Dear Peter Michell,

As a member of the educational establishment, you’re more than aware of the many challenges facing educational institutions today. We’d like to take this opportunity to introduce ourselves and make you aware of a very special, limited time offering.

We’re CORT, a Berkshire Hathaway Company and the world’s largest provider of residential and commercial rental furnishings. We work with individuals, Fortune 500 companies and educational institutions across the country to help in times of transition.

CORT is just now completing our contract to furnish the 2010 US Census. As a result, we are in the process of picking up over 165,000 pieces of quality commercial furnishings from Census offices throughout the country. This lightly used furniture, all of which CORT will warranty for 90 days, is being offered for rental and sale at dramatically reduced prices.

If you, like many institutions, are faced with increasing demands and shrinking capital budgets, this once in a decade opportunity is something you don’t want to pass up. To view a catalog of some of this incredibly priced product, simply log on to:

We encourage you to contact your local CORT representative to take advantage of these once in a decade deals, or you can call our national call center at 1-888-304-2112 or e-mail us at educationsales@cort.com.

We’d also love to tell you about how CORT’s programs are helping colleges and universities manage overflow housing, fluctuating enrollments and generating ancillary income.

We hope to speak with you soon.

Sincerely,

The CORT Business Services Team
