Spring 2013 Assessment Plan Questions

Learning Outcomes and Curriculum Map:

- What are the program’s student learning outcomes?
- What is the relationship between the program’s learning outcomes and core courses? Please provide a curriculum map.

Assessment Evidence Review Process:

- What evidence will be used to determine that students have achieved the stated learning outcomes?
- What is your evidence review process? Please describe who will assess the student work, when the assessment will take place, and how the student work will be assessed.
