Saint Mary’s De La Salle Week Faculty-Staff Giving Drive

Saint Mary’s owes its long history and great success, in no small part, to the dedication that YOU and the Gael family have demonstrated to our Lasallian mission of education for all, regardless of ability to pay.

When our students face unforeseen financial hardships that threaten their ability to continue their Saint Mary’s education, the President’s Emergency Fund (PEF), established in 2008, steps in to help. More than 100 young men and women have benefited from this fund that you have helped support.

HOW THE PRESIDENT’S EMERGENCY FUND MAKES A DIFFERENCE

Unemployment, foreclosures and bankruptcies are, unfortunately, not uncommon and can affect a student’s ability to pay for college. THE PRESIDENT’S EMERGENCY FUND provides scholarships that make a personal impact on our students.

– Priscilla Muha, Director of Financial Aid

In this Year of the Gael—and during De La Salle Week 2013—we encourage you to celebrate our 150th anniversary and our Lasallian mission and heritage with a contribution to the President’s Emergency Fund— or any area of the College that means the most to you.

SUPPORT SAINT MARY’S STUDENTS

• Honor Saint Mary’s 150th anniversary with a $150 donation (just $6.25/pay period)
• Use the convenience of automatic payroll deduction (minimum $5/pay period)
• Or make one gift of $20 or more, by check, credit card, cash or online at stmarys-ca.edu/fscampaign

TWO OPPORTUNITIES TO WIN LUXURY SUITE TICKETS FOR AN OAKLAND A’S GAME!

Faculty and staff donors in the departments with 1) the highest percentage of participation AND 2) the largest number of participants (gifts made January 1- May 3) will receive luxury suite tickets for an upcoming Oakland A’s game. The winning departments will be announced in May.

The Year of the Gael. A Year of Gael Giving.
