Did You Know?

Our activities—on campus and off—affect storm water quality in creeks, rivers, the Delta, and Bay through the storm drain system. Only rainwater belongs in the storm drain system (drains, gutters, pipes, creeks, and ditches) but pollutants enter it in many ways. For example, rain can wash pollutants from leaky cars, open dumpsters, or discarded trash into storm drains, reaching our rich Bay

College Releases New Budget for 2016-2017

Saint Mary's College has released its [budget for the 2016-2017 fiscal year](#). Next year's \$131.2 million operating budget takes into account a variety of external forces including addressing affordability and competitiveness and SMC-specific factors including increased efforts to reduce operating costs and reallocate resources, and implementation of strategic plan initiatives.

Invitation to the Academic Convocation

President Jim Donahue invites the Saint Mary's community to the [Academic Convocation honoring Brother Thomas Johnson, FSC](#), the Director of the Novitiate for the Lasallian Region of North America, on Wednesday, April 13 during De La Salle Week. Spotlight on Staff: Legacy Lee

Assistant Director of the Intercultural Center Legacy Lee is no stranger to SMC. Before joining the center last summer, he worked in Student Involvement and Leadership and taught an African-American literature course. With his wife Lauren '08, Lee enjoys gardening, cooking, and watching Golden State Warriors basketball games. He also writes poetry, short stories, and has more than 10,000 songs in his iTunes library.

Working in Big Data

Area network of waterways, negatively affecting these resources and interfering with the habitat for fish, other aquatic organisms, and wildlife. Please be mindful and report suspect activities to the College's Storm Water Hotline number at ext. 8287.

Website Launch Reminder

Salli editors have until 5 p.m. on 3/31 to make edits in staging and the live site, and there is a site editing freeze 4/1-4/3. The new Saint Mary's site is scheduled to launch 4/4. Have questions? **Submit a web help request.**

"It's not just about being a scientist," said Charles Thomas, chief data officer for Wells Fargo, in his March presentation on "Trends, Impacts and Career Opportunities for Big Data," part of SEBA's Executive Speaker Series. "There was no such thing as a degree in analytics back when I got my degrees," he said. "I've had the opportunity to really shape how the industry looks at data."
