Yes, Supercharged Flex Dollars are able to be used at off-campus locations, however all prices are at regular menu prices, without a discounted savings. Flex Dollars are accepted at participating off-campus establishment at regular menu prices. Current participating off campus locations in Moraga include: Mountain Mikes Pizza, Loards Ice Cream, Pennini's and Chipotle (in Lafayette and Walnut Creek).

Can I purchase additional SuperCharged Flex Dollars anytime throughout the year?

We require Supercharged Flex Dollars to be purchased before the start of each semester. During the year additional regular Flex Dollars can be purchased via credit card online.

***Meal Plan Notes:** The cost of the meal plan for either 5 Day and 7 Day (best value) is the same price. The difference between the plans is the amount of Supercharged Flex Dollars to provide additional flexibility of eating off-campus as well. The meal plan rate includes food costs & fixed costs (include heating, lights, water, trash, & facilities services).

Sodexo Dining Services meets most dietary restrictions. However, on the rare case a student is exempted from the meal plan due to major dietary restrictions the student will be credited only the raw food cost value, and will still be responsible for their portion of the fixed costs for the meal plan.
