

B.A. English Major M.S. Management in Five years

Saint Mary's one-year M.S. in Management Program is designed to give recent graduates with no prior work experience and a background in liberal arts, the practical business skills necessary to stand out in the job market. In one year, you will enhance your employment marketability by adding a solid management foundation to your resume.

This student-centered program is focused on providing the general management knowledge and leadership skills valued by employers across a wide range of industries and organizations. Aligned with the Saint Mary's College mission, the M.S. in Management Program strives to develop students academically and professionally, while emphasizing the importance of critical thinking and communication skills.
