## Did You Know?

Norm Partridge, evening

## The Cross Returns

In early January Saint Mary's cross on the hill was felled by wind. Last week a new cross was raised, nearly 74 years since the original, "La Cruz de la Victoria," was installed in April 1940. [Watch](#) as the new cross is raised and learn more about the process.

## Questions Abound at Leadership Fellows Launch

SEBA's inaugural class of Guyette Leadership Fellows met with program namesake, CEO and President of Rolls-Royce North America Jim Guyette to discuss the future of the program. Guyette, joined by his wife Kay as well as President Donahue and

Dean Zhan Li, urged the fellows to shape the program to their benefit. [Read more.](#)

## Lifting Up Literacy in Urban Catholic Schools

A request from leaders at the Diocese of Oakland schools lead a collaborative team the Kalmanovitz School of Education to jump into action and create a literacy coaching program for teachers. [Read more about LIFT UP!](#)

supervisor at the Library, is an established fiction writer with such award winning titles as *The Man with the Barbed Wire Fists*, and *Dark Harvest*. He's won a total of three Bram Stoker awards and two IHG awards, and is still going strong. His writing incorporates fantasy, horror and the supernatural.

Do you have a little-known tidbit or story about Saint Mary's? Send it to **Campus News**.

## Lasallian Reflections

For the week of **March 24**.

**Learn how to submit Events and Announcements.**

## Safety Tip from SMC's Environmental Health and Safety

Have you been climbing around on ladders? Did you know ladder accidents are a major source of injury at work and at home? Saint Mary's EH&S has some important safety tips to help you climbers avoid getting hurt.
