

Master of Arts in Teaching Leadership

Level I – Year One

EDTL 600 Exploring Teaching and Learning Leadership (3)

Current best practices will be shared to increase participants' competence in planning, designing and delivering instruction to all students. Participants will demonstrate subject matter knowledge, based on content standards, California Standards for the Teaching Profession and the California Induction Standards.

EDTL 610 Connecting Teaching and Learning Practices (3)

Participants will apply concepts of learning, teaching and reflection, both independently and collaboratively. Learners will apply, document and demonstrate their learning between sessions through participation in Learning Community sessions (in addition to Saturday seminars). The focus will be on the California Standards for the Teaching Profession. Students will develop lessons which are integrated, collaborative and process oriented.

Level I – Year Two

EDTL 700 Developing Teaching and Learning Practices (3)

Participants will further examine teaching and learning practices, and demonstrate continued professional growth in the California Standards for the Teaching Profession and the California Induction Standards. (Pre-requisite: EDTL 600. EDTL 700 is for Seminar second-year participants).

EDTL 710 Investigating Reflective Learning (3)

Participants continue to apply concepts of learning, teaching and reflection, both independently and collaboratively. Learners will apply, document and demonstrate their learning between sessions through participation in Learning Community sessions. The focus will be on the California Standards for the Teaching Profession. Students will develop lessons which are integrated, collaborative and process oriented. (Pre-requisite: EDTL 610- intended for second year participants)
