

SUMMER INSTITUTE

K-12 LITERACY CLASSROOM AND INTERVENTION PROGRAMS

August 10-12th, 2020 Moraga, CA

Available on-site or synchronous distance learning

WHAT IS THE SUMMER INSTITUTE?

This Institute for school teams will provide a rigorous and challenging curriculum design that includes research-based practices, differentiated instruction, and scaffolding techniques to ensure the literacy success of all students. The Institute will be provided by Dr. Adria Klein, Dr. Deb Rich, and school district practitioners who have implemented the design based on the Comprehensive Literacy Learning Network (CLLN) developed by Dr. Linda Dorn and Carla Soffos. It will provide educators with practical resources aligned with the district's standards and curriculum and grounded in the theories of self-regulation and transfer.

WHO SHOULD ATTEND?

School and district teams consisting of: Coaches, Coach Candidates, Administrators, Classroom Teachers, Title 1 Teachers, Interventionists, Special Education Teachers, Curriculum Directors and others!
