“Covered Person” means any eligible person, including Dependents if eligible for coverage under the Policy, for whom the required premium is paid. CLAIM PROVISIONS

Notice Of Claim: A claimant must give Us or Our authorized representative written (or authorized electronic or telephonic) notice of claim within 90 days after any loss covered by the Policy occurs. If notice cannot be given within that time, it must be given as soon as reasonably possible. This notice should identify the Covered Person and the Policy Number.

Claim Forms: Upon receiving written notice of claim, We will send claim forms to the claimant within 15 days. If We do not furnish such claim forms, the claimant will satisfy the requirements of written proof of loss by sending the written (or authorized electronic or telephonic) proof as shown below. The proof must describe the occurrence, extent and nature of the loss.

Proof Of Loss: Written (or authorized electronic or telephonic) proof of loss must be sent to the agent authorized to receive it. Written (or authorized electronic or telephonic) proof must be given within 90 days after the date of loss. If it cannot be provided within that time, it should be sent as soon as reasonably possible. In no event, except in the absence of legal capacity, should proof of loss be sent later than one year from the time proof is otherwise required.

Claimant Cooperation Provision: Failure of a claimant to cooperate with Us in the administration of a claim may result in the termination of a claim. Such cooperation includes, but is not limited to, providing any information or documents needed to determine whether benefits are payable or the actual benefit amount due.

Time Payment Of Claims: Any benefits due will be paid when We receive written (or authorized electronic or telephonic) proof of loss.

Payment Of Claims: If the Insured dies, any death benefits or other benefits unpaid at the time of the Insured's death will be paid to the beneficiary our records indicate the Insured designated for these plan benefits.

If there is no named beneficiary or surviving beneficiary on record with Us or Our authorized agent, We pay benefits in equal shares to the first surviving class of the following: 1) Spouse; 2) Children; 3) Parents; 4) Brothers and sisters. If there are no survivors in any of these classes, We will pay the Insured's estate.

All other benefits will be paid to the Insured. If the Insured is: (1) a minor; or (2) in Our opinion unable to give a valid release because of incompetence, We may pay any amount due to a parent, guardian, or other person actually supporting him or her. Any payment made in good faith will end Our liability to the extent of the payment.

If a Covered Loss is suffered by a Covered Person who resides outside of the United States, its territories and possessions and in a Country where the Company is not permitted to provide insurance without a License, the Company will pay benefits under the Policy to the Policyholder, who:

1. will hold such payment in trust for the sole use and benefit of the insured person or his or her beneficiary or other person to whom such benefits are payable ("Payee"); and
2. will remit such payment to the Payee in accordance with applicable law.

Any such payment the Company makes to the Policyholder is a full discharge of the Company's liability for the claim for which payment is made.

"License" or "Licensed" means with respect to any Country, authorized or otherwise permitted in accordance with applicable law to conduct the business of accident and sickness insurance in such Country.

Beneficiary: The Insured may designate a beneficiary for Accidental Death Benefits, if any. The Insured has the right to change the beneficiary at any time by written (or electronic and telephonic) notice. If the Insured is a minor, his or her parent or guardian may exercise this right for him or her. The change will be effective when We or Our authorized agent receive it. When received, the effective date is the date the notice was signed. We are not liable for any payments made before the change was received. We cannot attest to the validity of a change.

Assignment: We may pay benefits directly to any Hospital or person rendering covered services, unless the Covered Person requests otherwise in writing no later than the time he or she submits written proof of loss. Any payment made in good faith will end our liability to the extent of the payment.

Physical Examinations And Autopsy: We have the right to have a Doctor of Our choice examine the Covered Person as often as is reasonably necessary. This section applies when a claim is pending or while benefits are being paid. We also have the right to request an autopsy in the case of death, unless the law forbids it. We will pay the cost of the examination or autopsy.

The Participating Organization will be liable to Us for any unpaid premium for the time the Policy was in force.

NOTICE REGARDING PRIOR DESIGNATIONS OF BENEFICIARY

RE: ASSUMPTION OF PRIOR BENEFICIARY DESIGNATIONS AND ASSIGNMENTS

Policy #: ADD N0498173AR

Policyholder: Saint Mary's College of California

Policy Effective Date: July 1, 2014

This policy is underwritten by ACE American Insurance Company

We agree, that in return for the payment of the required premium for coverage under the above referenced policy (the new policy), ACE American Insurance Company (the Company) agrees to be bound by the terms and conditions of any prior beneficiary designation or absolute assignment made by an insured under the prior policy providing the same or similar benefits issued to, or on behalf of the Policyholder named above provided the following conditions are met.

1. The insured person is covered under the policy at the time of loss, or other event triggering the exercise of the assignment, and has not exercised any legal or contractual right to change his or her beneficiary or terminate the assignment.
2. The original form is on file with the employer and the employer certifies at the time the rights under the form are exercised that it is the original form. The original, signed form must be submitted at the time of claim or other transaction requiring evidence of the designation or assignment.

In the event the beneficiary designation or assignment is found to be no longer valid for any reason, all policy rights, obligations and payment proceeds will be determined on the basis of the terms and conditions of the policy issued to the Policyholder by the Company.

The Company assumes no responsibility for the validity or sufficiency of any assignment or beneficiary designation, and by this assumption of prior executed forms, does not relinquish its right to challenge the legality of any such form. Any payment made in good faith by the Company under the terms of any prior assignment form, beneficiary designation or the terms of the new policy will end its liability to the extent of that payment.
