applications, log out of any attached servers, and remove personal items (including portable media and printouts) from the computer and workspace. Use of laboratory computers that are logged in under an Account other than one's own is prohibited.

8.0 PROHIBITED ACTIVITIES

Users are subject to all Federal, State and local laws and Saint Mary's rules and College policies applicable to User conduct, including not only those laws and regulations that are specific to computers and networks but also those that may apply generally to personal conduct. Misuse of computing, networking, or information resources will result in disciplinary action, loss of computing privileges, and/or legal action.

8.1 Abuse of Confidentiality
Users who knowingly and without prior authorization disclose confidential matters as defined in the Saint Mary's of California Institutional Information Security Policy, and/or those who intercept or enter into other College or User communications, whether or not these relate to confidential matters, will be subject to appropriate discipline by the College unless 1) the information was also intended to reach the individual receiving the correspondence, 2) the disclosure is necessary to correct improper message routing or to forward miss-routed communications to their intended recipients, 3) the disclosure is to the recipient's supervisor, or other appropriate authority, and the correspondence reached the recipient because of machine or sender routing error, or 4) the disclosure is to the recipients supervisor, and the correspondence seems to contain evidence of improper use of Information Technology resources, of conduct violating College rule or Policy, or of illegal activity.
8.2 Examples

Examples of misuse and prohibited conduct include, but are not limited to, the activities in the following list. It is against Saint Mary’s Policy to engage in any of these actions:

24. Web pages may not be established on Saint Mary’s servers on behalf of non-Saint Mary's organizations, firms, or individuals.
9.0 ENFORCEMENT

9.1 Revocation of Privilege and Disciplinary Action
Saint Mary’s reserves the right to limit or deny access to its Information Technology resources when any Saint Mary’s policies or any applicable Federal, State, or local laws are violated, or when Saint Mary's receives notice or believes that there is a violation by a User. Saint Mary’s College will investigate violations of this Policy in the same manner as it investigates violations of other Saint Mary’s policies or other disciplinary matters. The particular investigative and disciplinary processes that shall be used will depend upon the status of the User (e.g., student, faculty, staff, or other). A reference to the full description of the applicable process can be found in the appropriate handbook, employment manual, or employment information packet. Third Party Users and other individuals who are subject to this Policy but might not be subject to any other Saint Mary’s policy or disciplinary process (e.g., library patrons and Campus visitors), may lose the privilege to use Saint Mary’s Information Technology resources for violating this Policy.

9.1.1 Minor Violations
In cases of minor violations, IT Services will attempt to contact the User by E-mail, telephone, or in person to explain the violation and to attempt a simple resolution of the issue. Should IT Services be unable to resolve cooperatively such issues, IT Services may take further action as may be necessary to mitigate any potential impairment of other User’s ability to use Saint Mary’s Information Technology resources, including the temporary removal of User’s access to, or electronic information from, Saint Mary’s Information Technology resources.

9.1.2 Major Violations
In cases of major violations, including but not limited to possible violations of law, in addition to invoking any applicable disciplinary process, IT Services will immediately attempt to mitigate any actual or potential impairment of other User’s ability to use Saint Mary’s Information Technology resources, and to mitigate any actual or potential damages that may occur as a result of the violation of Federal, State, or local law. Mitigation efforts may include, but are not limited to, suspension of a User’s access to Saint Mary’s Information Technology resources and the removal of a User’s web page(s) or other electronic information or data stored on Saint Mary’s Information Technology resources. Prior notice of the suspension or take down is not necessary. IT Services will notify the User of the violation and of the mitigation action as soon as is practicable under the circumstances.

9.2 Discovery of Policy Violations Through Routine Maintenance
IT Services staff occasionally, and randomly, examine the routing information of communications and monitor transactions and traffic across Information Technology resources, to evaluate, among other issues, volume of traffic, security breaches and the general use of system resources. Saint Mary’s periodically may view the content of material transported across its networks or posted on Information Technology resources as part of its effort to maintain quality service and reliable delivery of electronic information. IT Services has the authority to immediately exclude a User from any Information Technology Resource where IT Services has a reason to believe that a User presently poses or may pose harm to the system or its information and/or data, or where IT Services discovers, inadvertently through its routine maintenance activities, possible violations of law or policy.

9.3 Reporting
If a User suspects that a particular behavior is in violation of this Policy, he or she should contact the ITS Service Desk. Saint Mary’s does not expressly monitor the content of User web pages and other electronic information, including but not limited to E-mail, for the purpose of enforcement of this Policy. However, Saint Mary’s will take appropriate action should it become aware of any suspected policy violations (See section 9.2 above).
Since it is impossible for Saint Mary's to anticipate and thus give examples of every possible violation of this Policy, other applicable policies, or law, it is incumbent upon each User to consider the consequences of his/her own actions. To the extent that a violation of this Policy is also a violation of any Federal, State, or local law, Saint Mary's shall assist and encourage full enforcement of such laws by the appropriate public entity.

9.4 Violations of Law
In addition to Saint Mary's disciplinary procedures, a User may face other serious consequences imposed by public authorities. Violations of law, if brought to Saint Mary's attention, may result in the temporary or permanent termination of User's access to Information Technology resources, and the User shall be referred to the appropriate party for disciplinary action.

In cases of alleged copyright infringement, Saint Mary's will comply with the Digital Millennium Copyright Act (the "DMCA"). In accordance with the DMCA, at 17 U.S.C. § 512 (a), et seq., upon receipt of proper notification by a copyright owner of an alleged copyright infringement, Saint Mary's will expeditiously take all appropriate and required actions, including but not limited to, the removal or disabling of access to the allegedly infringing material.

Policy last revised Spring 2014

Title IX: Prohibiting Gender-Based Discrimination

Policy Prohibiting Discrimination, Harassment (Including Sexual Harassment and Sexual Violence)
Saint Mary's College of California is committed to creating and maintaining a community in which all persons who participate in Saint Mary's programs and activities can work and learn together in an atmosphere free of all forms of discrimination, exploitation, intimidation, or harassment, including sexual, based on a legally protected characteristic or status. Every member of the Saint Mary's community should be aware that Saint Mary's will not tolerate harassment or discrimination on the basis of race, color, religion, national origin, ancestry, age, gender, sexual orientation, marital status, medical condition, or physical or mental disability, gender stereotyping, taking a protected leave (e.g. family medical or pregnancy leave) or on any other basis protected by applicable laws. Such behavior is prohibited both by law and by Saint Mary's policy. It is Saint Mary's intention to take whatever action may be needed to prevent, correct, and if necessary, discipline behavior which violates this policy, which may include suspension, termination, expulsion, or another sanction appropriate to the circumstances and violation. All members of the Saint Mary's community, including faculty, students, and staff are responsible for maintaining an environment that is free of sexual harassment (including sexual violence) and other forms of discrimination, harassment and retaliation as described in this Policy.

Title IX prohibits discrimination on the basis of sex in any federally funded education program or activity. The U.S. Department of Education Office For Civil Rights provides guidelines to ensure that schools take effective steps to respond to sexual harassment and sexual violence in accordance with the requirements of Title IX.

Definition of Sexual Harassment

Sexual harassment is a form of sex discrimination, which is illegal under both federal and state laws. It can be verbal, visual, or physical. Although what constitutes sexual harassment will vary with the particular circumstances, it is defined as follows: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

Submission to such conduct is made either explicitly or implicitly a term or condition of instruction, employment, or participation in a College activity; or Submission to or rejection of such conduct by an individual is used as a basis for evaluation in making academic or personnel decisions affecting that individual; or Such conduct has the effect of unreasonably interfering with an individual’s performance or creating an intimidating, hostile, or abusive working or learning environment.

Sexual harassment does not include verbal expression or written material that is relevant and appropriately related to course subject matter or curriculum, and nothing in this policy is intended to interfere with Saint Mary’s educational mission or academic freedom, e.g., the ability of a teacher or student to examine examples of harassment appropriate to a particular subject. A determination of whether particular conduct creates an intimidating hostile or abusive work or learning environment is assessed from the point of view of a reasonable person in the complainant's position. Such a determination also takes into account the totality of the circumstances, including, but not limited to, the following:

- The frequency of the offensive conduct
- Its seriousness
- Whether it is physically threatening or humiliating
- The location of the conduct and the context in which it occurred
- The degree to which the conduct affected the education or employment environment; and
- The relationship between the parties.

Examples of Conduct Which May Be Sexual Harassment

Examples of verbal, physical or visual conduct which may be sexual harassment include, but are not limited to:

- direct propositions of a sexual nature;
- sexual innuendoes and other seductive behavior, including subtle pressure for sexual activity such as repeated, unwanted requests for dates, and repeated inappropriate personal comments, staring, or touching;
- direct or implied threats that submission to sexual advances will be a condition of employment, promotion, grades, etc;
- conduct (not legitimately related to the subject matter of a course or curriculum, if one is involved) that has the effect of discomforting, humiliating or both, and that includes one or more of the following:
  - comments of a sexual nature, including sexually explicit statements, questions, jokes, anecdotes, or graphic material (e.g., visuals, such as screen savers, which are sexually explicit);
  - unnecessary or unwanted touching, patting, massaging, hugging or brushing against a person’s body or other conduct of a physical nature;
  - remarks of a sexual nature about a person’s clothing or body;
– insulting sounds or gestures, whistles, or catcalls;
– invading someone’s personal space or blocking her/his path;
– unwelcome and inappropriate letters, telephone calls, electronic mail, or other communications;
– displaying sexually suggestive objects, pictures, cartoons or posters (e.g. screen savers);
– stalking (which is also criminal behavior);
– sexual assault (which is also criminal behavior);
– a consensual romantic or sexual relationship which:
  • causes adverse treatment of third parties; or
  • creates a hostile or intimidating working or learning environment for third parties;

Some conduct that may appear to be consensual may also be unacceptable.

Sex/gender based discrimination, which may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on a person’s gender or gender-based characteristics, but not involving conduct of a sexual nature (e.g., the repeated sabotaging of female students' laboratory experiments by male students in the class), may be a form of sex discrimination prohibited by law. While sex/gender-based discrimination may be distinguished from sexual harassment, acts of sex/gender-based discrimination may contribute to the creation of a hostile work or academic environment. Thus, a determination of whether a hostile environment due to sexual harassment exists may take into account acts of sex/gender-based discrimination.

Not all sexual harassment occurs between persons of differing power. Sexual harassment may also occur between peers. In addition, while the majority of reported cases of sexual harassment involve a male harassing a female, sexual harassment may also involve a female harassing a male, or an individual harassing a person of the same gender.

NOTE: Nothing in Saint Mary’s policy prohibiting sexual harassment should be construed to prevent employees from rigorously challenging fundamental beliefs held by students and society. However, employees may not interject into the academic setting sexual material that is unrelated to any legitimate educational objective or allow the educational setting to be so sexually charged that Saint Mary’s students are prevented from effectively participating in the academic environment.

Abusive Conduct Policy
This policy is intended to address conduct toward another student and/or faculty or staff that has the observable effect of unreasonably interfering with that individual’s ability to work or to participate in the educational benefits at the College. Specifically, abusive conduct is conduct that has the observable effect of demeaning, ridiculing, insulting, stigmatizing, frightening, intimidating, or unreasonably impeding the work, participation in the educational benefits at the College, or movement of a person including visitors to the College or guests of students, to whom such conduct is directed. Abusive conduct may be either oral or written (including but not limited to text messages or posted electronically on social media, blogs, or emails) words or symbols, including, but not limited to epithets, insults, derogatory comments, posters, cartoons or other drawings. Abusive conduct may also include, but is not limited to physical touching, impeding or blocking movement, or any inappropriate and serious physical and mental interference with routine work or movement while engaged in College-sponsored activities and/or at work. While this policy is not intended to cover conduct that, if found to occur, would violate Saint Mary’s Policy Prohibiting Discrimination, Harassment, including Sexual, and Retaliation Policy, the College, in its sole discretion, may choose to respond to reports of such conduct in a manner consistent with that policy.
Domestic Violence
Domestic violence can be defined as a pattern of abusive behavior that is used by an intimate partner to gain or maintain power and control over the other intimate partner. Domestic violence can be physical, sexual, emotional, economic, or psychological actions or threats of actions that influence another person. This includes any behaviors that intimidate, manipulate, humiliate, isolate, frighten, terrorize, coerce, threaten, blame, hurt, injure, or wound someone.

The College insists that all members of its community shall be able to pursue their interests free from violence. To report conduct that an individual believes is a violation of this Policy when the person engaging in the conduct is a student, students should report to Evette Castillo Clark, Dean of Students and Title IX Deputy, ecc4@stmarys-ca.edu, (925)631-8510

Dating violence
Dating violence is defined as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:
- The length of the relationship
- The type of relationship
- The frequency of interaction between the persons involved in the relationship

Someone may be in an emotionally abusive relationship if their partner:
- Calls them names, insults them or continually criticizes them.
- Does not trust them and acts jealous or possessive.
- Tries to isolate them from family or friends.
- Monitors where they go, who they call and who they spend time with.
- Does not want them to work.
- Controls finances or refuses to share money.
- Punishes them by withholding affection.
- Expects them to ask permission to spend time with friends, spend money, wear certain clothes or make up, etc.
- Threatens to hurt them, their friends, family or pets.
- Humiliates them in any way.

Someone may be in a physically abusive relationship if their partner has ever:
- Damaged property when angry (thrown objects, punched walls, kicked doors, etc.).
- Pushed, slapped, bitten, kicked or choked them.
- Abandoned them in a dangerous or unfamiliar place.
- Scared them by driving recklessly.
- Used a weapon to threaten or hurt them.
- Forced them to leave their home.
- Trapped them in their home or kept them from leaving.
- Prevented them from calling police or seeking medical attention.
- Used physical force in sexual situations.

Someone may be in a sexually abusive relationship if their partner:
- Views women as objects and believes in rigid gender roles.
- Accuses them of cheating or is often jealous of their outside relationships.
- Wants them to dress in a sexual way.
- Insults them in sexual ways or calls them sexual names.
- Has ever forced or manipulated them into to having sex or performing sexual acts.
- Held them down during sex.
- Demanded sex when they were sick, tired or after beating them.
• Hurt them with weapons or objects during sex.
• Involved other people in sexual activities with them.
• Ignored their feelings regarding sex.

The College insists that all members of its community shall be able to pursue their interests free from violence. To report conduct that an individual believes is a violation of this Policy when the person engaging in the conduct is a student, students should report to Evette Castillo Clark, Dean of Students and Title IX Deputy, ecc4@stmarys-ca.edu.

Stalking
Saint Mary’s College is committed to providing a campus atmosphere free of violence for all members of the campus community. For this reason, Saint Mary’s does not tolerate stalking and insists that all members of the community be able to pursue their interests free from stalking. Saint Mary’s is also committed to supporting victims of stalking through the appropriate provision of safety and support services.

Stalking is a course of conduct directed at a specific person that would cause a reasonable person to feel fear. A course of conduct is a pattern of behavior composed of two or more acts over any period of time. Stalking happens to anyone of any race, age, sexual orientation, religion or gender and can affect every aspect of a victim’s life. Stalking is a crime in California and is subject to criminal prosecution.

Someone may be a victim of stalking through:
• Non-consensual communication including in-person communication, telephone calls, voice messages, text messages, email messages, social networking site postings, instant messages, postings of pictures or information on Web sites, written letters, gifts, or any other communications that are undesired and/or place another person in fear
• Following, pursuing, waiting, or showing up uninvited at a workplace, place of residence, classroom, or other locations frequented by a victim
• Surveillance and other types of observation, whether by physical proximity or electronic means
• Trespassing
• Vandalism
• Non-consensual touching
• Direct physical and/or verbal threats against a victim or a victim’s loved ones
• Gathering of information about a victim from family, friends, co-workers, and/or classmates
• Manipulative and controlling behaviors such as threats to harm oneself, or threats to harm someone close to the victim
• Defamation or slander against the victim

Saint Mary’s College encourages reporting of all incidents of stalking to law enforcement authorities, and respects that whether or not to report to the police is a decision that the victim needs to make. Resources are available at the College to inform victims of the reporting procedures and offer appropriate referrals. The College offers services to victims even if they choose not to report the incidents. In certain instances, the College may need to report an incident to law enforcement authorities. Such circumstances include any incidents that warrant the undertaking of additional safety and security measures for the protection of the victim and the campus community or other situations in which there is clear and imminent danger, and when a weapon may be involved. Personal safety concerns are often very important for stalking victims. Crisis intervention and victim safety concerns will take precedence.

Dating violence, domestic violence, and stalking can happen to anyone of any race, age, sexual orientation, religion or gender and can affect people of all socioeconomic backgrounds and education levels. To report conduct that an individual believes is a violation of this Policy when the person engaging in the
conduct is a student, students shall report to Evette Castillo Clark, Dean of Students and Title IX Deputy, ecc4@stmarys-ca.edu or 925-631-4238. There are many resources available on campus to assist students who have experienced or are currently experiencing dating violence, domestic violence, or stalking. Students may contact the Coordinator of Sexual Assault Awareness, Outreach, and Education at 925-531-4193 to receive support, advocacy, and assistance with navigating the reporting process. Students may also access the College's anonymous Campus Assault Resource and Empowerment (CARE) hotline 24-hours a day, seven days a week during the academic year by calling 925-878-9207 for support and information about all available reporting options. They may also contact Counseling and Psychological Services at 925-631-4364 for ongoing, confidential therapy. For additional resources, see the Sexual Assault and Sexual Misconduct Policy.

**Reporting Procedures and Resources for Addressing Complaints of Discrimination and Harassment, (including Sexual Harassment and Sexual Violence) and Retaliation**

Saint Mary's has in place internal procedures to investigate and address complaints of discrimination, harassment (including sexual) and retaliation as described in this Policy. These procedures are intended to assure fairness and to maintain confidentiality in the process of responding to complaints. Complaints of discrimination and harassment, based on the protected characteristics listed above, including sexual harassment, that involve conduct of staff, faculty or visitors to the College (e.g. contractors, vendors, volunteers or non-student guests) should be reported promptly to the Assistant Vice President of Human Resources (Title IX Coordinator) at 925-631-4212 or to any manager or supervisor. Reports involving conduct of students or student visitors should be brought promptly to the Dean of Students (Title IX Deputy) at 925-631-4238 in addition to or instead of the Assistant Vice President of Human Resources (Title IX Coordinator).

All members of the College community are encouraged to report if they observe or encounter conduct that may be subject to the College’s Policy Prohibiting Discrimination, Harassment and Retaliation. All members must cooperate fully with the Title IX Coordinator and Title IX Deputy in the fulfillment of her/his responsibilities.

Reports shall be brought as soon as possible after the alleged conduct occurs. Prompt reporting will enable the College to investigate the facts, determine the issues, and provide an appropriate remedy or disciplinary action. The College shall respond to reports of sexual harassment brought after one year to the greatest extent possible, taking into account the amount of time that has passed since the alleged conduct occurred. Once reported, the Assistant Vice President of Human Resources as Title IX Coordinator and/or his/her designees will provide prompt and equitable resolution.

In addition, individuals who believe they have experienced discrimination, harassment, including sexual harassment or sexual assault, based on the protected characteristics listed above and/or retaliation are also free to contact the Equal Employment Opportunity Commission, the California Department of Fair Employment and Housing and/or US Department of Education’s Office of Civil Rights to pursue external legal remedies.

For information about employee sanctions and non-discrimination seminars, please review the Staff Handbook or contact Human Resources.

**Retaliation and/or Violation of Interim Protections**

Threats or other forms of intimidation and/or retaliation against a student or employee for bringing a complaint of any alleged discrimination, harassment (including sexual) or of any other violations of College policies, including but not limited to the Student Code of Conduct, are prohibited. This prohibition includes threats or other forms of intimidation and/or retaliation against the family or friends of a student or employee who brings a complaint under this policy, or those who assist a student or employee in bringing a complaint, or those who participate in an investigation and/or student discipline process for
an alleged violation of the Student Code or other College policy.

Retaliation is a violation of College policy and may also be a violation of the law. An allegation of retaliation constitutes an independent basis for investigation and imposition of sanctions on the retaliating student or employee if determined to have occurred. All incidents that are believed to constitute retaliation should be reported immediately to Evette Castillo Clark, Ed.D., Dean of Students (Title IX Deputy), ecc4@stmarys-ca.edu at 925-631-4238 when the individual alleged to have engaged in retaliation is a student or student visitor or to Eduardo Salaz, Associate Vice President of Human Resources (Title IX Coordinator), els3@stmarys-ca.edu at 925-631-4212 when the individual alleged to have engaged in retaliation is an employee (faculty and staff) or visitor to the College (e.g., contractors, vendors, or non-student guests). The reporting procedures described below also apply to allegations of retaliation. Interim protections mean steps the College takes to reasonably protect employees and students during an investigation and/or student discipline process.

**Sexual Assault and Sexual Misconduct Policy**

Sexual assault, sexual misconduct and "having consensual sex" are not the same. Anyone can be a victim of sexual assault or sexual misconduct – women, men, and children. Respondents of sexual assault and sexual misconduct can be anyone: a stranger, someone you have known for a long time or someone you have just met.

Saint Mary’s College of California insists that all members of its community shall be able to pursue their interests free from sexual assault, sexual misconduct and other forms of sexual harassment. This Policy pertains to incidents of sexual assault and sexual misconduct between students or where the alleged perpetrator is a student. To report conduct that an individual believes is a violation of this Policy when the person engaging in the conduct is a student, contact the Dean of Students (Title IX Deputy) at 925-631-4238. To report a violation of this Policy when person engaging in the conduct is a faculty or staff member, contact the Associate Vice President of Human Resources (Title IX Coordinator) at 925-631-4212.

For information regarding reporting other forms of sexual harassment, see the Policy Prohibiting Discrimination, Harassment, including Sexual, and Retaliation.

For information regarding domestic violence, dating violence, and stalking, please refer to the Abusive Conduct Policy found in this Title IX Section Undergraduate Student Handbook.

**Definitions of Prohibited Conduct**

**Sexual Assault** is defined as engaging in sexual intercourse with any person without that person’s consent. Sexual intercourse is the penetration, however slight, of the vagina, or anus with any object or body part and of the mouth with a sexual body part or sexual object. Students found responsible for violating the sexual assault section of this Policy will be expelled.

**Sexual Misconduct** is defined as the act of making sexual contact with the intimate body part of another person without that person’s consent. Intimate body parts include the sexual organs, the anus, the groin, buttocks, or breasts of any person. Students found responsible for violating the sexual misconduct section of this Policy will be suspended for a minimum of one (1) year and will be required to complete an educational sanction assigned by a Disciplinary Hearing Board.

**Consent** is defined as unambiguous and willing participation or cooperation in act or attitude that is commonly understood to be consistent with the exercise of free will. Consent requires participants who are fully conscious, are equally free to act, have clearly communicated their willingness, cooperation, or permission to participate in a specific sexual activity, are positive and clear in their desires, and are able
to cease ongoing consensual activity at any time. If you have sexual activity with someone you know to be- or should know to be – mentally or physically incapacitated (by alcohol or other drug use, unconsciousness or blackout), you are in violation of this policy. Incapacitation is a state where one cannot make a rational, reasonable decision because they lack the ability to understand the who, what, where, why or how of their sexual interaction. Refusal to consent does not have to be verbal; it can be expressed with gestures, body language or attitude. A prior sexual history between the complainant and respondent does not constitute consent.

Consent is not freely given if:

1. It is obtained through the use of force, through the fear of or the threat of force, intimidation, coercion, or by kidnap; or
2. A reasonable person in the position of the alleged respondent at the time the alleged conduct occurred should have known that the other person was unable to give consent for any of the following reasons:
   a. The individual is unable to make an informed decision as a result of alcohol or other drugs (including but not limited to predatory drugs or prescribed medications); or
   b. The individual is unconscious, asleep, or suffering from shock; or
   c. The individual is under the age of eighteen and therefore legally unable to give consent; or
   d. The individual has a known mental disorder or developmental or physical disability, and therefore legally unable to give consent.
3. The individual has acted or spoken in a manner which expresses he or she refuses to give consent.

The foregoing description is what it means to have obtained affirmative consent.

**College and Community Resources**

The following resources are available to students and other members of the Saint Mary's community for information and support concerning sexual assault and sexual misconduct:

**SMC Campus Assault Resources and Empowerment (CARE) Line • 925-878-9207**

The College's CARE Line is available to support students who have been affected by sexual assault, stalking, dating violence, or domestic violence. Students may access the line 24-hours a day, seven days a week during the academic year by calling or texting 925-878-9207. Students can utilize the line anonymously in order to gather resources, learn their options for accessing medical and emotional care and to receive critical, time sensitive information about how to report their case on and off campus. Members of the CARE Line are trained to assist students by providing information and discussing available resources and options (medical, legal, emotional, and academic), by making referrals and providing access to appropriate College and community services as needed. Members of the CARE LINE do not act as counselors.

Students who believe they have experienced a violation of the Sexual Assault and Sexual Misconduct Policy or of the sexual harassment provisions of the Policy Prohibiting, and Procedures for Reporting, Discrimination, Harassment, including Sexual, and Retaliation may choose to contact the CARE Line for assistance.

When an individual contacts the CARE Line, no college discipline action will take place unless the individual chooses to give her or his name and the details surrounding the incident. Any reports that include a victim's name or alleged perpetrator's name will be considered formal reports and will initiate college action. In order to ensure that students have as many options as possible when utilizing the line, students who are unsure if they would like to move forward with an on-campus Disciplinary Hearing Board case are encouraged not to reveal their names.
Confidential Resources at Saint Mary’s

If a student is seeking more personal, confidential support from the College rather than the anonymous support that the CARE line offers, they may contact the Coordinator of Sexual Assault Awareness, Outreach and Education (925-631-4193), a certified sexual assault counselor as defined by California Evidence Code Section 1035 et. Seq, and who can therefore offer confidentiality to the student. This will give the student time to seek out support and learn their options regarding reporting both on and off campus, without initiating a college disciplinary response. The confidentiality offered through this resource applies only to the student’s communications with the sexual assault counselor and does not preclude the College from fulfilling its obligations to investigate incidents of assault based on information obtained from other sources. It will be important for the student to understand that if the College obtains information through other sources (e.g., roommates, witnesses, parents, RAs, friends or others), the College is obligated to act on that information, which may lead to the initiation of a disciplinary hearing or other administrative action.

Additionally, the counselors at Counseling and Psychological Services (925-631-4364) can offer students, as clients, confidentiality and the information and options available to them. Finally, under the protection of the priest-penitent privilege, one of the Saint Mary’s priests would be able to offer students confidentiality and as well as to provide information and resources available here at Saint Mary’s.

Reporting
If a student believes he or she has experienced conduct that is a violation of the Sexual Assault and Sexual Misconduct Policy, there are several reporting options available. Students may contact the CARE Line for information about all available reporting options by calling 925-878-9207. To report other forms of sexual harassment see the Policy Prohibiting Discrimination, Harassment, including Sexual, and Retaliation.

To the College
Individuals are strongly encouraged to report conduct that they believe may constitute sexual assault or sexual misconduct to the College and the police. All reports of alleged conduct will be investigated and appropriate disciplinary action will be taken regardless of a police report been filed. The College will evaluate all reports of conduct that might constitute sexual assault and sexual misconduct and, when appropriate, will take disciplinary action in accordance with the student discipline process set forth in this Policy. All complaints must be made prior to the actual physical receipt by the respondent of the terminal degree from the College. Reports of conduct can also be made directly to the Office of Public Safety or the Dean of Students (Title IX Deputy), or designee. If the person engaging in the alleged conduct is an employee, reports should be made directly to the Assistant Vice President of Human Resources, the Title IX Coordinator.

To the Police
Individuals are strongly encouraged to report all conduct they believe to constitute sexual assault or sexual misconduct to the police; however, it is the individual’s decision whether or not to file a police report. If the individual wishes, the College will provide assistance in contacting the police and accompanying her/him to the hospital and/or police station. Individuals involved in the report of conduct will have access to support and referral services on-campus regardless of whether or not a report of the conduct is made to the police. Individuals are strongly encouraged to have both a medical exam to ensure their well-being AND a forensic medical exam in order to gather forensic evidence. Forensic medical exams are available at Contra Costa County Regional Medical Center in Martinez.

Sexual Assault and Sexual Misconduct Educational and Prevention Activities
The Saint Mary’s College community is committed to providing broad-based educational programs to help prevent sexual assault, sexual misconduct, dating violence, domestic violence, and stalking and to create a consciousness and an awareness about gender issues from an interdisciplinary, multicultural perspective. Some of the educational and prevention efforts provided by the College include:
1. Sexual assault awareness efforts led by the Women’s Resource Center are carried out throughout the academic year. These efforts address risks, statistics, safety, consent, coercion, and on and off campus resources through educational programs, classroom and residence hall presentations, bulletin board displays, and brochures and posters that are made available throughout the campus.
2. The Women’s Resource Center provides ongoing programming to raise awareness about sexual assault, gender violence and systematic oppression through programs such as: Gray Zones, V-Day: Until the Violence Ends, Denim Day, The Clothesline Project, and Take Back the Night.
3. Programs addressing sexual assault, gender violence, and gender socialization are offered as a regular component of weekend of welcome and the First Year Experience.
Risk Reduction Tips
If you find yourself in an uncomfortable sexual situation, these suggestions may help you to reduce your risk:

1. If you have limits, do your best to make them known before things go too far.
2. Tell a sexual aggressor “NO” clearly and loudly
3. Try to extricate yourself from the physical presence of a sexual aggressor.
4. Grab someone nearby and ask for help.
5. Realize that alcohol/drugs lower your sexual inhibitions and may make you vulnerable to someone who views a drunk or high person as a sexual opportunity.
6. Watch out for your friends and ask that they watch out for you. Make a plan about how you’re all going to get home safely and never leave anyone behind.

If you find yourself in the position of being the initiator of sexual behavior, you owe sexual respect to your potential partner. These suggestions may help you to reduce your risk for being accused of sexual misconduct:

1. DON’T MAKE ASSUMPTIONS. About consent. About someone’s sexual availability. About whether they are attracted to you. About how far you can go. About whether they are physically and mentally able to consent to you.
2. Clearly communicate your intentions to your sexual partner and give them a chance to clearly relate their intentions to you.
3. Mixed messages from your partner should be a clear indication that you should step back, defuse the sexual tension, and communicate better. Perhaps you are misreading them. Perhaps they haven’t figured out how far they want to go with you yet. You need to respect the timeline with which they are comfortable.
4. Don’t take advantage of someone’s drunkenness or drugged state, even if they did it to themselves.
5. Realize that your potential partner could be intimidated by you, or fearful. You may have a power advantage simply because of your gender or size. Don’t abuse that power.
6. Understand that consent to some forms of sexual behavior does not necessarily imply consent to other forms of sexual behavior.
7. On this campus, silence and passivity cannot be interpreted by you as an indication of consent. Read your potential partner carefully, paying attention to verbal and non-verbal communication and body language.

Discipline Process
The discipline process described here applies to alleged violations of this Policy and the sexual harassment provisions of the Policy Prohibiting Discrimination, Harassment, including Sexual, and Retaliation (for all other alleged violations of the Code or other College policy, refer to the Hearing Process defined in the Rights and Responsibilities section of this handbook). Upon receipt of a report or of conduct, whether oral or written, of an alleged violation, the Dean of Students, or designee, will begin a preliminary investigation and determine if there is enough information to merit a disciplinary hearing regarding the allegation. The Dean of Students, or designee, will meet with the complainant and the respondent separately to explain the student discipline process and obtain from each a written statement and list of witnesses, if any, who have information pertinent to the incident.

After meeting with the complainant and respondent, the Dean of Students, or designee, will prepare the case to be heard by a Disciplinary Hearing Board (DHB). The complainant and respondent will generally be given at least twenty-four (24) hour advance notice of the scheduled meeting time for the DHB.
Students are expected to participate in the student discipline process when they are called as a complainant, respondent, or witness to a hearing. Should a student fail to appear for a hearing when proper notification has been given or should the student fail to provide a statement during the hearing, the hearing will proceed without benefit of that student’s input. Meetings with the DHB will be scheduled taking into consideration the student’s regular academic schedule only.

Confidentiality/Privacy
Every reasonable and appropriate effort will be taken by all involved staff to protect the privacy of all individuals involved in a student discipline proceeding, as well as the confidentiality of the details and content of the student discipline process, including, but not limited to the preliminary investigation, DHB hearing, appeal process, and except where permitted by College policy and consistent with applicable law, the sanctions imposed and on whom. However, the College cannot guarantee absolute confidentiality. Students involved in the student discipline process, either directly, or as a witness, are expected to maintain the confidentiality of the process and be mindful of the privacy of others involved.

Truthfulness
All individuals participating in the student discipline process are expected to tell the full and complete truth in all disciplinary matters. In order to ensure this is possible, individuals participating in student discipline hearings regarding an alleged violation of the Sexual Assault and Sexual Misconduct Policy will not be charged and held responsible for minor violations of the Code or other College policy. However, if there is a concern about a student’s safety and/or use of alcohol and other drugs, the College may recommend counseling or other educational resources to the affected student.

Advisors

Both the complainant and the respondent involved in a disciplinary matter alleging a violation of this Policy or the sexual harassment provisions of the Policy Prohibiting Discrimination, Harassment, including Sexual, and Retaliation, have the option of choosing an advisor to accompany them through the process.

Members of the DHB or individuals who will be serving as a witness in the case may not serve as an advisor. The advisor is not an advocate for the student in the proceedings and may not address the DHB or speak on behalf of the student. The advisor may speak with the student privately and in a manner that is not disruptive to the hearing or student discipline process. The respective student’s advisor may be present at any time at which the student they are advising is meeting with the DHB panel or other member of the College staff regarding the disciplinary matter and at which the student wishes for them to be present.

The advisor is obligated to maintain the confidentiality of the nature of the allegation(s), the content of the student discipline process, and the privacy of the complainant, respondent, and any witnesses known to the advisor.

A list of individuals who have volunteered and have been trained to serve as advisors in sexual assault, sexual misconduct and sexual harassment cases is available from the Dean of Students, or designee, to both the complainant and the respondent. Students are not limited to this list and may be accompanied by an advisor of their own choice.

Disciplinary Hearing Board (DHB) Panel

The DHB for sexual assault, sexual misconduct, sexual harassment, dating violence, domestic violence, and stalking cases is comprised of faculty and staff who have been trained to hear these cases. Three (3) members of the DHB pool will generally be called to sit on a DHB, with one member serving as chair.

Members of the DHB pool are appointed by the Dean of Students. The Dean of Students, or designee, serves as the discipline process facilitator for all sexual assault, sexual misconduct and sexual harassment
cases and is present during the hearing. The facilitator’s role is to assist the chair and to ensure compliance with the process and procedures outlined below.

It is expected that DHB panel members will exhibit the highest ethical standards and disqualify themselves if they believe they cannot be impartial or fulfill their obligation to maintain the confidentiality of the process and the dignity and privacy of the respondent, the complainant, and any witnesses before, during, and after the disciplinary hearing. Both the respondent and complainant may raise issues of concern about the impartiality of a member of the DHB panel convened for a particular case. The Dean of Students has the sole discretion to decide whether a DHB panel member can be impartial and will remove anyone whom he/she determines is unable to be impartial and/or respectful of the confidentiality of the process and privacy of the individuals involved.

Outline of Hearing
1. DHB panel proceedings are closed to all parties except the individual student(s), the DHB panel, the facilitator, witnesses, and the respective students’ advisor(s).
2. The facilitator will convene the DHB panel.
3. The facilitator will introduce the DHB panel to the complainant and explain the process.
4. The complainant will be asked to submit a written statement or make an oral statement to the DHB panel. Upon completion of the statement, the complainant will answer questions from the DHB panel. The complainant will be excused until the DHB panel recalls him/her for further questions.
5. The facilitator will invite the respondent into the hearing and will introduce the DHB panel to the respondent and explain the process. The facilitator will read to the respondent the complaint (including material information supporting it, e.g. time, place and specific conduct alleged), the College Policy that the conduct, if found to have occurred, would violate and the complainant’s statement.
6. The respondent will be asked to submit a written statement or make an oral statement. Upon completion of the statement, the respondent will answer questions from the DHB panel. The respondent will be excused until the DHB panel recalls him/her for further questions.
7. The facilitator will recall the complainant. The facilitator will read the respondent’s statement to the complainant. The complainant will be given the opportunity to respond to the respondent’s statement at this session or he/she may request a subsequent session of the DHB panel to prepare a response.
   a. If the complainant determines that a subsequent session of the DHB panel is not required, the complainant will respond to the statement and answer questions from the DHB panel.
   b. If the complainant determines that a subsequent session of the DHB panel is required, the complainant will answer questions from the DHB panel and upon completion of these questions, will be excused until the DHB panel recalls him/her for the subsequent session.
8. The facilitator will recall the respondent. The facilitator will read the complainant’s statement, if any, to the respondent. The respondent will be given the opportunity to respond to this statement at this session or the respondent may request a subsequent session of the DHB panel to prepare a response.
   a. If the respondent determines that a subsequent session of the DHB panel is not required, the respondent will respond to the statement and answer questions from the DHB panel.
   b. If the respondent determines that a subsequent session of the DHB panel is required, the respondent will answer questions from the DHB panel and upon completion of these questions, will be excused until the DHB panel recalls him/her for the subsequent session.
9. Any witnesses may individually be asked to make a statement and respond to questions from the DHB panel.
10. All participants (complainant, respondent, and any witnesses) must be available for recall by the DHB panel for additional questioning until the chair excuses them.
11. The facilitator will ask the respondent to make a closing statement to the DHB panel. The respondent is then excused from the proceedings.
12. The facilitator will ask the complainant to make a closing statement to the DHB panel. The
complainant is then excused from the proceedings.
13. The DHB panel will deliberate in private and based on the investigation and interviews will determine
an appropriate finding:
a. Using a preponderance of the evidence standard, it is more likely than not that the alleged
contact did occur but the respondent is not responsible for a violation of the Code or College
policy; or
b. Using a preponderance of the evidence standard, it is more likely than not that the alleged
conduct did not occur and the respondent is not responsible for a violation of the Code or College
policy; or

c. Using a preponderance of the evidence standard, it is more likely than not that the alleged
conduct occurred and the respondent is responsible for a violation of the Code or College policy
and imposes appropriate sanctions.
14. The facilitator will notify the Dean of Students, or designee, of the hearing’s outcome within twenty-
four (24) hours of its completion. The Dean of Students, or designee, will communicate the finding of
the DHB panel to the respondent and the complainant in writing generally within seven (7) business
days. Unavoidable delay in providing notice of outcome shall not constitute an appealable procedural
error.

Sanctions
The College has established minimum sanctions for violations of the Sexual Assault and Sexual
Misconduct Policy. The conduct prohibited by this Policy is described in the Definitions of Prohibited
Behaviors section of this Policy. A more severe, but not less than the minimum, sanction(s) may be
imposed by the DHB depending on the circumstances of a particular case. Any one or more of the
sanctions (in excess of the minimum required sanctions) may be assessed to a student found responsible
for violating the sexual harassment provisions of the Policy Prohibiting Discrimination, Harassment,
including Sexual, and Retaliation.

Appeal Process
This process applies to an appeal of sanctions received from a violation of Sexual Assault and Sexual
Misconduct Policy only. For appeal of sanctions received from a violation of the sexual harassment
provisions of the Policy Prohibiting Discrimination, Harassment, including Sexual, and Retaliation, refer to
Section F (Appeals) as defined in the Student Conduct Code and Procedures section of this Handbook.
Both the complainant and the respondent may participate in the appeal process in student discipline
cases for violations of the Sexual Assault and Sexual Misconduct Policy.

The decision of the Disciplinary Hearing Board regarding responsibility may be appealed by the
respondent and/or the complainant within five (5) business days of the decision. The purpose of the
appeal is not to rehear the underlying student discipline case; for example, credibility determinations
made by the DHB will not be revisited or reconsidered. The sole purpose of an appeal is to determine if
there is, in the first instance, sufficient information based on the written record before the Appeal Board
to establish its jurisdiction to consider and decide the appeal and, if so, thereafter, to determine whether
the information submitted by the student appealing states sufficient grounds (see below) to grant the
appeal and take any of the actions described below.

Only one request for an appeal may be submitted by either the complainant and/or the respondent. The
appeal may only be submitted by the student and shall consist of:
1. A completed Appeal Request Form (available in the Office of the Dean of Students and the Office of
   Community Life or on the Community Life website), and
2. A statement outlining and supporting the specific basis on which the student is appealing.
Note: Appeals signed by anyone other than the student appealing, including appeals signed by an advisor, will not be accepted for appeal.

An appeal must be submitted to the Dean of Students and must be based on one or more of the following grounds or it will not be accepted and considered:

1. A process or procedural error was made that was significantly prejudicial to the outcome of the hearing as it affects the student appealing.
2. New information that was not available or known to the student appealing at the time of the hearing has arisen which, when considered, may materially alter the outcome. NOTE: Information that the appealing student chose not to present at the time of the hearing is not considered new information.
3. The severity of the sanction imposed was not appropriate based on the section of the Code or other College policy which the student was found to have violated.

If an appeal is received from either the complainant or the respondent, the Dean of Students, or designee, will notify, in writing, the non-appealing student within five (5) business days of receipt of the appeal that an appeal has been filed and the ground(s) upon which the appeal has been made. Within five (5) business days of such notification, the non-appealing student may submit a written statement to the Dean of Students, or designee, that he/she wishes to be considered by the Appeal Board.

An appeal is heard by an Appeal Board consisting of two (2) members of the DHB who did not serve on the original case and the Dean of Students serving as chair (the Associate Dean of Students will serve as chair if the Dean of Students is not available). The Appeal Board will not meet with the respondent and/or the complainant or rehear the case; it will not, for example, reconsider the DHB’s determinations of credibility. The Appeal Board will consider only the merits of an appeal on the basis of the information provided in the Appeal Request Form, the student’s written statement, the written record of the case, and the student’s entire discipline record. Based on these materials, the Appeal Board will:

1. Reject the appeal if it finds the basis for appeal unsubstantiated; or
2. Reject the appeal if it finds that any procedural errors were minor in nature and would not have altered the outcome of the hearing or the sanctions imposed; or
3. Modify the sanction(s) if they are found to be inappropriate; or
4. Return the case to the DHB for further consideration (which may, but does not, require a rehearing of the entire matter) if a procedural error or new information, as defined above, has arisen. In such cases, the same DHB who originally heard the case shall reconvene as soon as possible. If a member of the original DHB is no longer available, the Dean of Students will select additional DHB member(s) from the DHB pool.
5. Reverse the decision of the DHB or remand the case to a new DHB where substantial procedural error is determined to have unfairly influenced the hearing.

The Appeal Board chair will communicate its decision to the respondent and the complainant in writing once a decision has been reached. The decision of the Appeal Board is final and no further appeals are permitted.

During the consideration of a request for an appeal, sanctions imposed by the DHB shall not be in effect. However the Dean of Students, or designee, may impose conditions or continue existing conditions governing the respondent’s status with the College during the appeal process.

**Whistleblower Policy: Fraudulent or Dishonest Conduct**
Saint Mary’s College of California, reflecting its Lasallian and Catholic values, expects that its faculty, staff and students will act in a manner that is consistent with those values in their use of College resources and property, including but not limited to financial resources of any kind, whether donor
funds, College revenue, endowment income, state or federal grants or other aid (all property and resources are collectively referred herein as “College Resources”).

To protect the integrity of Saint Mary's learning community and to ensure the highest standards of conduct by and among members of that community, the College will investigate any possible fraudulent or dishonest use or misuse of College resources or property by faculty, staff, or students. Anyone found to have engaged in fraudulent or dishonest conduct is subject to disciplinary action by the College up to and including dismissal or expulsion, and civil or criminal prosecution when warranted.

All members of the College community are encouraged to report possible fraudulent or dishonest conduct. An employee should report his or her concerns to a supervisor, department chair or program director. If for any reason an employee finds it difficult to report his or her concern to a supervisor or department or program chair, the employee can report it directly to the area Vice President, Vice Provost or Dean of the employee’s school.

Students should report any concerns to the Director of Community Life. Those receiving reports of suspected fraudulent or dishonest conduct involving employees are required to report such conduct to the Assistant Vice President of Human Resources; in the case of students, those receiving such reports (e.g., the Director of Community Life or Dean of Students) are required to report such conduct to the Vice Provost for Student Life.

Definitions
Whistleblower: An employee or student who informs one or more of the individuals identified in the policy statement above about an activity that the employee or student believes to be fraudulent or dishonest.

Baseless Allegations: allegations made with reckless disregard for their truth or falsity. Individuals making such allegations may be subject to the appropriate College disciplinary action and/or legal claims by the individuals accused of such conduct.

Fraudulent or Dishonest Conduct: a deliberate act or failure to act with the intention of obtaining an unauthorized benefit. Examples of such conduct include, but are not limited to:
• Forgery or alteration of documents
• Unauthorized alteration or manipulation of computer files
• Fraudulent financial reporting
• Pursuit of a benefit or advantage that would create a conflict of interest with one’s responsibilities or obligations as a member of the College community
• Misappropriation or misuse of College resources, such as funds, supplies, or other assets or property.
• Authorizing or receiving compensation for goods not received or services not performed.
• Authorizing or receiving compensation for hours not worked.

Whistleblower Protections
The College will use best efforts to protect whistleblowers against retaliation, as described below. The College cannot guarantee absolute confidentiality, however, and there is no such thing as an “unofficial,” “informal,” or “off the record” report. The party to whom such conduct is reported, will keep the whistleblower’s identity confidential, unless:
1. the whistleblower(s) agrees to be identified;
2. identification is necessary to allow the College or law enforcement officials to investigate or respond effectively to the report;
3. identification is required by law; or,
4. the individual accused of violations of this policy is entitled to the information as a matter of procedural and/or legal right in disciplinary actions.

College employees and students may not retaliate against a whistleblower with the intent or effect of adversely affecting the terms or conditions of employment or enrollment (including, but not limited to, threats of physical harm, loss of job, punitive work assignments, or impact on salary or wages, or the access to educational benefits).

Whistleblowers who believe they have been retaliated against may file a written complaint with the Assistant Vice President of Human Resources if an employee is involved, or with the Dean of Students if a student is involved. This protection from retaliation is not intended to prohibit the individuals identified above (for receiving such reports of improper conduct) from taking action, including disciplinary action, in the usual scope of their duties and responsibilities that are based on valid employment- or student- related factors.

Whistleblowers must be cautious to avoid baseless allegations (as described earlier in this Policy).

**Whistleblower Procedures**
The Assistant Vice President of Human Resources, or her/his designee, shall conduct or direct the investigations of all suspected fraudulent or dishonest conduct with such College officials as may be necessary or appropriate at the discretion of the Vice President for Finance.

In the case of suspected student conduct reported under this policy, the Dean of Students, or his/her designee, either investigates the suspected conduct or may refer the investigation of such suspected conduct to the College’s Disciplinary Hearing Board (“DHB”), consistent with policies and procedures in place to investigate allegations of violations of student conduct policies.

Cases involving possible violation of criminal law will be investigated in cooperation with the Director of Public Safety or his/her designee.

If the facts reported could be a violation of this policy, the Assistant Vice President of Human Resources or her/his designee or, in the case of students, the Dean of Students, will provide the individual making the accusation with a copy of this policy and review its terms. If the Assistant Vice President of Human Resources or her/his designee or, in the case of students, the Dean of Students, or the DHB, determines that fraudulent or dishonest conduct occurred, the appropriate College disciplinary steps will be invoked consistent with applicable College policies.

If it is determined that a violation of this policy has not occurred, the Assistant Vice President of Human Resources or the Dean of Students will explain to the person who has reported the concern or conduct the reason for the determination and advise the person of other available reporting channels (administrative- to appropriate government agencies, or criminal- to appropriate law enforcement agencies). Consistent with applicable state and federal laws, the College posts in Filippi Hall near the Human Resources Department additional reporting procedures and Whistleblower information for reporting violations of state or federal statutes or regulations to applicable government or law enforcement agencies, as well as information regarding retaliation by the College for making such disclosures.

**Withdrawal and Leaves of Absence from the College**
There are two general categories of consideration when circumstances require a student to discontinue enrollment from all classes, for a semester, or longer due to reasons other than academic disqualification. These categories are Withdrawal from the College and Leave of Absence. This section of the handbook will describe each category and the variations within each category.
Withdrawal from the College

There are three types of Withdrawal from the College; Withdrawal, Medical Withdrawal, and Administrative Withdrawal.

Withdrawal from the College: an enrolled student may request to withdraw from the College at any point prior to the end of a semester in which he/she is enrolled, and the reason for the withdrawal is other than medical reasons. The process requires that the student complete the Withdrawal from the College form that is available on the Registrar's website; http://www.stmarys-ca.edu/office-of-the-registrar/student-resources/forms. Notice of clearance from several other college offices must be secured on the form before the withdrawal is approved. Transcripts will not be released until the completed form is on file.

When a student withdraws from the college all courses will continue to be listed on the student's transcripts. The designation of "W" will appear in place of a grade. A withdrawal will not impact the student's GPA. Tuition credit/refund is given only after the formal withdrawal process is completed and approved, and in accordance with the following schedule: 85% tuition up to the end of the first week of classes; 80% tuition to the end of the second week of classes; 75% tuition refund to the end of the fourth week of classes. No credit or refund will be given after the fourth week of the semester.

In instances when a student has registered for classes for the subsequent semester or term, the course registration will be dropped. Students wishing to return to Saint Mary's College following a withdrawal must submit an application for readmission through the College Registrar's Office. The readmission application is also available on the Registrar's website as noted previously.

Medical Withdrawal: when a medical condition or circumstance is the reason for withdrawing from the College, the student may petition the Assistant to the Vice Provost of Undergraduate Academics for Student Academic Rights, Responsibilities and Institutional Compliance (Assistant to the Vice Provost for SARRIC) for a Medical Withdrawal. The Assistant to the Vice Provost for SARRIC will provide the student with a medical documentation form to be completed by an appropriate health care provider. The health care provider must then send the completed form directly to the Assistant to the Vice Provost for SARRIC. The form cannot be returned to the student for submission to the College. Student petitions for medical withdrawals must be submitted at the time of the medical occurrence, or as soon thereafter as medically and reasonably possible. The health care provider who completes the form must be the treating, licensed, relevant, non-familial health care provider.

The Assistant to the Vice Provost for SARRIC will review the student's petition and the medical documentation, and render a decision to approve or deny the request for a Medical Withdrawal within ten business days following the receipt of both the petition and the medical documentation. The Assistant to the Vice Provost for SARRIC may consult with appropriate professional resources, such as the Director of the Health and Wellness Center and the Director of Counseling and Psychological Services, as necessary, prior to rendering a decision. The decision will be communicated to the student, and copied to the College Registrar and the Dean of Students, either by a standard written letter or via email to the student's Saint Mary's College email address. If the student's petition for a Medical Withdrawal is denied, the student may choose to pursue a standard withdrawal from the college.

When a student is approved for a Medical Withdrawal all courses will continue to be listed on the student's transcripts. The designation of "W" will appear in place of a grade. A withdrawal will not impact the student's GPA. Tuition credit/refund is given only after the formal medical withdrawal process is completed and approved, and in accordance with the following schedule: 85% tuition up to the end of the first week of classes; 80% tuition to the end of the second week of classes; 75% tuition refund to the end of the fourth week of classes. No credit or refund will be given after the fourth week of the semester. If a student or student's family has purchased medical tuition insurance, the Assistant to the
Vice Provost for SARRIC will provide necessary confirmation of an approved medical withdrawal to the insurance provider at the written request of the student.

In instances when a student has registered for classes for the subsequent semester or term, the course registration will be dropped. Under exceptional circumstance, and by request in the student’s petition, the Assistant Vice Provost for SARRIC may request that the Registrar maintain the students enrollment in the following semester. Students wishing to return to Saint Mary’s College following a medical withdrawal must submit an application for readmission through the College Registrar’s Office. The readmission application is available on the Registrar’s website; http://www.stmarys-ca.edu/office-of-the-registrar/student-resources/forms.

Administrative Withdrawal: Administrative Withdrawals are initiated by an appropriate administrator for the College and not at the request or choosing of the student. An Administrative Withdrawal may be executed when a student stops attending Saint Mary’s without notification, or when a student poses a direct threat of harm to others, or self-harm behaviors that cause a significant disruption to the community and which causes the College to have a legitimate safety concern for the community. Generally, but not necessarily in all circumstances, either the Registrar or the Dean of Students is the College official who will execute an Administrative withdrawal.

The Registrar will execute an Administrative Withdrawal when a student does not return to classes following a subsequent academic term of enrollment, and has not otherwise formally withdrawn or taken a Leave of Absence. Students seeking reinstatement to Saint Mary’s College following a Registrar’s Administrative Withdrawal must submit an application for readmission through the College Registrar’s Office. The form is available on the website.

The Dean of Students, or designee, may execute an Administrative Withdrawal when the Dean of Students is notified of a student who appears to have a serious behavioral, physical, psychological, or emotional disorder which offers reasonable cause to believe she or he may be a danger to others, or may disrupt proper activities of the College community and its members.

The Dean of Students will contact the student and seek voluntary resolution of the situation through investigation and review. Administrative withdrawals are encouraged to maximize the participation of the student and his or her family in this process. Depending upon circumstances, an immediate professional assessment of the student’s condition by the appropriate medical or mental health specialists, or both, or other appropriate resources may be required, including a report of the findings to the Behavioral Intervention Team (see Behavioral Intervention Team section of this Student Handbook). A student who fails to meet the conditions for evaluation may be subject to an Administrative Withdrawal or Immediate Interim Suspension by the Dean of Students.

Students who agree or are required to undergo an assessment will be scheduled to participate in a general review of status by the Behavioral Intervention Team. This normally includes a personal interview of the student by the Team. The Team may also interview other individuals who have prior knowledge of the matter.

Additional assessments including, but not limited to, psychological testing, medical examination, or referral for psychiatric consultation may be required. The student must sign an authorization of release allowing any attending medical or behavioral health professional to release the records and allow them to discuss these records with the Behavioral Intervention Team.

The Behavioral Intervention Team will receive all medical, psychological, discipline, or observational reports submitted with regard to or on behalf of the student as may pertain to determining health and
behavioral status. Treatment and evaluative reports should include information pertaining to diagnosis, treatment, and prognosis.

Within a reasonable period of time after all personal interviews and other possible assessments are conducted and reviewed, the Behavioral Intervention Team will render a decision. The written communication to the student shall include a rationale, the conditions and requirements that must be met and the process by which the student requests readmission. The Dean of Students will inform the Registrar of a student who has been administratively withdrawn from the College. When a student is placed on an administrative withdrawal, the student will be withdrawn from all classes and a Dean of Students Hold is noted. Tuition and room and board reimbursement will be in accordance with established College withdrawal policy (see Catalog of Courses).

Within five (5) days of receiving the written decision of the Behavioral Intervention Team, if a student disagrees with the decision regarding involuntary withdrawal or readmission, the student may appeal to the Vice Provost for Student Life. The student shall state in writing the specific points the student wishes the Vice Provost to consider. The Vice Provost's decision is final.

Students seeking reinstatement to Saint Mary's College following a Dean of Student's Administrative Withdrawal must receive clearance by providing the Dean of Students written evidence from a licensed medical or mental health professional that the student is no longer a direct threat to others or a legitimate safety concern, and is otherwise qualified to participate in the College's educational programs. The Dean of Students will consider the student's request based on a review of the entire record including any and all new information relevant to the matter, and may impose conditions on the student's readmission. Any other conditions outlined in accordance with this policy and/or conduct sanctions must also be completed. The team may interview the student but is not required to do so.

**Leave of Absence**

Any matriculated student who is not in probationary status may request a leave of absence from the College. The leave may be for one fall semester, one January term, one spring semester, or for up to a full academic year. There are two approaches to requesting a Leave of Absence, depending on circumstances:

- **General Leave of Absence**: the student must submit a request for a leave of absence to the Registrar’s Office before the start of the semester/term, and no later than the end of the first week of the semester/term during which the leave takes effect. Students on leave will be kept informed of pertinent information, deadlines, and activities for the subsequent term, including registration information. Readmission is guaranteed assuming the student returns within the specified period of time. The student will also be eligible to register for classes during the normal registration period while on leave. Students who do not return within the specified time period will be withdrawn from the college and required to apply for readmission.

- **Late request for Leave of Absence due to medical incapacity**: if circumstances prevented the student from requesting a Leave of Absence prior to the end of the first week of classes during a given semester, the student may petition the Assistant Vice Provost of SARRIC for a late approval for a Leave of Absence due to medical incapacity. The Assistant to the Vice Provost for SARRIC will provide the student with a medical documentation form to be completed by an appropriate health care provider. The health care provider must then send the completed form directly to the Assistant to the Vice Provost for SARRIC. The form cannot be returned to the student for submission to the College. A student’s petition for a late approval for a Leave of Absence due to medical conditions must be submitted as soon as medically and reasonably possible. The health care provider who completes the form must be the treating, licensed, relevant, non-familial health care provider.
The Assistant to the Vice Provost for SARRIC will review the student’s petition and the medical documentation, and render a decision to approve or deny the request for a Leave of Absence within ten business days following the receipt of both the petition and the medical documentation. The Assistant to the Vice Provost for SARRIC may consult with appropriate professional resources, such as the Director of Health and Wellness and the Director of Counseling and Psychological Services, as necessary, prior to rendering a decision. The decision will be communicated to the student, and copied the College Registrar and the Dean of Students, either by a standard written letter or via email to the student’s Saint Mary’s College email address. If the student’s petition for a late medical Leave of Absence is denied, the student may choose to pursue a standard withdrawal from the college.

Immediate Interim Suspension
In certain circumstances, the Dean of Students, or designee, may impose an Immediate Interim Suspension to immediately remove an individual from the College community for any of the following reasons: (1) to ensure the safety and well-being of members of the College community or to preserve College property; (2) to ensure a student’s own safety or well-being; or, (3) if a student poses a threat of disruptions or interference with the normal operations of the College. Every attempt will be made by the Dean of Students, or designee, to meet as soon as possible with the student before implementing an Immediate Interim Suspension. If the student is to be suspended, the decision will be communicated in writing to the student. During the period of the Immediate Interim Suspension, the student may be denied access to College activities, facilities and/or classes or other privileges for which the student might otherwise be eligible, as the Dean of Students, or designee, may determine to be appropriate. The Immediate Interim Suspension shall remain in effect until the Dean of Students, or designee, determines that the reason for imposing the suspension no longer exists.
**Academic Policies**

**Academic Standing**
Saint Mary's College recognizes two regular categories of academic standing: Satisfactory Academic Progress and Probationary Status.

**Satisfactory Academic Progress**
A student who maintains a cumulative grade point average of at least 2.0 (C average) in all courses taken or accepted for credit at Saint Mary's College and, after the freshman year, a cumulative grade point average of at least 2.0 (C average) in all courses required or accepted for credit in his/her major field maintains satisfactory academic progress.

For the purpose of establishing satisfactory academic progress, only courses taken at Saint Mary's College will be considered during a transfer student's first two semesters in residence.

Financial Aid Office Satisfactory Academic Progress: Federal regulations requires the Office of Financial Aid to monitor undergraduate and graduate students’ academic progress to ensure that students are maintaining a required cumulative GPA and finishing their degree within an allotted timeframe. Aid can be withheld if a student does not make satisfactory progress.

**Probationary Status**
A student who, at the end of any term (fall, January or spring), fails to maintain satisfactory academic progress is considered to have probationary status. The Dean for Academic Advising and Achievement will notify students in probationary status and their academic advisors, in writing, that failure to achieve satisfactory academic progress no later than the close of the next long term (i.e., fall or spring) will subject students in probationary status to academic disqualification from further study at Saint Mary's College.

**Subject to Academic Disqualification**
A student is subject to disqualification from further study at Saint Mary's if the student is already in probationary status and fails to resume satisfactory academic progress (cumulative GPA of 2.0) by the end of the long semester of probation.

A student who is not in probationary status may be subject to disqualification if, in any semester:
- the student’s cumulative GPA falls below 1.55 for all courses taken or accepted for credit; or
- the student has at least junior standing (a minimum of 18 credits completed toward graduation) and fails to maintain a GPA of at least 1.5 on all courses required or accepted for credit in his/her major field.

Students subject to disqualification will be notified promptly, in writing, by the Dean for Academic Advising and Achievement. Students are responsible for knowing their academic standing after grades are posted and for contacting the Office of Academic Affairs if they have any questions about their status. Failure to respond to either U.S. mail contact or e-mail contact about probation may lead to a student being disqualified automatically when the Academic Probation Review Board does not receive the requested response in a timely way. Any student subject to disqualification will be disqualified from further study at Saint Mary’s College unless, within two weeks from the date of notification, he/she files a petition against disqualification with the Academic Probation Review Board, and unless he/she is then granted Special Academic Probation by that Board.

**Special Academic Probation**
Special Academic Probation may be granted at the discretion of the Academic Probation Review Board, whose members are a representative from the Office of Academic Affairs, the Assistant to the Vice Provost for Undergraduate Academics for Student Right, Responsibilities, and Institutional Compliance, the
Registrar, the Dean of Students and the Vice Provost of Enrollment. In addition to the information contained in the student's petition, the Board may seek the advice of the student's instructors, academic advisor, school dean, and others, when appropriate. Special Academic Probation is granted pursuant to the following conditions:

1. Filing of a timely petition against disqualification for cause (e.g., existence of serious personal or health factors, or other special circumstances, which have substantially impaired the student's ability to successfully meet the demands of the College’s academic programs);
2. Demonstration in the petition of the reasonable expectation that the student can achieve satisfactory academic progress by the close of the next long term (i.e., fall or spring);
3. Acceptance by the student of the conditions specified by the Academic Probation Review Board which will lead to the resumption of satisfactory academic progress by the close of the next long term.

Students who fail to meet the conditions of the Special Academic Probation by the end of the next long term will be immediately disqualified. The Academic Probation Review Board exercises sole authority in cases of Special Academic Probation.

In extraordinary circumstances, a student may appeal a disqualification or other decision of the Review Board. This appeal must be made within ninety (90) calendar days of notification of disqualification and will be considered only if there is strong and compelling evidence of incorrect procedure, error, or new, additional information. The Dean for Academic Advising and Achievement will determine whether such appeal will be heard by the Review Board.

A student disqualified from this College may apply to the Academic Probation Review Board for readmission if he/she presents work from another college or university which is acceptable for transfer credit and which is sufficient to signify satisfactory academic progress (GPA of 2.0)

**Saint Mary’s College Academic Honor Code**

Saint Mary’s College expects every member of its community to promote and abide by ethical standards, both in conduct and exercise of responsibility towards other members of the community. Academic Honesty must be demonstrated at all times to maintain the integrity of scholarship and the reputation of the College. Academic dishonesty is a serious violation of College policy because, among other things, it undermines the bonds of trust and honesty between members of the community and betrays those who may eventually depend upon the College’s academic integrity and knowledge.

As an expression of support for academic integrity throughout the Saint Mary’s learning community and as an administrative tool to discourage academic dishonesty, Saint Mary’s has implemented an Academic Honor Code. The Academic Honor Code has been approved by the ASSMC Student Body, the Faculty Academic Senate, the Provost and the President of Saint Mary’s College.

**Pledge**

All students, whether undergraduate or graduate, are expected to sign a pledge to follow this Academic Honor Code. The pledge reads as follows:

*As a student member of an academic community based in mutual trust and responsibility, I pledge:*

- *To do my own work at all times, without giving or receiving inappropriate aid;*
- *To avoid behaviors that unfairly impede the academic progress of other members of my community; and*
- *To take reasonable and responsible action in order to uphold my community’s academic integrity.*
Principles of Action

Confidentiality
All student information generated in connection with the Code and its implementation are education records of the student(s) involved and cannot be discussed or disclosed (or re-disclosed) other than on an educational need-to-know basis or with the student(s)'s prior written and dated consent. This principle applies to all involved parties, including any faculty, staff, other students, and all Council members.

Individual Responsibility
It is the responsibility of every student and faculty member of the College community to know and practice the tenets of the Academic Honor Code. If there is confusion over the appropriateness of a particular action in light of the Code, or if a community member has recommendations about how to amend or alter the Code, those questions and suggestions should be addressed to the Academic Honor Council through the Academic Honor Code Coordinator, or to the program director or dean for adult and graduate programs.

Community Responsibility
In addition to maintaining one's own academic integrity, each member of the academic community should strive to preserve and promote integrity among his/her peers. This community empowers its members to take appropriate action in support of the Academic Honor Code. If a student, faculty member, staff member, or administrator suspects a violation of the Academic Honor Code, he or she should take action consistent with the Academic Honor Code Procedures described below. Additional possible actions include:

- Actively encouraging academic integrity among one's peers.
- Using moral suasion to avert a peer's academic dishonesty.
- Alerting a faculty member to suspected violations of academic integrity.
- Educating one another regarding the responsibilities of academic integrity.
- Helping a faculty member maintain an environment that is conducive to integrity.

Violations
All violations of the Academic Honor Code are administered by the Academic Honor Council (AHC). Members of the academic community are presumed to be familiar with the procedures outlined for determining a violation of the Academic Honor Code and, therefore, ignorance of the Code is not available as an excuse for an alleged violation of it.

Forms of violations of the Academic Honor Code include, but are not restricted to:

In Examinations
Unauthorized talking during an exam; use of “cheat sheets” or other unauthorized course materials during an exam; having someone other than the student registered in the course take an exam; copying from another student’s work; giving assistance to another student without the instructor’s approval; gaining access to an exam prior to its administration; informing students in other course sections of the contents of an exam; preparing answer sheets or books in advance of an exam without authorization from the instructor; unauthorized collaboration on a take-home exam; altering another person’s answers in the preparation, editing, or typing of an exam; bringing unauthorized materials into an exam room.

On Papers and Class Assignments (understood as all work assigned in a course)
Submitting work prepared by someone else as one’s own; using the thesis or primary ideas of someone else, even if those ideas have been edited or paraphrased, without proper citation; plagiarizing words, phrases, sections, key terms, proofs, graphics, symbols, or original ideas from another source without appropriate citation; receiving unauthorized assistance in preparing papers, whether from classmates, peers, family members, or other members of this or any other College community; collaboration within a
class or across sections of a class without the consent of the instructor; preparing all or part of a paper for another student; intentional failure to cite a source that was used in preparing the paper; citing sources that were not used or consulted to “pad” a bibliography; citing sources out of another’s bibliography without having consulted those sources; re-using previous work without the consent of the current instructor; providing a paper to another student for any purpose other than peer editing or review; using unapproved sources in preparing a paper; lying to an instructor to circumvent grade penalties; interference with access to classrooms, computers, or other academic resources.

In Research
Fabricating or falsifying data in any academic exercise, including labs or fieldwork; using material out of context to inappropriately support one’s claims; sabotaging another person’s research; using another researcher’s ideas without proper citation; taking credit for someone else’s work; hoarding materials and/or equipment to advance one’s research at the expense of others.

In the Use of Academic Resources
Destruction, theft, or unauthorized use of laboratory data, research materials (including samples, chemicals, lab animals, printed materials, software, computer technology, audiovisual materials, etc.); stealing or damaging materials from the library or other College facilities; not returning materials when asked to do so; appropriating materials needed by others such that their work is impeded; helping others to steal, hoard, destroy, or damage materials.

In Academic Records
Changing a transcript or grade in any unauthorized way; forging signatures on College documents; willful public misrepresentation of achievements, whether academic, athletic, honorary, or extracurricular; falsifying letters of recommendation to or from college personnel; bribing any representative of the College to gain academic advantage; breaking confidentiality about the proceedings of the Academic Honor Council, an Academic Review Board, or an investigative committee in the adult and graduate programs.

In Community Participation
Engaging in conduct that, if found to have occurred, violates the College’s Technology Use and Whistleblower policies.

These types of conduct constitute violations of the Academic Honor Code and will be considered, if determined to have occurred, as acts of academic dishonesty. Any conduct that represents falsely one’s own performance or interferes with that of another is academic dishonesty. Academic dishonesty is distinguished from academic inadvertence. The Academic Honor Council or the dean or program director for adult and graduate programs, receives and considers all reports of conduct that is alleged to be a violation of the Code and, thereafter, decides whether the alleged conduct, if determined to have occurred, constitutes academic dishonesty or academic inadvertence, which involves an act that might appear to be a violation of the Academic Honor Code, but is determined during the Review Board process not to be. In cases of academic inadvertence, no charge of academic dishonesty is made and the student is referred to the instructor for appropriate resolution. The Academic Honor Code is not intended to impede or inhibit the free exchange of ideas and collaborative learning which are hallmarks of a Saint Mary’s education. The College supports and encourages cooperative learning, group projects, tutoring, mentoring, or other forms of interchange of ideas among students and faculty, one of the most important benefits of academic life.

Oversight and Sanctions
The procedures for the administration of the Academic Honor Code, the determination of violations, and the imposition of sanctions are overseen by the Academic Honor Council (AHC).
Oversight: Academic Honor Council

Council Membership
The AHC consists of a minimum of sixteen student members and six faculty members as specified below. These members share special responsibility for the dissemination and implementation of the Academic Honor Code on campus:

- **6 students:** Two students from each of the traditional undergraduate schools at the College (Economics and Business Administration, Liberal Arts, and Science). These representatives are appointed for a term of at least two years on a biannual basis by the Academic Honor Council.

- **4 students:** One student from each program that takes special responsibility for community education on academic integrity (Advising, Athletics, Collegiate Seminar, and Composition). These representatives are appointed for a term of at least two years on a biannual basis by the Academic Honor Council.

- **6 or more students:** A minimum of six students will be appointed as members-at-large. These representatives are appointed for a term of at least two years on a biannual basis by the Academic Honor Council.

- **6 or more faculty members:** A minimum of six faculty members of the traditional undergraduate college. These representatives are appointed by the Vice Provost for Graduate and Professional Programs for a term of two years; service may be extended by one or more years with the approval of the vice provost.

Rotation Process
In order to facilitate consistency in the processes of review and policy formation, representatives are appointed using a system of rotation as needed to meet the membership requirements above.

Responsibilities of the Academic Honor Council (“AHC”): The responsibilities of the AHC include, but are not limited to, the following:

- To select from its membership a student Chair, or Co-Chairs, who will oversee the operations of the AHC for one year.

- To review and revise the Academic Honor Code as necessary, offering recommendations for changes to the Code to the Admissions and Academic Regulations Committee of the Educational Policies Board.

- To serve in an advisory capacity for the College community in understanding and interpreting the Code.

- To promote and maintain the Code, primarily through community education via publications, workshops, forums, and community events.

- To create and facilitate a non-credit seminar on academic integrity to be taken by students who are in violation of the Code.

- To constitute Review Boards from among its membership to consider alleged violations of the Code.

- Through its Chair or Co-Chairs to consider requests for the removal of “XF” grades and to be a Review Board as a whole for petitions of reconsideration brought forward by the Chair or Co-Chairs.

- To provide an annual report (maintaining appropriate confidentiality) for the Educational Policies Board and the ASSMC Student Senate reviewing the AHC’s activities for the year.
Coordinator of the AHC

In addition to the members of the Academic Honor Council, there is a staff Coordinator who is part of the staff of the Office of Academic Affairs. The Coordinator’s responsibilities are: to serve as “first contact” for a party who wishes to register a concern; to maintain office hours during which community members may file concerns, seek advice, obtain written materials relevant to the Academic Honor Code; to update written materials and information as per the instructions of the AHC; to distribute materials to appropriate parties during student orientation and at the beginning of new academic terms; to function as a “neutral party” in organizing and scheduling reviews by the AHC; to contact all involved parties and inform them of their rights and responsibilities in the process of pursuing a concern; to assign Advisors at the earliest possible time; to compile brief case inventories on concerns that are raised; and to schedule and book meetings of the Academic Honor Council at large, and to coordinate with the Chair of the AHC the constitution and meetings of Honor Review Boards.

A reported student has 5 business days to contact the AHC coordinator to discuss their options. After the 5-day period, the student has 24 hours to inform the AHC coordinator of their decision of whether they want to go forward with a review board or sign a No-Contest Resolution. If there is no contact within the specified time frame, an immediate XF grade will be assigned to the student’s academic transcript for the course in question.

Honor Review Boards

In cases when a violation of the Academic Honor Code is not handled through the channels of No-Contest Resolution, the Chair(s) of the AHC designate the case for review and establish an Honor Review Board comprised of members of the AHC. If there are two or more pending cases, the reported student is given the option to decide whether or not they want their review boards to consist of the same AHC members. The pending review boards are not allowed to be scheduled on the same day. If the student chooses not to make this decision it is at the discretion of the Co-Chairs, to decide whether or not the board consists of all the same members.

The Honor Review Board consists of eight members of the AHC as follows:

Five voting members comprised of four student representatives and one faculty representative, one non-voting Facilitator, and two non-voting Advisors. The appropriate sanction is decided by the majority vote of the five voting members. The non-voting Facilitator serves as the neutral presiding officer of the review.

The two non-voting Advisors, one assisting the party who brought forth the charge and one assisting the alleged violator(s), must be currently enrolled students at the College and members of the AHC. The role of the Advisor is to help the respective parties in their understanding of the Academic Honor Code, provide confidential guidance, assist in preparing the respective parties for the Honor Review Board process, aid the parties in understanding the decisions of the Honor Review Board, and inform the parties of processes for petition for reconsideration. At no time during the review does an Advisor formally represent the party in the hearing or speak on his/her behalf; rather, each party is expected to speak for him- or herself.

Sanctions

Standard Sanction: Assignment of an “XF” Grade

For violations pertaining to a course, the standard sanction upon a student who commits a violation of the Academic Honor Code is the assignment of an “XF” grade in the course.
- **First Violation Standard Sanction**: Assignment of an XF grade.
- **Second Violation Standard Sanction**: Semester Suspension. The standard sanction for a second violation is a semester-long suspension from the College. Timing of the suspension is to be determined by the review board that reviews the individual case.
- **Third Violation Standard Sanction**: Expulsion. The standard sanction for a third violation is immediate expulsion from the College.

For violations that do not pertain to a course, the sanction is determined by the Honor Review Board hearing the case. The “XF” grade indicates failure in the course, and that the course failure was the result of a violation of the Academic Honor Code. A notation will be included in the student’s transcript indicating the meaning of the grade. For the purposes of computing grade point average and class standing, the “XF” will be treated as an “F.”

In addition to the notation on the student’s transcript, an “XF” grade disqualifies a student from representing the College as the leader of an approved extracurricular activity, or as a member of an athletic or scholarly team that is sponsored by the College. Students with “XF” grades will be eliminated from consideration for departmental or College awards and honors. No student with a standing “XF” grade may be a member of the Academic Honor Council.

Through a letter filed with the AHC Coordinator, a student may petition the Academic Honor Council to remove an “XF” grade in the semester following its assignment. A successful petition will result in the replacement of the “XF” with the grade of “F” and the removal of the notation from the student’s transcript. Such a petition will be considered if the student has completed a non-credit seminar on academic integrity (administered by the Academic Honor Council) and has avoided any further violation of the Academic Honor Code. The decision to remove an “XF” grade resides with the Co-Chair(s) of the Academic Honor Council and is not guaranteed merely with completion of the seminar on academic integrity. A letter reflecting the violation, the sanction, and the removal of the “XF” grade remains in the student file held in the Office of the Registrar.

**Alternative Sanctions**

That the assignment of an “XF” grade is the standard sanction for violations that pertain to coursework does not preclude the right of the Honor Review Board to assign an alternative sanction, one that is either harsher or more lenient. The rationale for an alternative sanction other than the standard is the nature of the offense and not the status or identity of the offender. The community member who brings forth the charge against the alleged violator may recommend a particular sanction to the Honor Review Board, but the assignment of the sanction rests with the board.

Alternative sanctions include but are not limited to:

- Reprimand by the AHC, with a letter placed in the student’s permanent file in the Registrar’s office.
- Community service requirements, either to the College or to a selected community agency consistent with the offense committed.
- Community education requirements, including participation in the development of workshops, displays, bulletin boards, testimonials, brochures, or College forums.
- Attendance of a non-credit seminar on academic integrity.
- Academic or extracurricular probation.
- Loss of privileges for College leadership or athletic participation.
- Removal from the course, with alternate plans for completing it.
• Failure of the assignment.
• Failure of the course.
• Modified “XF” grade, with no limitation on extracurricular activities.
• Suspension from the College at the end of the term.
• Immediate suspension from the College.
• Expulsion from the College.
• Withholding of a degree, even in cases where all College requirements have been met.
• Revocation of a degree already received.

Procedures for Suspected Violations
The procedure to be followed in any suspected violation of the Academic Honor Code for traditional undergraduate students will follow four, and, in certain instances (as specified, below), a fifth step.

If a student or staff member wishes to report conduct that might constitute a violation of the Code, then he/she has two options:
• Refer the matter to the relevant faculty member, or
• Refer the matter to the Academic Honor Council through the AHC Coordinator (Step Four).

Step One: Initial Discussion
If a faculty member, staff or student becomes aware of conduct that might constitute a violation of the Code, then he/she should first discuss the conduct with the suspected violator. This discussion might include asking the suspected violator(s) to explain the situation or confronting them with relevant information about the suspected conduct. The possible outcomes are:

• If the suspecting party concludes that no violation has occurred, then the matter will be dropped.
• If the discussion results in confirmation by both parties that a violation has occurred, then the student can request a No-Contest Resolution through the AHC Coordinator or an Honor Review Board through the AHC Coordinator.
• If the discussion results in lack of confirmation by both parties that a violation has occurred, then the faculty member refers the case for review by an Honor Review Board through the AHC Coordinator (Step Four).

Step Two: Meeting with the AHC Coordinator
After a violation of the AHC code has been found the case is referred to the Coordinator of the AHC. When a suspected of a violation of the Code is referred to the Coordinator, the reported student has two options to resolve the issue.

1. No-Contest Resolution (Step Three)
2. Academic Honor Review Board (Step Four)

After initially meeting with the AHC Coordinator the student has five business days to contact the AHC Coordinator to discuss their options. After the 5-day period, the student has 24 hours to inform the AHC coordinator of their decision of whether they want to go forward with a review board or sign a no-contest resolution. If there is no contact within the specified time frame, an immediate XF will be given.
Step Three: No-Contest Resolution
The No-Contest Resolution process is an option in cases when the following five conditions are met: 1) neither party contests that the conduct has occurred; 2) the nature of the violation caused by the conduct is clear; 3) the violation is course-related, 4) both parties agree to the standard sanction for the admitted violation and, 5) if it is the first violation.

In No-Contest Resolution, the standard sanction of "XF" is applied. To provide fairness in its application, the AHC Coordinator is witness to the No-Contest Resolution process.

Step Four: Honor Review Board
In the absence of a No-Contest Resolution, the case is referred through the AHC Coordinator to an Honor Review Board for review and determination.

Preparation. The AHC Coordinator informs the Co-chairs of the AHC of the need to convene an Honor Review Board. Once the Co-chairs have established the Honor Review Board for a case, it will hold a review hearing. The hearing is a closed and confidential meeting with the person raising the concern, the alleged violator(s), and any witnesses who have relevant information that either party wishes to include in the proceedings. Prior to the review hearing, the Facilitator will provide a list of witnesses and relevant information to both the person raising the concern and the alleged violator(s).

Confidentiality. All of the testimony and relevant information from the review hearing will be kept in confidence, in accordance with the College policy and to protect the privacy of the student(s) involved under Family Educational Rights and Privacy Act (“FERPA”). Failure to maintain the confidentiality of the matters and/or the student’s privacy of the student(s) involved will result in a separate and independent charge of Code violation. No lawyers or lawyers' representatives (e.g. paralegals) representing the involved parties or family members of either party may be present during the review process or the deliberations of the Honor Review Board.

Multiple Alleged Violators. In the case of multiple alleged violators in closely related cases, one Honor Review Board will hear all testimony and evidence. The Facilitator has the discretion to hold one review for all students concerned subject to receipt of the prior written and dated consent of the student(s) involved, or separate reviews for each alleged violator. Reviews will be closed to all other persons unless all parties concerned consent in writing to an open review.

The Review Hearing. The Coordinator’s office determines sets and coordinates the time and place for the review hearing, as well as its structure and flow. Each party has the opportunity to present his/her position and offer relevant information and testimony, including of witnesses, to support their respective positions. Members of the Honor Review Board may forward questions during any phase of the review with the permission of the Facilitator.

Deliberation and Decision. Upon hearing all arguments, the Honor Review Board meets privately to deliberate and make its decision. A valid decision constitutes a simple majority arriving at a common conclusion as to whether a violation “more likely than not” occurred. In the event of a split or tied vote, the case will be referred to the full body of the AHC for deliberation and decision. Within 48 hours of the close of deliberations, the Student Advisors and/or Facilitator of the Honor Review Board informs both parties about the decision and sanction, either through written notification or in person, depending upon the request of the parties involved preference. Notwithstanding this notice requirement, failure to inform both parties of the decision and sanction within 48 hours does not constitute a material procedural irregularity.

Removal of a Board Member. Any member of the Board who has a conflict of interest or bias or whose participation would give rise to the appearance of bias or conflict of interest must recue him or herself.
from the deliberation and decision process. If during the review hearing or the deliberations the Facilitator detects a bias that may interfere with the impartial consideration of information by any voting member of the Honor Review Board and that may significantly affect the outcome of the Board’s decision, the Facilitator must remove that representative from the Review Board immediately. Review and deliberations will continue with the remaining members.

**Ad Hoc Review Boards.** In the event that a review is necessary outside of the confines of the regular academic calendar (in the summer or over Christmas break, for example), then the Academic Vice Provost may convene a special ad hoc Honor Review Board consisting of two students and one faculty member. If possible, those representatives should be current or former members of the Academic Honor Council, but the Academic Vice Provost may exercise the right to appoint other representatives as necessary.

**Step Five: Petition to Reconsider**

**Grounds for Reconsideration.** Except as permitted below, the decision of the Honor Review Board is final (whether it is the product of a regular or ad hoc review board), and will be reported to the Academic Honor Council as well as to the Registrar’s office. The decision may be reconsidered only if: 1) new information not available at the time of the deliberation and Board’s decision can be offered for consideration, 2) one or more parties can provide information that supports an allegation that there was a failure to follow procedure that materially affected the decision of the board, or 3) the sanction applied goes beyond the standard sanction. If the case is not subject to reconsideration, then the matter ends at this step.

**Reconsideration:** If a student that has been found in violation of the honor code chooses to submit a request for reconsideration, that person has 5 business days starting the day after their decision has been made by the review board to turn in their request in writing to the coordinator. School holiday breaks do not count as business days (as defined in the student handbook). If they do not turn it in within the designated time frame, the request will be rejected.

Any petition for reconsideration of a decision by the Honor Review Board is filed with the AHC Coordinator, who informs the Co-Chairs of the Academic Honor Council. The Co-Chairs determine whether or not the information and reasons offered support the request for reconsideration (based on the above criteria). If the Co-Chairs deem that the information offered is sufficient to support reconsideration of the case, then it is brought before the full body of the Academic Honor Council. The Council rehers the case, taking into account the new information and/or material procedural irregularity that have been established.

The Co-Chairs present the original case (in brief), the board’s decision, and the stated grounds of the petition to the AHC. The AHC may, in its sole discretion, rely on existing written information or call for new information and/or testimony as needed to allow a full and fair consideration of the petition. If the AHC disagrees with the decision of the Honor Review Board, then a new decision may be reached by the entire Academic Honor Council by a majority vote of those present. The Co-Chairs will be excluded from the initial vote and will only vote in the case of a tie. If the AHC upholds the decision of the Honor Review Board, then the case will be closed. In either situation, the decision of the Academic Honor Council is final.

**Final Responsibility**

Saint Mary’s, through its designated officers, faculty and/or employees is solely charged with and responsible for interpreting and applying the Academic Honor Code. In exercising that responsibility, the College chooses to give students a distinct and significant role in designing the Code, hearing cases, recommending sanctions, and educating the campus community about the importance of academic integrity. This student participation, however, in no way prevents Saint Mary’s from exercising its sole discretion, without prior notice, in interpreting, implementing and/or amending these policies and procedures.
Turnitin® Policies and Procedures
Saint Mary’s College uses the Turnitin service. The following policies apply to students:

• Any student requested to do so by his/her instructor must submit written work to the Turnitin service in a course where the instructor is using it.

• All students enrolled in a Collegiate Seminar course or in English 003, 004, or 005 are required to submit their final versions of all essay assignments in those courses to the Turnitin service.

• Saint Mary’s uses Moodle, a course management system that can include an easy-to-use link for students to submit written work to Turnitin. Directions for students using that link can be found at https://sites.google.com/a/stmarys-ca.edu/gaellearn-moodle---how-to/turnitin-via-gaellearn-moodle

• If students need assistance using Turnitin, contact the SMC IT Help Desk at servicedesk@stmarys-ca.edu or (925) 631-4266.
  • Rarely, an instructor does not use Moodle. If so, that instructor will inform students how to access the Turnitin.com system and will give students a course ID and password to use for uploading their written work. The instructor of the course will monitor student use of the system and troubleshoot any problems.

Academic Appeal Process
The Committee on Academic Appeals is a faculty/student committee which hears appeals from undergraduate students regarding decisions concerning academic regulations and standards affecting them individually. A standing committee, it is convened and chaired by the Vice Provost of Undergraduate Academics, at the request of the student.

2. To hear appeals regarding decisions of the Dean of the School or of the Registrar (and approved by the Dean of the School) concerning courses, standards, academic regulations and requirements for graduation;
3. To hear appeals regarding grades given by instructors.

The Committee consists of up to ten members:
- Vice Provost of Undergraduate Academics (ex officio and nonvoting)
- three ranked faculty members appointed by the Chair of the Committee on Committees;
- three ranked alternates (but also including Christian Brothers currently teaching at the College), one each from the Schools of Liberal Arts, Science, and Economics and Business Administration, appointed by the Vice Provost of Undergraduate Academics;
- four students appointed by the ASSMC President for one-year, renewable terms and confirmed by the Executive Council of that group.

Procedures:
1. When the student expects to appeal a decision by the Dean of his/her School and/or the Registrar, or to appeal a grade given by an instructor (see 1 and 2 above), the student must file a notification to that effect with the Vice Provost of Undergraduate Academics within one month from the beginning of the next long term.

2. The student is normally expected first to take his/her appeal to the instructor or administrator involved. If the student is not satisfied with the outcome, he/she should next take the appeal to the department chairperson or to the appropriate academic administrator.

3. If the matter is not resolved in step 2, the student will file a written statement of appeal with the Vice Provost of Undergraduate Academics. The Vice Provost will notify the appropriate instructor, department chairperson, and the School Dean that an appeal has been filed.
4. If the student decides not to pursue the appeal, he/she must advise the Vice Provost of Undergraduate Academics that the notification and/or statement of appeal be withdrawn.

5. The appeal must be brought to the Committee on Academic Appeals before one long term has elapsed since the term in which the cause for appeal occurred.

6. The Committee will not consider an appeal until and unless all the above avenues of informal resolution have been pursued.

7. The Vice Provost of Undergraduate Academics serves as the nonvoting Chair for each appeal hearing. Representatives of the two principals (a faculty member chosen by the student—a Christian Brother on staff may also serve this role—and a ranked faculty member chosen by the other principal, or in the case of an appeal of a decision by the Registrar’s Office, a representative of that office not involved in the original decision) will present to the Committee the respective arguments of the two principals whom they represent. The two principals do not attend the meeting unless requested to do so by the Committee.

8. Minutes of the proceedings will be taken and kept on file in the Office of Academic Affairs. All proceedings and correspondence, and the minutes are confidential and will not be maintained in the student’s permanent academic record.

9. In hearing an appeal, the Committee has authority to:
   a. set time limits on presentation by representatives of the two principals;
   b. request written statements from the principals, if necessary;
   c. determine if the principals are to appear before it;
   d. consider during its deliberations all documents and any records considered by the initiating instructor or administrator; oral and/or written argument of both principals; additional evidence the Committee deems appropriate.

10. The Committee, upon reaching a majority decision, has the authority in the individual case to instruct the Registrar to waive an academic regulation or requirement, make an exception to an academic standard, or to change a grade.

11. The Vice Provost of Undergraduate Academics gives written notification of the Committee’s decisions to the principals.

Class Attendance

General Policy
Regular class attendance is an important obligation and an essential condition for successful academic progress. Absences may seriously jeopardize the satisfactory completion of a course. Excessive absence can be a cause for dismissal from the College. The instructor is responsible for establishing and communicating the attendance policy for a given course. Students are responsible for all assignments in each of their courses, whether or not the assignments were announced during an absence. Penalties for absences depend upon the nature and the amount of work missed, of which the faculty member is the sole judge. It is not permissible to miss regularly scheduled classes for the purpose of intercollegiate athletic practice. A student who misses the first session of a course, even if he/she is pre-registered, may have his/her place in that course given away and be denied further attendance in that course.

Student Athletes
Student-athletes will not miss class for practice. Student-athletes, in the season in which their sport has scheduled intercollegiate competitions, will not be penalized for missing class because of representing the
College in those competitions – so long as the student’s absence from the class for the purpose of intercollegiate athletic competition does not exceed (see *Student Athlete Handbook*):

1. 4 classes on the MWF schedule (fall and spring terms)
2. 3 classes on the T/Th schedule (fall and spring terms)
3. 2 classes during a traditional January Term course
4. 1 class per term (fall and spring) for labs and courses that meet once per week
