

New Saint Mary's Flex from CBord

We are ready load your card with Flex Dollars to use at your favorite Sodexo or participating local merchant venues. Please follow these simple directions to get started:

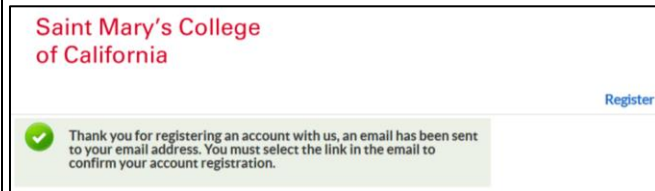

Register at <https://get.cbord.com/stmarys-ca>

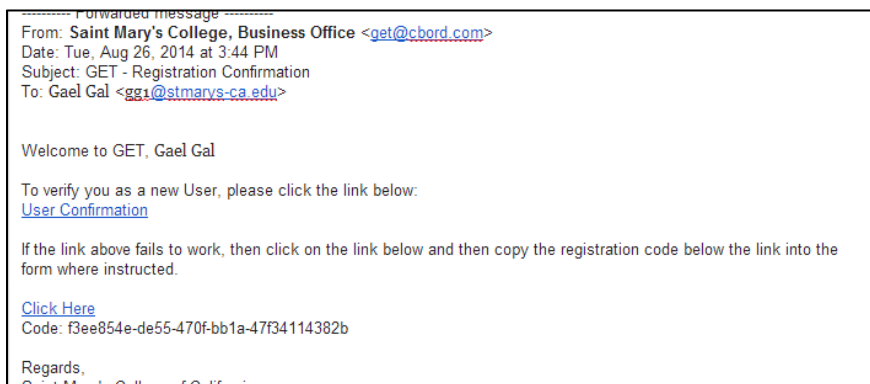

Remember to put 3 leading zeros before the numbers of your ID.

You must use your SMC email address to continue.

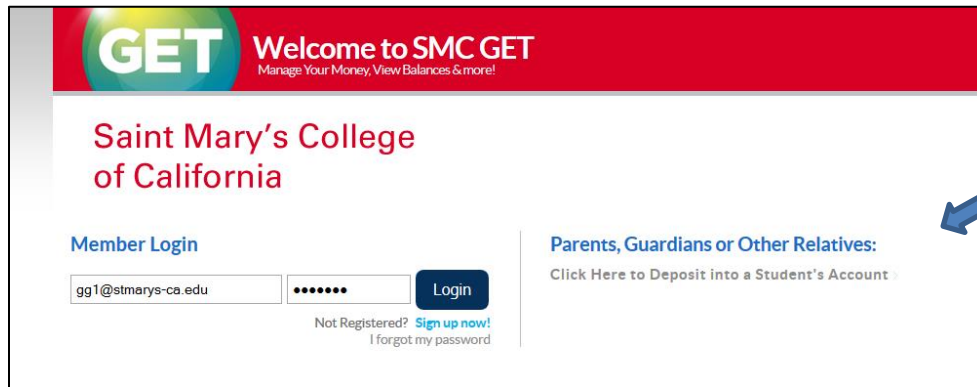

Once you are done with the page hit Register to continue.

Before you can log in, you must go to your email and confirm your registration. Simply click on User Confirmation and you will be able to enter the system to deposit funds on your Gael Flex account.

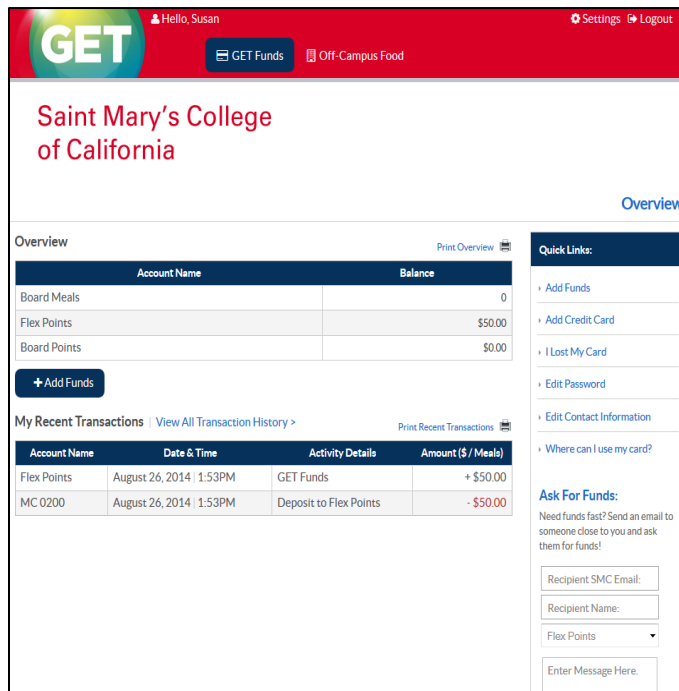

Depositing funds requires simply your login info (email address and password) and your credit card. If Mom or Dad (or Grandma, etc) want to buy flex for you, they do NOT need your login info, just your ID number and last name and their credit card info. They click on the “Parents, Guardians” link on the right.

When you log in you will see the welcome screen which will display the balances of your Board Meals if you have a meal plan, Flex Points (purchased here) and Board Points (received as part of your meal plan).

Note: each purchase shows the credit card transaction as well as the credit in your flex points. From this screen you can click to add funds to your account.

Note: You can see here the number of meals remaining on your meal plan, your SMC funds left and your purchased flex left.

You can also report your card lost (freezing activity until you find it or get a replacement).

You can click on Where can I use my card to see participating vendors.

To add funds simply use the drop down to select the amount you wish to purchase and enter your credit card information (if you have previously used a credit card (as seen here) you will be able to reuse this card again without entering the info. You will need to re-enter the security code from the card each time

Once you add the funds, you will immediately see them on your summary screen and be able to use them at the vendors.

My Recent Transactions | [View All Transaction History >](#) [Print Recent Transactions](#)
