## Provost Dobkin Elected WASC Commissioner

*From President Jim Donahue:* I am pleased to announce that Saint Mary's Provost and Vice President for Academic Affairs Beth Dobkin has been elected a commissioner for the Western Association of Schools and Colleges (WASC). The regional accrediting agency serves a diverse membership of public and private higher education institutions throughout California, Hawaii, and the Pacific, as well as a number of institutions outside of the U.S. Commissioners are nominated and elected by the chief executive officers of accredited institutions in the WASC region. Our provost's appointment to this commission is a testament to her experience and wisdom as a leader in higher education. Commissioners serve three-year terms.
