The “85 Years in Moraga” Challenge: Faculty vs. Staff!

For the Fall 2013 giving drive, Saint Mary’s faculty and staff will compete against each other to see who can lay claim to the highest percentage of participation (gifts made July 1 – November 28). Each member of the winning team who contributes a minimum gift of $19.28 will receive an etched SMC wine glass!

Every gift counts. Every gift supports Saint Mary’s students.

- Use the convenience of automatic payroll deduction (minimum $5/pay period).
- Celebrate Saint Mary’s 85th year in Moraga with $8.50/pay period. (Your total gift will equal $204 at the end of the year!)
- Make a one-time gift of $19.28 or more, by check, credit card, cash or online at stmarys-ca.edu/fscampaign

Intrinsic in everything we do at Saint Mary’s College is our Lasallian mission, which requires that we actively champion education for all, regardless of ability to pay. The Fall Faculty-Staff Giving Drive, which runs from November 19 – 28, celebrates and honors the College’s 85th year in Moraga and highlights three funds that reflect our unique mission-based education — the true signature of the SMC experience. We encourage you to donate this year to one of the following three funds — or any area of the College that means the most to you.

**Lamont Madden Book Fund**
The Book Fund, established in 1997, supports a lending library of seminar and other texts for students who need extra help acquiring books for their studies. Every year more than 100 students benefit from this collection that has grown to 2,400 titles.

**Jan Term Travel Scholarships**
Every year many of our students spend January traveling to far-flung locations on service trips that benefit individuals suffering from social injustice and poverty. Your contribution to the travel scholarship fund can make this life-defining experience available to more students.

**Annual Scholarships**
75 percent of our undergraduates depend upon financial aid to bridge the gap between what they can afford and the cost of tuition for a transformative Lasallian education at Saint Mary’s. Your gift to annual scholarships can make a difference for these talented students.
Yes, I want to be a part of something bigger and participate in the Fall 2013 Faculty-Staff Giving Drive!

Name .......................................................... Preferred Phone  ........................................
Address .................................................................................................................................
City ............................................................ State ...... Zip .........................................................

Please accept my gift of:

- $1,863 in honor of SMC’s founding year! (less than $78/pay period)
