Did You Know?

The summer magazine is online and will be on campus early this week. Like Dorothy says, "There's no place like home." In the just-released summer issue of Saint Mary's magazine, read how people define home in Roundtable's "What is Home?"; peek into a Jan Term trip to a boys' home in Romania; and learn how to apply the SMC basketball

College Launches Internship Program with Cisco

Saint Mary's has established a four-year internship program with Cisco Systems called ACES (Accelerated Career Entry for Students) that provides career preparation, particularly for students underrepresented in fields such as information technology. A group of SMC rising sophomores are participating in the pilot program (June 6 to Aug. 19), which provides full-time, paid internships.

Student-Athletes Earn High Marks

The West Coast Conference Commissioner's Honor Roll has recognized 140 Saint Mary's student-athletes for maintaining a 3.0 grade point average and balancing athletic success with academic excellence. Eighteen SMC student-athletes earned gold honors (minimum 3.75 GPA), with softball player Erica Musgrave '16 graduating with a 4.0 in math.

New Three-Day Buttimer Program

For the first time this month, SMC community members immersed themselves in the Buttimer Institute's Lasallian teachings for three days instead of six weeks spread over three summers. Associate

team's success and leadership to the workplace.

Lasallian Reflections

For the week of **July 25**

Learn how to submit Events and Announcements.

Registrar Leslie Welty, a 2015 Buttimer graduate, condensed the program and made it Saint Mary's specific—creating a mini-Buttimer called "Engaging with the Lasallian World."

Campus Facilities Update

The Power Plant building is steadily transforming into new faculty offices for the School of Economics and Business Administration, with the interior remodel almost finished. Learn the latest about summer campus construction [in this update](#) from Director of Project Management Diane Hardy.
