Kelsey Furtado, wardrobe stylist and photographer, ran her own business before [enrolling in the EMBA program](#) to focus on consumer macro-trend forecasting in the apparel, design, and textile industries. "Fashion is an international business, so I found it necessary to bridge my expertise with an enhanced business degree."

Safety Tip from Environmental Health and Safety

In accordance with California requirements, Saint Mary's College is providing this notice to all occupants of buildings where known or presumed asbestos-containing materials are present. By taking the precautions outlined [in this letter](#), it is unlikely that asbestos will become airborne, thus potential exposure to airborne asbestos is greatly reduced.
