Established in 2000, the Staff Council contributes to the mission of Saint Mary’s College, to the growth and welfare of its staff, and to the promotion of a positive and supportive work environment.

“Staff Council is a group of dedicated professionals who are interested in advocating for and enhancing the experience of all the staff at Saint Mary’s College. The Staff Council thrives because of the collaborative efforts of a diverse group of people with unique skill sets who are working toward a common goal of identifying and articulating the needs and desires of their co-workers.”

COLLIN PUGH, STUDENT ENGAGEMENT & ACADEMIC SUCCESS

“The two years I was on the Council I learned a lot about the inner-workings of the College, which I shared with my co-workers.”

GAIL GARRETT, INFORMATION & TECHNOLOGY SERVICES

“Being a part of Staff Council allows a staff member the opportunity to develop relationships they otherwise might not have done in their regular day to day job. It also gives you a chance to be a voice for staff and represent them proudly.”

ALLE PORTER, LIBRARY

Staff Council meets regularly throughout the academic year. Meeting dates, times, and locations are on the College website. All staff members are encouraged to attend.
