## Saint Mary's to Present West Coast Premiere of New Play About Idealism and Activism

Saint Mary's Performing Arts Department will present the West Coast premiere of Laura Jacqmin's *And when we awoke there was light and light* on Thursday at 8 p.m. in Lefevre Theatre, with performances on Friday and Saturday at 8 p.m. As a special honor, playwright Laura Jacqmin and director Susannah Martin will speak with the audience before Friday's show and Jacqmin will lead a discussion after Saturday's show. [Learn more](#) about upcoming performances and [buy your tickets online now](#).

## Governor Jerry Brown—Leadership and Legacy

Explore the history, philosophy and impact of one of the most fascinating leaders in California history—Governor Jerry Brown, who recently became the state's longest-serving governor. A panel of experts, including Chuck McFadden, author of *Trailblazer: A Biography of*

*Jerry Brown*, and Rob Stutzman, former aide to Governor Arnold Schwarzenegger, will discuss and dissect Brown's long road from young reformer to hard-hitting political powerhouse. [Learn more](#).

## Above and Beyond the Round Table: Brunetti Receives Seminar Professor Award

For more than 30 years, Professor Jerry Brunetti and the Collegiate Seminar Program have been almost synonymous. Brunetti brings a love of learning, not only for the texts but also for his students, to each Seminar class and on Nov. 6, 2013, those qualities were recognized as he was awarded the DeSales Perez award for Excellence in Collegiate Seminar. [more.](#)

Peter Kelly '98, an animator for Industrial Light & Magic, entertained and enlightened the audience at the annual Dine with Alums event, which gives students a chance to network with alumni who have followed their dreams into "the real world." [Read](#)

## Speaker Series Features SMC Grads Taking Tech World by Storm

Is there a place for liberal arts majors in the world of high tech? A number of SMC-educated tech wunderkind returned to Saint Mary's to take part in an ambitious Communication Leadership Speaker Series and shared some priceless insights about their route to success. [Read more.](#)

## Emotional Intelligence in the Workplace

Maybe business can be personal after all. When the School of Economics and Business Administration offered a presentation on "Emotional Intelligence: Your Competitive Advantage" at a recent professional development workshop, Jessica Weatherford of Marble Arch consultants provided strategies to help manage emotions in the workplace to build trust and communicate more effectively.
