AstroNotes

In the Middle Ages, astronomy was considered one of the seven liberal arts. In the *Convivio*, Dante proclaims the nobility of astronomy as a science, praising its "high and noble subject, which regards the movement of heaven, and

The 2015 Saint Mary's Commencement Weekend—which celebrated 719 seniors and 599 graduate and professional studies students—highlighted academic accomplishments and the strength of the school community. [Photos](#), [videos](#), [stories](#), [social media](#), and [more](#).
