Certificate of Finance 2017-2018
Office of Admissions

General Information: The United States Citizenship and Immigration Services (USCIS) of the United States Government require that Saint Mary’s College of California verify the financial resources of all international applicants. It is important that you complete this form carefully.

Estimated total costs for the academic year are listed below. You are required to certify that you will have available to you the amount listed. Assume that expense will raise 3-5% for each year of study.

Please remember that student visa holders will not be authorized to work in the United States except under special circumstances. You should not plan on employment to provide for your support while you are a student at Saint Mary’s.

When you request your visa from the United States consular officials, you will be required to prove that you have sufficient funds to study at Saint Mary’s College of California. We suggest, therefore, that you make copies of this form and the related documents for that purpose.

**Estimated Costs for one academic year, approximately 9 months:**
