Did You Know?

Brother Alfred Brousseau, the renowned Saint Mary's College physics and mathematics instructor for whom the Brousseau Hall Science Building is named, was an avid photographer who produced more than 20,000 color slides of 2,000 species of California wildflowers, plants and trees.

Do you have a little-known tidbit or story about Saint Mary's? Send it to [Campus News](#).

New Vice Provost Begins Duties

Hernan Bucheli, Saint Mary's new vice provost for enrollment and communications, began his duties on campus last week. Bucheli comes to us from Notre Dame de Namur University.

He says he's thrilled to be working with Saint Mary's exceptional faculty, students and staff. "I look forward to supporting the SMC community and our mission," he said. [Read more about him.](#)

Jan Term Speaker Highlights Art as a Tool for Community Engagement

The January Term speaker series continued last Tuesday with an enthusiastic discussion on the power of hip hop poetics by Kevin Coval, a Chicago-based organizer, teacher, poet and founder of the prominent hip hop poetry competition "Louder Than A Bomb." [Here's more about his presentation.](#)

Workshop on Wikimedia

Teaching with Wikimedia. That's the subject of a free workshop in the library on January 22. Rod Dunican, the director of global education for the Wikimedia Foundation, will discuss using the popular Internet site in the classroom and for personal use. [Find out more.](#)

GAELS: Spotlight on Staff: Sharon Sobotta

Sharon Sobotta, director of the Women's Resource Center, gets particular joy from watching students develop and she credits the influence of a devoted Saint Mary's community that cares so deeply. [Read more.](#)
