Did You Know?

Carpooling just got a lot easier. Instead of permanently giving up permits and filling out forms, you can now choose to carpool on a day-to-day basis. If two or more people decide to carpool, just stop at the front gate, hand the public safety officer two (or more) parking permits, and get a reserved carpool space permit. Then skip driving

Provost's Welcome and Update

Provost Bethami Dobkin updates the community as Saint Mary's begins the academic year by continuing its work on inclusive excellence. Dobkin discusses three crucial communication skills: "listening to understand rather than respond; managing impact as well as intent, and leaning into discomfort with space, grace, and the willingness to have tough, candid and caring conversations."

SMC to Host ACE Fellow and CSU Professor

Dennis Chester, Cal State East Bay associate dean and English professor, will spend the 2016-17 academic year at SMC as an American Council on Education (ACE) Fellow, a leadership development program. Provost Bethami Dobkin, Vice Provost for Graduate and Professional Studies Chris Sindt, and SEBA Professor Larisa Genin have also been ACE Fellows.

Come Celebrate the Mass of the Holy Spirit

President James Donahue invites the College community to join in the Mass of the Holy Spirit, Wednesday, Sept. 7, 1–2:30 p.m. in the Chapel. This is the first Shared Mission Community Time of the school year, which he says "will gather our diverse community of faith, bless and rededicate us to the Mission of Saint Mary's College, renew friendships, and welcome new members of our college community."

Roundtable: What Is Home?

around looking for a space and park in the reserved spaces in the Filippi Extension Lot (for green/commuter permits) or the Lower Library Lot (for Red/F-S permits). At the end of the day, stop at the gate and swap the permits back. Find a carpool partner **through this form** from Public Safety staff and Riley Smith, campus sustainability coordinator.

Lasallian Reflections

For the week of **Sept. 6**.

Learn how to submit Events and Announcements.

Home is where they have to take you in, the sampler says. If you're lucky, it's comfortable familiarity, a sense of safety and relaxation, the echo of loved ones' voices, the shape of the hills. It's the daily sounds of life, like children and dogs. It's where you know you belong. So we asked alumni, staff, and faculty: **Of all the places you've lived, what place felt most like home to you and why?**
