The Staff Council of Saint Mary’s College provides a forum for open communication and on-going dialogue among staff and between staff and administration.

“\textit{This is an exciting year for us. We fought for and received commuter benefits. We worked very hard to better the tuition waiver benefit. There’s so much work being done.}” Alle Porter

New Faces, New Opportunities

Eleven staff members were elected to the Council last year, joining five other members working on a number of initiatives this 2013-2014 academic year. At the upcoming March 13th meeting the company Bright Horizons will provide information on a possible new back-up dependent care benefit for staff with child and elderly dependents. The age limit for the tuition waiver benefit has finally increased from 21 to 25. Vice President for Finance Pete Michell will explain staff salary assumptions for 2014-2015 at the May 13th meeting. Three personal and professional development workshops are scheduled for spring 2014 including \textit{Wellness and Technology} on February 26th, \textit{Making Your Nest Egg Last} on March 12th, and \textit{Self Advocacy in the Workplace} on March 26th. Check the next page for locations and times. Lastly, the Council will be recruiting new members in April 2014. Anyone interested in joining should visit the website at www.stmarys-ca.edu/for-faculty-staff/staff-council.
