It’s easy to access your vision benefits.

See How.

A vision plan from UnitedHealthcare is a no-hassle approach for everything from finding an eye doctor, using your vision benefits, and having easy access to eye health and wellness information. It is important to understand what is covered in your plan, so always read about your benefits before using them. Just follow the steps below that match your coverage to easily access your coverage.

**For Medical and Vision Coverage**

If you have UnitedHealthcare Medical insurance and UnitedHealthcare Vision insurance, you can access your benefits for both on myuhc.com®.

1. Go to myuhc.com. Sign in or Register.
2. Click “Benefits & Coverage”, click on “Vision” and then “Vision Benefit Highlights.”
3. Questions about your plan? Call the number on your health plan ID card.

**For Vision Only Coverage**

If you have UnitedHealthcare Vision insurance but do not have UnitedHealthcare Medical insurance, you can access your vision benefits from myuhcvision.com.

1. Go to myuhcvision.com. Sign in or Register.
2. Click on the links from the main page to see information.
3. Questions about your plan? Call 1-800-638-3120.

You have access to a national network of providers, including optometrists and ophthalmologists as well as the choice of either a private practice or retail setting.
Our website makes it easy to find your nearest vision provider, schedule your exam, or print your Vision ID card.
