Certification of Finances 2013-14
Office of Admissions

General Information: The U.S. Citizenship and Immigration Services (USCIS) of the U.S. Government requires that Saint Mary’s College of California verify the financial resources of all international applicants. This form is for that purpose. It is important that you complete it carefully.

The estimated total costs for the academic year are listed below. You are required to certify that you will have the amount shown available to you. You should assume that expenses will rise about 10% for each year of study.

Please remember that student visa holders will not be authorized to work in the U.S. except under special circumstances. You should not plan on employment to provide for your support while you are a student at Saint Mary’s.

When you request your visa from the U.S. consular officials, you will be required to prove that you have sufficient funds to study at Saint Mary’s College of California. We suggest, therefore, that you make copies of this form and the related documents for that purpose.
