Did You Know?

New students move in this Wednesday and Thursday, 9 a.m. to 1 p.m. Faculty and staff are encouraged to turn *right* when they arrive on campus to avoid move-in traffic; first-year students will be turning *left*. Parking lots by Brother Urban Gregory Hall and first-year residence halls will be closed Aug. 26-28. Thanks for your patience with our newest arrivals and their many questions.

Quake Effects Minor at SMC, Mont La Salle

The 6.1 magnitude earthquake that struck the Bay Area early Sunday caused no damage on the Saint Mary's campus. The Christian Brothers' center at Mont La Salle in Napa experienced only superficial damage when items inside were rattled to the floor. In both locations all major systems are functioning properly and no injuries were reported. The quake occurred near the West Napa and Carneros-Franklin faults.

New Students Arrive This Week

When new students and families arrive (see this issue's Did You Know item), there will be lots of folks asking for directions and other information. [Get ready by glancing at a campus map](#) and this handy list of [commonly asked questions](#).
