Provost Addresses Assembly on Cal Grants

Provost Beth Dobkin provided testimony before the California State Assembly Higher Education Committee in favor of AB 831 Bonilla (D-Concord) on Tuesday, April 7. [AB 831](#) would change the maximum Cal Grant awards for students attending private nonprofit postsecondary educational institutions, beginning with the 2015-16 year.

Keith Garrison Wins Fulbright Award

Biology Professor Keith Garrison has won a Fulbright Award, which will help fund his sabbatical in France this fall to study the evolution of disease-resistant genes in ancient wine grape varieties from the Alsace region at the French National Institute for Agricultural Research. Also,

Garrison's research on viruses is [spotlighted in the spring issue of the Saint Mary's magazine](#).

Reducing Water Usage

Governor Jerry Brown recently issued an executive order asking for a 25 percent reduction in water usage in California through February 2016. SMC Facilities Services, which responded to the Governor's January 2014 request for a 20 percent reduction in water consumption, will now [conduct a campus-wide assessment of water usage and implement additional strategies in the coming weeks](#).

Lasallian Reflections

When the Saint Mary's choirs competed in Latvia last July, where they won two gold medals at the World Choir Games, a New York concert producer invited them to perform at Carnegie Hall as part of an American choir showcase called Gotham Sings! The Chamber Singers and Glee Club, under the direction of Professor Julie Ford, perform Saturday, April 18.

Staff Council Voting Opens Today

Voting for the 2015-16 Staff Council election begins today, and will remain open until the end of business on May 1. Voters and candidates alike are encouraged to attend the next Staff Council meeting on April 14 and ask questions about the election process, councilmember responsibilities, and more. [Vote for the candidate of your choice today.](#)

Gaels Get Fit

Happening now—GaelFit 3.0, a program that tests overall fitness, is open to everyone in the SMC community and beyond. [Watch a short film about the Human Performance Lab](#) and how it tests some of the fittest athletes on Earth.
