WEEKEND DECISION PROGRAM (for transfer students only)

Students attending a Transfer Information Session are offered the opportunity to participate in our Weekend Decision Program. The program expedites the evaluation of your completed application where you will receive a decision within 3 days of the program you attend. **Participants will also have their $55 application fees waived.**

To participate, students need to register for a [Transfer Information Session](#) and complete the following steps:

- Complete the Common Application (including submitting a personal statement) a week prior to the event date you’re attending

- Submit a copy of your FINAL high school transcript and official copies of your college transcript(s) on or before the date you’re attending

- Letter of Recommendation is optional

Please know that as a transfer student, you do not need to submit the Registrar Report. However, you do need to submit the name of the Registrar or an advisor in the “Assign Recommenders” section of the application. You do not need to include an email address as this will require that person to submit a Registrar Report on your behalf. Simply type their first and last name and push submit. If you do not have an advisor or a Registrar, you may just type in "Angelica Moore" without the email address. Also, the letter of recommendation is optional. Note: Saint Mary’s does not require any section that asks you to have someone other than yourself to submit (i.e. midyear report, secondary report, instructor eval…)

*We need your high school transcript to verify completion of geometry and algebra 2 with a C or better.
