

Position Title: Postdoctoral Resident

College: Saint Mary's College of California

Department: Counseling and Psychological Services Center (CAPS)

Salary Range: 34,595+ benefits for 9.5 months

Background

Founded in 1863, Saint Mary's is a residential campus nestled 20 miles east of San Francisco in the picturesque Moraga Valley. Based in the Catholic, Lasallian and Liberal Arts traditions, Saint Mary's currently enrolls more than 4,000 students from diverse backgrounds in undergraduate and graduate programs. The De La Salle Christian Brothers, the largest teaching order of the Roman Catholic Church, guide the spiritual and academic character of the College.

As a comprehensive and independent institution, Saint Mary's offers undergraduate and graduate programs integrating liberal and professional education. Saint Mary's reputation for excellence, innovation and responsiveness in education stems from its vibrant heritage as a Catholic, Lasallian and Liberal Arts institution. An outstanding, committed faculty and staff that value shared inquiry, integrative learning and student interaction bring these traditions to life in the 21st century. The College is committed to the educational benefits of diversity.

Responsibilities

Saint Mary's College Counseling and Psychological Services Center (CAPS) is pleased to announce 3 Postdoctoral Resident positions for the 2020-2021 academic year, beginning August 12, 2020, and concluding June 4, 2021. The Residency requires a 9.5 month, 42.5 hours per week commitment in order to meet California licensing requirements of 1500 hours supervised postdoctoral experience. Generous leave is offered during holidays, sick time and vacation.

Clinical responsibilities include individual and group psychotherapy, intake assessment, crisis intervention, triage, on-call, and consultation. Other duties include program development, workshops, classroom presentations, and special projects as assigned. CAPS collaborates with many departments including the Athletic

Department, Health and Wellness Center, Intercultural Center, Residence Life, and Campus Assault Response and Education Center. The Postdoctoral Resident actively reaches out to underrepresented populations such as students from a low socioeconomic group, first-generation college students, LGBTQIA community, students with disabilities and students of color.

The training component of the Postdoctoral position includes individual and group supervision, case conference and a psychiatric consultation meeting. The Counseling Center's theoretical orientation is primarily psychodynamic/psychoanalytic with a strong emphasis on relational and cross-cultural theories.
