NEW Sports Clinics and Altitude at Via!
Dear Families, Friends, and Supporters,

We are pleased to present the 2015-2016 Fall, Winter, and Spring Registration Catalog. We are proud to share with you that we are finishing our 2014-2015 season with our highest enrollments ever! We are honored to work together with you to continue to grow our programs and provide the utmost quality in services.

Via West is ever-evolving and with that, so is our wonderful staff whose dedication and adaptability truly make them number one. Thank you to our top-notch management team! We are currently scouring the nation for a director to lead our amazing team, and during this search, I am pleased to act as the interim director.

This year, we are offering an unprecedented 28 programs including our traditional overnight weekends, travel camps, Adventures in Leadership, Altitude at Via, and our new sports clinics. Altitude at Via premieres July 2015 and is a camping experience that prepares boys and girls with social cognitive challenges for the transition to young adulthood, future relationships, and the rest of their lives! We are very excited to expand this program and offer three distinct weekend sessions over this next season. Our brand new sports clinics will also debut this fall. We are offering three sports skill-building sessions perfect for all ratios: golf, basketball, and soccer.

At Via West, we welcome everyone with open arms. We have a scholarship fund available for those who cannot afford our private pay or regional center (RC) supplemental daily rates. We are so fortunate to work with you, our families, and we hope that you continue to make Via your home away from home.

Thank you for continuing to spread the word about Via West. Without you, we would be the Bay Area’s best kept secret. See you all very soon!

Sincerely,

Leslie Davis, CEO

Travel camps give participants the chance to spend time exploring their own local community and beyond by experiencing weekend overnight travel. Check-in is from 3:00-4:00pm on Friday and check-out is from 3:00-4:00pm on Sunday. These opportunities are tailored to fit the needs of 3:1 participants. Those with a 2:1 ratio may be evaluated on a case-by-case basis to determine eligibility — please contact Ashley Eddy aeddy@viaservices.org. There is no option for day program or for those requiring a 1:1 ratio.

Adventures in Leadership

Leadership programs are for 3:1 adults with developmental and/or physical disabilities who are ready to master relevant knowledge, skills, and attitudes for working at Via West in preparation for community work settings. To enroll in Beginning Adventures in Leadership, participants must have completed at least two summer and/or weekend sessions within the past five years. To enroll in More Adventures in Leadership, participants must have completed at least one of the Beginning Adventures in Leadership programs. Leadership sessions run concurrently with select traditional overnight programs. Check-in is from 5:00-6:00pm on Friday and check-out is from 1:00-3:00pm on Sunday.

Please contact Kirsten Jensen kjensen@viaservices.org to apply. Check-in is from 5:00-6:00pm on Friday and check-out is from 1:00-3:00pm on Sunday.

Sports Clinics

We’ll be launching three 6-week sports clinics specializing in golf, basketball, and soccer. Participation and teamwork will be emphasized. The point of these offerings is to build everyone’s ability at the pace they can and to the level that they are capable. The most important factor will continue to be safety and learning, and of course, having fun! These programs are open to all ratios and all ages. Instructions and team building exercises will be integrated, however, the clinics themselves will be separated by age groups. Lessons are offered at either 4:00pm or 6:00pm.

We’ll make corsages and boutonnieres which will be the perfect finishing touch as we fancy it up for our chauffeured limo ride from the lodges to the Main Lodge Ballroom for our four course meal and Homecoming Dance, complete with a DJ. Everyone will go home with either a football or a set of pom-poms. All parents are welcome to view the football game and cheer presentation at check out-1:45pm

**IT’S A WINNIE THE POOH WEEKEND**

September 25-27, 2015

Join Christopher Robin, Eeyore, and Tigger too as we journey through the Hundred Acre Wood on a Winnie the Pooh scavenger hunt. We’ll act out our favorite characters as we make our way through an obstacle course. What’s waiting for us at the end? Pooh’s favorite hunny, of course! We’ll try our best not to get our heads stuck while making clay pots to fill with our homemade hunny granola. We’ll also play pin-the-tail on Eeyore and make edible hunny necklaces.

**Kids, Teens, and Young Adults Ages 5-22**

**AN ALTITUDE GIRLS-ONLY “GO” WEEKEND CELEBRATION**

October 2-4, 2015

Girls just want to have fun! Society has different expectations for girls than boys, regardless of whether they have social/cognitive challenges or are neurotypical. Girls have their own unique ways of interacting socially. We want to address these unique social expectations to help girls feel like they fit in, feel empowered, self-advocate, and increase self-confidence. Groups will work on elaborate craft projects, hike through the mountain trails, and prepare their own culinary feast. These activity based group interactions will address self-confidence, self-advocacy, bullying, and provide the opportunity for girls to share their experiences and know they are not alone.

**Adults Ages 18+**

**Renaissance Days: Knights, Ladies, and Rogues**

September 11-13, 2015

Hear ye! Hear ye! Come one, come all and join us as we travel back to ye olden days for a Renaissance extravaganza. Prepare to be dazzled as performers take to the stage. We’ll help adorn knights and ladies alike with homemade pirate hats, fool’s caps, beribboned headbands, and more. We’ll make and take home stained glass windows, fairy wands, golden manuscripts, and the like. Of course, the weekend would not be complete without a giant turkey leg eating contest, a traditional medieval joust, and a ball fit for the queen!

**Kids, Teens, and Young Adults Ages 5-22**

**It’s the Great Pumpkin Halloween Celebration**

October 23-25, 2015

Good grief, Charlie Brown! It’s the Great Pumpkin! Just like Linus, we’ll follow Snoopy’s clues to search high and low for the Great Pumpkin. Along the way, we’ll enjoy horseback riding, learn to draw Peanuts cartoons, and choose a pumpkin to carve from our very own pumpkin patch. Wearing our favorite costumes, we’ll trick or treat around campus and bake pumpkin pies and roast pumpkin seeds to take home and enjoy. And of course, we have Lucy’s Haunted House where there is always a trick or two waiting.
**Fall, Winter, & Spring Programs**

We’ll also host a tea party worthy of a princess, complete with cupcakes, of course. If that’s not enough for you, we’re also going to have our very own live Minecraft game on the sports court. We’ll make Minecraft mazes with fresh fruits and vegetables and use colorful Jell-O cubes to make our own LEGO creations. Everyone will take home Minecraft crystal necklaces and LEGO mini figurines.

**HAVE YOURSELF A MERRY VIA WEST SNOW WEEKEND**

December 4-6, 2015

In partnership with the Cupertino Rotary, we present our annual Operation Snowflake! Watch in amazement as snow is brought in to transform Via West into a magical winter wonderland. We’ll make snowmen, snow angels, snow balls, and even go sledding. Cookie decorating, tree trimming, and carol singing are in store before we relax with The Night Before Christmas in front of a warm fire in the Main Lodge. Everyone will create a special Secret Santa gift to exchange with friends or family at home. Of course, the weekend would not be complete without a jolly visit from our old North Pole friend.

**Adults Ages 18+**

**MELE KALIKIMAKA – A VIA WEST HAWAIIAN HOLIDAY TRIBUTE**

December 11-13, 2015

Aloha! With all of the cold weather, we’ve decided to bring the sunshine of Hawaii to Via West for this holiday celebration. We’ll don leis and enjoy a traditional Hawaiian luau. Our traditional live band — The Grateful Dads — will serenade us this year with the sounds of the islands while we trim the tree, make candles, and decorate cookies. We’ll keep an eye out for Mr. Claus, but he might be unrecognizable in his Hawaiian shirt and stunning shades!

**LET YOUR IMAGINATION RUN WILD!**

January 22-24, 2016

This weekend is all about believing in the impossible! Can you read an invisible message? Of course you can, with some help from a little lemon juice! Can you create a magic potion that changes colors right before your very eyes? Of course you can, with some help from some colorful frozen cubes! We’ll create these experiments and more as we use our imagination and creativity to make magic come to life. Who knows what else we will discover when we travel to not one, but two brand new parks — The San Jose Rotary Garden and the Magical Bridge Playground!

Building independent living skills (ILS) and the ability to manage successfully in community settings is important to families, and developing leadership skills is a valuable strategy in strengthening ILS. We'll help participants discover and understand their own strengths and challenges so that they can assess what kinds of careers or educational settings will be most appropriate for them. Vocational options abound! We will sample careers in many areas including — but not limited to — culinary, technology, and business. We'll develop self-awareness and self-advocacy, interview skills, and conversational skills which apply to different circumstances. To enroll in this program, you must also enroll in A Taste of Altitude Weekend in April.

Legend has it that if you capture a leprechaun, he will grant you three wishes, so we’ll create traps filled with shiny objects to see if we can snap one of our own. Everyone will make and take home a lucky charm bracelet plus a beautiful hand sewn tri-colored flag of Ireland.

WHERE IN THE WORLD IS WILLIS?

Hello, gumshoe. We have an owl reported missing. Subject is blue with lots of feathers and was last seen wearing a Via West t-shirt. Your assignment: travel to Europe and find the missing owl. You have until Sunday at 3:00pm. It looks like Willis has gone missing! We’ll follow a series of clues to track Willis throughout Europe. We’ll need to complete an assignment in each country that we travel to in order to learn our next destination. If we’re lucky, we’ll not only find Willis, but we’ll also construct souvenirs, like the Leaning Tower of Pisa and hand-painted Russian Nesting Dolls, from each location to bring home to our friends and family.
