

## Economics Major

The following Hartnell College courses are currently being accepted as fulfilling lower division major requirements at Saint Mary's College. The major in economics leads to either a Bachelor of Science or a Bachelor of Arts and a new concentration in Sustainability Studies.

| <u>Saint Mary's Courses</u> | <u>Hartnell Courses</u> | <u>Title</u>                 | <u>Units</u> |
|-----------------------------|-------------------------|------------------------------|--------------|
| <b>Bachelor of Science:</b> |                         |                              |              |
| ECON 3                      | ECO 5                   | Principles of Microeconomics | 3            |
| ECON 4                      | ECO 1                   | Principles of Macroeconomics | 3            |
| BUSAD 40*                   | MAT 13*                 | Elementary Statistics        | 5            |
| MATH 27                     | MAT 3A                  | Analytic Geom. & Calculus I  | 4            |
| MATH 28                     | MAT 3B                  | Analytic Geom. & Calculus II | 4            |
| <b>Bachelor of Arts:</b>    |                         |                              |              |
| ECON 3                      | ECO 5                   | Principles of Microeconomics | 3            |
| ECON 4                      | ECO 1                   | Principles of Macroeconomics | 3            |
| BUSAD 40*                   | MAT 13*                 | Elementary Statistics        | 5            |
| One of the following:       |                         |                              |              |
| MATH 3                      | MAT 16                  | Finite Mathematics           | 3            |
| MATH 27                     | MAT 2 or 3A             | Analytic Geom. & Calculus I  | 4            |
| <b>Sustainable Studies:</b> |                         |                              |              |
| BIOL 50 & 51                | BIO 10                  | General Biology              | 4            |
| EES 92 & 93                 | BIO 48+48L              | Environmental Science        | 4            |
| ECON 3                      | ECO 5                   | Principles of Microeconomics | 3            |
| ECON 4                      | ECO 1                   | Principles of Macroeconomics | 3            |
| BUSAD 40*                   | MAT 13*                 | Elementary Statistics        | 5            |
| One of the following:       |                         |                              |              |
| MATH 3                      | MAT 16                  | Finite Mathematics           | 3            |
| MATH 27                     | MAT 2 or 3A             | Analytic Geom. & Calculus I  | 4            |

\* Will not fulfill Core Mathematical Understanding requirement for majors in the School of Economics and Business Administration.

---

A transfer student must present a record with a minimum of 23 transferable semester units or 34.5 transferable quarter units and a minimum GPA of 2.0 for admission to Saint Mary's College. To transfer with junior status a student should have 60 or more transferable units. All courses must be passed with a grade of "C-" or higher to be considered a transferable course. Students at Saint Mary's College of California are required to complete a minimum of 36 course credits (APPROXIMATELY 120 UNITS) toward a Bachelor's Degree. California Community College credits are accepted at the rate of 30 semester units = 45 quarter units = (9 COURSE CREDITS).

**Approved By:** Craig Means, Associate Dean of Transfer Admissions
