

A Rich Tradition

Many Saint Mary's College alumni continue the Christian Brothers Winery's rich legacy in California's wine industry. For decades, **Brother Timothy Diener '33** brought national recognition to the winery as its cellarmaster. He was inducted into the first class of the Vintners Hall of Fame in 2007. Other inductees from SMC are:

- **Darrell Corti '64**
for creating a larger market for emerging wineries, spurring a renaissance of Zinfandel and pushing the rediscovery of the Sierra Foothills as a fine wine-growing region.
- **Justin Meyer '62**
for creating sought-after ultra-premium wines at Silver Oak Cellars, which he co-founded, and for leading the American Vineyard Foundation.

Since the early 20th century, hundreds of SMC graduates have had an impact on the wine industry in California and beyond. Who knows how many more will one day become members of the Vintners Hall of Fame?
