SUBJECT: MISSION STATEMENT, HISTORY, GENERAL ORGANIZATION AND GOVERNANCE OF SAINT MARY'S COLLEGE

1.1 SAINT MARY'S COLLEGE MISSION STATEMENT

Saint Mary's College in the twenty-first century celebrates the three traditions which have sustained it since its earliest years: the classical tradition of liberal arts education, the intellectual and spiritual legacy of the Catholic Church, and the vision of education enunciated by Saint John Baptist de La Salle and developed by the Brothers of the Christian Schools and their colleagues for more than 300 years.

The Mission of Saint Mary's College is:

- to probe deeply the mystery of existence by cultivating the ways of knowing and the arts of thinking.

Recognizing that the paths to knowledge are many, Saint Mary's College offers a diverse curriculum which includes the humanities, arts, sciences, social sciences, education, business administration and nursing, serving traditional students and adult learners in both undergraduate and graduate programs. As an institution where the liberal arts inform and enrich all areas of learning, it places special importance on fostering the intellectual skills and habits of mind which liberate persons to probe deeply the mystery of existence and live authentically in response to the truths they discover. This liberation is achieved as faculty and students, led by wonder about the nature of reality, look twice, ask why, seek not merely facts but fundamental principles, strive for an integration of all knowledge, and express themselves precisely and eloquently.

- to affirm and foster the Christian understanding of the human person which animates the educational mission of the Catholic Church.

Saint Mary's College holds that the mystery which inspires wonder about the nature of existence is revealed in the person of Jesus Christ giving a transcendent meaning to creation and human existence. Nourished by its Christian faith, the College understands the intellectual and spiritual journeys of the human person to be inextricably connected. It promotes the dialogue of faith and reason; it builds community among its members through the celebration of the Church's sacramental life; it defends the goodness, dignity and freedom of each person; and fosters sensitivity to social and ethical concerns. Recognizing that all those who sincerely quest for truth contribute to and enhance its stature as a Catholic institution of higher learning, Saint Mary's welcomes members from its own and other traditions, inviting them to collaborate in fulfilling the spiritual mission of the College.

- to create a student-centered educational community whose members support one another with mutual understanding and respect.

As a Lasallian college, Saint Mary's holds that students are given to its care by God and that teachers grow spiritually and personally when their work is motivated by faith and zeal. The College seeks students, faculty, administrators and staff from different social, economic, and cultural backgrounds who come together to grow in knowledge, wisdom and love. A distinctive mark of a Lasallian school is its awareness of the consequences of economic and social injustice and its commitment to the poor. Its members learn to live "their responsibility to share their goods and their service with those who are in need, a
responsibility based on the union of all men and women in the world today and on a clear understanding of the meaning of Christianity." (From: The Brothers of the Christian Schools in the World Today: A Declaration).

1.2 HISTORY OF SAINT MARY'S COLLEGE

History of the College. In its second century of Christian education, Saint Mary's College is one of the oldest colleges in the West. Dedicated in San Francisco by Archbishop Joseph S. Alemany, O.P., in 1863, the Brothers of the Christian Schools assumed its operation in 1868 and have since then determined its character and growth. Under the laws of the State of California, the College was incorporated in 1872 and given a charter empowering it to confer degrees and to exercise all other privileges of a university. The campus was relocated in Oakland in 1889 and in Moraga in 1928. In 1941, the College instituted a liberal arts program whose core was the World Classics Seminar. In 1969, a 4-1-4 calendar and curriculum was adopted for the undergraduate program, and in 1970 the College became co-educational.

The Brothers of the Christian Schools, founded by Saint John Baptist de La Salle in France in 1680, are lay religious who live in community and devote their lives to the Christian education of youth. Forming the largest teaching congregation of non-clerics in the Church, with some 4960 Brothers and 77,301 Lasallian colleagues teaching students in 80 countries, the Brothers bring to their teaching a 300 year tradition of religious dedication, educational philosophy, scholarly preparation, and an eagerness to share with youth the excitement of learning.

The Faculty of the College is composed of lay instructors, priests, Sisters, and Brothers. Members of the faculty are selected and promoted primarily for their dedication to and skill at teaching. The College aims at being a community of scholars, and while original research and publication are valued as contributions to intellectual vitality and self-renewal of faculty, they do not take precedence over active membership in the intellectual community of the College wherein dedication and commitment to good teaching is a hallmark. In general, the size of the College and the interests and dedication of its faculty make for an extraordinarily close, informal and personal relationship with students. The evaluation of the faculty is made in terms of excellence in teaching, personal orientation to students, scholarly interests and pursuits and commitment to the aims and ideals of the College.

The Students of the College are a reflection of the history of the College, for Saint Mary's seeks to provide higher education opportunities for various social classes, but particularly for those whose educational needs are for various reasons not satisfied elsewhere and to which a proper and adequate response can be made. Reflecting the long Lasallian tradition of Christian education oriented to the needs of students, the College at various times in its history has included a Law School, a School of Commerce, an engineering department, as well as programs focusing specifically on the humanities. During the long history of the College, the expansion of both student population and academic programs has reflected the educational needs of students for which the College exists. Although, since 1970, the College has steadily extended its service to a broader and more diverse community of learners in terms of age, experience, interests and educational needs, it seeks to keep a firm eye on its central academic aim: the development of the capacity of responsible independent thought.
1.2.1 ACCREDITATION

Saint Mary's College is nationally recognized as a standard four-year college and is accredited by the Western Association of Schools and Colleges and by the California Commission on Teacher Credentialing. The Montessori program is accredited by the Montessori Accreditation Council for Teacher Education. The Hearst Art Gallery is accredited by the American Association of Museums.

1.3 THE CORPORATE STRUCTURE OF SAINT MARY'S COLLEGE

The current Articles of Incorporation of Saint Mary's College (1938) established the College "for the instruction and Christian education of young men", a purpose since enlarged to include women. 1.6 GOVERNANCE STRUCTURE

Every decision made and action taken by the College attempts to fulfill the Mission and is guided by its spirit. Because that spirit finds its first and primary expression in the relationship between faculty and students, faculty have a particular responsibility to contribute to the effective operations of the College, especially in academic matters. The following section describes the role played by the faculty in the governance of the College.

1.6.1 SHARED GOVERNANCE

The ideal process for decision-making at the College relies on the foundational principles of Catholic Social Teaching that base all actions on a shared respect for all persons and a mutual commitment to the Common Good. Whenever possible, governance decisions will be the result of appropriate consultation achieving consensus or reasoned compromise. The Board of Trustees has the final authority to approve or disapprove changes to the Faculty Handbook brought to them by the President as provided in Section 1.8. Within the context of this authority, faculty and administrators acknowledge that governance of the College is both the expression and the actual practice of shared decision making in all matters affecting academic quality at the College. These practices will be informed by a mutual commitment to the Principle of Subsidiarity. Faculty and administrators therefore recognize that even where faculty roles in the decision making process is advisory, that the practice of good government requires the following:

1. Timely consultation of the faculty within the Committee system set forth in Faculty Handbook, especially sections 1.6 and 1.7;
2. Timely administrative response to faculty recommendations;
3. Timely access to faculty of all non-confidential records and documents relevant to permit the faculty to carry its responsibilities to give advice on matters under consideration, and
4. Faculty representation selected from faculty recommended by the Senate or its Chair on all significant ad hoc committees and taskforces whose charges involve matters pertaining to academic quality.

Alleged breaches of any of the above four practices related to shared governance at the College are expressly within the grievable issues covered under Section 2.16.1.

1.6.1.1 Faculty Elections

The Committee on Committees conducts faculty elections to determine:

1. Faculty officers and representatives:
   - Chairperson and Vice Chairperson of the Academic Senate;
   - Faculty Representative to the Alumni Board of Directors.

2. Faculty membership on:
   - Academic Senate
   - Undergraduate Educational Policies Committee
   - Graduate and Professional Studies Educational Policies Committee
   - Program Review Committee
   - Admissions and Academic Regulations Committee
   - Faculty Welfare Committee
- Grievance Committee
- Equal Employment Opportunity Compliance Committee
- Committee on Committees
- January Term Committee
- Collegiate Seminar Governing Board
- Core Curriculum Committee

3. Faculty membership on the Rank and Tenure Committee, in coordination with the Provost and the Office of Academic Affairs.

1.6.1.1 Nominations

1. A Preference Survey will be distributed and compiled under the direction of the Faculty Governance Coordinator in the spring of each year.

2. The Faculty Governance Coordinator will prepare the preparation of a nominating ballot for each office/committee seat based on (1) statutory requirements for eligibility as set forth in the Faculty Handbook, (2) expression of willingness on the part of individual faculty members to serve as indicated by the survey\(^1\), and (3) the current number of elected positions held by individual faculty members.

3. Eligibility: Determined according to (1) office or committee membership specifications as to faculty rank (ranked or tenured) and instructional duties (4/6 or more, or in the case of chairs and directors of graduate or professional studies academic units, whose instructional duties are 2/6 or more), (2) appointment status of a faculty member at the time of election (e.g., status in spring term for membership effective in fall term). Faculty members granted a sabbatical or leave of absence retain their eligibility status for election. However, they are not eligible for nomination for any position whose period of service overlaps the academic year(s) of the leave. Tenured faculty members who have been granted a temporary reduced teaching load shall be considered to hold full-time appointments, for purposes of eligibility to serve on faculty committees.

4. For each open position, each voter may select up to two candidates. The candidates receiving the most votes are placed on the final ballot. Normally, the final ballot should present twice the number of candidates for each open position. A faculty member who feels exceptional circumstances exist may request to the Chair of the Committee on Committees to have their name removed from the nominating ballot.

1.6.1.2 Balloting

1. Any ballot must be available for five school days (days on which undergraduate classes are held). Every effort should be made to accommodate the schedules of the various schools so that all faculty will be able to vote before the deadline.

2. Ballots will be made available electronically. Access is regulated via individual usernames and passwords.

---

\(^1\) Cf. 2.6.1, under Service to the College, concerning exemption from eligibility due to membership on “intensive workload” committees.
3. The ballots will be electronically tabulated at a previously announced time under the supervision of a designated member of the Committee on Committees. Normally this will be done soon after the close of voting.

1.6.1.3 Election

From the list of nominees each voter must designate the same number of persons as specified for an office or membership. The specified number of nominees receiving the most votes are elected as members. A faculty member may not decline election.

1.6.1.4 Faculty Qualifications for Election

1. In elections conducted by the Committee on Committee the following are criteria for election:
   a. Representatives must be faculty who appear on the Rank and Tenure roster.
   b. Faculty representing the undergraduate program in their School must teach a majority of their courses in the undergraduate program of that School. Faculty representing the graduate program in their School must have taught at least two graduate courses in the School the previous scholastic year.
   c. Faculty representing Schools must be elected from their respective Schools. A faculty member may stand for election in one School only. Membership in a School is determined by the departmental appointment. In case of dual appointment or multiple eligibility, the faculty member decides in which School he/she will stand for election.
   d. Faculty representing a program, undergraduate or graduate, in their School must be elected from the respective program. A faculty member may stand for election in one program in a School only. In case of dual appointment or multiple eligibility, the faculty member decides in which program he/she will stand for election.

2. The following are ineligible to stand for election:
   a. Presidents, Vice Presidents, Provosts, Vice Provosts, Deans, Associate Deans, Assistant Deans, Presidential Assistants;
   b. Faculty whose instructional duties are less than 4/6 at the time of election;
   c. Chairpersons, directors, etc., and directors of graduate or professional studies academic units whose instructional duties are less that 2/6 at the time of election.

1.6.1.5 Voting Rights

1. Elections conducted by the Committee on Committees:
   a. Ranked Faculty. All ranked faculty will automatically receive notice that the election ballot has been electronically posted. Faculty members may vote in one School only. For school-designated positions, all faculty members must declare on the preference survey which pool of eligibility (graduate or undergraduate and school) for which they qualify, determined by the School where the majority of courses are taught in a given scholastic year.
b. Voting eligibility of full-time and part-time non-ranked faculty will be determined by the Dean's office for the school in which those faculty teach. Each year, by the beginning of the spring semester, the Deans' offices must submit to the Faculty Governance Coordinator a roster of eligible full-time and part-time non-ranked faculty based on the following criteria: full-time and part-time non-ranked faculty are eligible to vote only when teaching one or more full courses in a given academic year. Non-academic administrators and coaches who are full-time College employees are considered part-time non-ranked faculty if they teach one full course during the scholastic year of the election. If the Faculty Governance Coordinator has not received the voter eligibility roster from a Dean's office by the first week of the spring semester, a reminder will be sent to the Dean's office. If any school does not submit a roster after being sent a reminder, adjunct or part-time faculty members in that school will NOT have access to the electronic ballot.

1.6.1.6 Resignations and Appointments

1. A faculty member wishing to resign from an elected committee must inform the Chair of the Committee on Committees in writing.

2. Should a position in an elected committee, other than the Rank and Tenure Committee and Grievance Committee, become vacant at any time, the Chair of the Committee on Committees shall appoint the runner-up in the most recent election of the position of the vacating member to complete the term. If no runner-up is available, the Chair of the Academic Senate will appoint a replacement for the remainder of the academic year and the position will be placed on the ballot for the next regular spring election.

1.6.1.7 Committee Charter and Composition

The Academic Senate can modify the scope of responsibilities, the size of faculty committees and the length of service on faculty committees after the current edition of the Faculty Handbook is published to improve the efficiency and the effectiveness of the role of faculty in the College governance system (see section 1.6.1.2.1.3). Any changes identified by an official Senate action can be made prior to the publication of the next edition of the Faculty Handbook. If faculty elections have been completed for the next academic year, the Senate may not increase the length of service for a faculty member but may reduce the elected term to be served. The chairperson of the Committee on Committees has the responsibility to discuss changes with faculty impacted by Senate actions.

1.6.1.2 The Academic Senate

1.6.1.2.1 Role

1. The Academic Senate is the principal instrument through which the faculty of the College exercises its responsibilities in the governance of the academic life of the College community. The Academic Senate is a faculty body with the specific responsibilities of identifying issues of legitimate faculty concern, especially matters directly and indirectly related to the academic life of the College, and to initiate appropriate actions to address them. In the process of arriving at its decisions, the Senate will keep the President and other appropriate officers of the College informed as issues come forward and will seek their advice, expertise, and recommendations.
2. The Academic Senate reviews, comments on, and suggests changes in initiatives that originate from the administrative officers of the College when sent to it for appropriate faculty review. It takes action on particular matters when requested to do so by the President, the Provost, or other designated College officials.

3. The Academic Senate is responsible for the overall design, functioning, and evaluation of faculty bodies (see section 1.6.1.2.2.3 below). It also advises the President and Provost about faculty membership on other governing bodies. It defines the proper responsibilities of, coordinates the functions of, and resolves disputes between the committees and other faculty bodies under its jurisdiction.

4. The Academic Senate provides, through its general meetings, a forum at which members of the faculty may express their opinions on matters under consideration or petition for consideration of other issues and, in so doing, help the Senate to exercise its judgment in an informed manner.

5. The Academic Senate, in collaboration with the Provost, may call a Special General Meeting for informal discussion on matters concerning the College community. Some meetings may have an open agenda and others may be planned around broad topics.

1.6.1.2.2 Responsibilities of the Academic Senate and Relationship to the Campus Community:

1. Faculty bodies may respond to, provide information for and/or refer recommendations to the Academic Senate (see Executive Meetings, section 1.6.1.2.9.1, General Meetings, section 1.6.1.2.9.2, and Special General Meetings, section 1.6.1.2.9.3). These reports and recommendations are submitted to the Provost (and other administrative bodies of the College and/or Board of Trustees when the Senate deems it appropriate). The Provost will keep the Senate informed of action taken. When the Provost has chosen not to act or to act contrary to the Senate recommendations, the Provost informs the Senate of his/her reasons. (See 6b below for details.)

2. From time to time, the Academic Senate will make recommendations to the Provost (and other administrative bodies of the College and/or Board of Trustees when the Senate deems it appropriate) concerning governance structures at the College. The Provost will review the recommendations and if he/she concurs, he/she will forward these recommendations to the President.

3. The Academic Senate defines the election procedures for and membership of faculty committees of the College. The Academic Senate has these responsibilities for the following committees: the Academic Senate and its committees, Rank and Tenure Committee, Academic Administrators Evaluation Committee, Grievance Committee, Faculty Welfare Committee, Committee on Committees, the January Term Committee, Collegiate Seminar Governing Board, the Core Curriculum Committee, Committee on Teaching and Scholarship, the Faculty Bookstore Committee, and Library Committee. (Regarding how changes are approved for the Faculty Handbook, see section 1.8.)

4. In consultation with the Academic Senate, the President defines the responsibilities and the procedures for the selection and appointment of the Provost. In consultation with the Senate, the Provost defines procedures for the selection, appointment, and evaluation of the Vice Provost for Undergraduate Academics, the Vice Provost for Graduate and Professional Studies, and the Deans. The actual appointments of the Vice Provost for Undergraduate Academics and of the Vice Provost for Graduate and
Professional Studies are made by the Provost, in consultation with the President (see section 1.4.2.1).

5. The Academic Senate establishes faculty qualifications for election to office and for voting, and defines the responsibilities and the procedures for faculty selection, appointment, promotion and tenure, sabbaticals, grievance, retirement and separation from the College.

6. The Academic Senate’s actions are of two kinds: those for which the Senate has full authority to act, such as faculty committee membership and procedures; those which are sent to the Provost for consultation, approval, or disapproval.

a. The Academic Senate’s authority to act on its own is defined in sections 1.6.1.1.7, 1.6.1.2.1, 1.6.1.2.2, and 1.6.1.2.9.1.3.

b. Motions of the Senate that are sent to the Provost (and other administrative bodies of the College and/or Board of Trustees when the Senate deems appropriate) will be responded to in writing within 60 working days. In the case of disapproval, the response will include the Provost’s concern(s) about the motion. Requests which are forwarded to the Academic Senate by the Provost will be acted upon within 90 school days.

1.6.1.2.3 Faculty Officers

1. Academic Senate Chairperson.

The chairperson presides over the general, special general, and executive meetings (1.6.1.2.9.1) of the Academic Senate. He/she sets the calendar for all meetings and coordinates the agenda for executive meetings. The chairperson assumes office after serving one year as vice chairperson. He/she receives reassigned time from teaching assignments commensurate with the responsibilities of the office.

2. Academic Senate Vice Chairperson

The vice chairperson is elected by the faculty at-large for a three-year term, the second year of which he/she serves as chairperson, and the third year of which he/she serves as past chairperson. He/she serves as chairperson of the Committee on Committee and receives reassigned time from teaching assignments commensurate with the responsibilities of the office.

3. Academic Senate Past Chairperson and Faculty Representative to the Board of Trustees

The past chairperson assumes office the year following service as the chairperson. The past chairperson is a voting member of the Academic Senate on all matters and together with the chairperson and vice chairperson serves as a “faculty officer” of the Academic Senate for the purpose of setting the agendas for general and special general meetings. The past chairperson also serves, by position, as the faculty representative to the Board of Trustees (see section 1.7.9.5)

1.6.1.2.4 Succession

If the chairperson is unable to continue in office, the vice chairperson assumes the office of chairperson. He/she continues as chairperson through the following year, i.e., the year he/she would normally serve as chairperson.
If the vice chairperson cannot assume the office of chairperson upon the latter's completion of his/her term, the Academic Senate shall elect, by majority vote, a chairperson for the upcoming year. Normally, nominations will be made from among the current and former members of the Senate.

If the office of vice chairperson becomes vacant, due to resignation or assumption of the office of chairperson, the Academic Senate shall elect a current or former member of the Senate to serve the remainder of the one-year term as vice chairperson. A regular election shall be held in the spring for the following year's chairperson and vice chairperson.

1.6.1.2.5 Parliamentarian

The chairperson shall appoint a parliamentarian from the faculty for a one-year term. The parliamentarian, who shall serve at the pleasure of the chairperson, shall be present at all general and special general meetings of the Academic Senate but shall not have a vote.

1.6.1.2.6 Faculty Governance Coordinator

The Faculty Governance Coordinator provides administrative support to the Academic Senate and its elected faculty committees. In addition, she/he:

1. Takes minutes of general and special general meetings of the Academic Senate and prepares them for posting;

2. Attends all Executive Meetings of the Academic Senate. Prepares agenda (coordinated set by the Senate executive committee), memos, and other materials and distributes them to senators, committee chairs, administrators, faculty members, etc.;

3. Maintains the Faculty Governance website, posting memberships, agendas, current reports and proposals, minutes, meeting schedules, etc.

4. Maintains all pertinent records and correspondence of the Senate, including a current file of all faculty members (School, full- or part-time status, eligibility for election, etc.);

5. Serves as an ex-officio, non-voting member of the Committee on Committees;

6. Coordinates and conducts the yearly faculty elections, in consultation with the Chair of the Committee on Committees;

7. Performs other duties related to the conduct of Senate business;

8. Supports the Undergraduate Educational Policies Committee, the Graduate and Professional Studies Educational Policies Committee, the Admissions and Academic Regulations Committee, and the Program Review Committee, as well as other committees of the Senate;

9. Keeps calendars, notices to faculty and maintains the Faculty Governance website for each of the above committees, as well as the Academic Senate, Academic Administrators Evaluation Committee, and the Faculty Welfare Committee.
The Faculty Governance Coordinator is selected by the Chair of the Academic Senate with the assistance of the Human Resources office and according to established College procedures. The Faculty Governance Coordinator reports to the Chair.

1.6.1.2.7 Membership

The Academic Senate consists of 10 elected members, and 1 appointed member, distributed as follows:
- past chairperson (in the year following service as chairperson)
- chairperson (tenured)
- vice chairperson (tenured chairperson elect)
- four tenured faculty members, one each from the Schools of Liberal Arts, Science, Economics and Business Administration, and Education
- two tenured faculty members to be elected at-large from the four schools listed above
- one faculty member on the Rank and Tenure roster who does not have tenure to be elected at-large from the four schools listed above
- one parliamentarian, non-voting, appointed by the chairperson for a one-year term

1.6.1.2.8 Terms of Office

Senators are elected for a two-year term, renewable once consecutively. The terms are staggered so that approximately one-half of the terms end each year.

If a senator needs to be absent for a month or more, he/she shall be temporarily replaced by the runner-up in the most recent Senate election in this senator's School.

Should a senator be unable to complete his/her term, the runner-up in the most recent Senate election for this position shall complete the term. If the runner-up is not able to serve, the chair of the Senate will appoint a replacement. (See section 1.6.1.1.6 Resignations and Appointments)

The parliamentarian may be reappointed for a second one-year term.

1.6.1.2.9 Duties of the Academic Senate

The Academic Senate has five duties:

1. To receive, review, and respond to and/or refer recommendations and reports from the Senate committees, the President, the Provost, the Vice Provost for Undergraduate Academics, the Vice Provost for Graduate and Professional Studies, and the Deans of the Schools.

   All concerns related to the academic life of the College are within the Academic Senate's purview except:

   a. Recommendations on sabbatical leaves, which are made by the Undergraduate Educational Policies Committee and the Graduate and Professional Studies Educational Policies Committee are forwarded directly to the Provost;
b. Selection of undergraduate students for awards at graduation, which is made by the Undergraduate Educational Policies Committee and reported directly to the Dean for Academic Development and the Registrar;

c. Rank and tenure decisions, which are made by the Rank and Tenure Committee; and

d. Grievances, which are considered by the Grievance Committee.

2. To set the agendas for general and special general meetings.

Items for agendas of general meetings are taken from recommendations, reports and requests for review received from:

a. The President, the Provost, Vice Provost for Undergraduate Academics, the Vice Provost for Graduate and Professional Studies, and the Deans of the Schools.

b. The committees under 1.6.1.2.2 (3) above.

c. The Academic Senate itself. Any member of the Senate, with the consent of the majority of the faculty officers (see section 1.6.1.2.3) present at an executive meeting, may place an item on the agenda for the next general meeting.

d. The faculty. Any faculty member, full- or part-time, may request that an item be placed on the agenda of a general meeting by submitting the request in writing. The Academic Senate will consider placing the item on the general meeting agenda after seeking information from appropriate parties and discussing it in an executive meeting. An agenda item submitted to the Academic Senate with the supporting signatures of ten other faculty members will normally be placed on the agenda of the next general meeting.

In order to avoid jurisdictional disputes and duplication of effort, faculty- and Academic Senate-initiated requests will ordinarily be sent for review to an appropriate committee.

Similarly, recommendations and reports received from committees may be returned for further study. Otherwise, all recommendations, reports and requests will be assigned to one of the two following categories:

i. The consent agenda.

Items identified as "consented to" are those which, in the judgment of the faculty officers of the Academic Senate, require no further discussion by the Academic Senate or faculty in a general meeting before a recommendation or decision can be made. Such items are judged to be non-controversial, issues that other committees have fully reviewed and to which the Academic Senate can make no further contribution, or issues on which the opinion of the faculty is already known. A two-thirds majority vote of faculty officers is required to place an item on the consent agenda, with the exception of the Undergraduate Educational Policies Committee, Graduate and Professional Studies Educational Policies Committee, and the Admissions and Academic Regulations Committee items for the consent calendar, as explained below. All Academic
Senate actions on a designated “consent agenda” item are taken at a general meeting of the Senate and are directed to the appropriate College officials for further action, if needed.

All items from the Undergraduate Educational Policies Committee (UEPC), Graduate and Professional Studies Educational Policies Committee (GPSEPC), and Admissions and Academic Regulations Committee (AARC) come to the Academic Senate and go on a consent calendar for automatic consent agenda approval, without vote or discussion unless:

- the vote to approve by the UEPC, GPSEPC, or AARC is less than two-thirds;
- the item involves a perceived alteration of or conflict with the College’s Mission;
- the item would have potentially significant campus-wide consequences;
- the item has significant resource or cost consequences that have not been identified and addressed by the UEPC, GPSEPC, or AARC.

Items will remain on the consent agenda unless removed by the Senate at a General Meeting. Any item may be removed from the consent calendar by a motion supported by four Senators. The Academic Senate will then reconsider that item for further action. The consent calendar is prepared and managed by the faculty officers of the Academic Senate.

ii. Items for consideration

Reports and actions from all faculty committees come to the Academic Senate for consideration, except as defined in (i) above.

3. To conduct faculty elections.

4. To review at the request of the President cases of alleged unprofessional conduct on the part of a faculty member, except in cases of sexual harassment or sexual misconduct (see section 2.9.2.1).

5. To initiate Academic Senate committees for the purpose of investigating specific problems and issues related to the academic life of the College or concerns of the faculty. The Academic Senate shall exercise due caution to assure that the responsibilities of its committees do not overlap those of other existing committees. Senate committees will normally make recommendations to the Academic Senate at its executive meetings.

1.6.1.2.9.1 Meetings

Academic Senate meetings are of three types: general, special general, and executive. Ordinarily, one general meeting is scheduled every three weeks from August through May.

1. Executive Meetings

The chairperson shall convene a meeting of faculty officers (chairperson, the past chairperson and the current vice-chairperson) at least one week prior to each General Meeting to prepare the agenda for the General Meeting. The time and location of these
meetings (Executive Meetings) shall be posted on the Faculty Governance webpage. Senators are invited to be present but are not required to attend these meetings.

a. Quorum

A minimum of two of the three named parties must be present to prepare the agenda.

b. Consent Agenda

A vote of at least two of the three faculty officers and representative is required to place an item on the Consent Agenda for the General Meeting (see section 1.6.1.2.9.2.d.i for policy guidelines).

2. General Meetings

The general meeting of the Senate provides a forum for all faculty members to exchange information and opinions about issues relevant to the academic life of the College or the concerns of the faculty. In addition to the items requiring action by the Senate, concerning which the Senate solicits viewpoints from attending faculty members, the agenda of the general meeting may also include:

a. Informational items in which the Senate grants invited speakers an opportunity to address the faculty at-large;

b. Committee reports;

c. General items of faculty interest, including items not yet ready for action, for which the Senate solicits input from the faculty.

Additions or changes to the agenda can be made only by a two-thirds vote of the Senate on a motion not open for debate.

Among the actions the Senate may take at a general meeting on the recommendations and reports it has received are:

1. To discuss and approve;

2. To discuss and not approve, with an explanation of the reasons for non-approval for all principal parties involved;

3. To approve an alternative or to amend; or

4. To return to a particular council or committee with recommendations for reconsideration.

Normally, the chairperson will open the floor to non-Senate members under each agenda item. The floor will remain open until closed by the chairperson, at which time discussion may be restricted to Senate members. All faculty members, whether full- or part-time, currently teaching, on leave, or emeriti, may speak at any general meeting. Staff and students may speak with the permission of the chairperson.

Only Senate members may introduce and vote on motions. The chairperson may choose to poll the faculty members in attendance before a vote is taken. By a two-thirds vote, the
Senate can require that a written poll be submitted to the entire College faculty for its response to an issue.

Substantive motions shall require a roll call vote (see Rules of Procedure of the Academic Senate, section 1.6.1.2.14).

The consent agenda and actions taken at the general meetings are forwarded to the Provost, with copies to the President of the College.

3. Special General Meeting

A special general meeting may be called by the chairperson upon request of the President or the Provost, by a petition to call such a meeting signed by three members of the Senate, or upon presentation of a petition signed by ten voting faculty who are not members of the Senate. No special meetings may be called without sufficient time (normally one week) for adequate notice to all faculty members.

1.6.1.2.10  The Provost

The Provost may:

1. Approve the motion as presented in writing within 60 working days; or

2. Consult with the Senate about possible revisions, or the intention to disapprove, prior to the final decision; or

3. Disapprove. The response will include the Provost’s concern(s) with the motion and be submitted within 60 working days. When the Senate deems it appropriate, they may request that the motion and the Provost’s concerns be sent to the President and/or the Board of Trustees. Such an action would require a two-thirds majority vote of the Senate.

For the first Senate meeting of each academic year, the Provost will submit a report to the Senate on the status of its actions from the previous academic years, if there are any.

1.6.1.2.11  Quorum

The quorum for General and Special General meetings of the Academic Senate is five voting members in addition to the chairperson or vice chairperson. A quorum must be present within 15 minutes of the scheduled time. In the absence of a quorum, the chairperson may decide to proceed with the determination of an agenda for the next general meeting. The Senate may not, however, take any other action requiring a vote.

1.6.1.2.12  Attendance

Members of the Academic Senate are expected to attend all general and special general meetings.

1.6.1.2.13  Voice

All faculty members, whether full- or part-time, currently teaching, on leave, or emeriti, may speak at any general meeting. Staff and students may speak with the permission of the chairperson.
1.6.1.2.14 Rules of Procedure

All general and special general meetings of the Academic Senate are governed by Roberts Rules of Order, Revised, as modified in the Rules of Procedure of the Academic Senate at Saint Mary's College. Each member of the Senate shall be provided with a current copy of the Rules of Procedure; additional copies will be available to the faculty through the Senate secretary (Faculty Governance Coordinator). These Rules of Procedure shall be approved at the first General Meeting of each Senate year.

1.6.1.2.15 Business Procedures

1. Additions or changes to the agenda can be made only by a two-thirds vote of the Senate on a non-debatable motion.

2. The procedure for council or committee recommendations or reports to the Senate is the following:
   a. Councils or committees present to the Senate in writing a signed recommendation or report. A minority report of the committee may be submitted if supported by two voting members of the council or committee.
   b. The text must be distributed to members of the Senate at least 48 hours prior to the executive meeting at which it will be discussed.
   c. Any recommendation or report will be considered as a principal motion, seconded by the committee vote, which must be reported.

3. An individual faculty member or group of faculty members wishing to place an item on the agenda of a general meeting must formulate it as specifically as possible and present it to the Chair of the Senate at least 48 hours prior to the executive meeting at which it will be discussed (see Executive Meetings, section 1.6.1.2.1.9.1.1).

4. The Senate will not proceed to consider and/or discuss an item unless the documents that are to be the basis of discussion have been distributed to Senators 48 hours before that meeting. The Chair has the discretion to make an exception to this requirement.

5. Discussion
   a. Each faculty member wishing to speak to a particular motion is limited to three minutes. Remaining time may be yielded to another speaker.
   b. Speakers are called in the order in which they have notified the chairperson of their desire to speak.

1.6.1.2.16 Presidential Response

The President of the College may report to the faculty at a general meeting on areas where consultation is needed or on executive action to be taken. Such an executive report should be included on the agenda.

1.7.3.3 Graduate and Professional Studies Programs Council (Graduate Council)

The Graduate and Professional Studies Programs Council meets twice a month.
1.7.3.4 Rank and Tenure Committee

Role: The Rank and Tenure Committee makes recommendations to the President on tenure and promotion, and makes recommendations to the Provost on reappointment subsequent to interim reviews. (For procedures, see section 2.6.2.2.)

Membership:
- one tenured representative each from the School of Liberal Arts, Science, Economics and Business Administration, and Education, elected for a three-year term, one or two elected each year so that the terms are staggered;
- five members-at-large (undergraduate or graduate), elected for three-year staggered terms;
- a chairperson (with vote), elected from the above nine regularly elected members; the chair will retain the representation for which he/she was elected, i.e., School or member-at-large.
- Provost (ex-officio, non-voting)

Each member of the Rank and Tenure Committee receives one reassigned time each academic year of service. This reassigned time should not exempt committee members from honoring teaching commitments to January Term and Collegiate Seminar, as well as advising assignments.

The elections for the members-at-large shall be conducted as follows:

In the nominating balloting, each faculty member nominates up to four people. The final ballot consists of the four faculty receiving the most votes on the nominating ballot. On the electing ballot, each faculty member votes for one. The person receiving the highest number of votes becomes a member-at-large on the Committee.

If any person serving on the Committee (School representative or at-large member) is required to leave the Committee permanently within the first two months of the Committee’s sessions, a replacement election must be held.

If any member serving on the Committee (School representative or at-large member) becomes ineligible to serve due to sabbatical or leave of absence, or is to be considered for promotion during a year when that member would have been on the Rank and Tenure Committee, a replacement election must be held.

Faculty Qualified for Election:

1. All tenured faculty (i.e., who appear on the Rank and Tenure roster with tenure) whose duties are primarily instructional (i.e., who do not teach less than 55%, or in the case of chairs and directors of graduate or professional studies academic units, whose instructional duties are not less than 2/6) and who have attained the rank of Associate Professor are eligible for membership-at-large.

2. For representatives of a School, to the qualifications in 1 are added: Members must be from the School electing them unless no one from the School is eligible; if a faculty member holds appointment in two Schools, he/she must choose the School of eligibility.
3. Members of the faculty are ineligible for election if they would be on sabbatical leave, or leave of absence, or being considered for promotion during the first year of service.

4. Any faculty member currently serving on the Rank and Tenure Committee is eligible for election as chair of the Committee for the following year. A faculty member is elected chair for a term of one year, and may be re-elected, up to a total of three consecutive terms.

If a member whose term is ending is elected chair, his/her term of service on the Committee will be extended by one year or as long as he/she is elected chair by the Committee. He/she will retain the representation for which he/she was originally elected to the Committee.

Faculty Who May Vote:

All faculty who appear on the Rank and Tenure roster may vote for appropriate members as specified:

a. All may vote to nominate and elect members-at-large;

b. Only those holding appointment in the School may vote to nominate two candidates for the School representatives (if a faculty member holds appointment in more than one School, he/she must decide in which School voting will take place);

c. All may vote in the final round to elect the representatives from each of the Schools.

Election Procedures: Faculty Positions Other Than Chair

1. After coordinating with the Committee on Committees to ensure that the Rank and Tenure elections conclude before the nominating ballots go out for other annual faculty committee elections, the Office of Academic Affairs commences distribution of ballots in the following election order:

   a. Representatives of the School;
   b. Members-at-large;
   c. Replacement members.

2. Balloting is conducted during one "school week" (five school days in the undergraduate calendar); ballots must be received by the prescribed date and time to be valid.

3. The initial ballot is a nominating ballot and contains the names of all faculty eligible for the position. Two nominations must be made for the ballot to be valid. The two nominees receiving the largest number of votes are placed on the election ballot (in case of a tie, the tied nominees are placed on the ballot). For the member-at-large position four nominations must be made for the ballot to be valid. The four nominees receiving the largest number of votes are placed on the election ballot (in case of a tie, the tied nominees are placed on the ballot).

4. The election ballot contains the names of the nominees. The nominee receiving the largest number of votes is elected.
**Election Procedures: Chairperson**

On or before February 1, the current faculty members of the Rank and Tenure Committee meet to hold an election for the position of chair of the Committee for the following academic year. (See 1.7.3.5., Faculty Qualified for Election, 4.)

a. At that meeting all current faculty members of the Committee who have actively served during that term must be present.

b. Current members may be nominated by any other current member of the Committee. A nomination must be declined or accepted at that time.

c. Nominations are closed when no other eligible members are nominated and accepted.

d. The faculty members present vote until there is a winner with one vote more than 50% of those cast.

**Duties of the Chairperson**

- to set the calendar for and agendas of the meetings of the Rank and Tenure Committee;
- to chair the meetings;
- to facilitate the Committee’s preparation of letters about faculty under review and sign them;
- to request of the Provost that the appropriate logistical steps be taken by the Office of Academic Affairs so that files are properly prepared, complete, and available for the entire Committee when needed;
- together with the chair of the Academic Senate, to resolve questions concerning the Committee’s election procedures, within the guidelines already established by the Academic Senate;
- to be available to the Provost at set times (between May and July) for joint consultation (at the request of the latter) with faculty who have received letters from the Committee.

**Role of the Provost:**

Because the Provost makes his/her own separate recommendation in the Rank and Tenure process, the role of the Provost on the Rank and Tenure Committee is advisory. The Provost’s presence as an ex-officio non-voting member is important in order for the Provost to hear faculty deliberations of a case and to be a resource to the Committee.

**Meetings:**

The sessions of the Rank and Tenure Committee are called by the chair of that Committee. They are not open to the public. The President of the College has the privilege to attend meetings without vote.

1.7.3.4.1 **Student Rank and Tenure Committee**

**Role:** The Student Rank and Tenure Committee is advisory to the Rank and Tenure Committee regarding tenure and promotion of full-time faculty teaching traditional students in undergraduate courses. It is charged with supplying the Rank and Tenure Committee with student questionnaire data on the teaching effectiveness of faculty being considered by that Committee for tenure and promotion as well as making formal written recommendations on these candidates based on this data.

**Membership:**
- chairperson appointed by the Student Body President
- five to six student members appointed by the Student Executive Council

Meetings: Meets as often as necessary, depending on the number of personnel to be reviewed.

### 1.7.3.5 Library Committee

**Role:** The Library Committee serves as an advisory resource to the Dean for Library and Academic Resources. The chairperson of the Library Committee serves as a liaison between the Dean for Library and Academic Resources and the Academic Senate. The chairperson of the Library Committee reports to the Academic Senate on the following issues:

1. Relations between the professional library staff and other segments of the College;
2. Acquisitions and collection development;
3. Budgetary needs;
4. Public services of the library.

**Membership:** The Committee consists of seven members:
- three ranked undergraduate faculty members, one each from the Schools of Liberal Arts, Science, Economics and Business Administration, appointed by the Deans of the respective Schools, in consultation with the chairperson of the Committee on Committees, for two-year renewable terms, appointments to be staggered
- one ranked graduate faculty member, appointed by the chairperson of the Academic Senate, for a two-year term
- one professional librarian, appointed by the Director of the Library, for a two-year term
- one graduate student, appointed by the chairperson of the Graduate and Professional Studies Council
- one undergraduate student, appointed by the Student Body President, ASSMC
- Dean for Library and Academic Resources

**Meetings:** The Library Committee meets twice per academic year. Additional meetings may be called by the Academic Senate, the chairperson of the Academic Senate or at the request of a majority of the Committee. The Committee elects its own chairperson from among its sitting faculty members. The chairperson, in consultation with the Dean for Library and Academic Resources, prepares the agenda for Committee meetings.

### 1.7.3.6 Committee on Academic Appeals

**Role:** A faculty/student committee that hears appeals from undergraduate students regarding decisions concerning academic regulations and standards affecting them individually. A standing committee, it is convened and chaired by the Vice Provost for Undergraduate Academics, at the request of the student:

1. To hear appeals regarding decisions of the Dean of the School or of the Registrar (and approved by the Dean of the School) concerning courses, standards, academic regulations and requirements for graduation;
2. To hear appeals regarding grades given by instructors.

Membership: The Committee consists of up to ten members:
- Vice Provost for Undergraduate Academics (ex officio and nonvoting)
- three ranked faculty members appointed by the Chair of the Committee on Committees;
- three ranked alternates (but also including Christian Brothers currently teaching at the College), one each from the Schools of Liberal Arts, Science, and Economics and Business Administration, appointed by the Vice Provost for Undergraduate Academics;
- four students appointed by the ASSMC President for one-year, renewable terms and confirmed by the Executive Council of that group.

Procedures:
1. When the student expects to appeal a decision by the Dean of his/her School and/or the Registrar, or to appeal a grade given by an instructor (see 1 and 2 above), the student must file a notification to that effect with the Vice Provost for Undergraduate Academics within one month from the beginning of the next long term. (For procedures in the case of a charge of academic dishonesty, see Academic Honesty Policy, section 3.1.1.)

2. The student is normally expected first to take his/her appeal to the instructor or administrator involved. If the student is not satisfied with the outcome, he/she should next take the appeal to the department chairperson or to the appropriate academic administrator.

3. If the matter is not resolved in step 2, the student will file a written statement of appeal with the Vice Provost for Undergraduate Academics. The Vice Provost will notify the appropriate instructor, department chairperson, and the School Dean that an appeal has been filed.

4. If the student decides not to pursue the appeal, he/she must advise the Vice Provost for Undergraduate Academics that the notification and/or statement of appeal be withdrawn.

5. The appeal must be brought to the Committee on Academic Appeals before one long term has elapsed since the term in which the cause for appeal occurred.

6. The Committee will not consider an appeal until and unless all the above avenues of informal resolution have been pursued.

7. The Vice Provost for Undergraduate Academics serves as the nonvoting Chair for each appeal hearing. Representatives of the two principals (a faculty member chosen by the student—a Christian Brother on staff may also serve this role—and a ranked faculty member chosen by the other principal, or in the case of an appeal of a decision by the Registrar’s Office, a representative of that office not involved in the original decision) will present to the Committee the respective arguments of the two principals whom they represent. The two principals do not attend the meeting unless requested to do so by the Committee.

8. Minutes of the proceedings will be taken and kept on file in the Office of Academic Affairs. All proceedings and correspondence, and the minutes are confidential and will not be maintained in the student’s permanent academic record.
9. In hearing an appeal, the Committee has authority to:
   a. set time limits on presentation by representatives of the two principals;
   b. request written statements from the principals, if necessary;
   c. determine if the principals are to appear before it;
   d. consider during its deliberations all documents and any records considered by the
      initiating instructor or administrator; oral and/or written argument of both
      principals; additional evidence the Committee deems appropriate.

10. The Committee, upon reaching a majority decision, has the authority in the individual
    case to instruct the Registrar to waive an academic regulation or requirement, make an
    exception to an academic standard, or to change a grade.

11. The Vice Provost for Undergraduate Academics gives written notification of the
    Committee’s decisions to the principals.

These guidelines include criteria for assessment after at least two and no more than three offerings. All individual course approvals should be based on both the guidelines and the way in which the course serves the overall curriculum of the department or program. The representative is elected by the faculty for a two-year term.

1.8 REVISION PROCESS OF THE FACULTY HANDBOOK

The content of the Faculty Handbook is of three categories:

a. descriptive and informational material, such as hours of operation for health services or duplicating services, directions for use of the telephone system, descriptions of facilities in the library, etc.;

b. definitions and procedures that have the force of creating or changing policies, such as sabbatical or rank and tenure procedures, rather than merely describing them; and

c. material that combines the two functions (a. and b.), such as charts describing institutional organization or committee structure and reporting.

The revision process has three types of procedures:

1. Material in Category (a) is routinely collected and updated by the Faculty Handbook Coordinator for each revision of the Handbook. When in doubt about the nature of the material, the Coordinator should consult with the chair of the Academic Senate and the Provost (and, when appropriate, the President), as prescribed in procedure 3, below, before proceeding to revise that section. Changes to material in Category (a) can occur and revised pages can be posted to the website or circulated to faculty to update their Handbooks at any time.

2. Material proposed by the Senate requires the approval of the Provost; material proposed by the administration and/or the Provost requires consultation with the Academic Senate. Changes or additions to material in Category (b) that have been approved by the Academic Senate and the Provost are collected through the academic year by the Faculty Handbook Coordinator. On or about February 20 of each year, the Faculty Handbook Coordinator distributes to members of the Faculty Handbook Review Committee all changes or additions to be considered by that Committee. During the first two weeks of March in each academic year, changes to material in Category (b) are reviewed by the Committee. Academic Senate members or faculty representatives who authored changes may be invited to be present during discussion of the section(s) in which they were involved. Changes agreed upon by the Committee are presented to the President for his approval in consultation with the Board of Trustees each year at its May meeting. Changes not agreed upon are returned to the appropriate Senate or faculty representative, or administrator for revision.

3. Any material in Category (c) must be reviewed by the chair of the Senate, the Faculty Handbook Coordinator, the Provost, and the President. If all four agree on the nature of the material, it will be treated according to procedure 1 or 2 as jointly agreed upon. If there is disagreement, then such material will be revised only through process 2.

The Faculty Handbook Coordinator is responsible for publishing and updating the Faculty Handbook. Entries that have been revised bear a notation to that effect on the pages of the Index, which record changes over several years. In addition, all the changes for a given year are presented in order in a separate section following the Index, with strikeouts indicating eliminated words and passages and bolding indicating added words and passages.
2. FACULTY

The faculty consists of all persons who are appointed by the President of the College to teach one or more courses. Administrators with faculty retreat rights are members of the faculty. When a faculty member has been authorized to act in an administrative capacity (such as President, Provost, Vice Provost, Dean, Department Chair/Program Director), to the extent that the person’s job responsibilities are not pedagogical but administrative and supervisory, the relevant portions of the Staff Handbook apply and take precedence.

2.1 DEFINITIONS OF FACULTY STATUS

Specification of the conditions for appointment for each of the faculty categories below is contained in section 2.2.

2.1.1 RANKED (TENURE-TRACK) FACULTY

Ranked faculty appear on the Rank and Tenure Roster. They are full-time employees of the College unless otherwise specified in their appointment; their appointments are probationary (tenure track) or tenured to the College and not to a program, department or School; they hold the academic ranks of Instructor, Assistant Professor, Associate Professor and Full Professor. Assignment is made to the department or program in which the faculty member teaches the majority of his/her courses. With the exception of the rank of Instructor and Exceptional Candidate appointment, faculty will hold the terminal degree (see sections 2.1.1.1 and 2.1.1.2).

The salaries of full-time ranked faculty whose duties are primarily instructional are contained in the full-time salary scale (see section 2.15.1).

*Instructor:* Appointment to the rank of Instructor is made when a candidate possesses the qualifications enumerated below for the rank of Assistant Professor with the exception of the terminal degree. The candidate will be enrolled in a terminal degree program in his/her field. Upon completion of the terminal degree, the candidate will automatically be eligible for immediate appointment to the rank of Assistant Professor.

*Assistant Professor:* Appointment to the rank of Assistant Professor requires that the candidate possess the terminal degree, show clear promise of effective service and teaching effectiveness, be judged competent to teach advanced or upper division courses, and give evidence of continued scholarly achievement.

*Associate Professor:* Appointment to the rank of Associate Professor normally requires that the candidate have demonstrated his/her effectiveness as a teacher, that he/she show clear promise of high scholarly achievement, and that he/she have demonstrated effective service. Possession of the qualifications enumerated above for the rank of Assistant Professor is assumed. The rank of Associate Professor may or may not accompany tenure.

*Full Professor:* Appointment to the rank of Full Professor is made in recognition of consistent evidence of high teaching effectiveness, high scholarly achievement, (the latter to be substantiated by a sound reputation among academic colleagues outside the College), and a high degree of effective service. Possession of the qualifications enumerated above for Assistant and Associate is assumed.
2.1.1 Terminal Degrees

A doctorate is normally considered to be a terminal degree. Any department wishing to propose another degree as terminal in a specialized field (e.g., the M.F.A. in Creative Writing) should make its case as clearly and fully as possible before the hiring process begins for any position that may be affected. The Undergraduate Educational Policies Committee (or the Graduate and Professional Studies Educational Policies Committee, if more appropriate) shall initially review such proposed non-doctoral terminal degree designation, and shall review all such designations every six years thereafter. Upon such a review they shall recommend approval or disapproval to the Academic Senate. Upon the approval by the Senate, non-doctoral terminal degrees are subject to final approval by the Provost. Any person hired as having the appropriate terminal degree and who has continued in the same position shall be considered to have permanent approval even if at some later date another degree is designated as terminal for that position. Such initial and permanent approval will appear in that faculty member's contract.

2.1.1.2 Exceptional Candidate Appointments (For Such a Rank)

When the proposed faculty member does not have the terminal degree, but shows clear promise of superior performance as a teacher, has scholarly achievement and service commensurate with the proposed rank, the Provost will seek a recommendation from the Rank and Tenure Committee for a finding of exception to requirement of the doctorate or an acceptable alternative degree to appoint at the rank of Assistant, Associate or Full Professor. A finding of exception by the President upon recommendation of the Provost is unalterable. Such findings for exceptional appointment shall be sought only for initial appointments and may not be used for extensions of current appointments.

2.1.2 NON-TENURE-TRACK FACULTY

Non-tenure-track faculty are of three types: Visiting Faculty, Adjunct Faculty and Lecturers. Visiting and Adjunct Faculty receive a pro-rata salary based on the full-time salary scale (see sections 2.15.1 and 2.15.2). Placement on the salary scale will be based on standards appropriate to their degree, experience and qualifications as enumerated in section 2.1.1. Lecturers receive a salary on a per-course, per-unit, or per-workshop basis.

*Visiting Faculty:* A temporary full-time appointment clearly limited to a brief association with the College, normally not to exceed two years; for example, to replace a ranked faculty member who is on leave or to fill a new ranked position for which a search has not yet been successful. A Visiting Faculty appointment is made to an individual qualified for or holding faculty rank and status at another college, as enumerated in section 2.1.1. Visiting Faculty receive a title corresponding to their placement on the salary scale.

*Adjunct Faculty:* An annual, renewable, non-tenure-track appointment which is made to an individual who does not hold a full-time academic appointment elsewhere, excepting individuals on leave from such an appointment. Adjunct appointments are for five courses or more, including administrative duties, are paid on a pro-rata basis, and carry non-teaching duties as enumerated in section 2.11.2, proportional to the extent of instructional duties contained in the appointment. Any adjunct position must be reviewed after two years and a determination made whether to change that position into a tenure-track position. No adjunct appointments may be continued as such for more than three consecutive years without a specific ruling by the Provost, in consultation with the Deans in those Schools that would be
impacted by a change in that position, explaining the necessity for continuing the position in such a way and offering a time-table for conversion to tenure track or reduction to less than 5/7. Although Adjunct Faculty are paid at differing levels corresponding to the full-time salary scale, they hold the title of Adjunct Faculty.

Lecturer: All non-tenure-track faculty who are paid on a per-course, per-unit or per-workshop basis hold the academic title of Lecturer. Lecturers have none of the additional duties as described in section 2.11 and are placed on the Lectureship salary per-course scale for the program to which they are appointed. Lecturer appointments are made on per-unit, per-course, or per-workshop basis only. Lecturer appointments remain non-tenure track appointments regardless of the number of courses taught in an academic year or the number of annual contracts entered into between the Lecturer and the College over time. If a Lecturer is appointed by the President to teach more than one course, unit, or workshop in an academic year, that Lecturer is not entitled, as a result of such appointment(s), to receive benefits that are available to adjunct faculty teaching five or more courses (see section 2.14). The appointment of a Lecturer to teach more than one course, unit, or workshop in an academic year is subject to the prior approval of the Provost, in consultation with the Dean(s) of the School(s) in which such Lecturer’s services are to be retained.

2.1.4 ADMINISTRATORS WITH FACULTY RETREAT RIGHTS

Certain administrative positions make the holder responsible for the character and quality of a major academic unit within the College. Because such positions involve responsibility for curriculum and for academic quality, review of faculty, and expectations of leadership over issues that affect the academic enterprise of the College as a whole, they are inherently academic in nature. These positions are the Provost, the Vice Provost for Undergraduate Academics, the Vice Provost for Graduate and Professional Studies, and each Dean of a School. These positions are normally filled via national searches resulting in multi-year appointments, and exceptions to this standard made in consultation with the Academic Senate. When an individual is appointed to one of these positions on a regular basis, that is, other than as Acting or Interim Dean, he/she will also be appointed as a ranked faculty member associated with a department either on tenure track or tenured. Although there is no such status as administrative tenure, he/she has faculty retreat rights, that is, the right to assume the position of a full-time faculty member of the College upon leaving the administrative position.

Assignment to a department will be made by the Provost (by the President in the case of the appointment of the Provost) in consultation with the department involved. For appointments at the ranks of Associate Professor and Full Professor, the Rank and Tenure
Committee will be consulted prior to the appointment about the rank and the tenurability of the appointee, as specified in Selection/Appointment of Ranked Faculty, section 2.3.1.

An administrator as defined in this section, who is also a ranked faculty member, agrees to the provisions of this Faculty Handbook which are applicable to his/her faculty ranks.

A ranked faculty member who assumes an administrative position at the College that does not carry ranked faculty status nonetheless continues to be a ranked faculty member; however, ranked faculty status is not thereby transferred to the administrative position.

The President may decide to allow an existing or new administrative position to carry ranked faculty status. A proposal to incorporate ranked faculty status into a new or existing administrative position must originate in the Academic Senate and be approved by the Provost before being considered by the President. If an administrative position is converted to an administrative position with ranked faculty status, the incumbent at the time of conversion, if not already tenured as a faculty member, may be granted tenure and/or retreat rights at the discretion of the President (under the procedures described above for the granting of tenure and retreat rights to individuals assuming an administrative position with ranked faculty status). Any teaching under this provision must follow the procedures for approval and notification listed in section 2.1.5 below.

### 2.1.5 TEMPORARY APPOINTMENT OF ADMINISTRATOR TO RANK ONLY

An administrator in a non-academic position may be appointed temporarily to an academic rank and departmental affiliation by the President if all of the following conditions are satisfied:

1. All the criteria for that rank must be met by the individual and reviewed by the Provost, the chair of the department and the Dean of the School with which the individual will be affiliated. The Provost will make a recommendation of the appropriate rank to the President. If the rank proposed is Associate Professor or Full Professor, the Provost will also consult the Rank and Tenure Committee prior to advising the President.

2. Any teaching in the department or program designated or in any other area is only by invitation of that department or program and requires the consent of the appropriate Dean, the approval of the administrative person's supervisor, and proper notification to the Provost. Continued teaching is subject to departmental need and a regular review of the individual's teaching effectiveness. Teaching under this provision does not imply or confer academic salary nor any rights toward sabbatical or tenure.

3. Under this provision the position does not carry ranked faculty status and does not confer retreat rights on the individual.

The term of appointment is one academic year and may be extended by the President in writing after the first year for a period not to exceed the period of employment as an administrator.
2.2 TYPES OF APPOINTMENTS

Terms and conditions of appointment are contained in letters of appointment from the President, and in this Faculty Handbook. While a faculty member may have appointments in more than one School, normally a single letter of appointment for a term or year will be written. Letters of appointment for continuing faculty should be issued in a timely manner prior to the expiration of the current letter of appointment.

2.2.1 INSTRUCTOR APPOINTMENT

Without an expressed exception, a faculty member appointed to the rank of Instructor must be engaged in the active pursuit of the terminal degree. The total period of full-time service prior to the acquisition of the terminal degree may not exceed three years. Notice shall be given in accordance with section 2.8.3.1 at least one year prior to the conclusion of the third year of full-time service if the faculty member is not to be continued in service after the expiration of that three year period. For Instructors who progress to the rank of Assistant Professor, each year at the rank of Instructor will count as one step up to a maximum of three steps in the rank of Assistant Professor in the faculty salary scale.

2.2.2 PROBATIONARY (TENURE-TRACK) APPOINTMENT

The total period of full-time service as a probationary tenure-track appointee may not exceed seven years. At the time of the initial tenure-track appointment, the anticipated year in which the tenure review will occur will be specified in writing. A faculty member coming to the College without any previous full-time ranked teaching elsewhere will be considered for tenure in the sixth year of appointment. The College will normally consider up to three years of other full-time ranked teaching elsewhere and credit this toward the year of tenure consideration. Thus, a faculty member with three years credit would come up for tenure consideration in the third year of the probationary appointment. In exceptional circumstances (see 2.3.1.14), a faculty member may be appointed with tenure, or with four, five, or six years toward tenure.

In determining the rank and step initially assigned to a faculty member, the appointee’s past activities (e.g., teaching, professional experience, scholarly activities, etc.) are evaluated for equivalence to full-time service.

Scholarly leave of absence for one year or less will count as part of the probationary period as if it were prior service at another institution, unless the individual and the President or his delegate agree in writing to an exception to this provision at the time leave is granted.

Notice shall be given in accordance with section 2.8.3.1 at least one year prior to the expiration of the probationary period if the faculty member is not to be granted tenure (see Standards of Notice, section 2.8.3.2). Failure to give such notice does not constitute the granting of tenure.

2.2.3 TENURED APPOINTMENT

Tenured appointments are permanent appointments which may be terminated only under conditions noted in section 2.8.5, with the burden of proof resting upon the College.
2.2.4 REDUCED SERVICES (TENURED APPOINTMENT)

Reduced Services (Tenured Appointment) Tenured faculty who were employed by the College as of June 30, 2007, and who did not choose to participate in the Phased Retirement Program (see 2.2.4.1) may permanently alter their full-time tenured appointment to a reduced services appointment (4/6 course load or less) through written agreement with the College. In order to be eligible for a Reduced Services appointment, the faculty member must be tenured, have completed 10 years of full-time service, and have attained age 60.

Tenured faculty members who have entered the Reduced Services Plan

- will be paid at a rate proportional to their teaching load,
- shall perform proportionate related College duties, such as a reasonable number of advisees, independent studies and reasonable elected or non-elected committee service, as agreed upon each year with the Provost,
- retain all rights due tenured faculty members, except sabbatical leave, and
- retain full benefits, except life and long-term disability insurance which are paid at a rate proportional to the reduced teaching load.

See sections 2.13.2.2 “Personal Leave” and 2.13.2.3 “Scholarly Leave” as well as 2.14.3 “Medical Plans” for further information about reduced services other than those mentioned above.

2.2.4.1 Phased Retirement (Tenured Appointment)

Tenured full-time faculty who participate in the Phased Retirement Program may permanently alter their full-time tenured appointment to a Phased Retirement appointment (4/6 course load or less) through a written agreement with the College. In order to be eligible for a Phased Retirement appointment, the faculty member must be tenured, have completed 10 years of full-time service, and have attained age 60.

No faculty member may spend more than five (5) years in the Phased Retirement Plan, excluding time spent on approved unpaid leave.

Tenured faculty members who have entered the Phased Retirement Plan

- will be paid at a rate proportional to their teaching load,
- shall perform proportionate related College duties, such as a reasonable number of advisees, independent studies and reasonable elected or non-elected committee service, as agreed upon each year with the Provost,
- retain all rights due tenured faculty members, except sabbatical leave, and
- retain full benefits, except life and long-term disability insurance which are paid at a rate proportional to the reduced teaching load.

2.2.4.1.1 Phased Retirement (Transition from Reduced Services appointment)

Faculty members who had a permanent Reduced Services appointment on June 30, 2007, and elected to participate in the Phased Retirement Program automatically transfer to a Phased Retirement appointment beginning in the 2007-2008 academic year. Such faculty members may spend no more than five (5) years in the Phased Retirement Program, excluding time spent on approved unpaid leave.
2.2.4.2 Retired Faculty Lecturer Status

Tenured faculty completing the Phased Retirement Program will be considered retired. Following retirement, a faculty member may be eligible for consideration as a lecturer at the discretion of the Department Chair or Program Director. Eligibility for possible appointment as a lecturer does not expire.

2.2.5 NON-TENURE-TRACK APPOINTMENT

2.2.5.1 Visiting Faculty

An appointment as Visiting Faculty is a full-time non-tenure-track appointment, not to exceed two years.

2.2.5.2 Adjunct Faculty

Adjunct Faculty are appointed on an annual, non-tenure-track basis, provide services in accordance with the letters of appointment that govern their appointments, and may be appointed for two additional consecutive annual appointments, following their initial annual appointment. In the event that sufficient enrollment is not attained to warrant offering the courses designated, or an adjustment in the workload and compensation, in the judgment of the Dean of the School, in consultation with the Provost, must be made, the College reserves the right, in its sole discretion, to terminate or modify appointment, including assignments of other courses in subjects for which the Adjunct Faculty member is qualified, without further obligation to that Adjunct Faculty member.

After the third annual appointment, no new appointment can be made without the specific ruling and timetable called for from the Provost in section 2.1.2 under Adjunct Faculty. Until that ruling following the third annual appointment, no Adjunct Faculty who has been appointed to three annual appointments shall be eligible for appointment. The procedures and criteria concerning adjunct positions apply to all Adjunct Faculty hired beginning January 1, 1997. Adjunct Faculty hired prior to January 1, 1994, are covered by Protocols in section 2.2.7; for faculty hired between January 1, 1994, and December 31, 1996, see section 2.4, Evaluation of Adjunct Faculty.

2.2.5.3 Lectureship

An appointment as Lecturer may be made on a per-course, per-unit, or per-workshop basis on the salary scale of the appropriate School and may be offered indefinitely. Lecturers provide services in accordance with their letter of appointment, and appointment of Lecturers shall be governed by and limited to the terms of their letter of appointment. Lecturers will be appointed to teach a maximum of four courses a year. Deans who wish an exception to this limit for compelling programmatic reasons must consult with and obtain the approval of the Provost.

2.2.6 CONSIDERATION FOR THE CREATION OF ADDITIONAL FACULTY POSITIONS

The Provost approves faculty for adjunct (pro-rata) or tenure-track appointments in all Schools.
2.2.6.1 Adjunct Faculty (for the undergraduate programs in the Schools of Science, Liberal Arts, Economics and Business Administration, and for the School of Education)

Any Adjunct Faculty member teaching the equivalent of five or more courses should be given full-year, pro-rata appointments. Letters of appointment should be written for the whole year when departmental needs can be clearly identified. Departments should assess their needs for non-tenure-track faculty for the year as a whole in order to give, where possible, annual letters of appointment. Such appointments are subject to the reviews called for in section 2.1.2.

2.2.6.2 Tenure-track faculty

When multiple part-time appointments totaling six or more courses are regularly made in a single department or program, a case should be made where appropriate for a full-time tenure-track faculty position by the Dean of the School to the Provost. It is the responsibility of the department to make a clear and cogent case for and to provide supporting materials and justification concerning the hiring of someone for such a full-time tenure-track position, especially when the appropriate "terminal" degree may not be the Ph.D.

2.2.7 PROTOCOLS

2.2.7.1 Direct Appointment to a Tenure-Track Position Without a National Search, for Adjunct Faculty Hired Prior to January 1, 1994

1. The Provost identifies the need for a tenure-track position, and the President approves the need for a tenure-track position.

2. A faculty member with at least a 5/7ths appointment for two of the most recent three academic years submits a written request for a direct appointment to the appropriate department chair or program director.

3. The department chair or program director reviews with the faculty member his/her qualifications for tenure-track consideration, based on the Faculty Handbook guidelines. The chair makes a written recommendation supporting or opposing the appointment.

4. The chair or program director forwards his/her recommendation and documentation to the appropriate Dean(s) who evaluates the candidacy and makes a recommendation supporting or opposing the candidacy. The Dean(s) pass on the recommendation and all documentation to the Provost.

5. Based on the record forwarded from the Dean(s), the Provost determines if the candidate is competitive with a potential first-choice candidate from a potential national search process. The Provost then forwards his/her written recommendation to the Rank and Tenure Committee with all the documentation.

6. The Rank and Tenure Committee reviews the documentation including the Provost's recommendation. In the case of appointment at the rank of Assistant Professor, the Rank and Tenure Committee offers an informal oral assessment to the Provost. In the case of other ranks, the Rank and Tenure Committee provides written recommendation to the Provost.
7. The Provost reviews the evaluations of all the other steps and makes a final recommendation to the President, and the President approves or denies the request for direct appointment.

Nothing in the Protocol 2.2.7.1 process precludes the Saint Mary's College faculty member from participating in a subsequent national search process, should direct appointment to the position not be approved. The decision against direct appointment is not a matter for grievance.

2.2.7.2

Candidacy of a Current, Non-Tenure-Track Saint Mary's College Adjunct Faculty Member Hired Prior to January 1, 1994, in a Search Procedure for Tenure-Track Appointment

1. The Provost identifies the need for a tenure-track position, and the President approves the need for a tenure-track position.

2. The Provost shall notify all eligible faculty (see section 2.2.5.2) of the College's policy on assessment of non-tenure-track faculty and on institutional planning regarding conversion and/or consolidation of non-tenure-track positions into tenure-track positions.

3. As soon as a national search or internal consolidation is approved by the Provost, the Dean of the appropriate School, coordinating with the appropriate department chair(s) or program director(s) arranges a formal evaluation for any Saint Mary's College faculty whose job would be affected by the search and who has not been evaluated within the preceding 12 months. A faculty member may choose to decline the evaluation on the basis that he/she will not be pursuing a candidacy for the new position. Anyone who is evaluated should be provided with specific feedback on their qualifications (teaching, service, scholarship) in relation to the perceived "national pool."

4. When the search begins, the Saint Mary's College faculty member may apply and be considered as any other candidate would be. Until such time as non-tenure-track faculty have access to comparable faculty development support for scholarly activities, an eligible faculty member under section 2.2.7.2 may ask for such support to make it possible for that faculty member to be as competitive as possible in a national search process. The Provost, whenever a conversion or consolidation is planned, will identify which Saint Mary's College faculty are eligible for such special access.

If non-tenure-track Saint Mary's College faculty are to compete in national search procedures, some attention must be given to the "service" component of such an evaluation, since non-tenure-track faculty are not currently allowed to serve on elected faculty committees. In addition, funding support for professional and scholarly development for those non-tenure-track faculty competing for tenure-track positions should be increased to the same level as for those on tenure track, as soon as a designation of eligibility is made and approved by the Provost.

2.2.7.3

Case-by-Case Review of Adjunct Faculty Hired Prior to January 1, 1994, Not Covered by 2.2.7.1 or 2.2.7.2

1. The faculty member may request a review of his/her performance and/or position in any year.

2. In the event that the faculty member has not requested a review, the appropriate Dean(s) will initiate a review of all Adjunct Faculty and their positions during the third of every three years.
years. Every faculty member should have an officially designated "primary department or program appointment" for the purposes of review and evaluation, although the Provost has the discretion under this provision to appoint a different chair and/or Dean to do the actual evaluation.

3. With a positive recommendation from the Dean, the Provost may elect to retain the non-tenure-track position and/or the person at 5/7th or greater for longer than three years without a national search or direct appointment (according to 2.2.7.1 and 2.2.7.2).

4. In the absence of a specific request by a faculty member, and because the Provost is responsible for identifying and justifying all faculty/administrative appointments at 5/7ths or greater that continue for three consecutive academic years but are not tenure-track, the Provost may initiate an individual review, as in 2.2.7.3.(2), or may choose not to do so.

2.3 SELECTION AND APPOINTMENT PROCEDURES

2.3.1 SELECTION/APPOINTMENT OF RANKED FACULTY

1. Ordinarily, a search originates in and is conducted by an academic department or program. Before beginning the selection process, the department chair shall request the Dean of the School to secure written authorization from the Provost for a particular position, while the President approves the total number of new positions. After written authorization has been secured, the Dean will notify the department chair in writing and attach the documents listed below (2.3.1(3)). The chair bears responsibility for ensuring that the procedures below are followed, with particular emphasis upon selecting colleagues who support the mission of the College, meet the needs of the department or program, and help the College fulfill its commitment to diversity.

2. The department chair, in consultation with the ranked faculty in the department or program and the Dean of the School, appoints a Search Committee, chaired, whenever possible, by a tenured faculty member. In extraordinary circumstances (e.g., when hiring for a new program), an academic Dean may initiate a search. In such cases, the Dean shall appoint a faculty chair of the Search Committee who will carry out the search process; under these circumstances, the Dean maintains responsibility for ensuring that procedures are followed. In any case, the Committee shall include a faculty member from outside the department, preferably one from outside the School. For primarily traditional undergraduate appointments, the Committee should include a faculty member who has taught in and will represent the Collegiate Seminar.

3. The Committee shall consult the following documents provided by the Dean at the time of written approval:

   a. the College Mission statement;

   b. the Equal Employment Opportunity Recruitment document (available in Human Resources office);

   c. the Faculty Search Procedures statement (available in Human Resources office);

4. The Committee shall also consult directly with the Provost regarding approved procedures for the proactive recruitment of faculty.
5. Ranked faculty (that is, those on the Rank and Tenure roster) play an essential role in the recruitment and selection of new members of the faculty at Saint Mary's College. Accordingly, throughout the search and selection process, the Committee shall consult with all ranked department faculty and the Dean.

6. To meet the College's commitment to diversity, a good faith effort should be made to include at least one candidate, in the final list of candidates, from traditionally underrepresented groups (including but not limited to racial, gender, and disabled) in the field for which the search is occurring. To enable a faculty Search Committee to conduct the strongest possible search for underrepresented candidates, the Human Resources office will send to the faculty Search Committee chairperson a copy of the Faculty Search Procedures, which includes a section on underrepresented groups.

Before the actual search begins, the Search Committee will return their pro-active plan on the recruitment of underrepresented groups, to the Equal Employment Opportunity Committee chair and the appropriate Dean. The Equal Employment Opportunity Committee and the Dean will review the plan separately and then supply feedback and recommendations to the Search Committee.

7. The Search Committee shall narrow the pool of applicants to a list of candidates to be interviewed. This list, as far as possible, should reflect the College's commitment to its mission, department/program needs, equal employment opportunities, and diversity.

After choosing the final candidates, the Search Committee will submit an account of the actions taken according to their pro-active plan to the Equal Employment Opportunity Committee, Dean, and Provost. If the Dean and/or Provost finds that there has not been a good faith effort, the Dean and/or Provost will ask the Search Committee to make such an effort before the interviews can proceed.

8. Once the final list of candidates has been selected by the Committee, the Committee is responsible for arranging campus visits which shall include interviews with the Committee, the Dean, and the Provost.

9. Assuming that the list does reflect the view of the majority of ranked department members, the department chair or program director will forward it to the Dean of the School. If any ranked member of the department wishes a secret vote, the department chair or program director will conduct such a secret vote. In all cases, the chair or director will forward the ranked list of the candidates along with a written statement that supports the order of preference and vote tally (if such a vote were taken) to the Dean of the School. Any ranked faculty member who has a dissenting opinion regarding the ranked list may append this to the previous written communication within five working days. This communication and any appendices will also be shared with all ranked faculty members of the particular department or program.

10. The Dean shall review the recommendations. If the Dean does not agree with the first choice of the department or program, he/she shall meet with the department or program and attempt to reach an agreement on the candidate of choice. If no agreement is reached,

---

2 Examples of what is meant by a good faith effort: advertising in journals and in publications of professional organizations that are of particular interest to underrepresented groups; utilizing the Minority and Women Doctoral Directory; contacting graduate programs where underrepresented groups are completing doctorates through the use of Peterson's Gradline (a database covering all U.S. institutions offering postbaccalaureate degrees); and attending workshops on faculty recruitment sponsored by the College's Diversity Task Force.
the Dean shall send on to the Provost both the recommendations of the department or program and his/her own.

11. If the Provost does not agree with the first choice of the department or program, he/she shall discuss his/her reasons with the department or program and an attempt shall be made to resolve the difference of opinion.

12. If an agreement cannot be reached between the Provost and the department/program on the candidate of choice, the Provost shall offer the Search Committee, in consultation with the department/program and the Dean, a choice of one of the following options: terminating the search in its entirety, restarting the search, or re-interviewing one or more candidates. If the candidate of choice cannot be agreed upon between the Provost and the department/program and all options agreeable to both have been exhausted, the matter may be taken to the President for review, counsel, and resolution.

13. In cases of a proposed appointment at the Associate Professor or Full Professor level or an appointment with tenure, the Provost shall consult with the Rank and Tenure Committee regarding the appropriateness of the proposed rank before making his/her recommendation.

14. In exceptional circumstances, when the Program/Department, Dean and Provost are in agreement, the President may appoint the candidate with tenure, or with four, five, or six years toward tenure. In cases of a proposed appointment with tenure, the qualifications of the candidate must be reviewed and approved by the Rank and Tenure Committee (see 2.6.1.1.4) before the appointment can be made.

15. Appointments are made by the President, upon the recommendation of the Provost, acting upon the recommendations of the Dean of the School and the department or program.

2.3.2 SELECTION/APPOINTMENT OF NON-TENURE-TRACK FACULTY

2.3.2.1 Visiting Faculty

The Provost recommends the appointment of Visiting Faculty to the President, upon the recommendation of the Dean.

1. The Provost may, but is not required to, interview final candidates or consult the Rank and Tenure Committee in recommending the appointment of Visiting Faculty.

2. With the exception of 1. and 2. in section 2.3.1, above, the guidelines for selection and appointment of ranked faculty should be followed in the case of Visiting Faculty.

2.3.2.2 Adjunct Faculty and Lecturers

1. Adjunct Faculty are recommended for appointment by the Provost and the Dean of the School, upon recommendation of the department chair; department chairs should consult with ranked department faculty in making recommendations to the Dean.

2. Lecturers are recommended for appointment by the Dean of the School, upon the recommendation of the department chair.

3. The department chair is responsible for soliciting applications and for conducting initial interviews.
4. The President or his designee must approve all appointments by signing all faculty letters of appointment.

2.3.3 EQUAL EMPLOYMENT OPPORTUNITY

Saint Mary’s College, as a Catholic institution dedicated to social justice in its institutional practices, supports equal opportunity employment practices in all its employment policies covering academic and non-academic personnel. On its position announcements, the College states that it seeks faculty who espouse or respect the Catholic tradition. In February 1971, the College first reaffirmed this general employment policy in a draft statement, which has been since revised from time to time and which now reads as follows:

*Equal Employment Opportunity/Diversity Program*

All members of the College community should be aware of the College’s firm commitment to promote equal employment opportunity for all job applicants. The College is committed to the general policy of non-discrimination on the basis of race, color, religion, national origin, ancestry, marital status, gender, sexual orientation, age (40 years or older), medical condition, or physical or mental disability and is committed to recruiting and retaining a diverse student and employee population. Accordingly, we wish to affirm the following:

1. In recognition of the College’s commitment to creating and retaining a diverse employee population, each Dean, director or head of an operating unit is directed to conduct an active search for and to give equal consideration to all applicants regardless of race, color, religion, national origin, ancestry, marital status, gender, sexual orientation, age, medical condition, or physical or mental disability as employment opportunities become available.

2. All proposed personnel changes involving appointments, renewal, promotion or termination will be previewed by the Provost for all faculty personnel, or the Director of Human Resources for all non-faculty personnel. The Director of Human Resources will have the general responsibility for informing Deans, directors and department heads of the College non-discrimination policy and of enforcing that policy.

3. All job vacancies will be listed with the Director of Human Resources, who is responsible for announcing all vacancies in such a way that all applicants, including but not limited to minorities, women and the mentally or physically disabled have an equal opportunity to apply and to be considered for vacant positions.

4. Since its inception, the College has followed the policy that a Christian Brother, if qualified, may be appointed to any position in the College without a position announcement. With that exception, and a limited list of other allowable exceptions available from the Director of Human Resources, the general policy of the College is that all vacant positions shall be announced publicly.

5. There will be an Equal Employment Opportunity Compliance Committee reporting to the Director of Human Resources (for description see 1.7.2.2). This Committee will have as its functions (1) to advise the Director of Human Resources as requested or as needed on equal employment opportunity policies and procedures in progress; and (2) consider any unresolved grievances which may arise alleging harassment (other than sexual harassment) or discrimination on the basis of race, color, religion, national origin, ancestry, marital status, gender, sexual orientation, age, medical condition, or physical or mental disability and to make appropriate recommendations to the President of the College, whose decision in all personnel matters is final, regarding such grievances.
6. The College recruits applicants in accordance with all applicable federal and state laws. Adequate records will be maintained to document placement interviews and the results of those interviews.

7. All personnel actions such as compensation and benefit decisions, transfers, layoffs and awarding tuition assistance, are administered by the College in a non-discriminatory manner.

8. All public college facilities are maintained on a non-discriminatory basis. Minority students maintain a cultural center in which all members of the College community are invited to participate.

9. All those with whom the College subcontracts will be notified of any commitments required under Executive Order 11246 and comparable federal and state laws and of their obligation as subcontractors.

10. The College pledges active support, when feasible and consistent with the mission of the College and applicable federal and state law, to local community and national action programs for equal opportunity in employment.

11. Notice of this Equal Employment Opportunity policy shall be distributed to members of the College community and equal employment opportunity posters are to be displayed in appropriate areas of the campus.

2.3.4 SECTION 504, REHABILITATION ACT OF 1973: COMPLIANCE

Saint Mary’s College operates in accordance with Section 504 of the Rehabilitation Act of 1973. Section 504 is a Civil Rights Statute that guarantees rights to qualified disabled individuals. The Admissions and Academic Regulations Committee, as advised by the Academic Support and Achievement Programs office, will review its requirements as needed in order to distinguish from what may be a carry-over of custom, past practice, or instructional habit, and explore and evaluate alternative approaches that are reasonable under the circumstances presented and under the law. The student should meet essential requirements of the program in some acceptable form. Employee inquiries concerning the law and compliance may be addressed to the Director of Human Resources. The Coordinator for Compliance with Section 504 for students is located in the Office of Academic Support and Achievement Programs. A statement of policies and procedures for qualified disabled students is available in the Office of the Dean for Academic Development.

2.3.5 AMERICANS WITH DISABILITIES ACT (ADA)

The Americans with Disabilities Act prohibits discrimination against the disabled in all phases of employment (including recruitment and hiring) and in their access to the facilities, goods and services of most public places, including all colleges, universities and other educational institutions.

A key issue under the ADA is determining the essential functions of the job. Essential functions are defined as "primary job duties that are intrinsic to the employment position." The law requires accommodations or other changes in the work environment, as well as in the way things are done, so that a qualified individual with a properly documented disability as defined by law will be given an equal opportunity to perform the essential functions of the job and to receive the benefits and privileges normally associated with the job, unless such accommodations cause an undue hardship on the College, which has the right and
responsibility to determine the type of accommodation that is appropriate under the circumstances presented and under the law. Broader and more detailed than Section 504 of the Rehabilitation Act of 1973, the ADA is enforced by five federal agencies with coordination and monitoring by the Department of Justice.

Employee inquiries concerning the law and compliance may be addressed to the Director of Human Resources. The Coordinator for Compliance with Section 504 for students is located in the Office of Academic Support and Achievement Programs.

2.3.6 SPECIAL APPOINTMENT CATEGORIES

2.3.6.1 Appointment of Christian Brother

Since its inception, the College has followed the policy that a Christian Brother, if qualified, may be appointed to any position in the College without a position announcement. With that exception, and a limited number of other allowable appointments referenced in the Administrative/Staff Personnel Policies (4/97) V. A(1), available from the Director of Human Resources, the general policy of the College is that all vacant positions shall be announced publicly.

2.4 EVALUATION OF ADJUNCT FACULTY

1. For the purposes of evaluation, each faculty member should have a "primary department or program appointment" officially designated by the Provost. The chair of that department or director of that program conducts the teaching evaluation, although the Dean has the discretion to appoint someone from outside the department or program to "chair" the evaluation process if that would facilitate a more effective process. An evaluation will be based on at least two class visits, arranged in advance with the faculty member, and a review of all teaching evaluations since the most recent formal evaluation.

2. At the beginning of the third year of the position, the Dean will notify the faculty member in writing that the evaluation process has begun.

3. The faculty member may present any self-evaluation or other materials, including letters of support from students, staff, Saint Mary's College faculty, or professional associates outside the College, to the chair of the evaluation process. The chair may request specific materials from the faculty member or written comments from others whose experience with the faculty member would contribute to the evaluation.

4. The chair of the evaluation process will make a written report, sending it to the chair of the department or director of the program if that person is not conducting the evaluation, including in this case all material submitted by the candidate or solicited from others. The chair’s written evaluation will not be confidential, but the confidentiality of the materials designated or deemed to be confidential by the chair must be maintained and will not be shared with the faculty member.

5. No later than the end of the semester in which the evaluation was conducted, the department chair or program director will meet with the faculty member to discuss the
results. The Adjunct Faculty member will sign the written evaluation, although such signing does not necessarily indicate agreement with the content.

6. The faculty member may submit within two weeks a written response to be included in the file. A copy of the signed evaluation and any written response are then sent to the Dean.

7. The Dean is responsible for assuring that this evaluation and discussion have occurred according to the provisions above.

8. The evaluation file is kept in the Dean's office.

9. After the evaluation meeting (see (5) above), the faculty member may request that the Dean discuss any relevant institutional plan for the position in the future, such as conversion, consolidation, reduction in assigned courses, elimination or continuation (as specified in section 2.1.2). That information will be put in writing and subsequently sent to the faculty member concerned. In addition, the Dean will notify the faculty member in writing should any such plans be developed after that discussion during the remainder of that academic year.

2.5 RANK AND TENURE RECORDS

2.5.1 FACULTY RANK AND TENURE FILE

Faculty members may review their Rank and Tenure files in the Office of the Academic Affairs 24 hours after receipt of a written request by that office. File review guidelines are in the Office of Academic Affairs.

2.5.2 FACULTY RANK AND TENURE ROSTER

By September 1 of each year, the Provost will publish and the chair of the Rank and Tenure Committee will distribute to the faculty and the Student Rank and Tenure Committee a final Faculty Roster of tenure-track faculty (those who hold academic rank and who carry a full-time instructional load per scholastic year, those in the above category whose instructional and/or administrative duties have been the equivalent of a full-time instructional load, and those in the above category who (1) are on official full- or part-time academic, sick, family or medical leave, or pregnancy leave; (2) have tenure and are on sabbatical; (3) have tenure and have taken the option of a reduction in the full-time instructional load). The Faculty Roster will include the rank and number of years teaching at the College and at other colleges and the tenure status of each member.

2.6 PROMOTION AND TENURE

2.6.1 STATEMENT ON CRITERIA FOR PROMOTION AND TENURE

Faculty members at Saint Mary's College are participants in an intellectual, social, and spiritual community committed to ensuring that the College be an outstanding Catholic institution of higher education, dedicated to developing students' capacities for responsible independent thought, spiritual growth, active citizenship, and a productive life. Faculty members are retained and promoted for their skillful, dedicated teaching, scholarly vitality, and their effective service to the College community. Overarching and informing each of the
criteria of teaching, scholarship and service must be the demonstrated commitment of faculty to the aims and ideals of the College, taking into consideration the nature, purposes and goals of specific programs. The Mission Statement of the College and the statement on the faculty of the College (see sections 1.1, 1.2) set forth the aims and ideals by which the faculty is challenged to guide its actions.

The successful pursuit of promotion and tenure thus requires serious engagement in a wide range of activities. Faculty members should make long-range plans for their own professional development to ensure that they meet the appropriate criteria. What follows is not a checklist, but rather a suggestion of general guidelines for evaluation.

Teaching Effectiveness

Teaching effectiveness is founded upon a clear command of subject matter, the skillful transmittal of knowledge, inspiring and fostering an active love of learning, and the communication of appropriate, high expectations of student performance. Because teaching is a profoundly human exchange between faculty and student, it requires interpersonal skills, organizational abilities, and a commitment to serve students in a respectful and honest manner.

It is the responsibility of faculty members to present clear evidence of their teaching effectiveness. The College recognizes several ways in which this can happen:

1. The development of courses appropriate to a faculty member's major field, the general education program of the College, and special curricular initiatives. Courses should reflect coherence, unity, and an appropriate balance between engaging a subject matter in depth and addressing the broad aims of a liberal education.

2. Conscientious preparation for classes. Course syllabi and assignments should reflect clearly defined academic objectives, expectations and standards. In the preparation of courses, teachers should hold before themselves the best scholarly standards of their disciplines. They should demonstrate current knowledge of the subject matter and its methodology, and creativity in the formulation of the syllabus.

3. Promoting intellectual stimulation and providing challenging learning experiences. Teachers are expected to be skilled in various modes of instruction. The teacher should communicate that understanding derives from an open mind, hard work, and rigorous thinking. Students should experience the rewards of commitment and self discipline in the pursuit of knowledge.

4. Clearly defined and appropriate means of assessing student learning. Through evaluation procedures and grading policies, teachers should communicate that excellence requires not only intellectual curiosity and originality, but also the practice of the rigors and discipline of learning.

5. Critical self-evaluation. Through their response to student evaluations, peer reviews, administrative reviews, and self-checks, faculty members should demonstrate their capacity to improve as teachers.
Scholarly Interests and Pursuits

Saint Mary's College recognizes that intellectual growth and scholarly activity are closely related both to each other and to teaching effectiveness. Respecting the teaching mission of the College, Saint Mary's recognizes that faculty fulfill their responsibilities primarily through the teaching programs and curricula of the College. Scholarship aims not only at expanding the store of knowledge in the disciplines or in an interdisciplinary field, but also at enlightening the lives of our students with that knowledge as well as with the challenges and joys of its pursuit. Within areas of specialization, scholarly activity manifests itself in formal and concrete ways that help keep alive and current the skills indigenous to one's academic discipline. Scholarly activity and intellectual growth should be broadly defined, yet specifically demonstrated in order to be evaluated fairly and effectively. The demonstration of scholarly activity should include some form of public presentation and external peer review. The broad view recognizes the purposes of scholarship as:

1. Contributing to new knowledge and understanding in a basic discipline or field, including its pedagogy;
2. Developing greater expertise in one's discipline or in a related field of study;
3. Providing new insights into the connections between the disciplines and into the historical and philosophical underpinnings of one's area of expertise;
4. Enriching the intellectual lives of students by involving them as collaborators with faculty in original research;
5. Researching, developing and assessing new pedagogies and curricula (engaging in the scholarship of teaching and learning.)

It is the responsibility of faculty to present clear and public evidence of their scholarly performance and achievement. Since academic departments at Saint Mary’s College are relatively small, review by academic colleagues outside the College is of some importance at each rank in maintaining a connection to the field and to academic colleagues with expertise in the specific area of inquiry. The forms which this presentation may take include, but are not limited to:

1. Delivery of research papers or lectures;
2. Awards for scholarly achievement;
3. creative achievement in the arts;
4. Acceptance to competitive structured programs of post-graduate study beyond that required for the terminal degree in one's field;
5. Published research through books, articles, reviews, and reports;
6. Activities related to professional practice where the faculty member's expertise or contribution can be evaluated. These activities represent the acquisition of significant knowledge or originality in the application of knowledge. Thus the College also recognizes the following evidence:
a. Professional papers or reports, published or unpublished, which result from and/or
describe consultancies;

b. Courses or workshops, taught on a consultant basis or at Saint Mary's College,
which demonstrate the faculty member's growth as a professional or increase
his/her learning, expertise or skill;

c. Participation in professional meetings, panels or workshops.

7. Other evidence that the faculty member has earned a sound professional reputation
among academic colleagues outside the College.

Service to the College

A living commitment to our three-fold Mission calls for effective service to our students, our
colleagues and the College: that service is both a privilege and a responsibility. Because we
value broad representation of faculty (wherever possible) in the College’s activities, and
because the contribution of all members is required to sustain the community, we expect
dedicated and effective service from every member of our community. We are especially
committed to serving the full development of our students.

Expected service includes:

1. Conscientious and effective advising of students;

2. Participation in the work of departments, programs, and Schools, and in the governance
of the College, for which service on School-wide and College-wide committees is one
important element.

3. Attendance at departmental and committee meetings, general Academic Senate meetings,
Commencement and other special convocations.

Service can also include (but is not limited to) the following activities:

1. Participation in co-curricular activities such as peer mentoring, student club and athletic
team advising, and the production of campus-wide events;

2. Participation in activities inside the College such as colloquia, fora, public lectures,
reading and study groups, which foster the intellectual community, institutional identity,
and interschool/interdisciplinary collaboration;

3. Helping to train and mentor new faculty;

4. Non-scholarly service to the larger intellectual, professional, and/or Lasallian
community;

5. Service to the larger community in keeping with the College’s Lasallian traditions and
concern for social justice.

It is the responsibility of faculty to present clear evidence of their effective service to the
College. Faculty service should be shared by all. A faculty member is not expected to serve at
one time on more than two elected committees, but a faculty member serving on an
intensive workload committee may choose not to serve on a second elected committee.
Upon completion of a full term on an intensive workload committee (Academic Senate, Undergraduate Educational Policies Committee, Rank and Tenure, Faculty Welfare, Program Review Committee, Core Curriculum Committee) a faculty member may ask for exemption from the election process for one year through the chair of the Committee on Committees.

2.6.1.1 Additional Criteria

Tenure: In addition to the criteria cited above, the following are included in view of the nature of tenure:

1. The needs of the College and the department;
2. The possession of the doctorate or other appropriate terminal degree, or its equivalent;
3. A special emphasis on the contribution and commitment to the aims and ideals of the College, and an active interest in the quality of the curriculum and the ability to work well with colleagues.
4. Exceptional appointments: For appointments with tenure, in additional to the tenure criteria, the following special criteria apply:
   a) evidence of very high level of teaching effectiveness and continued development of teaching expertise; and
   b) evidence of highly effective service to his/her college/university community in and beyond the level of the department; and
   c) evidence of superior scholarly achievement, evidenced at least in part by peer review and public presentation among academic colleagues outside the College; and
   d) an active interest in the quality of the curriculum and clear evidence of the ability to work productively with colleagues.

Promotion: The following special criteria apply to various ranks:

1. Assistant Professor
   a. possession of the doctorate or other appropriate terminal degree or its equivalent is normally expected.
   b. a promise of teaching effectiveness, scholarly achievement, and effective service (see section 2.6.1, Statement on Criteria for Promotion and Tenure).
2. Associate Professor
   a. possession of the doctorate, other appropriate terminal degree, or its equivalent;
   b. evidence of teaching effectiveness, scholarly achievement, and effective service (see section 2.6.1, Statement on Criteria for Promotion and Tenure);
   c. since the rank usually accompanies tenure, note criteria for tenure above.
   d. in cases where the faculty member is being considered at the same time for tenure and promotion to Associate Professor and is awarded tenure at that time, the decision to award tenure will also result in a concurrent promotion to the rank of Associate Professor.
3. Full Professor
   a. possession of the doctorate, other appropriate terminal degree, or its equivalent;
b. high level of teaching effectiveness and continued development of teaching expertise, and

c. evidence of highly effective service to the College community in and beyond the level of the department, and

d. significant scholarly achievement, evidenced at least in part by peer review and public presentation among academic colleagues outside the College, and

e. a special emphasis on the contribution and commitment to the aims and ideals of the College, an active interest in the quality of the curriculum and the ability to work productively with colleagues.

Note: The President and the Provost, at their respective levels of review for promotion and tenure, will review the candidate’s complete personnel file to ascertain if, during the time in which the candidate has been employed at the College, there has been a determination of violation of the College’s non-discrimination and/or retaliation policies, including but not limited to the College’s policy prohibiting sexual harassment. If such a violation has been found, the President and the Provost may take that finding into account when making a final decision regarding the faculty member’s candidacy for promotion and/or tenure and will provide written explanation to the faculty member in question if there is a negative ruling resulting from such a review.

2.6.2 PROCEDURES FOR PROMOTION AND TENURE

2.6.2.1 Eligibility

It is the responsibility of the faculty member to keep track of the schedule of Rank and Tenure reviews, and to keep those involved in the Rank and Tenure process apprised of an appropriate address and telephone number during the deliberation of the Rank and Tenure Committee and the considerations of the Provost. As a matter of courtesy, on or before June 15 of each year the Provost shall remind each person eligible for promotion or tenure. Those persons who are to be considered shall submit to the chair of the Rank and Tenure Committee, on or before September 1 for interim review and on or before October 15 for promotion, tenure, or pre-Professor review, the appropriately completed forms and whatever other information they deem important to the consideration of their cases (statements of activities, publications, honors, etc.).

2.6.2.1.1 Interruption of the Probationary Tenure-Track Period

Tenure-track faculty members have the option of interrupting the probationary period – “stopping the tenure-track clock” – up to a total of two one-year periods for conditions covered by the Family Medical Leave Act or the California Family Rights Act or the Pregnancy Disability Leave, whether or not leave is actually taken.

Stopping the clock under this provision will not be considered a matter for special negotiation, but will be initiated via written notification by the faculty member to the Provost, with copies to the member’s Department Chair and Dean. The option of stopping the tenure clock will be independent of a request for Protected Leave (see 2.13.2.1) or any other leave. The tenure clock will normally be stopped any time during the academic calendar before the submission deadline for the Form A upon request in writing by the faculty member, and will be restarted automatically with the next year’s deadline for the Form A. Tenure decisions will not be affected by the interruption of the probationary period (i.e., there will be no changed/higher expectations). The Provost will respond to the faculty member, with copies to the faculty member’s department chair and dean, indicating how the tenure schedule has been adjusted.
2.6.2.1.2 Promotion

Faculty members will be considered for promotion in the year in which they reach the top step for their rank. They may choose to apply one year before they reach the top step for their rank, or they may choose to defer consideration for promotion until the first or second year after they reach the top step of their rank. Faculty must be considered for promotion in one of those four years. If promotion is denied, any subsequent request for said promotion is at the option of the faculty member; the application must adhere to the procedure described in section 2.6.2.2.

2.6.2.1.3 Tenure

The normal length of probationary tenure-track letters of appointment is one year; all such letters of appointment are eligible for consideration for annual renewal. The total length of the probationary tenure-track period at the College will not exceed seven years. Faculty appointed to a probationary tenure-track position normally will have up to a maximum three years of prior experience recognized toward tenure. In exceptional circumstances a candidate can be appointed with tenure, or with four, five, or six years toward tenure.

Scholarly leave of absence for one year or less will count as part of the probationary period except in the case where a faculty member already has been granted the maximum years towards tenure (three). In this case whether or not the scholarly leave of absence will count as part of this probationary period is subject to prior approval by the Provost. See Section 2.2.2.2 for further information about interrupting the probationary period.

Tenured appointments are permanent appointments that may be terminated under conditions noted in section 2.8.5, with the burden of proof resting upon the College.

2.6.2.2 Faculty, Department and School Procedures

There are three distinct types of review: promotion, tenure, and interim reviews. In a given year a faculty member moving toward promotion and tenure can have overlapping reviews. In all cases, it is the faculty member's responsibility to be knowledgeable about his/her schedule for review. Department/School interim reviews, Rank and Tenure interim reviews, and tenure reviews occur according to the length of the candidate's in-residence probationary period. Promotion reviews occur according to the candidate's placement on the salary scale (see section 2.6.2.1.2).

Document Requirements

All original documents from all parties should be directed to the Office of Academic Affairs
so they may be placed in the Rank and Tenure file.

Candidates should send copies of their self-evaluations for interim review, and Form A for
tenure and promotion reviews to the department chairs/program directors and academic
Deans of the Schools in those areas in which the candidate teaches more than one course
per year; chairs and program directors should send copies of their evaluations to their Deans.

2.6.2.2.1 Interim Reviews Conducted by the Department/Program/School

1. The interim review process provides the candidate, the department, the School, the
   Rank and Tenure Committee, and the Provost with the opportunity for adequate
   consideration over a reasonable period of time. All faculty moving toward promotion or
tenure will have periodic reviews. There are two kinds of interim reviews, those
conducted by the department/program/School (this section) and those conducted by
the Rank and Tenure Committee (see section 2.6.2.2.2). It is the faculty member's
responsibility to be knowledgeable about his/her schedule for interim reviews.

a. All probationary candidates shall be reviewed by their department/ program/School
   in the year(s) prior to the interim reviews conducted by the Rank and Tenure
   Committee. The department/program/School reviews occur according to the
   length of the candidate's in-residence probationary period. (See chart in section
   2.6.2.2.)

b. Exceptions to the interim review schedule are to be granted only by the Provost in
   consultation with the Rank and Tenure Committee.

c. Department chairs and program directors shall complete these reviews on or before
   October 15.
2. The chairperson or program director is responsible for conducting department/program interim reviews of probationary candidates whose primary responsibilities lie in that department or program. If the chairperson or program director is not tenured nor on the Rank and Tenure roster, then a tenured member of the department or program shall be selected by the Dean of the School, after consultation with the tenured members of the department or program, to carry out interim reviews. If no tenured faculty exist, then the Dean, after consultation with the tenured members of the School, shall select a tenured member of the School to carry out the interim reviews. In either case the faculty member assuming these duties will receive appropriate compensation or reassigned time. The chairperson or director is charged with preparing a thorough written review of the candidate's performance in each criterion area (see section 2.6.1), which shall be provided to the faculty member and the Dean. A review shall include class visitations, formal consultation with other members of the department or program, including all ranked members, a thoughtful assessment of the candidate's scholarly plans and achievements and his/her service to the College, and a recommendation on reappointment or termination. In cases where the chairperson or program director, in formal consultation with ranked members of the department or program, does not recommend reappointment, the Dean of the School shall review the case and send it on to the Rank and Tenure Committee along with his/her own written recommendation, as prescribed in procedure 5 below.

3. A department chairperson or director of a program will solicit a letter from any other chairperson or director of a program in whose department or program the faculty member being reviewed has taught more than one course during each of the last three years (see sections 1.4.2.2.1 and 2.6.1.1).

4. A Dean of a School is responsible for ensuring that interim review procedures are correctly applied at the School level for all faculty whose primary responsibilities lie in a department of that School. A Dean of a School is not required to evaluate faculty whose primary responsibilities lie in a department outside the School, but who teach in the School.

5. In the case of an interim review of a probationary candidate conducted by the department chairperson or program director: If a Dean of a School concurs with the recommendation for reappointment, he/she shall inform the Provost and the chair of the Rank and Tenure Committee in writing on or before November 1; if the Dean of a School disagrees with the recommendation of reappointment, or agrees with the recommendation of termination, or disagrees with the recommendation of termination, the Dean shall send to the Rank and Tenure Committee, on or before November 1, the written recommendation of the department chairperson or program director together with his/her own written recommendation, stating the reasons for agreeing or disagreeing with the departmental recommendation. The Rank and Tenure Committee shall consider all evidence before making its recommendation, on or before December 1, to the Provost.

2.6.2.2 Interim Reviews Conducted by the Rank and Tenure Committee

1. **Probationary tenure-track candidates.** Interim reviews by the Rank and Tenure Committee shall occur for all probationary tenure-track professors who will be considered for tenure in either of the two years following appointment. (See chart in preceding section 2.6.2.2.)
2. **Tenured Associate Professors.** One interim review by the Rank and Tenure Committee shall occur for tenured Associate Professors. A person who is tenured but has yet to be considered for Full Professor must have an interim review before being considered for Full Professor. A candidate may choose to schedule this interim review no less than two years after tenure, nor more than four; however, in an instance in which a Full Professor consideration occurs in the first or the second year after tenure, there will be no need for an interim review.

3. Exceptions to the interim review schedule are to be granted only by the Provost in consultation with the Rank and Tenure Committee.

4. On or before June 15 of each year, the Provost shall remind faculty members of their impending reviews. Those persons to be considered for interim review, except pre-Professor, shall submit to the chair of the Rank and Tenure Committee, on or before September 1, whatever self-evaluation and appropriate information they deem important to the consideration of their cases (statements of activities, publications, honors, etc.). Those persons to be considered for pre-Professor review shall submit these materials to the chair of the Rank and Tenure Committee, on or before October 15. The candidate shall remind all chairpersons and program directors in which areas, departments, programs the candidate has taught of their responsibilities to provide their evaluations of the candidate to the chair of the Rank and Tenure Committee.

5. The chairpersons, program directors, and Deans shall then submit letters of evaluation for interim review candidates, to the chair of the Rank and Tenure Committee, on or before October 15 for department chairs and program directors, and on or before November 1 for Deans. Letters of evaluation for pre-Professor review candidates shall be submitted to the chair of the Rank and Tenure Committee and to the appropriate Dean by department chairs and program directors, on or before December 1, and by Deans on or before December 15.

6. The chairperson or program director is responsible for conducting department/program interim reviews of probationary candidates whose primary responsibilities lie in that department or program. If the chairperson or program director is not tenured nor on the Rank and Tenure roster, then a tenured member of the department or program shall be selected by the Dean of the School, after consultation with the tenured members of the department or program, to carry out interim reviews. If no tenured faculty exist, then the Dean, after consultation with the tenured members of the School, shall select a tenured member of the School to carry out the interim reviews. In either case the faculty member assuming these duties will receive appropriate compensation or reassigned time. The chairperson or director is charged with carrying out a thorough review of the candidate's performance in each criterion area (teaching, scholarship, service). A review shall include class visitations, formal consultation with other members of the department or program, including all ranked members, a thoughtful assessment of the candidate's scholarly plans and achievements and his/her service to the College, and a recommendation on reappointment or termination. In addition, a department chairperson or director of a program is responsible for those interim review procedures dealing with teaching effectiveness, the needs of the College and the department, the quality of the curriculum, and the ability to work well with colleagues at the departmental level for all faculty who have taught more than one course in the department during each of the last three years (see sections 1.4.2.4.1 and 1.4.2.3.18).
7. A Dean of a School is responsible for ensuring that interim review procedures are correctly applied at the School level for all faculty whose primary responsibilities lie in a department of that School (see section 1.4.2.2.1). Unless requested by the Rank and Tenure Committee, a Dean of a School is not required to evaluate faculty whose primary responsibilities lie in a department outside the School, but who teach in the School.

2.6.2.2.3 Promotion and Tenure Reviews (effective July 1, 2009)

1. On or before June 15 of each year, the Provost shall provide a written reminder to faculty members of their impending reviews. Those persons to be considered shall submit to the chair of the Rank and Tenure Committee, on or before September 1 for interim review, and on or before October 15 for promotion, tenure, or pre-Professor progress reviews, whatever self-evaluation and appropriate information they deem important to the consideration of their cases (statements of activities, publications, honors, etc.). A faculty member who has previously been denied promotion and who wishes to be considered for promotion in the current year, must inform the Provost no later than September 1.

2. On or before September 1 of each year, the Provost shall provide a written reminder to the Deans of the Schools and the chairpersons of departments or directors of programs of the names of their faculty members who are to be considered for promotion or tenure. The chairpersons so notified shall then submit to the chair of the Rank and Tenure Committee, on or before September 30 for third-year interim reviews, on or before October 15 for fourth- and fifth-year interim reviews, and on or before December 1 for promotion, tenure, or pre-Professor progress reviews, the appropriately completed forms and whatever other information they deem important to the consideration of their faculty members. The Deans so notified shall then submit to the chair of the Rank and Tenure Committee, on or before November 1 for interim reviews, and on or before December 15 for promotion, tenure, and pre-Professor progress reviews, a letter of recommendation and whatever other information they deem important to the consideration of their faculty members.

3. The chairperson or program director is responsible for conducting departmental/program promotion and tenure reviews of candidates whose primary responsibilities lie in that department or program (see sections 1.4.2.4.1 and 1.4.2.3.18). If the chairperson or program director is not tenured nor on the Rank and Tenure roster, then a tenured member of the department or program shall be selected by the Dean of the School, after consultation with the tenured members of the department or programs, to carry out interim reviews. If no tenured faculty exist, then the Dean, after consultation with the tenured members of the School, shall select a tenured member of the School to carry out the reviews. In either case the faculty member assuming these duties will receive appropriate compensation or reassigned time. In addition, a department chairperson or director of a program is responsible for reviewing all other faculty who have taught in the department or program during the last four years and who are being considered (see sections 1.4.2.4.1 and 1.4.2.3.1.8).

4. A Dean of a School is responsible for promotion and tenure review at the School level for all faculty whose primary responsibilities lie in a department or program of that School. Unless requested by the Rank and Tenure Committee, a Dean of a School is normally not required to evaluate faculty whose primary responsibilities lie in a department or program outside the School, but who teach in the School.
5. On or before June 15 of each year, the Provost shall distribute to the academic community a draft electronic roster of all Rank and Tenure faculty, including a list of those persons who are to be considered for promotion or tenure.

Form A is to be submitted by candidates for promotion or tenure. Form A asks the candidate for promotion or tenure to address the appropriate criteria listed in this Faculty Handbook, and to provide supporting evidence. Form B is to be submitted by the candidate's departmental or program chair. Form B asks the candidate's departmental or program chair to address the candidate's credentials in light of the Handbook criteria, to consider the assessments of the candidate's departmental or program colleagues, and to make an individual recommendation. The candidate's colleagues are asked individually to recommend promotion or tenure, addressing the Handbook criteria. Members of the academic community will submit to the chair of the Rank and Tenure Committee, by December 15, letters of evaluation. All individual letters of evaluation are confidential. Any such letters received by the Dean of the School, a department chairperson and by the Student Rank and Tenure Committee should be forwarded immediately to the chair of the Rank and Tenure Committee to be placed in the candidate's confidential Rank and Tenure file.

The calendar dates listed below indicate deadlines for submission of important materials for promotion, tenure, pre-Professor progress, and interim reviews conducted by the Rank and Tenure Committee. These dates have been established in order to allow for an orderly, efficient, and timely deliberation process for the Rank and Tenure Committee and the candidates for review. In particular, these dates have been established to provide useful and formative advice for interim review candidates and timely notification for promotion and tenure candidates.

Faculty should treat the deadlines as collegial but crucial guidelines. If a candidate for review anticipates a delay in the submission of evaluation materials, then the chair of the Rank and Tenure Committee should be notified in writing prior to the calendar deadline. The chair of the Rank and Tenure Committee and the candidate must negotiate a mutually agreed upon submission date and inform the department chair or program director, Dean, and the Rank and Tenure Committee.

The Rank and Tenure Committee, Provost, and President will endeavor to complete their work consistent with the schedule outlined in the calendar. These dates should not be interpreted as guaranteed by the candidates. Therefore, a missed deadline by the Rank and Tenure Committee, Provost, or President is not an event subject to Grievance (see section 2.16). The President will notify candidates in writing of any significant delay in the decision process.

2.6.2.4 Review of Department Chairperson or Program Director

When a department chairperson or program director is scheduled to have a promotion, tenure or interim review, the Provost, appropriate School Dean and that chairperson or director will consult and select a tenured faculty member, normally from that department or program, who will serve as chairperson for the purpose of the review of that department chairperson or program director as described in sections 2.6.2.2.1 to 2.6.2.2.3.

2.6.2.3 Rank and Tenure Committee Procedures

1. Although neither the Board of Trustees nor the College administration has formally agreed to the 1940 Statement and subsequent interpretive documents and is not legally bound to adhere thereto, nonetheless, in the matter of faculty tenure, promotion, non-reappointment and termination, the Rank and Tenure Committee, the College administration and the Board of Trustees respect and in general follow, as far as local conditions pertain, the 1940 Statement of Principles and subsequent interpretive comments (1940, 1970 and 1977) of the American Association of University Professors. However, in cases where differences occur between the Saint Mary's College Faculty Handbook and procedures and policies of the AAUP, the Saint Mary's College Faculty Handbook takes precedence.

2. Confidentiality

a. The deliberations and voting of the Rank and Tenure Committee are confidential to everyone except members of the Committee, the Provost, and the President. The recommendations of the Rank and Tenure Committee will be conveyed to candidates, their chairs, and their deans by the President or the chair of the Rank and Tenure Committee. Any other discussion of any of these matters by any member of the committee is a breach of confidentiality. It is the primary responsibility of all members of the Committee to ensure that confidentiality be

and the President. A copy of this letter is also sent to the Provost.

• The Provost will inform in writing the candidates for whom he/she is considering a negative recommendation of that fact.
maintained. Faculty members should not inquire about such confidential matters from members of the Rank and Tenure Committee.

b. While the Committee may agree to solicit additional information concerning candidates through the chair of the Rank and Tenure Committee, individual Rank and Tenure Committee members must not solicit such information. Members of the committee may, however, carry out their parallel responsibilities of contribution to the departmental review of a candidate. In doing so, they must rigorously avoid using their position as members of the Rank and Tenure Committee to sway judgments of others participating in this review.

c. The chairperson's or program director's letter and the Dean's letter setting forth their recommendations in a Rank and Tenure case will be shared with the candidate no later than the time of its submission to the Rank and Tenure Committee. The Dean, chairperson or program director, and the Rank and Tenure Committee shall not include or reference confidential materials in the candidate's file in a manner which could reveal their existence or their source.

d. If a question arises concerning a breach of confidentiality or misuse of the information gathering process by a member of the Rank and Tenure Committee, the other members of the Committee should consider the matter together and take whatever action the Committee deems appropriate.

e. Other than current members of the Rank and Tenure Committee, those who have access to confidential information in Rank and Tenure files are the President, the Provost, the Dean of the School for school faculty, and department chairpersons (or program directors) for department faculty (or program faculty). (See Review of Department Chairperson or Program Director, section 2.6.2.2.4.)

f. The minutes of the Rank and Tenure Committee meetings are confidential. Normally, in addition to the members of the Committee, only the President has access to them. However, members of the Grievance Committee who are hearing appeals of cases alleging inadequate considerations or violation of academic freedom (see Grievance, section 2.16.), and the members of the Board of Trustees who are hearing appeals of cases alleging a violation of academic freedom only (see Grievance, section 2.16.3., Step IV), have access to the confidential material that was available to the Rank and Tenure Committee, as well as the minutes of the Rank and Tenure Committee meeting(s) pertaining to the case(s) being appealed. All having such access are bound by the same confidentiality which binds the Rank and Tenure Committee.

3. Voting

a. The Rank and Tenure Committee may conduct business with a quorum of seven members, but it endeavors to conduct business only when all nine regular members are present. Any member who has a defined role (e.g., department chair or program director) in the recommendation for a candidate shall excuse him/herself from the voting. If another member believes that he/she would not be able to cast a vote, then he/she will recuse himself/herself from the discussion and vote for that case.
b. If any member of the Rank and Tenure Committee judges that he/she has had insufficient time to read all pertinent materials of a particular case, he/she may request the case be continued to a later meeting.

c. If a member of the Committee judges that the information submitted on a candidate for promotion or tenure is insufficient, he/she may move to table the voting until the Committee believes sufficient information is available.

d. In making recommendations concerning cases involving interim review, promotion, and/or tenure, the Committee will vote by secret ballot. Tally of votes is recorded only in the minutes.

e. A minimum of five votes, either positive or negative, are required to make a recommendation for the Rank and Tenure Committee. Only positive or negative votes shall be cast. In case of a tie vote, further discussion and a new vote will occur at the next meeting in which at least seven members are present unless the Committee decides otherwise by unanimous consent.

4. The Rank and Tenure Committee endeavors to complete its recommendations by the last day of classes in May.

2.6.2.4 Student Rank and Tenure Committee Procedures

1. By September 1 of each year, the Provost shall present to the Student Rank and Tenure Committee chairperson the names of undergraduate faculty members of the Schools of Liberal Arts, Science, and Economics and Business Administration, who will be considered for promotion and tenure review during that year.

2. The Student Rank and Tenure Committee chairperson meets with the Rank and Tenure Committee at the latter's organizational meeting in the fall term to present a description of the student committee's techniques for evaluating and recommending candidates for tenure and promotion.

3. Members of the Student Rank and Tenure Committee will endeavor to distribute teaching evaluation forms during the fall term in the classes of candidates for promotion and tenure. Members of the Student Rank and Tenure Committee will be given access through the Office of Academic Affairs to the previous spring teaching evaluation forms for all such candidates.

4. The Student Rank and Tenure Committee presents formal written recommendations on promotion and tenure to the Rank and Tenure Committee no later than January 15.

5. During the Spring Term, members of the Student Rank and Tenure Committee assist the Office of Academic Affairs staff in conducting course evaluations for those instructors potentially under review by the Faculty Rank and Tenure Committee the following academic year.
2.6.2.5 Recommendation and Decision Procedures

Interim Review

1. All interim review decisions of the Rank and Tenure Committee, whether positive or negative, are recommendations to the Provost and go first to the Provost for consideration before a final decision regarding reappointment is made. (See section 2.8.3.1 for additional information regarding negative decisions.)

   a. When the Provost has reached a decision, the candidate receives both the letter of the Rank and Tenure Committee, signed by its chair, and a letter signed by the Provost announcing that decision, with a copy to the faculty member's Dean and department chair or program director.

   b. Each group of interim letters (e.g., fourth-year review) should go out to individual faculty members at the same time.

Tenure

1. All decisions on tenure by the Rank and Tenure Committee, whether positive or negative, are recommendations to the President, who grants or denies tenure.

   a. When a positive decision has been made by the Rank and Tenure Committee, the Chair sends a letter to the candidate, with a copy to the candidate's dean and department chair or program director and the President, and a copy to the Provost for consideration.

   b. When the Provost's decision is also positive, the letter from the Rank and Tenure Committee chair and a letter stating the Provost's agreement are forwarded together to the President.

   c. When the Provost is considering rendering a negative decision, the Provost shall inform the candidate in writing. If the candidate so desires, the Provost shall discuss the basis for the negative decision with the candidate.

      i. The candidate shall have fifteen (15) working days from the date of posting of certified mail from the Provost to submit to the Provost his/her written response to the negative decision, including any additional materials for consideration.

      ii. After receiving the candidate's reply, or after the allotted time for the candidate's reply has passed, whichever comes first, the Academic Provost will then make a formal decision and write a letter to the President.

      iii. The Provost will send that letter together with the letter from the Rank and Tenure Committee and any timely response from the candidate (including additional materials for consideration) directly to the President at the same time.

   d. When a negative tenure decision has been made by the Rank and Tenure Committee, the Chair of the Committee shall inform the candidate in writing of its recommendation against tenure, copying that letter to the President, the candidate's
dean and department chair or program director, and send that letter to the Provost for consideration.

i. The candidate shall have fifteen (15) working days from the date of posting of certified mail from the chair of the Rank and Tenure Committee to submit to the Provost his/her written response to the decision, including additional materials for consideration.

ii. After the allotted period of time for the candidate’s reply has passed, or a reply has been received, whichever occurs first, the Provost will make a decision.

iii. The Provost will convey the decision in a letter to the President, which will be forwarded at the same time as any timely response (including additional materials) from the candidate, and the letter from the Rank and Tenure Committee, signed by the chair.

2. Upon receipt of the recommendations and the candidate's written response (if timely made) the President of the College shall review the recommendations and the candidate's written response and make the final decision as to the granting or denial of tenure.

3. If the President disagrees with the recommendations of the Rank and Tenure Committee and/or the Provost to grant tenure in a tenure consideration, the President will meet with the Rank and Tenure Committee or, if his disagreement is with the Provost alone, with the Provost, to discuss the case. If, after such meeting and discussion, the President still disagrees with the recommendation(s) in a case where the President intends to deny tenure, the President shall inform the faculty member in writing of the President's decision to deny tenure and will inform the candidate of the recommendations of both the Rank and Tenure Committee and the Provost. If the faculty member so requests, the President will give (the) reasons for denial of tenure orally, in person or by telephone, to the faculty member. If the faculty member so requests, the President will give the faculty member a written statement of the reasons for denial of tenure.

4. The President will inform all candidates in writing of his decision to grant or deny tenure. To the extent possible, notification to the candidates of tenure decisions will be made at approximately the same time. In all cases where the President's decision is to deny tenure, the President shall inform the candidate in writing of the President's decision and the recommendation (to recommend or deny) of the Rank and Tenure Committee, and the recommendation (to recommend or deny) of the Provost.

5. Following notification to the candidate of the President's decision, the candidate may appeal the President's decision to deny tenure according to the Appeal Procedures.

Promotion

All decisions on promotion by the Rank and Tenure Committee, whether positive or negative, are advisory to the President, but are sent first to the Provost for consideration. When the deliberations of the Rank and Tenure Committee are completed, the Rank and Tenure Chair sends a letter announcing its recommendation to the candidate and a copy of that letter to the Provost. The Provost arrives at a separate decision, based on a review of the evidence gathered in the formal Rank and Tenure process and any new materials submitted
by the candidate after the Rank and Tenure Committee decision. The Provost will indicate in writing to the President whether he concurs with the recommendation of the Rank and Tenure Committee and forward to the President both that written concurrence and the letter from the Rank and Tenure Committee. If the Provost does not concur with the recommendation of the Rank and Tenure Committee, he will write a separate letter and forward this to the President along with the letter from the Rank and Tenure Committee. The President shall make his decision based on the stated Faculty Handbook criteria for promotion and tenure, after reviewing the evidence gathered in the formal Rank and Tenure process and any additional materials submitted by the candidate to the Provost pursuant to notification of a negative Rank and Tenure Committee or Provost’s decision.

2.6.3 ADVANCEMENT, TENURE AND PROMOTION OF ACADEMIC ADMINISTRATORS

1. Academic administrators with faculty rank are those who meet the following criteria:

   a. Regular faculty status, granted according to the same standards that apply to other members of the faculty.

   b. Administrative duties of a genuinely academic character, that is, directly concerned with the academic program or with the academic preparation of students (e.g., President, Provost, Vice Provost for Undergraduate Academics, Vice Provost for Graduate and Professional Studies, Dean of a School).

2. In disputed cases, the Rank and Tenure Committee should determine whether an individual administrator meets both of these criteria.

3. Academic administrators with faculty rank are considered in the same category as full-time faculty members for purposes of tenure and promotion, even though their teaching duties may be part-time or may be interrupted entirely by administrative duties. Like other faculty members, they progress one step within rank each year.

4. With regard to promotion and tenure, the same procedures should be followed as far as possible for academic administrators as for other members of the faculty.

5. The Provost, Vice Provost for Undergraduate Academics and Vice Provost for Graduate and Professional Studies will be reviewed by the Rank and Tenure Committee. The committee shall use its discretion in finding means to conduct the fullest possible evaluation, including personal interview with the candidate. Recommendation should be made by the chairperson of the Academic Senate to the President of the College.

6. Promotion and the granting of tenure to academic administrators should be governed by the same criteria that are applied to other faculty members (with the exception that the academic administrator is regarded as full-time regardless of the extent of his/her teaching duties).

7. The Rank and Tenure Committee makes no recommendation directly on the appointment and retention of academic administrators who are appointed in their administrative capacity by the President of the College. It does make recommendations on their rank and promotion and tenure.
2.7 TENURE
(see section 2.6)

2.8 SEPARATION

2.8.1 RESIGNATION

Resignation with Notice

A faculty member may resign his/her appointment, usually effective at the end of the academic year. The member should give notice in writing of his/her intention to resign as soon as possible, but not later than June 1.

Resignation by Default

Resignation of a faculty member is presumed if the annual letter of appointment is not signed and returned to the Director of Human Resources within the time stipulated in the letter of appointment.

2.8.2 RETIREMENT OF TENURED FACULTY MEMBERS

1. A tenured faculty member intending to retire is urged to inform in writing the department chairperson and/or program director, and the Dean of the School of his/her decision to retire at least one year prior to the expected retirement date, so that the department/program can make appropriate plans.

2. A tenured faculty member intending to retire must submit a letter to his/her department chair/program director, and Dean indicating this decision and the effective date of retirement so that the department/program can make appropriate plans.

3. A tenured faculty member considering retirement, or wishing to retire, should consult the Human Resources office regarding social security, as well as TIAA-CREF illustrations of projected income and other benefits under the College's retirement plans at least six months in advance of expected retirement date. (Refer to Retirement, section 2.14.9.)

4. Following retirement, a tenured faculty member may be eligible for consideration for appointment as a lecturer at the discretion of the appropriate Department Chair or Program Director.

2.8.3 NON-REAPPOINTMENT OF TENURE-TRACK FACULTY

2.8.3.1 Notice of Non-reappointment of Probationary Tenure-track Faculty

1. As part of the interim review process, the Rank and Tenure Committee may recommend non-reappointment to the Provost, in which case the Rank and Tenure Committee will notify the candidate's Dean and department chairperson/program director of the Rank and Tenure Committee recommendation.
2. The decision not to renew the term appointment of a tenure-track faculty member, before his/her tenure consideration year, is made by the Provost in consultation with the Dean of the candidate's School and with his/her department chairperson/program director.

3. A faculty member who is not reappointed may appeal the decision by the Provost to the Grievance Committee (see section 2.16).

2.8.3.2 Standards of Notice for Probationary Tenure-track Appointments

1. Full-time, tenure-track faculty members in their first academic year of service must be notified in writing by the Provost of non-reappointment or intention to recommend non-reappointment not later than March 1 of that year or, if a one-year appointment terminates during an academic year, at least three months in advance of its termination.

2. Full-time, tenure-track faculty members in their second year of service must be notified in writing by the Provost of non-reappointment or of the intention to recommend non-reappointment not later than December 15 of that year or, if the appointment terminates during the academic year, at least six months in advance of its termination.

3. Full-time, tenure-track faculty members in their third year or later of academic service must be notified in writing by the Provost of non-reappointment or of intention to recommend non-reappointment no later than June 30 of that year or, if the one-year appointment terminates during an academic year, at least 12 months in advance of the expiration of their appointments.

2.8.4 ISSUANCE OF LETTERS OF APPOINTMENT FOR NON-TENURE-TRACK FACULTY

Appointment as a non-tenure-track faculty member is for a set number of courses and a set term and does not imply any continued employment beyond the date set forward in the letter of appointment. However, in the case of a full-year appointment, the College will indicate no later than December 15 of the current appointment year whether the College anticipates offering a subsequent letter of appointment. This does not apply to appointments for only one semester, quarter, or term, even when those appointments are combined with non-teaching duties at the College. All of these conditions will be reflected in the letter of appointment issued by the College.

2.8.4.1 Retirement of Non-tenure-track Faculty

If a non-tenure-track faculty member anticipates retirement and has retirement benefits, he/she should follow the procedures outlined in section 2.8.2.

2.8.5 TERMINATION OF AN APPOINTMENT BY THE COLLEGE

Termination of an appointment with continuous tenure or of a probationary or temporary appointment before the end of a specified term, will be by the President (unless otherwise noted below) for adequate cause, as follows:
2.8.5.1 General Financial Exigency

Termination may result because of a general state of financial exigency that threatens the survival of the College. In advance of a declaration of a state of general financial exigency, the President and the Chief Financial Officer will explain the financial state of the College, and will involve the faculty, including the Faculty Welfare Committee, in a discussion regarding what steps can be taken to avoid the declaration of general financial exigency by the Board of Trustees. Upon designation of a general financial exigency by the Board of Trustees an Ad Hoc Committee on Termination shall be appointed by the chair of the Academic Senate with the advice and consent of the Senate. The Ad Hoc Committee on Termination shall consist of six tenure-track faculty members, one from each School, and the chair of the Academic Senate, who shall serve as a non-voting chair of the committee. The Ad Hoc Committee on Termination shall establish criteria for termination and shall identify those to be terminated. Any faculty member identified as one to be terminated has the right to a review hearing. Every effort will be made to place the faculty member in another position in the College for which the person is qualified. In such circumstances the Provost, Chief Financial Officer, chair of the Faculty Welfare Committee and chair of the Academic Senate will constitute a committee to review the budget situation and to make a recommendation to the President as to whether an appropriate severance package would be awarded. If, during a three-year period the position is reopened, the terminated faculty member will have the option of assuming his/her former position.

2.8.5.2 Discontinuance of an Academic Program or Department not Mandated by General Financial Exigency

The decision to discontinue an academic program or a department where there are tenured or tenure-track faculty not covered by a state of financial exigency shall be based on educational considerations. The Undergraduate Educational Policies Committee (or the Graduate and Professional Studies Educational Policies Committee if the program falls under their jurisdiction) shall examine the evidence presented by the Dean of the School in which the program or department resides and shall recommend action to be taken by the Academic Senate. The program or department may not be discontinued until such a recommendation is approved by the Academic Senate and the Provost according to established procedures (see below section 2.8.5.2.2). If a tenured faculty member is displaced by the discontinuance of a program or department, the College has the obligation to appoint the individual to another position for which he/she is qualified and which is not occupied by another tenured faculty member. Similarly, if a tenure-track, non-tenured faculty member is displaced by the discontinuance of a program or department, the College has the obligation to appoint the individual to another position for which he/she is qualified and which is not occupied by a tenure-track or tenured faculty member. If, during a three-year period, the department or program is reopened, the terminated faculty members, in order of their College employment seniority, will have the option of assuming their former positions during the first year the program or department reopens. A faculty member may request a formal review hearing by an ad hoc faculty committee appointed by the Academic Senate regarding his/her reassignment. In such circumstances the Provost, Chief Financial Officer, chair of the Faculty Welfare Committee and chair of the Academic Senate will constitute a committee to review the budget situation and to make a recommendation to the President as to whether an appropriate severance package would be awarded.
2.8.5.2.1Process for Suspension of Program Enrollment

The Dean of a School may halt new enrollment of students in the program for at most two consecutive enrollment periods (a quarter, a trimester, a traditional undergraduate semester, etc., whichever applies to that program). Before this action may occur
a. The Dean must receive approval of the Provost,
b. A review must be completed by the GPSEPC or UEPC,
c. The Dean must notify the Chair of the UEPC or GPSEPC and the full-time faculty of the program in writing of the plan for suspension of admissions and its effect on classes, and set a deadline for their resumption.

If the Dean believes that the termination of the program is the likely outcome of the suspension of enrollment, appropriate steps must be taken to initiate the termination process so that the process given in section 2.8.5.2.2 (ending in an Academic Senate action) can be reached before the suspension period ends. Under no circumstances may classes or enrollment be suspended beyond two consecutive academic enrollment periods without a determination by the UEPC or GPSEPC of the status of the program. The Chair of the UEPC or GPSEPC may require a full report by the Dean of the affected program prior to the end of the suspension period if the Chair believes that such a report would help resolve the situation.

2.8.5.2.2Process for Discontinuance of an Academic Department or Program

1. Proposals should be written by the appropriate academic dean with reference to the Guidelines for Department and Program Reviews to ensure that all aspects of the department or program are duly considered. In addition, the proposal should address the following questions:

(a) Why should the department or program be terminated based on the following criteria: quality of the program, demand, efficiency, and centrality to the mission of the College

(b) What are the probable effects of termination of the program? For example, who will be affected by the decision? How? What are the potential effects on faculty (tenured, tenure track, and non-tenured), staff, students, majors, other undergraduate and/or graduate programs of the College? What effect will this action have on other departments? What effect will this action have on the College’s character and mission (Liberal Arts, Catholic, Lasallian)?

(c) What steps should the College take to minimize any negative effects of the discontinuation?

2. Proposals for discontinuing a department or program are to be submitted in writing to the Undergraduate Educational Policies Committee (UEPC) or Graduate & Professional Studies Educational Policies Committee (GPSEPC) during the academic year but no later than March 1st. Once a proposal is received, the committee will meet with (1) the Provost, or the Vice Provost for that program, (2) the Dean of the department’s or program’s school, (3) the department chair or program director, (4) the department/program faculty, and (5) a Program Review Committee representative. The committee chair will then bring forward to the Academic Senate either a) a recommendation for discontinuance or b) recommendation against discontinuance.

3. The Senate will consider and take action on the recommendation of the UEPC or GPSEPC.
2.8.5.3 Medical Reasons

Termination will be based on clear and convincing medical evidence that the member cannot continue, with or without reasonable accommodation, to fulfill the terms and conditions of appointment. The evidence will be reviewed in confidence by the Rank and Tenure Committee if requested by the faculty member. Severance salary will be offered.

2.8.5.4 Failure to Observe Conditions for Leave of Absence or Sabbatical

If a faculty member fails to observe the conditions mutually agreed upon in writing for a leave of absence or a sabbatical, he/she may be subject to a hearing of the Grievance Committee called at the request of his/her department chair, appropriate Academic Dean, or the Provost to recommend whether there is cause for termination. The party bringing the complaint shall present a written case for termination to the Grievance Committee and the faculty member. The Committee will set a time for meeting and will give the faculty member an opportunity to present his/her own case. When the Committee has reached a recommendation, it will notify all parties. The Provost will render the decision whether to terminate the employment of the faculty member. If his/her decision is different from the recommendation of the Grievance Committee, the Provost will set out his/her reasons. The decision of the Provost may be appealed by the faculty member concerned directly to the President. In all instances, the President's decision shall be final.

2.8.5.5 Unfitness

Unfitness to perform in a professional capacity will constitute cause for termination. Unfitness includes, but is not limited to, incompetence, dereliction of duty, transgression of academic freedom (section 2.9.1), violation of law directly interfering with the performance of one’s faculty responsibilities (e.g., failure to comply with the College’s non-discrimination policies), and immoral conduct in the performance of his/her duty. The faculty member's department chair, appropriate Academic Dean, or the Provost will present a case for termination to the Grievance Committee. The Committee will set a time for meeting and will give the faculty member an opportunity to present his/her own case. When the Committee has reached a recommendation, it will notify all parties. The Provost will render his/her decision whether or not to terminate the employment of the faculty member. If his/her decision is different from the recommendation of the Grievance Committee, the Provost will set out his/her reasons. The decision of the Provost may be appealed by the faculty member concerned directly to the President. In all instances, the President's decision shall be final.

If in the judgment of the Administration, there is a likelihood of immediate harm to student(s), other faculty, or the faculty member him/herself, the faculty member may be suspended with pay pending the resolution of the hearing, decision, and appeal process.

2.9 FACULTY RIGHTS AND RESPONSIBILITIES

2.9.1 ACADEMIC FREEDOM AND RESPONSIBILITY

Saint Mary’s College’s ability to perform its Mission depends on the vigorous and unimpeded exercise of the Faculty’s academic freedom. The common good of our Catholic,
Lasallian, and Liberal Arts community depends on the free search for truth and its exposition.

Academic freedom is essential to these purposes and applies to both teaching and research. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning. It carries with it duties correlative with rights.

ACADEMIC FREEDOM

a. All Saint Mary’s faculty are entitled to full freedom in research and in the publication of the results, subject to adequate performance of their other academic duties.

b. Faculty are entitled to freedom in the classroom in discussing their subject or area of professional expertise, but they should be careful not to introduce into their teaching controversial matter which has no relation to their subject or area of expertise. Faculty have a particular obligation to promote conditions of free inquiry, discussion, and expression.

c. Saint Mary’s College faculty are citizens, members of a learned profession, and officers of an educational institution. When they speak or write as citizens, they are free from institutional censorship or discipline, but their special position in the community imposes special obligations. As scholars and educational officers, they must remember that the public may judge their profession and their institution by their utterances. Hence they must at all times be accurate, exercise appropriate restraint, show respect for the opinions of others, and make every effort to indicate that they are not speaking for the institution.

(This statement is based on principles articulated in the following AAUP documents: “1940 Statement of Principles on Academic Freedom and Tenure,” the 1940 and 1970 interpretive comments, the “Statement on Students’ Rights and Freedoms,” the “Statement on Extramural Utterances,” the “Statement on Professors and Political Activity,” the “Statement on Professional Ethics, Section II.”)

2.9.2 POLICY ON PUBLIC PRESENTATIONS

2.9.2.1. Preamble

Saint Mary’s College of California is a Catholic institution of higher education in the Lasallian tradition where the liberal arts inform, enrich, and shape all areas of learning and where special importance is placed on fostering the intellectual skills, habits of mind, and activities which liberate persons to probe deeply the mystery of existence and live authentically in response to the truths they discover.

Our mission challenges us to pursue truth wherever it can be found, confident that between faith and reason there can be no fundamental conflict. While we place a high value on freedom of inquiry and discussion, and on the opportunity for intellectual stimulation, which can be the product of controversial content, with this freedom also comes fiduciary responsibility. The policy which follows outlines reasonable precautions for the scheduling of controversial events, which are designed to foster authentic dialogue and to protect the reputation of the alma mater we all cherish.
2.9.2.2. Policy

2.9.2.2.1. Definitions

a. “Public presenter” means a person neither attending Saint Mary’s College nor otherwise employed by the College who is invited to make a public address or give a public performance.

b. “Public” qualifies audiences composed in whole or part of persons neither attending nor employed by Saint Mary’s College.

c. “Public” qualifies presentations, including performances or addresses, open to public audiences.

d. The following guidelines do not apply to faculty members in the teaching of their classes. (Cf. Faculty Handbook 2.9.1.b.)

2.9.2.2.2. Considerations for Public Presentations

a. Public presentations must serve the mission of the College, as provided in the Preamble.

b. All applicable procedures for contracting and scheduling, as provided in the Faculty, Staff or Student Handbook, must be followed.

c. Public presentations must be ticketed, if seats are limited.

d. Significant access for SMC students must be assured.

e. If the presentation involves audience participation (e.g., a question period), SMC students must enjoy priority.

f. Sponsors’ announcements or advertisements will declare that public presenters’ views are not necessarily those of Saint Mary's College or the sponsoring collegiate entity.

g. The Office of College Communications must approve announcements and advertisements.

h. Sponsors will take reasonable steps to ensure that debate or discussion attending public presentations is conducted in a fashion worthy of a community of learning.

i. It belongs to the exercise of that deliberate responsibility for the common good which is supposed in the Preamble that sponsors of foreseeably controversial presentations take counsel with the appropriate Dean or other supervisor, who may in turn seek the counsel of the Provost or President.

2.9.2.2.3. Conditions under which the President may preclude, rescind or modify invitations to public presenters

In extraordinary circumstances, the President may deny a requested invitation, reschedule or relocate the presentation, or rescind the invitation if in the President’s judgment one of the following conditions apply:

a. The presentation is egregiously contrary to the College’s mission;

b. The presentation presents an immediate and unmanageable risk to the physical safety of members of the College community or their guests; or

c. The presenter(s) or his/her (their) agent’s refusal to agree to the College’s expressed policies or contracting terms presents an unacceptable risk to the College.

The President will explain to the Senate a decision to deny or withdraw an invitation.

2.9.3 INSTITUTIONAL POLICIES

Nondiscrimination Disclosure

In compliance with applicable law and its own policy, Saint Mary’s College of California is committed to recruiting and retaining a diverse student and employee population and does
not discriminate in its admission of students, hiring of employees, or in the provision of its employment benefits to its employees and its educational programs, activities, benefits and services to its students, including but not limited to scholarship and loan programs, on the basis of race, color, religion, national origin, age, sex/gender, marital status, ancestry, sexual orientation, medical condition or physical or mental disability.

2.9.3.1 Policy Prohibiting Discrimination, Harassment (including Sexual) and Retaliation

Non-Discrimination Policy

Saint Mary’s College of California is committed to creating and maintaining a community in which all persons who participate in Saint Mary’s programs and activities can work and learn together in an atmosphere free of all forms of discrimination, exploitation, intimidation, or harassment (including sexual) based on a legally protected characteristic or status. Every member of the Saint Mary’s community should be aware that Saint Mary’s will not tolerate harassment or discrimination on the basis of race, color, religion, national origin, ancestry, age, gender, sexual orientation, marital status, medical condition, or physical or mental disability, gender stereotyping, taking a protected leave (e.g., family, medical, or pregnancy leave), or on any other basis protected by applicable laws. Such behavior is prohibited both by law and by Saint Mary’s policy. It is Saint Mary’s intention to take whatever action may be needed to prevent, correct, and if necessary, discipline behavior which violates this policy, which may include suspension, termination, expulsion, or another sanction appropriate to the circumstances and violation. All members of the Saint Mary’s community, including faculty, students, and staff are responsible for maintaining an environment that is free of sexual harassment and other forms of discrimination, harassment and retaliation as described in this Policy.

Definition of Sexual Harassment

1. Sexual harassment is a form of sex discrimination, which is illegal under both federal and state law. It can be verbal, visual, or physical. Although what constitutes sexual harassment will vary with the particular circumstances, it is defined as follows: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

   a. submission to such conduct is made either explicitly or implicitly a term or condition of instruction, employment, or participation in a College activity, or
   b. submission to or rejection of such conduct by an individual is used as a basis for evaluation in making academic or personnel decisions affecting that individual; or
   c. such conduct has the effect of unreasonably interfering with an individual’s performance or creating an intimidating, hostile, or abusive working or learning environment.

2. Sexual harassment does not include verbal expression or written material that is relevant and appropriately related to course subject matter or curriculum, and nothing in this policy is intended to interfere with Saint Mary’s educational mission or academic freedom, e.g., the ability of a teacher or student to examine examples of harassment appropriate to a particular subject.

3. A determination of whether particular conduct creates an intimidating, hostile or abusive work or learning environment is assessed from the point of view of a
reasonable person in the complainant’s position; such a determination also takes into account the totality of the circumstances, including, but not limited to, the following:

a. the frequency of the abusive conduct;
b. its seriousness;
c. whether it is physically threatening or humiliating;
d. the location of the conduct and the context in which it occurred;
e. the degree to which the conduct affected the education or employment environment; and,
f. the relationship between the parties.

Examples of Conduct which may be Sexual Harassment

1. Examples of verbal, physical or visual conduct which may be sexual harassment include, but are not limited to:

a. direct propositions of a sexual nature;
b. sexual innuendoes and other seductive behavior, including subtle pressure for sexual activity such as repeated, unwanted requests for dates, and repeated inappropriate personal comments, staring, or touching;
c. direct or implied threats that submission to sexual advances will be a condition of employment, promotion, grades, etc.
d. conduct (not legitimately related to the subject matter of a course or curriculum, if one is involved) that has the effect of discomforting, humiliating or both, and that includes one or more of the following:
   i. comments of a sexual nature, including sexually explicit statements, questions, jokes, anecdotes, or graphic material (e.g., visuals, such as screen savers, which are sexually explicit);
   ii. unnecessary or unwanted touching, patting, massage, hugging or brushing against a person’s body or other conduct of a physical nature;
   iii. remarks of a sexual nature about a person’s clothing or body;
   iv. insulting sounds or gestures, whistles, or catcalls;
   v. invading someone’s personal space or blocking her/his path;
   vi. unwelcome and inappropriate letters, telephone calls, electronic mail, or other communications;
   vii. displaying sexually suggestive objects, pictures, cartoons or posters (e.g. screen savers).

e. a consensual romantic or sexual relationship which
   i. causes adverse treatment of third parties, or
   ii. creates a hostile or intimidating working or learning environment for third parties;
f. stalking (which is also criminal behavior).
g. sexual assault (which is also criminal behavior).

2. Some conduct that may appear to be consensual may also be unacceptable.

3. Sex/gender-based discrimination, which may include acts of verbal, nonverbal, or physical aggression, intimidation, or hostility based on a person’s gender or gender-based characteristics, but not involving conduct of a sexual nature (e.g., the repeated sabotaging of female students’ laboratory experiments by male students in the class) may be a form of sex discrimination prohibited by law. While sex/gender-based discrimination may be distinguished from sexual harassment, acts of sex/gender-based
discrimination may contribute to the creation of a hostile work or academic environment. Thus, a determination of whether a hostile environment due to sexual harassment exists may take into account acts of sex/gender-based discrimination.

4. Not all sexual harassment occurs between persons of differing power. Sexual harassment may also occur between peers. In addition, while the majority of reported cases of sexual harassment involve a male harassing a female, sexual harassment may also involve a female harassing a male, or an individual harassing a person of the same gender.

NOTE: Nothing in this Policy should be construed to prevent faculty members from rigorously challenging fundamental beliefs held by students and society. However, faculty members may not interject into the academic setting sexual material that is unrelated to any legitimate educational objective or allow the educational setting to be so sexually charged that Saint Mary’s students are prevented from effectively participating in the academic environment.

2.9.3.1.1 Retaliation and/or Violation of Interim Protections

Threats or other forms of intimidation and/or retaliation against a student or employee for bringing a complaint of alleged discrimination, harassment (including sexual or sexual assault) or of any other violations of College policies, including but not limited to the Student Code of Conduct, are prohibited. This prohibition includes threats or other forms of intimidation and/or retaliation against the family or friends of a student or employee who brings a complaint under this policy, or those who assist a student or employee in bringing a complaint, or those who participate in an investigation and/or student discipline process for an alleged violation of the Student Code or other College policy.

Retaliation is a violation of College policy and may also be a violation of the law. An allegation of retaliation constitutes an independent basis for investigation and imposition of sanctions on the retaliating student or employee if determined to have occurred. All conduct that is believed to constitute retaliation should be reported immediately to the Associate Dean of Student Life (when the individual alleged to have engaged in retaliation is a student or student visitor) or to the Director of Human Resources (when the individual alleged to have engaged in retaliation is an employee (faculty and staff) or visitor to the College (e.g., contractors, vendors, or non-student guests). The reporting procedures described below also apply to allegations of retaliation. Interim protections mean steps the College takes to reasonably protect employees and students during an investigation and/or student discipline process.

2.9.3.1.2 Reporting Procedures and Resources for Addressing Complaints of Discrimination, Harassment (including Sexual) and Retaliation

Saint Mary’s has in place internal procedures to investigate and address complaints of discrimination, harassment (including sexual), and retaliation as described in this Policy. These procedures are intended to assure fairness and to maintain confidentiality in the process of responding to complaints.

Complaints of discrimination and harassment, including sexual harassment or sexual assault, based on the protected characteristics above and/or retaliation that involve employees (faculty and staff) or visitors to the College (e.g., contractors, vendors, volunteers or non-student guests) should be reported promptly to the Director of Human Resources, who is responsible for overseeing Saint Mary’s compliance with this Policy and who will determine
the appropriate next step for investigation and resolution. All members of the Saint Mary’s community shall cooperate fully with the Director of Human Resources in the fulfillment of her/his responsibilities.

Complaints of discrimination and harassment, including sexual harassment or sexual assault, based on the protected characteristics listed above and/or retaliation involving students or student visitors should be reported promptly to the Associate Dean of Student Life who will initiate the appropriate student discipline process to address those complaints.

Individuals who believe they have experienced discrimination, harassment and/or retaliation are also free to contact the Equal Employment Opportunity Commission and/or the California Department of Fair Employment and Housing to pursue external legal remedies.

2.9.3.3 Non-Discrimination Seminars

Saint Mary’s offers training during each academic year covering sexual and other forms of illegal harassment and discrimination. Throughout each academic year, students have the opportunity to attend programs regarding discrimination and sexual harassment, including sexual assault. All employees must complete on-line harassment prevention training at least once every two academic years. (An academic year is defined as July 1 to June 30.) Employees who are on an approved and/or legally mandated leave during the academic year are not required to fulfill this requirement while on that leave, but will be expected to do so in the next academic year following their return from such leave. On-campus harassment prevention seminars will be offered on an annual basis for employees who prefer to attend in-person training.

Except for those faculty and staff described above, failure of a tenure-track or tenured faculty or staff member to attend an on-site College-sponsored sexual harassment seminar during each academic year, when offered, as evidenced by the absence of a record of attendance at such seminar, may result in the Board of Trustees declining to indemnify (i.e., pay any judgment against or settlement on behalf of the individual), to the extent permitted by law, the faculty or staff member should a claim for discrimination, including but not limited to sexual harassment, or retaliation be brought against that faculty or staff member.

Except for those faculty and staff as described above, failure of a non-ranked faculty member (e.g., adjunct, lecturer) to attend an on-site College-sponsored sexual harassment seminar during each academic year, when offered, as evidenced by the absence of a record of attendance at such seminar, may result in the Board of Trustees declining to indemnify (i.e., pay any judgment entered against or settlement on behalf of the individual), to the extent permitted by law, the faculty member should a claim for discrimination, including but not limited to sexual harassment, or retaliation be brought against that faculty member, as well as precluding that non-ranked faculty member from being considered for or offered another faculty appointment at the College.

2.9.3.4 Sanctions

Employees who engage in conduct in violation of this policy are acting outside the scope of their employment responsibilities and, in addition to discipline up to and including termination of their employment, may be subject to individual legal liability and damages for their actions.
2.9.3.2 Amorous Relationships Policy

Definition of Amorous Relationships

Amorous relationships are those romantic or sexual relationships to which both parties appear to have freely consented. When such a relationship involves a power differential between two members of the College community, it is of concern to the College, and such relationships should be avoided due to:

1. The potential conflict of interest that arises when an individual supervises, evaluates, coordinates, directs, advises, hires, terminates, instructs, promotes, or grants pay raises or other benefits to another person, or provides professional services (e.g., counseling) to another individual with whom that person has an amorous relationship.

2. The potential for unintended consequences that results because these types of relationships may develop or exist solely as a result of the power differential, which may or may not involve sexual harassment as proscribed by the College’s policy prohibiting sexual harassment (section 2.9.2.1).

2.9.3.2.1 Policy

The College discourages amorous relationships where there is a power differential between the parties or where the potential exists for such a power differential in the foreseeable future. Three examples of relationships involving power differentials are:

1. That between teacher and student (including, e.g., those involved in formal instruction, advising and tutoring);
2. That between employee and supervisor;
3. That between the provider and recipient of educationally-related College or College-related services (including those involved in counseling, student services such as registration and financial aid, and athletic coaching).

This list is not all-inclusive.

Of special concern to the College are amorous relationships initiated between a faculty member and a student while the former is instructing, advising or mentoring the latter. Such circumstances pose extraordinary risks of compromising or appearing to compromise the College’s central mission and of breaching the faculty’s commitment to the welfare of its students. Hence, the College expects faculty members to refrain from initiating or participating in such a relationship.

2.9.3.2.2 Procedures

If an amorous relationship exists or develops between individuals having a power differential within the College, the person with greater power shall report it to an appropriate supervisor or to the Director of Human Resources. The supervisor or the Director shall make suitable arrangements:

1. To ensure the objective evaluation of that person’s performance and
2. To protect affected individuals and the integrity of the College’s functioning.
Confidentiality is to be maintained in this process.

2.9.3.2.3 Other Considerations

1. Employees engaged in conduct of the type described in this policy may also violate the College’s policy prohibiting sexual harassment.

2. In addition, all teachers, supervisors, and other employees should understand that there are substantial risks even in consenting amorous relationships where a power differential exists. Even if the conflict of interest issues are resolved, charges of sexual harassment may develop. A teacher’s or supervisor’s protection under applicable law and representation by counsel retained by the College at the College’s expense may not apply because such relationships may be outside the scope of one’s employment. Furthermore, in administrative actions or lawsuits resulting from allegations of sexual harassment, consent may be very difficult to establish where a power differential exists. Even relationships in which there is not direct power differential may cause difficulties because faculty or staff engaged in such a relationship may, in the future, be placed in a position of responsibility for the student’s or employee’s instruction or evaluation.

2.9.3.2.4 Sanctions

The procedures for investigating alleged violations of the College’s Amorous Relationship Policy and the sanctions for violations of this policy are the same as the procedures and sanctions for violations of the College’s Non-Discrimination (Sexual Harassment) and Retaliation Policies.

2.9.3.3 Family Educational Rights and Privacy Act of 1974: Compliance

The Family Educational Rights and Privacy Act of 1974 grants all students 18 years or older significant rights of access to their educational records. This Act also protects the privacy of these records and requires the College to inform all students of the rights and safeguards given in the Act. Students who wish access to any written records directly concerning them shall submit their request to the Office of the Registrar, which is authorized to review each request and to approve requests that are proper. Faculty members do not have the right to release grades or other educational records to anyone other than appropriate College officials who have a legitimate educational interest in the information (e.g., an advisor, Dean, etc.); they may not give grades to parents or guardians if the student is a legal adult (18 years or older) without the student’s prior written consent. The Act does not give any student the right to contest a grade given in a course, but the Act does give the student the right to seek to correct an improperly recorded grade.

2.9.3.4 The Clery Act and Campus Sex Crimes Prevention Act Notices

As provided by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act of 1998, Saint Mary’s College of California through its Department of Public Safety, annually provides notice and makes available copies of the Annual Security Report, to the campus community, prospective students, employees and the public. Each Security Report includes statistics for the past three years concerning crimes and incidents (whether they occurred on campus, in off-campus building and property owned or controlled by the
College, or on public property adjacent to campus) reported to campus security authorities. Each Security Report also provides campus policies and practices concerning security – how to report sexual assaults and other crimes, crime prevention efforts, policies/laws governing alcohol and drugs, victims’ assistance programs, student discipline, college resources, and other matters. The Security Report is publicly available electronically or hard copy in the following ways: electronically: [http://www.stmarys-ca.edu/about/safety/02report.pdf](http://www.stmarys-ca.edu/about/safety/02report.pdf); in person: Department of Public Safety, Administrative Office, Siena Hall; or, by Mail or Telephone Request: Department of Public Safety, P.O. Box 3111, Moraga, CA 94575-3111 (925) 631-4052.

In addition, as provided by the Campus Sex Crimes Prevention Act, the Contra Costa County Sheriff’s Office maintains a Megan’s Law database of sex crime offenders, which information may be obtained from the Sheriff’s office located at 500 Court Street, Martinez, Monday-Friday, 9 am to 4 pm.

2.9.3.5 Whistleblower Policy: Fraudulent or Dishonest Conduct

Saint Mary’s College of California, reflecting its Lasallian and Catholic values, expects that its employees and students will act in a manner that is consistent with those values in their use of College resources and property. To protect the integrity of Saint Mary’s learning community and to ensure the highest standards of conduct by and among members of that community, the College will investigate any possible fraudulent or dishonest use or misuse of College resources or property by faculty, staff, or students. Anyone found to have engaged in fraudulent or dishonest conduct is subject to disciplinary action by the College up to and including dismissal or expulsion, and civil or criminal prosecution when warranted. All members of the College community are encouraged to report possible fraudulent or dishonest conduct. An employee should report his or her concerns to a supervisor, department chair or program director. If for any reason an employee finds it difficult to report his or her concern to a supervisor or department or program chair, the employee can report it directly to the area Vice President, Vice Provost or Dean of the faculty member’s school. Students should report any concerns to the Director of Student Conduct. Those receiving reports of suspected fraudulent or dishonest conduct involving employees are required to report such conduct to the Director, Human Resources; in the case of students, those receiving such reports (e.g., the Associate Dean of Student Life) are required to report such conduct to the Vice Provost for Student Life.

Definitions

**Whistleblower:** An employee or student who informs one or more of the individuals identified in the policy statement above about an activity that the employee or student believes to be fraudulent or dishonest.

**Baseless Allegations:** allegations made with reckless disregard for their truth or falsity. Individuals making such allegations may be subject to the appropriate College disciplinary action and/or legal claims by the individuals accused of such conduct.

**Fraudulent or Dishonest Conduct:** a deliberate act or failure to act with the intention of obtaining an unauthorized benefit. Examples of such conduct include, but are not limited to:

- forgery or alteration of documents;
- unauthorized alteration or manipulation of computer files;
- fraudulent financial reporting;
• pursuit of a benefit or advantage that would create a conflict of interest with one’s responsibilities or obligations as a member of the College community;
• misappropriation or misuse of College resources, such as funds, supplies, or other assets or property;
• authorizing or receiving compensation for goods not received or services not performed;
• authorizing or receiving compensation for hours not worked.

2.9.3.5.1 WHISTLEBLOWER PROTECTIONS:

The College will use best efforts to protect whistleblowers against retaliation, as described below. The College cannot guarantee confidentiality, however, and there is no such thing as an “unofficial,” “informal,” or “off the record” report. The party to whom such conduct is reported, will keep the whistleblower’s identity confidential, unless:

1. the whistleblower(s) agrees to be identified;
2. identification is necessary to allow the College or law enforcement officials to investigate or respond effectively to the report;
3. identification is required by law; or,
4. the individual accused of violations of this policy is entitled to the information as a matter of procedural and/or legal right in disciplinary actions.

College employees and students may not retaliate against a whistleblower with the intent or effect of adversely affecting the terms or conditions of employment or enrollment (including, but not limited to, threats of physical harm, loss of job, punitive work assignments, or impact on salary or wages, or the access to educational benefits).

Whistleblowers who believe they have been retaliated against may file a written complaint with the Director of Human Resources, if an employee is involved, or with the Dean of Student Life, if a student is involved. This protection from retaliation is not intended to prohibit the individuals identified above (for receiving such reports of improper conduct) from taking action, including disciplinary action, in the usual scope of their duties and responsibilities that are based on valid employment- or student-related factors.

Whistleblowers must be cautious to avoid baseless allegations (as described earlier in this policy).

2.10 FACULTY DEVELOPMENT

2.10.1 SABBATICAL LEAVE

2.10.1.1 Definition

The primary purpose of sabbatical leaves is to provide faculty an opportunity for intellectual enrichment and growth. Designed to enable faculty to pursue professional development more intensively than is normally possible, sabbatical leaves are an investment of the College in its academic future and reputation.

Sabbatical leaves may be awarded for various reasons related to scholarly growth, development, or renewal, including creative endeavors that promise to enhance the professional effectiveness of the applicant. Typical sabbatical undertakings include, but are
not limited to, activity that enhances one's teaching and research pursuits, writing, work related to the visual and performing arts (creation or performance), post-terminal degree study, and travel abroad for the purpose of study or research. (See Scholarly Interests and Pursuits, section 2.6.1.)

The calendar parameters for traditional undergraduate and graduate sabbaticals shall be the regular academic year as determined by the undergraduate calendar. For faculty teaching on an academic calendar different from the traditional academic calendar, all efforts shall be made to provide the equivalent time free from service as that granted to traditional undergraduate faculty.

2.10.1.2 Eligibility Criteria

Sabbatical leaves are available to full-time, tenured faculty only after the conferral of tenure and normally after six years of full-time service at the College. For those tenure-track faculty who were in their first year of service during the 1997-1998 school year, or were hired subsequent to that year, and who were given years of credit towards tenure at the College for service at another institution, no more than two (2) of those years of credit may count toward years of eligibility for sabbatical. Tenure-track faculty with prior non-tenure-track, full-time service (7/7 or equivalent) at the College may count up to two (2) years of this service towards the service eligibility criteria for their first sabbatical.

After receiving tenure, faculty who are providing currently or have provided while on tenure track in the past less than full-time service to the College on a temporary basis, may consider each 6/6 (or equivalent) of accumulated service on tenure track as one year of service towards eligibility for sabbatical. Tenured faculty who are on the permanent Reduced Services Plan are not eligible for sabbatical leave. Faculty may count up to one year of leave time toward eligibility for each sabbatical.

Any applicant for sabbatical leave must have been granted tenure before the deadline for application for sabbatical. Further, if it is the first sabbatical at the College, prior to commencing the sabbatical leave (not prior to application) the applicant must have completed six years of full-time service, including credit consistent with the provisions in the preceding paragraphs. Provided that the applicant has already been granted tenure, service during the year of application counts toward eligibility. Application may be made for subsequent sabbaticals provided in each case that the applicant will have completed six additional years of full time service (or the equivalent) after returning from the preceding sabbatical and prior to commencing the next sabbatical. A faculty member awarded sabbatical leave must return to full-time status on the College faculty for at least one year after the expiration of the leave, or the salary paid during the leave will be forfeited and must be refunded.

2.10.1.3 Review

Sabbatical awards are made to faculty upon the formal recommendation of the Chairs of the Undergraduate Educational Policies Committee (UEPC) and the Graduate and Professional Studies Educational Policies Committee (GPSEPC), representing the views of the members of those committees, and with the final approval of the Provost and the President. Full-time, tenured faculty submit their applications to the Dean for Faculty Development. Sabbatical leaves carry 3/6ths salary for the year or full salary for a half-year absence (includes January Term). Christian Brothers awarded a sabbatical should arrange an appropriate stipend with the President.
All proposals for sabbatical leave must be submitted to the Dean for Faculty Development (or directly to the Chairs of the UEPC and GEPC through the Office of the Academic Senate), and must contain specific information on the applicant’s eligibility pursuant to the preceding criteria in section 2.10.1.2. The application must clearly define a) how the sabbatical will be spent; b) how it will promote the professional growth of the applicant; c) how it will benefit the College; d) how it will contribute to the applicant’s discipline; and e), whether the sabbatical project will result in publication, seminar, lecture, meetings, readings, performances, etc. All proposals will include a current curriculum vitae. Faculty who are applying for a sabbatical which will occur in the year in which they will be considered for promotion should make timely arrangements for student Rank and Tenure evaluations, for incomplete files may delay the consideration of their promotion case by the Rank and Tenure Committee.

Although each application will be reviewed on its individual merits, the number granted in any year will be subject to available financial resources. Sabbatical leaves are not automatic after any stated period of service, but are awarded based on consideration of the merits of the proposal. The principal criterion in judging a request for sabbatical leave is the extent to which it is expected to enhance the professional development of the faculty member. The expected degree to which the results of the sabbatical leave will contribute to the life of the College and the applicant’s discipline will also be considered.

2.10.4 Sabbatical Protocols and Timeline for Consideration

1. On or before August 15th, applicants will submit Form A or Form B (Sabbatical Eligibility) with the appropriate signatures to the Office of Academic Affairs to begin the official process of determining eligibility for sabbatical leave. Forms A, B and C (mentioned below) are available from the Office of Academic Affairs.

2. Upon verification of eligibility, but no later than September 1st, applicants will submit their proposal to the Office of Academic Affairs. Sabbatical proposals from faculty whose eligibility for sabbatical leave has been verified will be forwarded to the Chairs of the UEPC and GEPC through the Office of the Academic Senate. In addition, candidates for sabbatical leave should submit a copy of the proposal to their department chair or program director on or before September 1 of the year preceding the academic year of the proposed sabbatical. The chair or program director upon receipt of the proposal, will forward to the Dean of the School a brief explanation of the staffing arrangements which will need to be made in the applicant’s absence. (Normally, sabbatical faculty are either not replaced or are replaced with part-time faculty; the use of pro-rated or temporary full-time faculty must be approved in writing by the Provost.)

3. The Dean of the School will review the explanation of staffing arrangements, amend them in consultation with the chair/program director if necessary, and confirm the plan by forwarding it to the Office of Academic Affairs. In the event of multiple requests from any one department/program, it is the responsibility of the Department Chair or Program Director to explain how staffing arrangements will meet the needs of the curriculum when more than one faculty member is on sabbatical at the same time. Once the arrangements have received the Dean’s approval, the Dean will forward each explanation of staffing arrangements to the Office of Academic Affairs on or before September 15 of the year preceding the academic year of the proposed leave. This information will not be distributed to UEPC or GPSEPC members nor considered by them in the deliberations concerning the merit of proposals.
4. After the deadline for applications has passed, the members of the UEPC and GPSEPC meet jointly to review and evaluate all proposals submitted to them after the verification process and rank them in order of merit, indicating as part of the ranking those that do not merit recommendations. The sets of rankings by the individual committee members will then be tallied and an overall ranking of each proposal arrived at. If the overall ranking of one or more proposals cannot be agreed upon by the committee member collectively, the Chairs of the UEPC and GPSEPC will resolve the contended rankings. When the Committees are in agreement on the rankings of all proposals, or the disagreement has been resolved by the Chairs, the proposals will be sent forward to the Provost by the Chairs.

If the total number of qualified proposals is fewer than the number currently approved for that year by the Board of Trustees, the Committees will forward these qualified proposals to the Provost without rankings. If the total number of qualified proposals is greater than the number currently approved, the Committees will forward the approved number without rankings, and will rank the remainder according to the tally previously taken. This group may be further divided into the following categories: a) strongly recommended (as extremely close to the original approved group); b) recommended (as qualified, though not as close in merit as the "strongly recommended" group). In either case, those proposals deemed not qualified will be ranked after the rest but identified to the Provost as "not recommended".

5. The Provost will review those sabbatical proposals deemed qualified by the Chairs of the UEPC and GPSEPC. This review will be with respect to (1) fiscal impact and (2) the overall quality of the group of advanced proposals. In the event that the Provost identifies problems pertaining to the overall quality of the proposals advanced by the Chairs of the UEPC and GPSEPC, the Provost will consult with them. Such consultation will aim at maintaining year-to-year, appropriate and consistent application of the standards for sabbaticals described in the Faculty Handbook.

6. Upon completing the review of the proposals, the Provost will forward the proposals, along with the comments regarding fiscal impact, to the President, who will render the final decision and notify each faculty member in writing, with copies to the Provost, Academic Dean, department chair or program director and the Chairs of the UEPC and GPSEPC. A faculty member whose sabbatical request is granted by the President must fill out Form C and submit it to the Office of Academic Affairs no later than March 1 of the academic year in which the sabbatical was granted in order to complete the acceptance and funding process.

7. Upon completion of sabbatical leave, the leave recipient shall submit a written statement to the appropriate Dean of the School and to the Provost within the first academic term after returning which shall describe the nature of the activity engaged in and the extent to which the proposed project was completed. During the academic year of the individual's return, the sabbatical leave recipient, in consultation with the Office of Faculty Development, will offer an appropriate presentation of the sabbatical research to the College community.

8. When sabbatical leave is not granted, the faculty member should be given the opportunity to know the reason for that decision. This information, if requested, will be provided in writing by joint letter of the Chairs of the UEPC and GPSEPC.
9. If a sabbatical leave is recommended by the Chairs of the UEPC and GPSEPC but not approved for funding because of departmental, programmatic, or School circumstances, if a sabbatical leave is funded but must be deferred for personal reasons, or if because of financial exigency there is a reduction in the number formally approved by the College for that year, the sabbatical leave applicant's services during the year(s) in which he/she might otherwise have been on sabbatical leave shall count toward the next six years of accumulated services toward eligibility for the next sabbatical leave.

10. Despite any accrued “credit for service” that results from a deferral (see #9 above), a faculty member must have completed one sabbatical leave before applying for the next sabbatical leave. Except for years of service covered under the deferral process described above, a faculty member who accumulates over time more than the six years of service required for sabbatical leave may not carry forward excess accumulated years of service credit toward a subsequent sabbatical.

2.10.2 FACULTY DEVELOPMENT FUND AWARDS

The Faculty Development Fund provides awards to individual undergraduate and graduate faculty for activities related to scholarly professional development, e.g., scholarly research, participation in scholarly conferences or workshops, and attendance at conferences, courses, or workshops directly related to the improvement of teaching or development of new courses. All ranked faculty are eligible for funding (excluding professors emeriti). Faculty on reduced services or sabbatical are eligible. Reasonable support is available for Adjunct Faculty (see section 2.2.5.2) in financing their faculty development activities so as to optimize their ability to compete in a national search.

The Faculty Development Fund Committee, whose members are the Director of Faculty Development (chairperson), and faculty representatives from each School, meets monthly (September through May) to consider applications for awards. Faculty should apply as early as possible prior to the date of the planned activity. More detailed information, guidelines, and applications are available in the Academic Affairs office and can be printed off the Faculty Development webpage (under Academics/Faculty).

2.10.3 OFFICE OF FACULTY DEVELOPMENT AND SCHOLARSHIP

The Faculty Development and Scholarship office provides professional development opportunities and support services to all Saint Mary's College faculty members as teachers and scholars, consistent with the mission of the College. In order to promote excellence in teaching, student learning, and scholarship, the program is carried out in a variety of ways, most typically through workshops on topics of teaching and learning, seminar-style reading/discussion groups, distribution of printed materials, dissemination of information about grants and fellowships and through individual consultation. The Director of Faculty Development provides leadership, acting as facilitator and "coach," in assisting individual faculty members to take full advantage of professional growth opportunities. Other functions of this office include designing and implementing faculty development programs and activities that support effective teaching and scholarship, developing and coordinating new faculty orientation and support activities, promoting among faculty a culture of shared inquiry, social justice, and diversity for purposes of educational effectiveness, and overseeing various student and faculty funding sources such as the Faculty Development Fund, the Student Research and Development Grants, and the Collaborative Student/Faculty Summer Research Awards. This office also assists in promoting competitive national student scholarships (e.g., Fulbright grants and Rhodes scholarships).
2.11 FACULTY WORKLOAD

2.11.1 WORKLOAD FOR RANKED FACULTY

In accepting a letter of intent or contract, each ranked faculty member agrees to the following rules regarding workload:

1. To devote their full-time and best efforts during the periods of their appointments to performing the specified duties in their letters of appointment and to carrying out other duties assigned to them in accordance with the applicable provisions of the Faculty Handbook.

2. Not to accept or engage in any other employment or activity, whether paid or unpaid, which in the judgment of the President in consultation with the Dean of the faculty member's School might interfere with the performance of such duties, without the prior written authorization of the President. All such authorizations are required for each term of appointment in which they are sought, and will be granted on an annual basis only. A copy of any such authorization must be forwarded to the Office of Academic Affairs. Faculty may engage in teaching, consulting or other paid activities outside the College without the prior written authorization of the President as long as such activities do not exceed the equivalent of one eight (8) hour day each week while teaching.

3. The full-time teaching load for ranked faculty is set by the Board of Trustees. The faculty teaching load was last set by the Board in May 1990 at "21-22 units annually."

4. Ranked faculty are obligated to accept teaching assignments for which they are qualified, as assigned by the College.

5. Ranked faculty will post and hold a reasonable number of office hours to accommodate the schedules of students and advisees. These hours should be increased at peak times when advisees and other students are required to meet with faculty, e.g., preregistration, registration, drop/add, etc. Faculty teaching courses for which office hours are impractical must make themselves available for consultation with students to a reasonable extent through other appropriate means.

6. Ranked faculty are expected to attend departmental and committee meetings, general Academic Senate meetings, Commencement, and other special convocations.

7. Ranked faculty are also expected to assume various other duties related to their role as faculty. Such duties may include student advising, supervision of independent studies, service on School and College committees, instruction substitution for faculty colleagues, participation in student recruiting events, etc. If a faculty member, chair, or Dean perceives that the number of such duties in the aggregate is unreasonable, they should discuss this matter with the appropriate party to determine if an adjustment in the person’s workload is warranted. In the case of instruction substitutions in excess of one week, following review and approval of the appropriate Dean and the Provost, substituting faculty will be compensated at a rate to be determined in prior consultation with the Human Resources office.
2.11.2 WORKLOAD FOR NON TENURE-TRACK FACULTY

1. The non-teaching workload for Visiting Faculty will be proportional to the extent of their instructional duties, and otherwise similar to that of ranked faculty in section 2.11.1.(8), above.

2. The non-teaching workload for Adjunct Faculty will be proportional to the extent of their instructional duties, and otherwise similar to that of the ranked faculty.

3. Lecturers will hold office hours or make themselves equivalently available to students through other means appropriate to the program, and will attend meetings as required by chairs or program directors.

2.11.3 ACADEMIC ADVISING

Saint Mary's College recognizes that guidance and education are inseparable, and considers academic advising to be an extension of the teaching responsibilities of its faculty. Accordingly, all full-time faculty members are assigned a group of advisees. Faculty advisors are supported by the Office of Academic Advising and Achievement. Advisors are expected to make themselves available to these advisees on a regular basis and should familiarize themselves with the academic requirements of the College and its departments to assist students in formulating short- and long-term goals. All faculty are responsible for making themselves available to offer advice to students in their classes. As a faculty advisor, a faculty member is responsible for academic program planning, referral of advisees to other sources of assistance when appropriate, and making contact with students in academic difficulty when receiving notification from the Office of Academic Advising and Achievement. The promotion and tenure process takes student advising into consideration.

2.11.4 OFFICE HOURS

All faculty are required to hold regular office hours. Office hours should be posted and regular, and sufficient for the number of advisees assigned. These hours should be increased at peak times when advisees and other students are required to meet with faculty, e.g., preregistration, registration, drop/add, etc. Faculty teaching courses for which office hours are impractical must make themselves available for consultation with students to a reasonable extent through other appropriate means.

2.12 WORKPLACE CONDITIONS

2.12.1 DRUG-FREE WORKPLACE AND ALCOHOL USE POLICY

In accordance with applicable law, the College seeks to maintain a safe, healthy, and productive environment for its employees, students and others who may visit or work at the campus.

The use and abuse of alcohol and drugs pose a serious risk to the physical and emotional health of an individual and can negatively impact one’s professional and private life, as well as the life of the College.

Potential health risks include, but are not limited to:
• Confusion, hallucinations, paranoia, deep depression
• Cardiac irregularities and hypertension
• Neurological damage
• Organ damage, including cirrhosis of the liver
• Increased cancer risk
• Malnutrition

Therefore, the purchase, possession, use, distribution, or manufacture of illegal drugs and the possession and use of unauthorized alcoholic beverages on College premises or as part of any College activity is prohibited. Authorized alcohol is that served at College-sponsored functions to persons age 21 or older; consumption of authorized alcoholic beverages is not permitted in any classroom building or within public areas of the College. For purposes of this policy, illegal drugs are drugs that cannot be obtained legally, as well as drugs that are legally obtained, but used for illegal purposes, or abused.

Local, state and federal laws establish severe penalties for unlawful possession or distribution of illicit drugs and unauthorized alcohol. Some examples of those laws are:

• Purchase, possession or consumption of alcohol by a person under age 21 is prohibited.
• Providing or selling alcohol to someone under age 21 or to any obviously, intoxicated person is prohibited.
• Except under authority of a California Alcoholic Beverage Control License, selling alcoholic beverages, either directly or indirectly, is prohibited.
• Purchase, possession or use of illegal drugs is prohibited.

If prescribed or non-prescribed drugs which the employee must take for reasons of health interfere with his/her job performance or endanger the safety of others, the employee must take a medical leave of absence, make other arrangements to be away from his or her position or request an accommodation in the work environment and/or the job until the condition improves. In the case of a request for accommodation, the College will require appropriate professional documentation regarding the employee’s drug or alcohol related condition and will determine if the accommodation requested is reasonable under the circumstances presented.

Whenever a violation of this policy or whenever the use of any drug, including alcohol, adversely affects the employee’s job performance, with reasonable accommodation, or the job performance or safety of others, the College will take disciplinary or other corrective measures including termination and possible referral for criminal prosecution.

If faculty members are concerned about their life and health relative to alcohol and/or drug use, they are urged to contact the College’s Employee Assistance Program (EAP) at 1-888-492-9355 (see section 2.14.13). The EAP assures all employees of confidential counseling for drug and alcohol problems, as well as for stress, marriage, children, emotional and relationship problems.

2.12.2 POLICY ON SMOKING IN CAMPUS FACILITIES

Saint Mary’s College is committed to providing a healthy, comfortable, and productive environment for students, faculty, and staff. To this end, smoking is prohibited inside all College facilities and vehicles, owned or leased, regardless of location. Smoking is not permitted in any enclosed place, including private residential housing space. Smoking shall occur only at a reasonable distance (e.g. 20 feet or more) outside any College building or
enclosed area to insure that secondhand smoke does not enter the area through entrances, windows, ventilation systems, or any other means.

2.12.3 OBSERVANCE OF CAMPUS REGULATIONS

Faculty members are urged to discourage infractions of campus regulations by students and visitors. Violators should be informed or reminded that they are breaking College rules. Instructors are referred to the Saint Mary's College Student Handbook for information concerning College regulations, their mode of enforcement, and the manner in which penalties are imposed. Serious student infractions should be reported to the Vice Provost for Student Life. Problems with visitors are reported to the Director of Public Safety.

2.12.4 ASSIGNMENT OF OFFICES

Assignment of offices to the faculty is done by the Deans of the Schools. Questions concerning this matter should be addressed to the Deans.

2.12.5 PHOTOCOPIER AND DUPLICATING EQUIPMENT FOR FACULTY USE

Use of photocopier and duplicating equipment is restricted to instructors and staff. Use by students is permitted only by arrangement with an instructor or staff member and must be for the purpose of copying material related to the instructor's curricular needs or the staff member's requirements.

2.12.6 OFFICE SUPPLIES

College letterhead, stationery, office supplies and other materials are available from the School secretaries and/or administrative assistants. Any major supply items must be ordered on a Purchase Order (available in the Office of the Dean of the School) signed by the department chairperson.

2.12.7 LACTATION ACCOMMODATION

The College will make reasonable efforts to provide an opportunity and a private place (other than a restroom) that is close to the faculty member's office and/or classroom to pump breast milk. The opportunity to invoke this accommodation must, if possible, run concurrently with any non-class time opportunity already available to the faculty member while on the Moraga campus or at an off site classroom and/or office location used by the faculty member in connection with the performance of her professional obligations to the College. When no private place is available close to the faculty member's office or classroom, she may pump milk in her office or classroom, so long as she can do so with privacy.

2.13 LEAVES

2.13.1 LEAVES WITH PAY

For detailed information regarding specific leaves of absence, contact the Human Resources office. For sabbatical leave, see 2.10.1.
2.13.1.1 Sick Leave (Short-term Disability Income Benefits)

For faculty, accumulation of paid sick leave is at the rate of four (4) weeks for each year of full-time employment up to a maximum of twelve (12) weeks, at which time long-term disability income benefits commence, if applicable. Sick leave is normally coordinated with State Disability Insurance to assure that one remains at 100% of normal earnings as long as possible.

The Human Resources office must be notified as soon as possible of any sick leave, pregnancy disability, other disability, or of the need for Family and Medical Leave (in writing when possible) as soon as the faculty member is aware of the need for such leave. In non-emergency situations, the employee must provide no less than thirty (30) days written notice to the Human Resources Office. For details of the policy, contact the Human Resources office.

2.13.1.2 Jury Duty

The College recognizes jury duty as a civic obligation and will excuse all summoned employees from work for jury duty with pay for a period not exceeding four full work weeks in a calendar year. If the jury duty exceeds four full work weeks, the employee may take unpaid leave unless the employee has worked for any part of the work week, in which case the leave will be paid leave. The employee may retain any jury fees.

2.13.2 LEAVES WITHOUT PAY

There are three categories of leave without pay: leaves based on family and medical circumstances and governed by law, personal leaves that are not legally mandated, and scholarly leaves.

2.13.2.1 Family and Medical Leave Act of 1993/California Family Rights Act

The Family and Medical Leave Act of 1993 and the California Family Rights Act entitle a faculty member who has been employed at least one full calendar year and has worked 1,250 hours during the preceding 12 months to take up to 12 weeks unpaid leave with the right to return to the same or comparable position. Leaves will be granted to accommodate the needs of a faculty member due to the birth, adoption, or foster care placement of a child within 12 months of the child’s birth or placement; to care for a spouse, dependent child or parent with a serious health condition; or because of a serious health condition of the faculty member. Serious health condition is defined as a condition requiring hospitalization, the ongoing care of a licensed treatment provider, or the absence of three days or more and the care of a licensed treatment provider. During this time, the faculty member can be required to use his/her unused sick leave and the College will continue its contribution to the faculty member’s health insurance premium. Medical or pregnancy leaves generally include the right to return to the same or comparable position.

The above protected leaves may be accompanied by an interruption of the probationary tenure period for tenure-track faculty. See 2.2.2.2.

Procedure for Granting Leave: Eligible faculty members must apply for leave by completing the “Request for Leave” form and, in the event of a serious illness of the faculty member or immediate family member, the “Certification of Health Care Provider” form at least thirty (30) days prior to the leave or as soon as foreseeable. Both forms are available in Human Resources.
Upon approval of a leave the College will confirm the date of the faculty member’s return. Any request for an extension of an approved leave must be submitted in writing to Human Resources at least one (1) week prior to the expiration of the current leave with a copy going to the Provost. Failure to return on the agreed date will be considered a voluntary resignation of the faculty member’s appointment and, where applicable, tenure.

A written verification of the faculty member’s ability to resume normal duties is required from the health care provider prior to the employee’s return. Any accommodations or restrictions upon return from leave must be detailed and in writing.

The above Protected Leaves may be accompanied by an interruption of the probationary tenure period for tenure track faculty. See 2.6.2.1.1.

2.13.2.2 Personal Leave of Absence

For those leaves of absence that are not legally mandated, full-time faculty may obtain a personal leave of absence with the consent of the department chairperson, recommendation of the Dean of the School and approval of the Provost and the President. A personal leave of absence is granted, upon request, for an academic term or year and can be formally renewed up to a maximum of an additional academic year. Under extraordinary circumstances, the President may extend the leave of absence for an additional period of time. Benefits such as medical, dental, vision, life and long-term disability are not due during a personal leave of absence; however, the faculty member may continue any or all of these benefits during any such leave that is not covered by the Family and Medical Leave Act of 1993, on the condition that he/she pays the entire premium. A faculty member on a personal leave of absence must notify the Dean of the School and the Provost by April 1 or within 30 days of receipt of contract, whichever is later, of his/her intention to return or not to return at the beginning of the next academic year. However, faculty members are strongly urged to so notify by March 1.

2.13.2.3 Scholarly Leave of Absence

Tenure and tenure-track faculty shall be eligible to apply for a one-term Scholarly Leave of Absence, not to exceed one semester every four years, to pursue a scholarly or creative project, as recommended by the Dean and approved by the President. For the relation between Scholarly Leave of Absence and the probationary tenure-track period at the College, see section 2.6.2.1.3. In addition, tenured faculty while on a scholarly leave retain faculty status and privilege, including eligibility for sabbatical leave. Faculty on Scholarly Leave shall receive a pro-rata salary as well as pro-rata life and long-term disability benefits but shall retain full medical, dental, and vision benefits. Applications for Scholarly Leave must normally be made to the Chair of the faculty member's department no later than the end of the first week of the academic term (i.e. long semester or quarter, as applicable) before that in which the leave is to be taken. Requests for Scholarly Leave may be granted by the President who shall consider the following factors: 1) the faculty member has presented a clear and substantive plan for the use of the leave which has been found meritorious by the Dean of the applicant’s school and by the Provost. 2) the faculty member’s absence will not unduly harm the ability of the home Department to offer its curriculum, the judgment to be made by the Dean of the applicant’s school in consultation with the Chair of the faculty member’s department. 3) without the prior written approval of the President, the faculty member will not accept new income, related or unrelated, to completion of the scholarly or creative project. 4) the faculty member must return to full time status (6/6) for at least one
year after the expiration of the leave, or the faculty member must reimburse the College’s cost of the medical, dental and vision benefits received during the leave.

2.14 BENEFITS

The Director of Human Resources is responsible for all benefits, policies and programs and for communicating these through available booklets, orientation, enrollment, and forms. This office also provides claims, accounting and related details. Coverage is automatic only for benefits required by law (Social Security, Workers' Compensation, State Unemployment and State Disability). Each faculty member is personally responsible for enrolling in a timely fashion in all other benefit programs listed below.

2.14.1 MANDATORY BENEFITS

All faculty members are covered by law by Social Security, Workers’ Compensation, State Disability and State Unemployment Insurance.

2.14.2 LONG-TERM DISABILITY INCOME BENEFITS

All ranked faculty and Adjunct Faculty teaching 6 or more courses per academic year on an annual basis are covered by long-term disability insurance. Coverage begins on the first day of the month following 30 days of employment. The full cost of this coverage is paid by the College. Under the plan, 60% of annual salary to a maximum of $8,000 per month is payable to an employee who is unable to perform the duties of his/her job, as determined by a physician. After a 90-day elimination period, the Human Resources office will process a claim for benefits under the policy. Lecturers are not eligible for coverage regardless of the number of courses, units, or workshops they teach per academic year.

2.14.3 HEALTHCARE

The College provides comprehensive benefits for full-time ranked and adjunct faculty (those teaching 6 or more courses per academic year) which allows the individual to choose the appropriate programs and levels of coverage under the available health, dental and vision plans. Adjunct faculty teaching 5 courses receive a prorated benefit of 71.4% of the College’s share. Any premiums above the College’s share are deducted on a pre-tax basis from the faculty member’s regular paycheck. Lecturers are not eligible for coverage regardless of the number of courses or units they teach per academic year.

Faculty may choose between the programs listed below:

Health Insurance:
Anthem Blue Cross Health Maintenance Organization (HMO and High Deductible)
Kaiser Health Maintenance Organization (HMO and High Deductible)

Dental Insurance:
Delta Dental
PMI DeltaCare
Safeguard Dental

Vision Insurance:
Vision Service Program
Safeguard Vision
Coverage for any of these programs begins the first day of the month following 30 days of employment. Applications are required and can be obtained from the Human Resource office.

2.14.4 GROUP TERM LIFE INSURANCE

All ranked faculty and Adjunct Faculty teaching 6 or more courses per academic year are covered by group term life insurance. Coverage begins on the first day of the month following 30 days of employment. Benefits are computed at one times the employee's salary, to a maximum of $150,000. At age 70, benefits are reduced to 65% of the salary, and, at age 75, amounts are reduced to 50% of the salary. The full cost of coverage is paid by the College. Eligible employees may also purchase optional additional amounts of life insurance at group rates determined by the carrier. Lecturers are not eligible for coverage regardless of the number of courses, units, or workshops they teach per academic year.

2.14.5 ACCIDENTAL DEATH AND DISMEMBERMENT/TRAVEL ASSISTANCE

All ranked faculty and Adjunct Faculty teaching 6 or more courses per academic year are eligible to participate until age 70. In cases of accidental death or dismemberment, benefits will be payable based on a schedule in addition to term life insurance benefits. Employees who are eligible for full-time benefits are also eligible for travel assistance when traveling, whether for business or pleasure. The cost of both the accidental death and dismemberment and the travel assistance plan are paid by the College. Lecturers are not eligible for coverage regardless of the number of courses, units, or workshops they teach per academic year.

2.14.6 WORKERS’ COMPENSATION

All employees are covered by Workers’ Compensation Insurance which is paid for by the College for work-related injuries or illnesses, as required by law. The coverage is effective on the first day of employment and is automatic. Benefits include payment of all approved medical expenses related to an accident or illness, as well as weekly benefits. Claims must be filed with the Human Resources office immediately after sustaining an injury or illness, and the faculty member will be directed to the appropriate medical treatment center.

2.14.7 RETIREMENT

1. Social Security/Medicare. All employees are covered by law and have a Social Security deduction made from their pay that is matched by the College. The amount deducted is paid into a Social Security account for each employee. Social Security provides retirement benefits and disability and survivorship plans.

2. TIAA/CREF Retirement Plan. All faculty with the rank of Instructor, Assistant Professor, Associate Professor, or Professor are eligible to participate in the TIAA/CREF retirement program after the completion of one year of service at Saint Mary's College or one academic year of prior full-time service with an institution of higher education, or already own TIAA/CREF contracts and have attained age 21. The College contribution is equal to 3% of the employee's monthly earnings, whether or not the employee contributes to the program. A tax-deferred option is available for faculty who wish to reduce their taxable income up to limits established by the Internal Revenue Service. Voluntary additional contributions are placed either in regular or group
Supplemental Retirement contracts and are made on a tax-deferred basis. Supplemental Annuity contracts allow a loan provision and lump sum distributions at termination.

3. Full- and part-time faculty may contribute to the TIAA/CREF program at any time. Although the College permits the voluntary selection of alternative carriers for employee contributions, it will not contribute to any carrier other than TIAA or CREF.

4. Emeriti Retirement Health Solutions (Emeriti)

The Emeriti Retiree Health Plan for Saint Mary's College of California is designed to help eligible employees pay for medical expenses after employment with College ends, beginning at age 55, in a tax-advantaged manner. It is also designed to provide eligible retirees with access to affordable nation-wide health insurance coverage beginning at age 65 throughout retirement. This new program is being offered by the College through Emeriti Retiree Health Solutions (Emeriti), a collaborative arrangement of more than 40 institutions of higher education.

a) Contributions: Under the program, the College contributes a flat dollar amount to an Employer Contribution Account for each benefits-eligible employee age 40 and older for up to a maximum of 25 years. For Academic Year 2007-2008, that amount is $55 per semi-monthly pay period, which annualized is $1,320 per year. Employees age 21 and older can also make after-tax contributions of any amount to an Employee After-Tax Contribution Account, as part of planning for medical costs in retirement. Employee contributions are immediately vested and contributions by the College are vested after five (5) years of continuous service. Employees can direct the investment in both accounts (the “Health Accounts”) through the plan's administrator Fidelity Investments.

b) Benefits Available in Retirement: Upon retirement (defined as age 55 or older and 5 years or more of continuous service), the Health Accounts can be used to reimburse eligible medical expenses, including the cost of medical, dental, vision and long term care insurance premiums. Emeriti also provides access to a nation-wide health insurance plan with choice of coverage level and at group rates to Medicare-eligible employees at age 65, as well as to eligible dependents through Aetna. A participating employee who ceases employment prior to achieving five (5) years continuous service may still use, if he/she has made contributions to, an Employee After-Tax Contribution Account to receive uninsured reimbursement benefits upon attaining age 55.

c) Eligibility: A Benefits-eligible employee hired on or after July 1, 2007 will become a participant in the Emeriti Retiree Health Plan on the date he or she first makes a contribution to an Employee After-Tax Contribution Account (on of after age 21) or on the date the College first makes a contribution to the employee' Employer Contribution Account (on or after age 40). Benefits-eligible employees hired prior to July 1, 2007 had a one-time option to enroll in the new Retirement Health Program (Emeriti) in lieu of the College's previous retirement health program described below, if eligible for the benefit at the time of retirement. Those benefits-eligible employees who did not affirmatively enroll in the new Retirement Health Program (Emeriti) by June 29, 2007 will not be able to enroll in Emeriti in the future.

d) For More Information: This is a brief summary of the Emeriti Retiree Health Plan. The Summary Plan Description (SPD) provides a more detailed description of the plan and you may request a copy from the Human Resources Department. The HR department has other information on this Plan, plus general information about Emeriti is available at
www.emeritihealth.org/emeritihealth.htm This Handbook, the various websites and brochures and the SPD are only to provide you with general information about the Emeriti Retiree Health Plan; in the event of a conflict between the Handbook, the SPD or other descriptive sources and the Plan document, the Plan document will control.

5. Five Year Retirement Medical Benefit:

If not enrolled in the Emeriti Retirement Health Solutions program (Emeriti), employees hired prior to July 1, 2007 may be eligible receive limited health and dental benefits for up to five (5) years after full retirement at the same premium rates as similarly-situated active employees. Employees hired or re-hired on or after July 1, 2007 are automatically enrolled in the Emeriti program and are not eligible for the Five Year Retirement Medical Benefit.

a) Eligibility: To be eligible for the Retirement Medical Benefit, the employee at time employment ends must be at least 55 years of age, have completed 15 years of service, and be covered under the College's health and dental programs at the time of retirement.

b) Benefit: For eligible employees and their spouses, the College will continue to pay the current applicable active employee premium (which changes each year) for up to five (5) years. Once a retiree attains age 65, he/she will be required to enroll in a Medicare Supplement Program, and any premium charges above the allotted active employee rates shall be paid by the retiree. Dental coverage also ends at age 65.

Applications and other appropriate forms for these programs are available from the Human Resources office and must be completed before any contributions from either the employer or the employee can begin.

2.14.8 TUTION WAIVER AND EXCHANGE PROGRAMS

2.14.8.1 Tuition Waiver Program

Full tuition remission for attendance at any and all Saint Mary's College’s undergraduate programs (specifically excluding doctoral programs and courses offered in inter-institutional or contract programs) is granted to sons and daughters (who have met the qualifications for admission) of full-time faculty who have completed one academic year of full-time employment and are currently employed, and to the nieces and nephews of Christian Brothers (i.e., children of their brothers or sisters who have met the qualifications for admission) currently assigned to and employed by the College.

To be considered eligible for a tuition remission, a son or daughter must be a dependent for tax purposes, must have enrolled before attaining age 21, and must meet the normal admission requirements of the College and of the academic program for which application is made.

Current full-time faculty and their spouses, after completion of one academic year of employment, are eligible for a 100% tuition allowance for a maximum of one course per semester, quarter, or term.
2.14.8.2 Tuition Exchange Program

The Tuition Exchange Program provides a national scholarship exchange program for dependents of eligible employees with over 550 participating institutions throughout the United States and the United Kingdom. Approximately 3,000 students receive scholarships annually.

Eligible Employees: All full-time ranked and adjunct faculty with dependent children (as defined by the IRS) under the age of 25, currently teaching six (6) or more courses per academic year, and who have completed one (1) year of employment, are eligible to apply for scholarships.

Application for the Tuition Exchange Program does not guarantee acceptance to a member institution. All students must seek admission to the partner institution and meet any applicable admission requirements. For further detailed information and the official policy, contact Human Resources.

2.14.8.3 Reimbursement Accounts

Faculty who teach four or more courses per academic year (paid over 24 pay periods per year) are eligible to take advantage of the health and/or dependent care reimbursement accounts. Open enrollment for these accounts occurs in December for a calendar year effective date. Enrollment in these programs is not automatic and must be recalculated annually.

Employees estimate each year the predictable expenses that may be incurred and not covered by their medical, dental and/or vision insurance. These amounts are reduced from the regular paycheck on a semi-monthly pre-tax basis. Once the expenses are incurred, a claim form is submitted and reimbursement occurs. For additional information and legal definitions, contact the Human Resources office.

2.14.9 MISCELLANEOUS

Safety Program: It is the policy of the College to have a safe and healthy workplace. Employees are expected to adhere to all safety rules, follow established safe work practices and exercise caution in all work activities.

College employees ordinarily are offered attendance to academic, cultural and artistic events, student-sponsored events and athletic events on campus; attendance is either free or at reduced prices. Normally faculty or staff I.D.’s are needed for most campus events.

Lunchrooms are available for all staff and faculty. Sodexo offers the purchase of “Flex Dollars” to use in any of the eating establishments on campus at a discount.

Moraga School District Attendance Policy: A pupil whose parent or legal guardian is employed within the boundaries of the Moraga School District is considered to have complied with residency requirements (AB 2071). Admission to Moraga schools, however, is based on a review of space availability, student's citizenship record, additional services required by the student, and any other factors affecting the interest of the student or the District.
Certain organizations outside the College offer benefits to College employees. The Bookstore offers staff discounts. Metro 1 Credit Union offers personalized banking services. A Bank of America ATM is located in Ferroggiaro Hall for cash withdrawals. Some amusement parks and local merchants offer discounts to College employees.

2.14.10 EMPLOYEE ASSISTANCE PROGRAM

The Employee Assistance Program (EAP) is a free, confidential referral and counseling service for full-time employees, retirees, and their family members designed to help balance the challenges of home, work, and contemporary life. EAP specialists can help with marital and relationship counseling, education planning, child and elder care, alcohol and drug abuse, emotional stress, legal assistance, and debt management. To access the EAP services, call 1-888-492-9355.

2.14.11 USE OF FACILITIES/DISCOUNTS

2.14.11.1 Athletic Facilities

Faculty and staff members may use designated athletic facilities. Contact the Assistant Director for Athletics and Recreational Sports for hours of availability and further information.

2.14.11.2 Dining Facilities and Lounges

During the academic year, the Roncalli dining room is available for faculty to purchase lunch. Faculty are welcome to eat this purchased food, or lunch brought from home, in the Roncalli dining room or the Faculty/Staff Lounge. The latter is located at the end of the hall behind Roncalli. Tea and coffee service are available in the lounge, as well as a microwave oven and refrigerator. Informal gatherings may be held here, but the room cannot be reserved for any one particular group.

Faculty may also purchase meals in Oliver Dining Hall (the student dining room), in Café Louis, or in the Food Court. The Oliver Dining Hall provides a large assortment of items for one price at the door, and Café Louis and the Food Court offer selections on an a la carte basis. During the January term, holidays, and summer months, these facilities are available on a limited basis. Modified hours of operation are posted at the site, as well as included in SMC Online Magazine.

Faculty may purchase a meal plan from Sodexo. The plan is in the form of “flex dollars”, may be used at any one of the above-listed facilities, and is good for the academic year. The benefit to the faculty for buying the meal plan from the College is the exemption from sales tax. The plan can be purchased in increments of $50.00.

Hagerty Lounge, located on the first floor of De La Salle Hall, is furnished with round dining tables and chairs, and has a complete kitchen, including dishware and utensils, which may be used by groups wishing to hold functions which involve their own food preparation and service.

2.14.11.3 Bookstore

The Bookstore, located in the Ferroggiaro Center, is operated by Barnes and Noble College Bookstores Inc., and offers faculty and staff members a 10% discount on all purchases.
except for film, food, magazines, and sundries, and items which are already on sale. Faculty are asked to show their identification card before sales are rung in the register.

The Bookstore accepts special orders for books from faculty and staff. Faculty are urged to write to the publisher for personal desk copies of textbooks. The Bookstore can help by supplying toll-free phone numbers.

2.14.11.4 Ticket Discounts

Faculty and staff members are admitted without charge to most athletic events. Faculty and staff members need only show their Saint Mary’s identification card for free admission to home baseball games. For home basketball games, staff and faculty must pick up tickets 24 hours prior to game time from the ticket office. Faculty and staff are allowed one free ticket per basketball game.

2.14.12 PARKING

Faculty automobiles which are parked on campus must display a current faculty parking sticker, which must obtained from the Public Safety department. Parking violations are subject to fines. Failure to pay fines will be cause for the owner’s vehicle to be booted or towed. Parking violations in fire lanes and zones for handicapped are subject to municipal laws as well as towing charges.

2.14.13 VOLUNTARY PROGRAMS

Pre-paid Legal Services provides confidential access to legal services through a selected and monitored legal service network. Services include unlimited telephone consultations, letter and phone calls on your behalf, review of documents, representation for moving traffic violations, IRS audits, trial defense services and access to an attorney 24 hours a day 7 days a week in the event either you or a family member is arrested or detained.

United States Savings Bonds may be purchased by payroll deduction. The interest earned on these bonds is exempt from state and federal income tax and is deferred until they are cashed. The interest accrues monthly and compounds semiannually and can be cashed in after six months.

Liberty Mutual offers employees of Saint Mary’s College discounted homeowners and automobile insurance at competitive rates.

UNUM/Provident Insurance Company offers participation in voluntary Critical Illness and Interest Sensitive Life Insurance programs. Enrollment in these programs is offered annually, during the open enrollment period with no medical verification or certification required.

Voluntary Life Insurance is provided by Sunlife of Canada for those wishing to exceed the College’s benefit. Employees may apply for additional life insurance amounts for themselves, spouse and children at competitive prices and with the ability to convert these amounts to individual coverage at a later date.
2.15 FACULTY SALARY POLICY

Saint Mary’s College values highly the contributions of its faculty in pursuing excellence in Lasallian, Catholic and liberal education. The College recognizes that it must attract and retain outstanding faculty who are committed to the College’s mission and to their own person and professional growth. Thus, the College is committed to paying competitive salaries according to the following guidelines:

**Salary Goals:**
1. The average of salaries by rank should minimally be the average salaries by rank of Pacific States IIA institutions, as defined and published yearly in Academe, The Chronicle of Higher Education, and on Web sites.

2. To maintain competitive salaries, the budget process should also consider a smaller cohort of comparable institutions: the other schools in the WCC and Manhattan College. Many of these institutions have professional schools, which pay significantly higher salaries, particularly in the ranks of associate and full professor. In light of this, the College should aim for the median of the assistant professor salary scale at Saint Mary’s to be at the median of assistant rank average salaries at these cohort institutions, as available yearly in the sources noted above.

3. The College should aim for a salary structure that is equitable across ranks, with particular attention given to the competitiveness at the assistant professor level. The salary structure should have a range of salaries, from assistant through full professor, consistent with the Pacific States IIA.

**Salary Administration**

1. The change each year in the faculty salary budget (the “pool”) will be a permanent part of the overall budget discussions of the College. Therefore, the change should recognize the current and forecasted financial situation of the College, which may require temporary deviation from the goal.

2. The College recognizes that data on comparable salaries are only available with a 1 to 2 year lag. Thus, determining whether the goal has been achieved each year is not possible. Because of this, once the minimum goal has been achieved, the minimal targeted change in the average of the assistant professor scale should be the geometric average change over the past five years in the Pacific States IIA.

3. Should the result of the process above deviate over time (either above or below) from goal salaries, adjustments shall be made to return to the goal as quickly as feasible, as recommended by the Task Force described below.

4. Once the size of the budget for faculty salaries is determined, the proposed distribution across ranks and scale will be determined by consultation among the Faculty Welfare Committee, the Vice President for Finance, the Provost, and the Chair of the Academic Senate, with the assistance of the Finance Director/Controller.

5. Every three years (beginning in 2004-2005), a Task Force composed of three members of the Faculty Welfare Committee, along with the individuals in (5) above, the Director of Human Resources, and the Dean for Faculty Development, shall review the implementation of the policy. The policy will be reviewed to insure fair and consistent
implementation according to the above goals and procedures based on trends in actual vs. goal salaries over time, rather than on annual achievement of a specific salary level. The results of the review will be reported to the President and to the Academic Senate.

6. The Faculty Welfare Committee each year shall provide to the College community a comparison of current Saint Mary’s faculty salaries with the goal salaries as listed above.

Note: The faculty salary goals and administration policies were adopted by the Board of Trustees on May 24, 2002 and amended as stated above on May 20, 2005.

2.15.1 SALARY SCALES FOR RANKED AND ADJUNCT FACULTY

Full-time Faculty Salary Scale

The annual salary scale matrix designates a salary scale I for those faculty without the terminal degree (normally, the doctorate), and a scale II for faculty who possess the earned terminal degree (normally, the doctorate). The vertical steps each represent one year of credited experience.

When a member of the faculty has completed all requirements for the doctorate and has been officially notified by the conferring university, he/she shall present such documents to the Dean of the School and shall move from I to II in the salary scale with the commencement of the contract period or February 1, whichever date is nearest in time.

Initial placement on the full-time faculty salary scale is determined by the Provost in consultation with the Dean of the School and chairperson of the department, as appropriate. Initial placement on the Lecturer scale is determined by the Dean of the appropriate School.

All full-time faculty salaries are paid over a 12-month period in 24 equal semi-monthly payments. All part-time salaries are paid over an applicable period determined by the Dean of the School and the Director of Human Resources. Lecturers ordinarily carry a course load of from one to four courses, have only the additional duties specified in 2.11.2 (3.), and are placed on the Lecturer salary scale.

A scale increase for each step is given per year as for full-time salaries, with Trustee approval. Lecturers are advanced from I to II with certification of earned terminal degree (normally, the doctorate), as with full-time faculty, and are advanced by step after completion of seven courses at Saint Mary’s College. Advancement is made with the commencement of the contract period or February 1.

Adjunct faculty are assigned five courses or more with additional duties proportional to the extent of their instructional duties, and otherwise similar to that of the ranked faculty [see 2.11.2 (2.)] at the discretion of the College. Such faculty receive a salary based upon the full-time salary scale.

2.16 GRIEVANCE

2.16.1 INTRODUCTION

1. The grievance procedure provides an individual with faculty status a procedure by which to have his/her grievance heard in a fair, predictable manner which permits the participation of his/her colleagues. The goal of the procedure is to effect the timely and equitable settlement of the grievance.

2. The grievance procedure is used to settle disputes between faculty members and other faculty members or between faculty members and academic administrators. The following are grievable issues:

   a. alleged inadequate consideration and/or alleged violations of academic freedom by the Rank and Tenure Committee, the Provost, or the President in tenure and promotion recommendations and/or decisions (see section 2.16.3);

   b. alleged inadequate consideration and/or alleged violations of academic freedom in reappointment recommendations and/or decisions not involving the Rank and Tenure Committee (see section 2.16.4);
c. all other grievances not involving the rank and tenure review process which allege errors in policies, errors in carrying out policies or procedures, or violations of academic freedom (see section 2.16.4);

d. alleged violations of equal employment opportunity policies. (Cases of alleged harassment (other than sexual) or discrimination on the basis of race, color, religion, national origin, ancestry, marital status, gender, sexual orientation, age (40 years or older), medical condition, or physical or mental disability are dealt with under section 2.16.5.)

2.16.2 PROCEDURES THAT APPLY TO ALL GRIEVANCES

1. Grievances must be initiated in writing within twenty (20) school days of the alleged offense. For a definition of "school days" see section 2.16.2.9.

   a. Grievances where neither the Provost nor the President is a party in the grievance are initiated in the Office of the Provost.

   b. Grievances where the Provost is a party in the grievance are initiated in the Office of the President.

   c. Grievances where the President is a party in the grievance are initiated in the Office of the President.

   d. Grievances involving equal employment opportunity and/or the College’s non-discrimination policies are initiated with the Director of Human Resources, who also serves as the College’s Equal Employment Opportunity Compliance Committee chairperson (see section 2.16.5). Complaints involving allegations of sexual harassment are reported to and investigated by the Director of Human Resources (see section 2.9.2.1.)

2. The Provost or the President can designate another individual to receive grievances or to act in his/her place in discharging any responsibilities assigned to either of these parties under these procedures.

3. The faculty member initiating the grievance is responsible for presenting a clear, coherent, well-documented, well-argued case to the Committee. The Committee does not formulate the case for the grieving faculty member.

4. When filing a written grievance, the faculty member initiating the grievance must cite the Faculty Handbook section number under which he/she is grieving.

5. Whenever a faculty member is participating in the grievance process he/she may be accompanied or represented by one of his/her colleagues who serves without prejudice or fear of reprisal.

6. When required, written notification must be received by the school day indicated in the grievance procedure. Notification will be made by certified mail. All parties are responsible for providing accurate information to either the President or the Provost as to how they may be reached.

7. When deadlines are identified in the grievance procedure, the parties have until 3:00pm on the designated school day to complete the required activity.
8. If all parties to the grievance believe their time could be profitably extended beyond a time limit outlined in the grievance procedure, they can agree to an extension by defining it in writing before the original time limit elapses. Extension should be for no more than double the original time allocated for the activity, unless extraordinary circumstances occur such as prolonged illness or sabbatical leave.

9. All references to "school days" in the grievance procedures refer to days on which regular undergraduate scholastic year classes are scheduled (including the week of final examinations), according to the official academic calendar published in the College Catalog. This definition of "school days" applies to all faculty members regardless of the program in which they teach. In particular, undergraduate vacation days and the undergraduate summer vacation period do not count as school days even though faculty in some programs (e.g., graduate business, education, etc.) teach during these times.

10. A grievance will be considered beginning with Step I of the procedure and continuing in established order until a settlement has been reached or a decision has been accepted by all parties to the grievance or the last step has been fully implemented.

11. If a settlement has not been reached or a party to the grievance is dissatisfied with the decision made, the party may make an appeal which brings the case to the next step. A decision is final if it is not appealed within given time limits or if no further appeal can be taken under this procedure.

12. After commencement of a grievance procedure, additional grievances or alterations in the original grievance require that the procedure begin again.

13. Twelve faculty members are elected to the Grievance Committee. For those steps in these procedures that require the Grievance Committee, each party to the case can challenge two members within ten (10) school days of the actual notice of the composition of the Grievance Committee. Challenges are peremptory and without personal or professional prejudice. All five members of the Grievance committee must be present at deliberation meetings, and all five must vote. No abstentions are allowed. See section 1.7.4.1 for a full description of how the Grievance Committee is constituted. In addition, in an academic year in which the number of concurrent grievances exceeds three, the chair of the Academic Senate has the discretionary power to enlarge the Committee from the alternates and runners-up from the previous two election years; the Committee is to be enlarged prior to the challenge stage.

14. A Grievance Committee member may serve on a maximum of two concurrent grievances.

15. At the conclusion of grievances involving the Rank and Tenure Committee, the chair of the Grievance Committee will meet with the chair of the Rank and Tenure Committee to discuss, without violating the confidentiality of the grievance process or the privacy of the individual(s) involved, the ways in which such a grievance might be avoided in the future.
GRIEVANCES ARISING FROM ALLEGED INADEQUATE CONSIDERATION AND/OR ALLEGED VIOLATIONS OF ACADEMIC FREEDOM BY THE RANK AND TENURE COMMITTEE, THE PROVOST, OR THE PRESIDENT IN TENURE AND PROMOTION RECOMMENDATIONS AND/OR DECISIONS

1. Grievances in which the Provost and/or the Rank and Tenure Committee arrived at a negative recommendation and where the President renders a negative decision are considered under section 2.16.3.1.

2. Grievances in which both the Provost and the Rank and Tenure Committee arrived at positive recommendations but in which the President renders a negative decision are considered under section 2.16.3.2.

3. Grievances in which a faculty member is not reappointed and where the non-reappointment does not involve the Rank and Tenure Committee are considered under section 2.16.4.

2.16.3.1 Grievances in cases of a negative rank and tenure decision by the Rank and Tenure Committee and/or the Provost and where the President renders a negative decision

See Figure 1 for a time line of this section.

1. If the President renders a negative decision in agreement with a negative decision by the Rank and Tenure Committee and/or the Provost, the faculty member may grieve the decision.

2. A written petition alleging inadequate consideration and/or a violation of academic freedom shall be sent to the President within twenty (20) school days of the postmarked date of the President’s notification. Within five (5) school days the President will forward the petition to the Provost and to the chairperson of the Academic Senate who will refer it to the Grievance Committee. See section 2.16.2(4) for the requirements of written notification.

3. See section 2.16.2 for procedures that apply to all grievances.

Maximum time line since grievance occurred: 25 school days

Step I Informal Discussion

There is no informal step in this procedure. Informal consultation with the Provost takes place before the recommendations of the Rank and Tenure Committee and the Provost are forwarded to the President for his consideration. The filing of a grievance in cases of inadequate consideration and/or a violation of academic freedom in promotion and/or tenure decisions is immediately referred to the Grievance Committee.

Step II Grievance Committee Procedure

1. The chairperson of the Academic Senate will ensure that the Grievance Committee is constituted within ten (10) school days from the receipt of the request. The decision of the Grievance committee must be rendered within thirty (30) school days from the constitution of the committee.

If the complaint is received fewer than thirty (30) school days before the end of the academic year, the chairperson of the Academic Senate shall assign it to the Grievance Committee.
Committee within twenty (20) school days after the commencement of the next academic year. The chairperson of the Academic Senate will insure that the committee is operative within ten (10) school days from assignment to the committee.

2. The Grievance Committee will determine whether the recommendation of the Rank and Tenure Committee and/or the Provost may have been the result of inadequate consideration of the case in terms of the rank and tenure standards of the College and/or a violation of academic freedom. The Grievance Committee should not judge the merits of the case. Rather, the Committee should decide whether on its face, a case for reconsideration by the Rank and Tenure Committee or the Provost has been made by the grievant.

3. The members of the Grievance Committee who are considering the case will have access to the confidential material which is available to members of the Rank and Tenure Committee and the Provost for the case being grieved. They shall also have access to those portions of the minutes of the meeting(s) in which the grievant's case was discussed. At the sole discretion of the Grievance Committee, should the members find some information ambiguous or contradictory, the Committee may write to the individual(s) and solicit written responses(s) from the individual(s) who has information concerning the case for the purpose of clarification of ambiguous or contradictory information. The Grievance Committee is bound by the same confidentiality that binds the Rank and Tenure Committee.

4. The Grievance Committee shall consider only whether the information available to the Rank and Tenure Committee was adequate to support its decision and whether it was viewed only in the light of relevant standards.

5. The Grievance Committee will provide a written decision within thirty (30) school days from the constitution of the Committee. Copies will be provided to the faculty member, the Rank and Tenure Committee, the Provost, and the President of the College. If the Grievance Committee believes that the faculty member has no valid grievance, this shall be the final step in the faculty member's grievance.

6. If the Grievance Committee believes that the faculty member has a plausible case for reconsideration, it will direct the Rank and Tenure Committee (sitting at the time of the direction) and/or the Provost to reconsider. The Grievance Committee will indicate in what respects it believes the consideration may not have been adequate. If the Grievance Committee finds that information in a specific area was unavailable, insufficient, or inaccurate, it will direct that such information be supplied or corrected through the Office of Academic Affairs and be submitted to the Rank and Tenure Committee for its reconsideration of the case.

7. The records of the Grievance Committee will be kept in a confidential file in the Office of the President. These records will be kept separate from any personnel files.

Maximum time line since grievance occurred: 65 school days

8. If so directed, the Rank and Tenure Committee, and/or the Provost, will reconsider the case in light of the Grievance Committee's written decision and provide the President with their recommendations within thirty (30) school days of the directive. If the directive is submitted when there is no active Rank and Tenure Committee, the appeal will be held over until there is a new Rank and Tenure Committee. This new Rank and Tenure Committee, and/or the Provost, will consider the case and provide the President
with their recommendations within thirty (30) school days after the committee is constituted.

Maximum time line since grievance occurred: 95 school days

1. The President will have ten (10) school days after receipt of the Rank and Tenure Committee's and/or the Provost's recommendations to render a final decision on the case. He will state his reasons in writing to the faculty member.

Maximum time line since grievance occurred: 105 school days

**FIGURE 1. Section 2.16.3.1**

### 2.16.3.2 Grievance in Case of a Negative Rank and Tenure Decision by the President in Opposition to a Positive Recommendation by the Rank and Tenure Committee and the Provost

See Figure 2 for a time line of this section.

1. If the President renders a negative decision in opposition to positive recommendations by both the Rank and Tenure Committee and the Provost, the faculty member may appeal the decision.

2. A written notification alleging inadequate consideration and/or a violation of academic freedom shall be sent to the President within twenty (20) school days of the postmarked date of the President's notification.
The written notification, at this stage, can be very brief, indicating the nature of the alleged grievance and the parties involved. See section 2.16.2(4) for the requirements of written notification.

3. See section 2.16.2 for procedures that apply to all grievances.

Maximum time line since grievance occurred: 20 school days

Step I Informal Discussion

1. Following the receipt of the written notification, the President shall call for a meeting between the parties to the grievance to take place not later than ten (10) school days after the written notification is received.

2. Successful resolution of the grievance through informal dialogue is encouraged. The formal grievance procedure is time consuming, costly, and often divisive and should only be used if informal channels of resolution have been exhausted.

3. In order to promote candor and informality and to maximize the opportunity for reaching a resolution, both parties to the discussion are encouraged to agree, at the outset, to sign a confidentiality agreement such as the following:

"Information that is shared during the informal discussion cannot be used by either party should the process proceed to the next stage."

If either party does not sign such an agreement, the discussions will be presumed to be open, that is, can be utilized by either party should the process proceed to the next stage. Both parties can, of course, at the conclusion of the informal discussion agree in writing to restrict the use in later stages of all or any parts of their discussions.

4. Informal discussions may continue until the appeal is settled or until the passage of ten (10) school days from the date of the first informal discussion, whichever occurs first, unless otherwise provided by all parties in writing. See section 2.16.2.6.

Maximum time line since grievance occurred: 40 school days

Step II Grievance Committee

If no resolution occurs at Step I, the faculty member may request a consideration by the Grievance Committee. The faculty member must give the chairperson of the Academic Senate, for delivery to the Grievance Committee and the President, a written complaint explaining specifically why the President's decision is believed to be erroneous. The complaint and request for consideration by the Grievance Committee must be received by the chairperson of the Academic Senate within fifteen (15) school days after the completion of the informal discussion. See section 2.16.2(4) for the requirements of written notification.

Maximum time line since grievance occurred: 55 school days

Step III Grievance Committee Procedure
1. The chairperson of the Academic Senate will insure that the Grievance Committee is constituted within ten (10) school days from the receipt of the request. The decision of the Grievance Committee must be rendered within thirty (30) school days from the constitution of the Committee.

If the complaint is received fewer than thirty (30) school days before the end of the academic year, the chairperson of the Academic Senate shall assign it to the Grievance Committee within twenty (20) school days after the commencement of the next academic year. The chairperson of the Academic Senate will insure that the Committee is operative within ten (10) school days from assignment to the committee.

2. The Grievance Committee shall then review the written complaint, recommendations of the Rank and Tenure Committee and the Provost and the statement of reasons by the President, and any other pertinent material that the Committee gathers. If the Grievance Committee decides by majority vote the consideration by the President was prima facie inadequate or a prima facie violation of academic freedom, it will ask the President to reconsider.

Maximum time line since grievance occurred: 95 school days

3. The President has ten (10) school days to reconsider his decision and inform the faculty member in writing of his final decision and supporting reasons. During this period the President may confer with either the grievant and/or the Grievance Committee. In cases involving inadequate consideration, the decision of the President is final. In cases involving academic freedom only, the grievant may appeal the decision.

Maximum time line since grievance occurred: 105

Step IV Appeal to the Board of Trustees

1. In cases involving academic freedom only, a party dissatisfied with the decision rendered by the President may appeal to the Board of Trustees or to a committee thereof. The party must submit a written complaint to the chairperson of the Board of Trustees specifying why the decision of the President is believed to be erroneous and the redress sought. The chairperson of the Board of Trustees will forward a copy of the written complaint to the President. The complaint must be received within fifteen (15) school days of the decision by the President. See section 2.16.2(4) for the requirements of written notification.

2. The Board of Trustees or a committee created at the discretion of the chairperson of the Board will have forty-five (45) school days for deliberation and to render a final decision on the case. A copy of the decision shall be distributed to both parties.

Maximum time line since grievance occurred: 165 school days.
2.16.4 GRIEVANCES THAT ALLEGE ERRORS IN POLICY NOT INVOLVING THE RANK AND TENURE REVIEW PROCESS, ERRORS IN CARRYING OUT POLICIES OR PROCEDURES NOT INVOLVING THE RANK AND TENURE REVIEW PROCESS, VIOLATIONS OF ACADEMIC FREEDOM NOT INVOLVING THE RANK AND TENURE REVIEW PROCESS, OR INADEQUATE CONSIDERATION AND/OR VIOLATION OF ACADEMIC FREEDOM IN REAPPOINTMENT RECOMMENDATIONS AND/OR DECISIONS NOT INVOLVING THE RANK AND TENURE REVIEW PROCESS.

1. Grievances to which the President is not a party are considered under section 2.16.4.1.

2. Grievances to which the President is a party are considered under section 2.16.4.2.

See Figure 3 for a time line of this section.
1. If the faculty member desires to file a grievance under section 2.16.4.1, he/she shall within twenty (20) school days of the alleged error or violation assure that a written petition is received by the Provost stating the grounds upon which the faculty member bases his/her grievance and the redress sought. If the grievance is against the Provost, the grievant will assure that within twenty (20) school days of the alleged error or violation the written petition is received by the President.

The written notification, at this stage, can be very brief, indicating the nature of the alleged grievance and the parties involved. See section 2.16.2(4) for the requirements of written notification.

2. See section 2.16.2 for procedures that apply to all grievances.

Step I Informal Discussion

1. Following the receipt of the written notification, the Provost or the President shall call for a meeting with the parties to the grievance to take place not later than ten (10) school days after the written notification is received.

2. Resolution of the grievance through informal dialogue is encouraged. The formal grievance procedure is time consuming, costly, and often divisive and should only be used if informal channels of resolution have been exhausted.

3. In order to promote candor and informality and to maximize the opportunity for reaching a resolution, both parties to the discussion are encouraged to agree, at the outset, to sign a confidentiality agreement such as the following:

"Information that is shared during the informal discussion cannot be used by the process proceed to the next stage."

If either party does not sign such an agreement, the discussions will be presumed to be open, that is, can be utilized by either party should the process proceed to the next stage. Both parties can, of course, at the conclusion of the informal discussion agree in writing to restrict the use in later stages of all or any parts of their discussions.

4. Informal discussions may continue until the grievance is settled or until the passage of ten (10) school days from the date of the first informal discussion, whichever occurs first unless otherwise provided by all parties in writing. See section 2.16.2(6).

Maximum time line since grievance occurred: 40 school days

Step II Written Complaint of Grievance

1. Within fifteen (15) school days from the terminal date of the informal discussion, the grievance and redress sought must be submitted as a formal complaint in writing to the Provost together with a copy to the other party to the grievance, who will then have ten (10) school days from the receipt of the copy to answer the complaint in writing to the Provost. If the Provost is a party to the grievance, the written complaint must be submitted to the President. See section 2.16.2(4) for the requirements of written notification.
The Provost, or in cases where the Provost is a party to the grievance, the President, shall then consider the written complaint and the answer to the complaint, together with any oral or written statements and other pertinent data he/she may seek or require, and make his/her decision in writing with a copy to each party to the grievance, not later than thirty-five (35) school days from the terminal date of the informal discussions. See section 2.16.2(4) for the requirements of written notification.

Maximum time line since grievance occurred: 75 school days

Step III  
Grievance Committee

1. A party to the grievance who is dissatisfied with the decision of the Provost or President and who desires the chairperson of the Academic Senate to convene the Grievance Committee, must give the chairperson, for delivery to the Grievance Committee, a written complaint explaining specifically why the decision is believed to be erroneous, and request consideration by the Grievance Committee. The complaint and request must be received by the chairperson of the Academic Senate within fifteen (15) school days after the decision by the Provost or President. The chairperson of the Academic Senate will insure that the committee be constituted within ten (10) school days from receipt of the request. See section 2.16.2(4) for the requirements of written notification.

   i. If the complaint is received fewer than thirty (30) school days before the end of the academic year, the chairperson of the Academic Senate shall assign it to the Grievance Committee within twenty (20) school days after the commencement of the next academic year. The chairperson of the Academic Senate will insure that the committee is operative within ten (10) school days from assignment to the committee.

2. The Grievance Committee:

   a. Shall ascertain that Steps I and II were unsuccessful in bringing about a settlement;

   b. May at any time during the process:

      i. Confer with any members of the College community appropriate to the case. Any person serving as a conferee serves without prejudice or fear of reprisal.

      ii. Decline to review the case for jurisdictional reasons or because the grievance has become moot and shall submit a written report of the reason for refusal.

      iii. Engage in additional fact-finding, suggest policy changes, and decide what redress, if any, is due to the grievant.

   c. Shall render a decision in the case by means of a majority vote.

   d. Shall preserve the confidentiality of the proceedings. Meetings are not public.

   e. Shall deliver to the Office of the President the records of the Grievance Committee and all related documentation. These records will be kept in a confidential file in the Office of the President, separate from any personnel files.
3. The Grievance Committee must notify the parties of its decision within thirty (30) school days from the constitution of the Committee.

Maximum time line since grievance occurred: 130 school days

**Step IV  Appeal to President**

1. A party dissatisfied with the decision rendered by the Grievance Committee may appeal to the President of the College. The party must submit a written complaint, specifying why the decision by the Grievance Committee is believed to be erroneous and the redress is being sought. The complaint must be received within fifteen (15) school days of the decision by the Grievance Committee. See section 2.16.2(4) for the requirements of written notification.

2. The President will have ten (10) school days to render a final decision on the case. A copy of the decision shall be distributed to both parties. The President's decision shall be final.

Maximum time line since grievance occurred: 155 school days.

2.16.5 **Grievance In Case of Alleged Harassment (Other than Sexual) or Discrimination on the Basis of Race, Color, Ancestry, Religion, National Origin, Gender, Age (40 Years or Older), Marital Status, Sexual Orientation, Medical Condition or Physical or Mental Disability**

See Figure 5 for a time line of this section.

1. A written petition alleging harassment (other than sexual) or discrimination on the basis of race, color, ancestry, religion, national origin, gender, age, marital status, sexual orientation, medical condition or physical or mental disability shall be sent to the chairperson of the Equal Employment Opportunity Compliance Committee within twenty (20) school days of the alleged event. See section 1.7.2.2 for a complete description of the Equal Employment Opportunity Compliance Committee.

The written notification, at this stage, can be very brief, indicating the nature of the alleged grievance and the parties involved. See section 2.16.2(4) for the requirements of written notification.

2. See section 2.16.2 for procedures that apply to all grievances.

Maximum time line since grievance occurred: 20 school days

**Step 1 Informal Process**

---

3 When an employee or student has a complaint alleging conduct that may constitute sexual harassment involving an employee, that complaint should be referred directly and promptly to the Director of Human Resources, who serves as the chair of the Equal Employment Opportunity Compliance Committee.
1. Following receipt of the written grievance the chairperson of the Equal Employment Opportunity Compliance Committee shall call for a meeting between the chairperson and the grievant to take place not later than ten (10) school days after the written notice is received.

2. Resolution of the grievance through informal dialogue and mediation is encouraged. The formal grievance procedure is time consuming, costly, and often divisive and should only be used if informal channels of resolution have been exhausted.

3. At the initial meeting with the grievant, the chairperson of the Equal Employment Opportunity Compliance Committee will determine if preliminary means of resolution have been attempted. If appropriate, the chairperson will attempt further preliminary means of resolution.

4. No further action on the complaint will be taken unless such preliminary means of resolution have been attempted.

5. If the matter is settled at this point, a written memorandum of the complaint and resolution of the parties involved will be prepared by the chairperson of the Equal Employment Opportunity Compliance Committee. Copies of the memorandum will be sent to the parties involved. The original will be retained in a separate file in the Human Resources office.

6. The informal process may continue until the grievance is settled or until the passage of ten (10) school days from the date of the first informal discussion with the chairperson of the Equal Employment Opportunity Compliance Committee, whichever occurs first unless otherwise provided by all parties in writing. See section 2.16.2.6.

Maximum time line since grievance occurred: 40 school days

Step II  Written Complaint of Grievance

If no resolution occurs at Step I, the grievant may within fifteen (15) school days of the terminal date of the informal discussion appeal to the Equal Employment Opportunity Compliance Committee by submitting a written complaint which specifies the alleged offense and the individual(s) against whom the complaint is lodged. The complaint is submitted to the chairperson of the Equal Employment Opportunity Compliance Committee. See section 2.16.2(4) for the requirements of written notification.

Maximum time line since grievance occurred: 55 school days

Step III  Equal Employment Opportunity Compliance Committee Procedure

1. The chairperson of the Equal Employment Opportunity Compliance Committee will insure that the Equal Employment Opportunity Compliance Committee is operational within ten (10) school days from the receipt of the written complaint. Further, the decision of the committee must be rendered within thirty (30) school days from the constitution of the committee.

If the complaint is received fewer than thirty (30) school days before the end of the academic year, the chairperson of the Equal Employment Opportunity Compliance Committee shall assign it to the Equal Employment Opportunity Compliance Committee.
Committee within twenty (20) school days after the commencement of the next academic year.

Maximum time line since grievance occurred: 65 school days

2. The Equal Employment Opportunity Compliance Committee:
   a. Shall ascertain that Step I was unsuccessful in bringing about a settlement.
   b. Must undertake a thorough and prompt investigation of the grievance by conducting interviews, reviewing written materials provided by or requested from the parties or other persons having personal knowledge regarding the allegations of the complaint, by meeting witnesses, or, at its discretion, by other means of investigation that help to inform the Committee. It is not required that the Committee conduct a hearing. However, if the Committee decides to conduct a hearing, then the parties involved shall be consulted regarding a suitable time and place for any hearing. The complainant(s) and the person(s) accused shall have the right to be heard. The Committee shall have the right to request witnesses to appear and to hear their testimony. Lawyers are not permitted to appear at or participate in the hearing.
   c. Shall render a decision in the case by means of a majority vote even if the individual(s) against whom the complaint is made refuses to appear or present a defense. The decision may include:
      i. dismissal of the grievance;
      ii. a declaration which states the rights of each party;
      iii. a call upon appropriate authority to impose sanctions;
      iv. other appropriate action based on the circumstances presented.
   d. Shall preserve the confidentiality of the proceedings. Meetings are not public.
   e. The record of the Committee hearings and all related documentation will be kept in a confidential file in the Human Resources office. These records will be kept separate from any personnel files.
   f. The chairperson of the Equal Employment Opportunity Compliance Committee must notify the grievant, the individual(s) against whom the complaint was brought, and the President of the College of the Committee’s resolution within thirty (30) school days from the first operation of the Committee. See section 2.16.2(4) for the requirements of written notification.

Maximum time line since grievance occurred: 95 school days

   g. In the case of recommended sanctions, a copy of the Committee’s decision will be delivered to the person or authority who is to impose the sanctions and a copy will be placed in the personnel files in the Human Resources office of the individual(s) against whom the complaint was lodged. The person or authority who is to impose the sanctions shall within thirty (30) school days of receiving the recommendation make a written report to the chairperson of the Equal Employment Opportunity Compliance Committee.
Step IV  Appeal to the President

1. A grievant or the individual(s) against whom the complaint was lodged is dissatisfied with the decision rendered by the Equal Employment Opportunity Compliance Committee may appeal to the President of the College. The party must submit a written complaint, specifying why the decision by the Equal Employment Opportunity Compliance Committee is believed to be erroneous and the redress sought. The complaint must be received within fifteen (15) school days of the decision by the Equal Employment Opportunity Compliance Committee. See section 2.16.2(4) for the requirements of written notification.

2. The President will have twenty (20) school days to render a final decision on the case. A copy of the decision shall be distributed to both parties and to the chairperson of the Equal Employment Opportunity Compliance Committee. The President's decision shall be final.

Maximum time line since grievance occurred, in event of sanctions: 125 school days.

Maximum time line since grievance occurred, in event of Appeal to President: 130 school days.

3. ACADEMIC POLICIES AND SERVICES

3.1 CLASSROOM POLICIES

3.1.1 ACADEMIC HONESTY POLICY, VIOLATIONS, PROCEDURES, AND PENALTIES

3.1.1.1 Academic Honesty

Saint Mary’s College expects every member of its academic community to promote and abide by ethical standards, both in conduct and exercise of responsibility toward other members of the community. Absolute honesty must be adhered to at all times if the integrity of scholarship and the reputation of the College are to be maintained. Academic dishonesty is a serious offense at the College because it undermines the bonds of trust and honesty between members of the community and defrauds those who may eventually depend upon the community’s integrity and knowledge.

Any work that a student undertakes as part of progress toward a degree or certification must be the student’s own, unless the relevant instructor specifies otherwise. That work may include examinations, whether oral or written, oral presentations, homework, laboratory exercises, papers, reports, and other written assignments. Whenever possible, an instructor should specify the rules that students are to follow in completing these assignments. In written work other than examinations, a student must clearly indicate the sources of information, ideas, opinions, and quotations that are not his or her own.

Academic dishonesty as identified below is clearly distinguished from the free discussion and interchange of ideas among students and faculty, one of the most important benefits of academic life. The College encourages such discussions and interchanges in every possible way.

All Saint Mary’s College students, faculty, and staff are bound by the Academic Honor Code beginning August 30, 2004. The Code is the same for all members of the community; however, there are some procedures that apply specifically to the nontraditional undergraduate programs and the graduate programs based on the needs and practices of those programs that differ from the procedures for the traditional undergraduate programs. The student handbooks for each program in the College detail these procedures (see the “Oversight and Sanctions” section below).

The faculty have a special role in upholding academic honesty and an ongoing responsibility for formulating policies that promote it. Any revision of the Academic Honor Code’s provisions and procedures will involve faculty review at every appropriate level.

Note: Disciplinary action taken under the Academic Honor Code procedure is independent of the awarding of grades (an academic matter), and provisions of this procedure cannot be used for changing awarded grades.

Academic Honor Code
Saint Mary’s College expects every member of its community to promote and abide by ethical standards, both in conduct and exercise of responsibility towards other members of the community. Academic Honesty must be demonstrated at all times to maintain the integrity of scholarship and the reputation of the College. Academic dishonesty is a serious violation of College policy because, among other things, it undermines the bonds of trust.
and honesty between members of the community and betrays those who may eventually depend upon the College’s academic integrity and knowledge.

As an expression of support for academic integrity throughout the Saint Mary’s learning community and as an administrative tool to discourage academic dishonesty, Saint Mary’s has implemented an Academic Honor Code. The Academic Honor Code has been approved by the ASSMC Student Body, the Faculty Academic Senate, the Provost and the President of Saint Mary’s College.

Pledge

All students, by enrollment, are subject to the Academic Honor Code. As part of the orientation process, traditional undergraduate students are also encouraged to sign a pledge to follow this Academic Honor Code. The pledge reads as follows:

As a student member of an academic community based in mutual trust and responsibility, I pledge:

• to do my own work at all times, without giving or receiving inappropriate aid;
• to avoid behaviors that unfairly impede the academic progress of other members of my community; and
• to take reasonable and responsible action in order to uphold my community’s academic integrity.

Principles of Action

Individual Responsibility: It is the responsibility of every student and faculty member of the College community to know and practice the tenets of the Academic Honor Code. If there is confusion over the appropriateness of a particular action in light of the Code, or if a community member has recommendations about how to amend or alter the Code, those questions and suggestions should be addressed to the Academic Honor Council through the Academic Honor Code Coordinator, or to the program director or dean for graduate and professional studies programs.

Community Responsibility: In addition to maintaining one’s own academic integrity, each member of the academic community should strive to preserve and promote integrity among his/her peers. This community empowers its members to take appropriate action in support of the Academic Honor Code. If a student, faculty member, staff member, or administrator suspects a violation of the Academic Honor Code, he or she should take action consistent with the Academic Honor Code Procedures described below. Additional possible actions include:

• Actively encouraging academic integrity among one’s peers.
• Using moral suasion to avert a peer’s academic dishonesty.
• Alerting a faculty member to suspected violations of academic integrity.
• Educating one another regarding the responsibilities of academic integrity.
• Helping a faculty member maintain an environment that is conducive to integrity.

Violations

All violations of the Academic Honor Code are administered by the Academic Honor Council (AHC), or program director or dean for graduate and professional studies programs. Members of the academic community are presumed to be familiar with the procedures outlined for determining a violation of the Academic Honor Code and, therefore, ignorance of the Code is not available as an excuse for an alleged violation of it.

Forms of violations of the Academic Honor Code include, but are not restricted to:
**In Examinations:** unauthorized talking during an exam; use of “cheat sheets” or other unauthorized course materials during an exam; having someone other than the student registered in the course take an exam; copying from another student’s work; giving assistance to another student without the instructor’s approval; gaining access to an exam prior to its administration; informing students in other course sections of the contents of an exam; preparing answer sheets or books in advance of an exam without authorization from the instructor; unauthorized collaboration on a take-home exam; altering another person’s answers in the preparation, editing, or typing of an exam; bringing unauthorized materials into an exam room.

**On Papers and Class Assignments (understood as all work assigned in a course):** submitting work prepared by someone else as one’s own; using the thesis or primary ideas of someone else, even if those ideas have been edited or paraphrased, without proper citation; plagiarizing words, phrases, sections, key terms, proofs, graphics, symbols, or original ideas from another source without appropriate citation; receiving unauthorized assistance in preparing papers, whether from classmates, peers, family members, or other members of this or any other College community; collaboration within a class or across sections of a class without the consent of the instructor; preparing all or part of a paper for another student; intentional failure to cite a source that was used in preparing the paper; citing sources that were not used or consulted to “pad” a bibliography; citing sources out of another’s bibliography without having consulted those sources; re-using previous work without the consent of the current instructor; providing a paper to another student for any purpose other than peer editing or review; using unapproved sources in preparing a paper; lying to an instructor to circumvent grade penalties; interference with access to classrooms, computers, or other academic resources.

**In Research:** fabricating or falsifying data in any academic exercise, including labs or fieldwork; using material out of context to inappropriately support one’s claims; sabotaging another person’s research; using another researcher’s ideas without proper citation; taking credit for someone else’s work; hoarding materials and/or equipment to advance one’s research at the expense of others.

**In the Use of Academic Resources:** destruction, theft, or unauthorized use of laboratory data, research materials (including samples, chemicals, lab animals, printed materials, software, computer technology, audiovisual materials, etc.); stealing or damaging materials from the library or other College facilities; not returning materials when asked to do so; appropriating materials needed by others such that their work is impeded; helping others to steal, hoard, destroy, or damage materials.

**In Academic Records:** changing a transcript or grade in any unauthorized way; forging signatures on College documents; willful public misrepresentation of achievements, whether academic, athletic, honorary, or extracurricular; falsifying letters of recommendation to or from college personnel; bribing any representative of the College to gain academic advantage; breaking confidentiality about the proceedings of the Academic Honor Council, an Academic Review Board, or an investigative committee in the graduate and professional studies programs.

**In Community Participation:** Engaging in conduct that, if found to have occurred, violates the College’s Technology Use and Whistleblower policies.

These types of conduct constitute violations of the Academic Honor Code and will be considered, if determined to have occurred, as acts of academic dishonesty. Any conduct
that represents falsely one’s own performance or interferes with that of another is academic dishonesty. Academic dishonesty is distinguished from academic inadvertence which involves an act that might appear to be a violation of the Academic Honor Code, but is determined to be without intention to deceive. The Academic Honor Council, or the dean or program director for adult and graduate programs, receives and considers all reports of conduct that is alleged to be a violation of the Code and, thereafter, decides whether the alleged conduct, if determined to have occurred, constitutes academic dishonesty or academic inadvertence. In cases of academic inadvertence, no charge of academic dishonesty is made and the student is referred to the instructor for appropriate resolution.

The Academic Honor Code is not intended to impede or inhibit the free exchange of ideas and collaborative learning which are hallmarks of a Saint Mary’s education. The College supports and encourages cooperative learning, group projects, tutoring, mentoring, or other forms of interchange of ideas among students and faculty, one of the most important benefits of academic life.

Traditional Undergraduate Students Oversight and Sanctions

For traditional undergraduate programs, the procedures for the administration of the Academic Honor Code, the determination of violations, and the imposition of sanctions are overseen by the Academic Honor Council (AHC). Specifics of the Academic Honor Council and its procedures are detailed in the 2008-2009 Undergraduate Student Handbook which can be found at http://smencet/campus_life/handbook/.

Graduate and Professional Studies Programs Oversight and Sanctions

The procedures for the administration of the Academic Honor Code, the determination of violations, and the imposition of sanctions for students who have violated the Academic Honor Code in adult and graduate programs are set forth in the Graduate and Professional Student Handbook. See http://www.stmarys-ca.edu/academics/graduate-professional-studies/handbook/index.html

3.1.2 DEFINITION OF LETTER GRADES

The College defines letter grades as follows: A, excellent; B, very good; C, satisfactory; D, barely passing; F, failing. The average grade should be in the C range (1.5 to 2.5) and, while it is recognized that there may be significant variations in student ability and performance from class to class, department chairpersons should discuss grading practices with faculty who have a consistent pattern of deviation from the C range.

3.1.3 FINAL EXAMINATIONS AND PAPERS

Final examination week is part of the 15-week academic term. Faculty may not require of students the completion of final examinations, final papers or projects in lieu of examinations, at any time through the last day of regularly scheduled classes, i.e., no such final requirements (exams, papers or projects) may be imposed before the end of the last regular class meeting of the term. During final exam week, students may not be required to submit final papers, projects, or take-home exams before the time at which the class's final exam would have been given according to the posted schedule, nor should these materials be submitted after that scheduled time has passed. Faculty who do not conduct final exams are expected to use the scheduled time for a final class meeting. Department chairpersons have the responsibility to see that the above policy is maintained. Copies of final examination
questions should be given to the chairperson for departmental files. Final examination papers or term papers given in lieu of final examinations may be returned to the student or should be kept on file by the instructor for at least one year. Both final examinations and term papers are the property of the College.

3.1.4 MEETING CLASSES

Faculty are expected to meet their classes as scheduled or to notify the Dean of the School and their department chairperson in case of sickness or other reasons for absence. It is the responsibility of the faculty to work with the chair in ensuring that their classes are covered by colleagues if they are absent one or more consecutive class periods. In the case of multiple absences, the chair will inform the Dean of the School.

3.1.5 ORDER IN THE CLASSROOM

It is the faculty member's responsibility to create and maintain in his/her classroom an atmosphere conducive to serious academic pursuits. Hence, he/she may establish nondiscriminatory norms for classes that further these goals. The Vice Provost for Student Life should be consulted in cases of serious disciplinary problems in student conduct.

3.1.6 CLASS ATTENDANCE (STUDENTS)

Regular class attendance is an important obligation and an essential condition for successful academic progress. Absences may seriously jeopardize the satisfactory completion of a course. Excessive absence can be a cause for dismissal from the College. Faculty are responsible for establishing and communicating the attendance policy for a given course. Students are responsible for all assignments in each of their courses, whether or not the assignments were announced during an absence. Penalties for absences depend upon the nature and the amount of work missed, of which the faculty member is the sole judge. It is not permissible to miss regularly-scheduled classes for the purpose of intercollegiate athletic practice. A student who misses the first session of a course, even if he/she is preregistered, may have his/her place in that course given away and be denied further attendance in that course.

3.1.6.1 Attendance Policy: Student Athletes

Student-athletes will not miss class for practice. Student-athletes, in the season in which their sport has schedules intercollegiate competitions, will not be penalized for missing class because of representing the College in those competitions – so long as the student’s absence from the class for the purpose of intercollegiate athletic competition does not exceed:

- 4 classes on the MWF schedule (fall and spring terms)
- 3 classes on the T/Th schedule (fall and spring terms)
- 2 classes during a traditional January Term course
- 1 class per term (fall and spring) for labs and courses that meet once per week

3.1.7 HOMEWORK REQUIREMENTS

A minimum of two hours of out-of-class preparation is expected of all students for each hour in class.
3.2 REGISTRARIAL POLICIES

3.2.1 UNDERGRADUATE ACADEMIC CALENDAR

For the traditional undergraduate programs, classes for the fall term customarily begin on the Monday before Labor Day. The fall term runs for fifteen weeks, including a final examination week. The third (or fourth) Friday in October and Thanksgiving recess (Thursday and Friday) are holidays in the fall. Classes for the January term begin on the first Monday after January 1 and continue for four weeks. After a one-week break, the spring term commences (i.e., five weeks after the start of the January term); classes begin on Monday. The term lasts for fifteen weeks, including a final examination week, the only holidays being the week preceding Easter through Easter Monday. The spring term ends after Commencement exercises take place.

The process for setting the academic calendar for the traditional undergraduate programs is as follows: Three years in advance, the Dean of Academic Resources constructs an academic calendar using the above guidelines. The calendar is reviewed and approved in sequence by the Undergraduate Educational Policies Committee, the Provost's Academic Council of Deans, and the Academic Senate, each body ensuring that the calendar is guided by academic principles and processes (e.g., concern for loss of Monday classes due to holidays).

3.2.2 SUBMISSION OF GRADES

All faculty are required to submit mid-term grades (when applicable) and final grades. Grade-reporting forms are available in the Registrar's office at the beginning of mid-term and final examination periods. Faculty are expected to submit grades by the deadline set by the Registrar. Since mid-term grades serve as a progress report (and do not appear on the student's permanent record), instructors are expected to utilize the code numbers with unsatisfactory grades (D, F) as an indication to the student of specific deficiencies. The Registrar's office advises the Dean of the School when grades are not submitted at the mid-term period.

3.2.2.1 Grade Changes

The policies on assigning an I grade (Incomplete) and on grade changes are specified in the College Catalog. Petition forms for the above are available in the Registrar's office and are subject to approval by the Registrar.
3.2.3 FINAL EXAMINATION SCHEDULING

In order to reduce the possibility of a student's having several hours of examination on the same day, faculty are required to conduct such examinations in accordance with the following schedule of final exam week.

Late afternoon and evening classes will have their examinations during final exam week at the regular class time. Four or five days a week classes will have their examinations at the time scheduled for MWF classes.

Faculty members with multiple sections of the same course may request a single examination time from the Registrar's office.

3.2.4 CLASS SCHEDULE CHANGES

Faculty must advise the Registrar immediately if they make any change in their class scheduling (time or location). It is essential, in case of emergency, that the Registrar and other College offices be able to locate a student or faculty member quickly. Classroom assignments are registered on a master list and are printed on each student's schedule. When a classroom location is changed or there is a change in the hours the class is taught, unless the Registrar is notified, it becomes difficult to locate the faculty member or student in case of emergency.
3.3 ACADEMIC RESOURCES

3.3.1 LIBRARY

Saint Albert Hall, named for the 13th-century philosopher and theologian, houses the collections, services, technologies, and staff which make up the library. Print, audio, film, and electronic titles are selected and organized to support the undergraduate and graduate curriculum.

Access to text, images, and data on the Internet is enhanced by the library's Website (http://library.stmarys-ca.edu). The reference collection is designed to provide primary information, as well as links to other library resources in the Bay Area and beyond. The library also houses the College Archives, The Library for Lasallian Studies, and a special collection on Cardinal Newman and His Times (also available online). In addition to individual media stations, the Library offers three group study/media rooms— and the Wildenradt Theater.

3.3.1.1 Instructional Services

Librarians provide instruction to students and faculty in the effective access, use and evaluation of a variety of library and worldwide information resources, which include traditional print sources, networked electronic resources, and the Internet.

In addition to the basic-level library instruction sessions provided to all students in the English Composition program librarians, in consultation with faculty, provide specialized and advanced library instruction and/or assignments that provide information literacy and support course learning outcomes.

Instruction librarians also offer a series of Internet/WWW workshops which educate about the organization and evaluation of resources found on the Internet, including browsers, search tools, and retrieval options. Contact the Coordinator of Instructional Services or the librarian subject selector for your department.

3.3.1.2 Faculty Research Assistance

In addition to regularly scheduled reference/information assistance provided at the Library's Reference Desk, extended research assistance is also available. For some more specialized research needs, contact the librarian subject selector for your department or the Coordinator of Reference Services.

3.3.1.3 Electronic Information Resources

The Library's electronic information resources include the online catalog ALBERT, periodical indexes, full-text resources, and interlibrary borrowing services for books, videos, and journal articles. In addition the Library has a collection of 45,000+ digital books (Ebrary). The books are cataloged in Albert and accessible through the Library’s Databases web page. These resources are available in the Library and throughout the SMC campus and remotely throughout the world via the World Wide Web. An SMC email account and password is required to access these resources.

The ALBERT online catalog includes records for all the books in the library building, and records for periodical titles, videos, media, and digital resources. More than 150 electronic
databases available on the campus network often include access to the full text of articles indexed, from over 57,713 periodicals. The library Web page (http://library.stmarys-ca.edu) also offers access to internet resources for study and research selected by librarians and organized by discipline.

The Library is associated with the Online Computer Library Center (OCLC), which enables librarians to locate and borrow books and periodicals from throughout the United States and beyond.

3.3.1.4 Access to Other Libraries

Full-time faculty are entitled to library privileges at UC Berkeley and the John F. Kennedy University Library in Pleasant Hill. In all instances, faculty must present proof of full-time status and current employment by the College (generally a letter certifying full-time employment at Saint Mary’s College (available from your Dean) and photo-I.D. In addition, libraries at state-funded institutions, including the California State Universities, University of California campuses, and community colleges, generally provide public in-house access to their collections. Contact the Head of Access Services for more information.

3.3.1.5 Interlibrary Borrowing/Document Retrieval

Books, videos, and articles which are not available in the Saint Mary’s Library may be requested using our Link+ service and are generally received within three to four days of request. Books and articles not available from Link+ may be requested from ILLiad, our Borrowing service. Articles are received within days, but books may take two or three weeks, depending on the lending institution. Scanned copies of articles or book chapters available in our collection (Document Delivery) may also be requested using ILLiad. There is no charge to faculty for this service.

3.3.1.6 Faculty Photocopying

Current Saint Mary’s faculty, or a designated assistant, may use the Library’s faculty copy card to make a copy of non-circulating library material, such as pages or chapters from a reference book or journal article. This card can be requested at the Circulation Desk. Multiple copies of material for the classroom or to place on Reserve may be duplicated at the campus Duplicating Center.

3.3.1.7 Circulation Policies

Books may be borrowed by a faculty member for a semester, subject to recall if needed by another Saint Mary’s borrower. Faculty may renew material up to three times, either in person, by phone, or online using ALBERT, the Library’s online catalog and circulation system. When material is overdue, faculty will receive an email courtesy reminder. If not renewed or returned, the books will be considered lost and faculty will be billed for a replacement.

3.3.1.8 Reserve Service

Upon request by faculty, Circulation staff will place on Reserve course material for classes. Material may be scanned and placed on electronic reserve for 24/7 access, or physical copies may be placed on reserve at the Circulation Desk. Placing items on Reserve ensures that students will have equitable access to this material. The physical Reserves Collection, which
can be accessed in ALBERT, is located at the Circulation Desk and is available during the hours the Library is open. For details about processing time, copyright restrictions, and loan periods, refer to the Library's "Reserve Services Guide," or from the Library's web page under “Services for Faculty.” Electronic reserve items (ERes) are available 24/7/365.

3.3.1.9 Library Exhibits

The scheduling of Library exhibits is coordinated by the Head of Access Services. Faculty members interested in arranging for an exhibit should fill out the "Proposal for Library Exhibit" form available at the front desk of the Library. Exhibit space fills up quickly, so please reserve as far in advance as possible.
3.4 COMPUTER AND TECHNOLOGY SERVICES

The use of the technology resources of the College is a privilege, subject to users following the terms of the Technology Use Policy (available on SMCNet and from CaTS). Computer and Technology Services is headed by the Chief Technology Officer, who reports to the Vice President for Finance under the guidance of the Technology Advisory Committee, chaired by the Provost.

3.4.1 FACULTY COMPUTING SUPPORT

Computer and Technology Services (CaTS) provides support for campus information technology. It furnishes hardware support, including recommendations, configuration and installation, problem diagnosis and limited service, and software support, including recommendations and installation, general trouble-shooting and ongoing training. CaTS also maintains several faculty resource facilities in various locations on campus offering computer services in support of the academic mission of the College. A User's Guide is available that lists use policy, lab hours, e-mail procedures, and other pertinent information. For further information contact CaTS.

3.4.2 SAINT ALBERT HALL ACADEMIC COMPUTING FACILITY

The Saint Albert Hall Academic Computing Facility provides PC and Macintosh workstations for use by registered Saint Mary’s undergraduate and graduate students. The purpose of this laboratory is two-fold: to provide computer-based hardware and standard application software, e.g., Microsoft's WORD, EXCEL, and PowerPoint, for students to complete course work assigned by their instructors and, secondly, to make available to students computer-based tools to enhance research and scholarly endeavor via the Internet, WWW, and external databases. E-Mail is available in the ACF for student use in sending and receiving e-mail messages. There are also two computer classrooms in Garaventa Hall that are used after 5:00 PM for student computing. Garaventa 240 is equipped with PCs and Garaventa 250 is equipped with MacIntosh computers.

Laboratory monitors are on duty to ensure that workstations, printers, and network connections are functioning properly. In addition, lab monitors ensure that standard application software is working correctly and assist students if application commands do not function properly. Lab monitors are not expected to instruct students in the use of application software. The Academic Computer Lab's hours of operation are the same as those of the Library. As student need and classroom availability dictate, electronic classrooms in Garaventa Hall are opened and operated in a fashion similar to that observed by the Academic Computer Service Laboratory in the Library.

3.4.3 MEDIA SERVICES

3.4.3.1 Media Services

Media Services provides expertise, facilities, and services to support the audio-visual and multimedia instructional needs of students and faculty. Media Services maintains instructional media equipment in classrooms and delivers equipment to classrooms and other campus locations as needed for instructional and administrative purposes. For descriptions of available equipment and services, see the Media Services section of SMCnet.

3.4.3.2 Media Center
The Media Center offers duplication of course-related audiocassette tapes that are not copyrighted.

3.4.3.3 Faculty Instructional Media Support Services

Facilities and support for instructional media development for faculty are available via the Media Center. Resources include facilities for making overhead transparencies and 35mm slides, flatbed and slide scanning, OCR scanning of text, digital video editing and creation of documents for the WWW in a variety of formats. For additional information see or to schedule a consultation session, contact the Head of Media.

3.4.4 ELECTRONIC CLASSROOMS

CaTS supports several dedicated and networked classrooms on campus. These classrooms, located in Garaventa Hall, are available for scheduled classroom instruction. CaTS also supports wireless internet access in many other academic spaces on campus (e.g. Dante Hall, St. Albert Hall Library, Galileo Hall, Garaventa Hall, etc.).

3.4.5 NETWORK SERVICES

CaTS provides support for academic network services. The campus Academic LAN consists of a high speed Ethernet backbone connected to file-server electronic communication devices that support the electronic classrooms in Garaventa, laboratories, faculty and staff offices, and the Saint Albert Hall Academic Computing Facility.

3.4.6 ELECTRONIC MAIL SERVICE

CaTS provides support for electronic mail service for both on-campus and off-campus dial-in use by faculty and students. Through registered network accounts, the Saint Mary's community has access to the campus inter-office network, as well as the global Internet electronic mail network through BBN-Planet, an international Internet Service Provider. Access is available from the Academic LAN directly or by dial-in to the LAN modem pool. There is no cost to individual members of the College community for this service. E-mail accounts are available through the CaTS Service Desk.

3.4.7 WORLD WIDE WEB AND INTERNET ACCESS

CaTS provides a high-speed connection to the Internet and the World Wide Web. This connection is available through the Academic LAN or by dial-in to the LAN modem pool. There is no cost to individual members of the College community for this service. CaTS also maintains the College web site, www.stmarys-ca.edu, and an internal web site, SMCnet, used for information, discussion, and services of interest to the Saint Mary's College community.

3.4.8 USE OF COLLEGE TECHNOLOGY RESOURCES

The first section of the CaTS User's Guide contains the Code of Conduct for the use of computing facilities and services provided by Saint Mary's CaTS. Failure to adhere to the policies stated in that section may result in the loss of access to the Saint Mary's computing facilities or other disciplinary action. The User's Guide is available at the CaTS Help Desk in the Saint Albert Hall Academic Computer Laboratory, and on-line on SMCnet, under the Computer and Technology Services heading.
3.5 **ADMINISTRATIVE SERVICES**

School administrative assistants are responsible to the Deans of the Schools, who, along with department chairpersons, program directors, and faculty within the respective Schools, have priority in the use of their services.

The services of the administrative assistants are generally restricted to matters concerning the ordinary business of the College. Assistance is not provided for personal or private material or for material which does not concern the School or professional development.

Administrative assistants are available to faculty, department chairpersons, and program directors for such matters as preparation and distribution of correspondence, announcements, department/program brochures, course syllabi, course policy and procedure information, and examinations. Services are also available for the preparation of faculty development grant applications, sabbatical proposals and reports, letters of recommendation, manuscripts and papers accepted for oral presentation or written publication, etc. Other services may include the recording of department or program meeting minutes, or the coordination of such functions as meetings and various department/program events.

Final examination material to be typed must be submitted at least four working days prior to examination time. For other material, a minimum of three working days must be allowed for typing, although a longer time for completion should be expected on lengthy material.

3.6 **STUDENT EMPLOYEES**

Departmental budgets may include institutional funds to pay all of the salaries and/or Federal College Work-Study matching portion of the salaries for readers, assistants, tutors or other student employees. Details and regulations concerning advertising for, and hiring and payment of, student employees may be obtained from the Career Development Center.
4. ADMINISTRATIVE POLICIES

4.1 ADMINISTRATIVE POLICIES

4.1.1 ROOM RESERVATIONS

Reservation of campus facilities (with the exception of classrooms and athletic facilities) is done through the Events and Conferences department. Reservations must be done on an Internal Facility Reservation Request form available from that department or on SMCnet. There is a distinction between College-sponsored and College-hosted events:

_Sponsored Events_

Sponsored events are those which are part of the College program of studies and which involve an audience comprised of 75% Saint Mary’s students, faculty and/or staff.

_Hosted Events_

Hosted events are those with which the College is associated or is collaborating but whose primary audience is not comprised of Saint Mary’s students, faculty and/or staff. Hosted events must be clearly indicated as such, and requests for them must be submitted on a College memorandum (not an Internal Facility Reservation Request form). Hosted events are charged at one-half the current rates for the facilities used, and paperwork submitted must provide the name of an individual or organization to whom a regular Facilities Use Contract and request for insurance coverage may be mailed. Reservations should be made as early as possible to avoid conflicts and allow adequate time for publicity.

The reservation of classrooms is done through the Registrar’s office. Guest speakers, special presentations, and combined classes must be scheduled in advance through the Events and Conferences department if the regularly assigned classroom cannot accommodate them. The use of the Soda Activity Center for regular classes is not permitted.

4.1.2 PETS

No pets are allowed on campus, other than guide dogs or service animals.

4.2 ADMINISTRATIVE SERVICES

4.2.1 DUPLICATING SERVICE

The Saint Mary’s Print Shop (Duplicating Center) is located adjacent to the Service Center. Included among the services provided by the shop are printing, copying, collating, folding, stapling, hole punching, binding, and other related work. Envelopes, stationery, and carbonless forms can also be done. The shop is open not only to the College personnel and students but to the general public as well. A copier which can reduce and collate is available for general public use.

4.2.2 OUTGOING U.S. MAIL SERVICE

Daily pickups from campus offices are made at 9:00 AM and 2:00 PM. Any other outgoing mail must be delivered to the Campus Mail Distribution Center located in the Post Office.
building (adjacent to LeFevre Theatre), no later than 4:00 PM to be processed the same day. All outgoing mail must be accompanied by billing slips and metering instructions, which are available upon request. Each office is responsible for separating mail by category (local, foreign, etc.). The mail room provides labels to identify the top envelope of bulk mailing. All envelopes to be sealed should have flaps up to be run through the postage machine. Like-sized pieces should be bundled. Mail room personnel should be alerted for an early pick-up and processing of more than 100 pieces by any single department. For further information, contact the Campus Mail Distribution Center.

4.2.2.1 Campus Mailboxes (Faculty and Administration)

The Campus Mail Distribution Center is located in the U. S. Post Office building (near LeFevre Theater). Mailboxes for faculty and administrative staff are centralized here and can be accessed 24 hours a day. Any material which needs to be distributed to the mailboxes can be left in two drop boxes located in the Center. The mailboxes assigned to faculty and staff are locked. Individuals may obtain their mailbox keys at the customer service window in the Center for retrieval of their mail. Keys must be returned to the Center if the individual ceases to be employed at the College. For further information contact the Campus Mail Distribution Center.

4.2.3 INFORMATION OFFICE

The Information Office (switchboard), located in Filippi Hall, has addresses and phone numbers for faculty and students. The Registrar's office has this information for all students. At present, there is no procedure to send written material to an on-campus student other than by U.S. mail or by delivering it to his/her room.

4.2.4 PAYROLL OFFICE

The Saint Mary's College Payroll office is located on the first floor of Filippi Hall. Any payment for services rendered either by a student, faculty member or administrative staff is paid through this department. Payday is on the 15th and the last day of the month. All timesheet reporting is due in this office by the 5th and/or the 20th of each month. All paychecks and all other incidental payments are mailed the day before payday via the U.S. Postal Service. Direct deposit is available and is the College's preferred method for payroll. On payday, those electing direct deposit will receive an email notice that their most current payroll information is available in GaelXpress.

4.2.5 TELEPHONE CALLS

The Saint Mary's College telephone number is (925) 631-4000. College telephones are provided for College business only. While reasonable use of College telephones for personal use is permitted, excessive or abusive use is prohibited. Moreover, all long-distance calls must be billed to the faculty member's personal account as described below. Questions about telephone service should be directed to the Telephone Services Manager.

Faculty who wish to reach students in the residence halls should dial the student's four-digit campus telephone number. In addition to on-campus calls, faculty office phones may be used to make off-campus calls within Area Code 925. (Dial 9 plus number.)

For all calls off-campus dial 9 for local or 9+1+Area Code+7-digit number for long distance. For credit card, collect or third-party calls, call 9+0+Area Code+7-digit number.
Coin telephones are also available for making personal calls. Faculty should advise persons who call them to dial their number directly by using the prefix 631 plus their extension.

Individual Voice Mail is provided to all faculty and staff, even when a phone is shared. Voice Mail must be set up by the user initially in order to function correctly. Instructions in the set-up and use of Voice Mail are available from the office of Telephone Services and on-line on SMCnet, under the Telephone Services heading.

4.2.6 FACSIMILE TRANSMISSION

Faculty who wish to send or receive a document via facsimile should refer to the campus telephone directory for a list of current office FAX numbers.

4.2.7 MAINTENANCE AND JANITORIAL SERVICE

Requests for service and information regarding scheduling of any janitorial, grounds, and/or building maintenance services should be directed to the Physical Plant office. This includes requests for cleaning, moving, set-ups, or ground use, as well as repairs or installation of any equipment or services. Requests for remodeling, renovations, or new construction must be accompanied by a Project Request form available in the Physical Plant office. To facilitate scheduling, it is necessary to complete a Saint Mary's College Work Order Request and submit it to the Physical Plant office. After 3:30 PM, emergency service may be requested through Public Safety.

4.2.8 LOST AND FOUND

The College’s Lost and Found department is located at the Campus Security office. Inquiries may also be made at the main entrance gate.

4.2.9 INFORMATIONAL SERVICES

4.2.9.1 Events and Conferences Weekly Calendar/Master Events Calendar

The Events and Conferences Weekly Calendar is a published listing of events and activities to be held during a given week at the College. It is distributed on Friday afternoon to critical campus offices (i.e., Public Safety, Residence Life, Buildings and Grounds) for the following week (Monday-Sunday).

The Master Events Calendar, available on the College Web site or on SMCnet (Calendars and Events) can be used as a guide for scheduling events and speakers in such a way as to keep events from competing for audiences and parking spaces, and to help maintain a manageable traffic flow. Information to be included on this listing should be submitted via the “Internal Facility Reservation Form” at least two weeks in advance. No events should be planned or booked prior to receiving written confirmation from the Events and Conferences department.

4.2.9.2 Update

Update, the College’s official publication, is produced by the Publications Office. It is published three times a year for the alumni, parents and friends of the College. Faculty members are encouraged to contribute to Update.
4.2.9.3 SMC Online Magazine

SMC Online Magazine is the College’s electronic publication for the entire Saint Mary’s community, as well as for alumni, parents, friends, current and prospective students. SMC Online Magazine is published monthly by the Publications Office. Submit items, via e-mail, to the managing editor, (cmcicco@stmarys-ca.edu), a week prior to the publication date.

4.3 ADMINISTRATIVE FACILITIES

4.3.1 MISSION AND MINISTRY CENTER

The Mission and Ministry Center gives expression to and fosters the Catholic Lasallian heritage and mission at Saint Mary’s College. The professional staff and student leaders provide leadership for and support to the College’s articulation of the Catholic and Lasallian identity in the context of a liberal arts education and given expression in the five Lasallian Core Principles: Faith in the Presence of God, Concern for the Poor and Social Justice, Quality Education, Inclusive Community, and Respect for All Persons. The six Core Areas of the Mission and Ministry Center include Faith Formation, Lasallian Mission, Liturgy and Prayer, Justice and Education, Residential Ministry, and Retreats and Vocation. The Mission and Ministry Center is located next to the Chapel along the Arcade. Call (925) 631-4366.

4.3.2 HEALTH AND WELLNESS CENTER

The Health and Wellness Center is located on the ground floor of Augustine Hall. The staff is not authorized to treat faculty or staff, except to administer care in the event of an emergency until further medical care can be arranged. The Center offers influenza vaccines to faculty and staff in the fall at no charge.

Information pertaining to health and wellness is displayed in the form of brochures and is available to those interested. The staff is also available to assist with referrals to off-campus medical support entities if needed.

All injuries must be reported to the Human Resources office. Except for emergency treatment, an authorization must be obtained before treatment can take place. The Human Resources office and the Workers Compensation carrier are the only ones who can authorize treatment. For emergency services call 911.

Employees are not allowed to transport injured workers. If the employee is unable to drive and if no near relative can be located, American Medical Response West Ambulance Company should be contacted at 1-800-540-3066.

4.3.3 COUNSELING CENTER

The Counseling Center’s services include individual, couple, or group counseling, consultation and classroom presentation. Trained staff assist with personal problems, such as relationship issues, decision-making, sexuality issues, stress and anxiety, substance abuse and addiction, eating problems, self-esteem and motivation, depression, and peer and academic pressures. If faculty need guidance in identifying students who may benefit from counseling, a brochure, Helping and Referring the Distressed Student, is available at the Counseling Center, which is located on the ground floor of Augustine Hall. The Center’s summer services include consultation, training and referral only.
5. **STUDENT AFFAIRS POLICIES OF INTEREST TO THE FACULTY**

6. **COMMUNICATIONS POLICIES OF INTEREST TO THE FACULTY**

6.1 **COLLEGE COMMUNICATIONS**

6.1.1 **OFFICE OF COLLEGE COMMUNICATIONS**

The Office of College Communications has the responsibility for coordinating the overall marketing, community relations, media relations and public relations efforts for the College. The Director of College Communications oversees Creative Services, Community and Government Relations, as well as Media Relations. The Director of Media Relations cooperates with the Sports Information Director and other offices on campus, which have authorization to disseminate information to the media.

Media Relations writes and edits releases to the press, including newspapers, magazines, radio and television. The department has detailed media lists, as well as information on deadlines and formats. Individuals at the College who want news releases prepared must supply the department with adequate and accurate information and consult it on the proper method of submission of photographs to the media. Materials must be submitted to the Media Relations department as far in advance of an event as possible.

Media Relations must be informed of all speakers, visiting scholars, cultural events, and symposia planned for the campus. Inquiries on such events come to the department from the media and the public, whether or not publicity has been sent out, and the department must be kept up to date. Faculty and staff are urged to notify the Director of Media Relations of any and all events taking place on campus that they feel may warrant media exposure.

Since the College Communications office is responsible for media relations at Saint Mary’s College, it is critical when outside news media are scheduled to visit the campus that the office be informed of their presence. Media Relations should be provided with the reporter’s and/or photographer’s name, the organization they represent and the purpose of their visit. This will enable Media Relations to represent the College in the best way possible, while also assisting the reporter and the interviewee with their media needs. Such information enables them to answer questions that may be directed to them.

The College Communications office and individuals charged by it and the College President are the only persons authorized to make public statements for the institution. No faculty member is permitted to make a public statement for the institution unless specifically authorized by one of these individuals. The reputation of Saint Mary's and the rights and privacy of its community members must always be respected. It is important that persons speaking on behalf of the College be consistent in the nature of their remarks. All institutional press releases involving the College must be reviewed in advance by Media Relations. All non-institutional press releases deemed to contain sensitive material which has a bearing on the College’s reputation must be reviewed directly by the Media Relations office before dissemination.
College Communications works with other departments across campus to plan marketing, public relations and promotional strategies, thus integrating efforts and creating an overall institutional strategy.

6.1.2 POLICY ON ADVERTISING AND PUBLICATIONS

Paid display advertising to be inserted with off-campus media can be processed through the College Communications office. Headlines, copy and graphics for advertising from all departments must reflect the College as an institution of significant academic standards: e.g., the quality of work and the amount of time required for degrees and certificates are consistent with traditional College standards and those of the Western Association of Schools and Colleges (WASC). The College's name should always appear in the first reference as Saint Mary's College of California. This applies to both paid advertising and news releases. All publications and paid advertising of Saint Mary's College must seek to embody the institution's inherent merits, e.g., its Catholic background, Lasallian tradition, and the tradition of the Christian Brothers, the liberal arts tradition, the College's academic reputation and location in the Bay Area, etc.

6.2 SPEAKERS BUREAU

Requests for speakers are frequently received by the Media Relations office. Faculty members interested in speaking may list their topics with the College Speakers Bureau organized by the office. Saint Mary's considers this an important service to the general public.

6.3 POSTERS

In order to prepare posters to publicize an event, the College Communications office must receive the request well before the date of posting. Contact the Director concerning time requirements for the preparation of posters.

6.4 USE OF INSTITUTIONAL NAME, LETTERHEAD, ETC.

A faculty member must have the express authority of the President or of the Vice President for College Communications before making a statement in the name of the College. However, this should not prevent faculty members from freely engaging in political or other activities, with the proviso that they "should at all times be accurate, should exercise appropriate restraint, should show respect for the opinions of others, and should make every effort to indicate that they are not speaking for the institution" (See Academic Freedom and Responsibility, section 2.9.1.)

Use of College letterhead stationery is limited to official College business.
